Well, its me again! Rob is on a well deserved holiday and so I have “volunteered” to put together this month’s magazine. Rob will be back to do the next one for August/September.

I’m sure lots of you will remember Val Bugden Cawsey who lived at Tregada for some years and was a Parish Councillor, member of Lezant WI and a founder (with Ruth and Veryan) of the Lunch Club. Val has been diagnosed with advanced malignant melanoma but is determined to do something to help others who have had this devastating diagnosis. (Why am I not surprised? This is the Val we know—positive and courageous always.) She has organised a Walk on 1st July—all details are on page 33. Please come and support her in this event and help to raise funds for the current research at Derriford Hospital into this rare and aggressive cancer.

Summer has really been with us for the last few weeks with a lot of dry weather and a good deal of sunshine too. Let’s hope that the events in the Parish for July are fortunate enough to have the sunshine.

Two events at Trebuletts Chapel this month— the blooming great tea party for Marie Curie and the annual Summer Sunday Lunch. See page 4 for details. The Horticultural Society’s Summer Garden competition is judged this month and we also look forward to that organisation’s big event of the year—the Annual Show. Janet’s reminder on page 8 should jog us into looking at the schedule and deciding what we can enter. A defibrillator has now been installed at Treburley Club and this will be unveiled on 29th July with a cream tea to follow. See page 32. Of course there are the usual monthly events as well as detailed on the diary page. Best wishes from your temporary editor *Jill Price*

The Committee would be glad to receive any comments or suggestions you wish to make about the magazine, whether complimentary or otherwise. It is your magazine and we want to please as many of you as possible with the content. Contact Rob on lezantnews@gmail.com or 01579 370151. Any potential advertisers are also welcome and should contact Jill at the telephone number on the cover. The views of the contributors are not necessarily those of the Editor or Magazine Committee and contributions are always welcome.

TREBULLETT METHODIST CHURCH

On 2nd June Julie Dinnis organised a Coffee and Cake Morning at Trebulet Hall in aid of Precious Lives (CHSW). This is her special charity and she is trying to raise £1000 for it. The morning was very successful—well attended with lots of delicious cakes and plenty of tea and coffee. Plus good company! A very enjoyable morning and £210 was raised towards Julie's target of £1000. A report on our Strawberry Tea will follow in the next issue but, in the meantime, there are two more events for you to look forward to and both (as usual) include food! On Saturday 14th July Tabitha (our Chapel Secretary) is organising a Blooming Great Tea Party for Marie Curie and on Sunday 22nd July there is the Annual Trebulet Summer Sunday Lunch. Details of both are below and we look forward to seeing you there.

LEZANT PARISH CHURCH

Sadly the annual Cheese & Wine party in aid of the Churchyard had to be cancelled due to a change of date and therefore lack of advance publicity and support. It is not intended to hold the event later in the year but donations towards the Churchyard fund are always welcome and would go towards maintaining the graveyard and keeping the grass cut both at the Church and outside the Church Room.

At the recent PCC meeting considerable discussion was given towards fund raising and whether to hold a Fete this year. It was decided that after the success of our Summer Supper last year at East Penrest, a similar event would be held in 2018 and every effort would be made to form a Fete Committee to hold a Fete in 2019. This would require finding a new venue as well as a team of volunteers. There is no requirement to be a Church member to be on the Fete Committee. We are just looking for people who support the Church and wish to see it continue to provide the community with its present level of services and pastoral care.

Many of you will have noticed that the Church clock is now back in working order and striking again, although it does require one or two small tweaks to its new automatic system to make it completely accurate. A final sum of £3319 was raised to help pay for the clock repairs, which was a marvellous effort given the other demands on Church finances. We are delighted that we are now able to go ahead with the restoration of the lovely East window, which will require scaffolding to be erected for a week or two but hopefully will not cause much disruption to our services.

Revd Heather and Robin will be on holiday in July from 8th to 21st. During that period if anyone requires the services of a Priest, please ring the Rectory on 01566 770649 and leave a message and you will be contacted by a Church member.

OBITUARIES

We have recently lost two ladies who were well known and essentially part of parish life in their younger days.

MRS MARY BENNETT

Mary was born on 25th July 1927 to Thomas and Letitia, who ran the Sportsmans Arms pub in Treburley. She attended Trekenner Primary School and upon leaving, she helped to run the family pub and Cuddacombe Farm. She joined the Lezant WI and went on to marry Walter Bennett in 1968. The family sold the pub in 1971. They won a few awards for their garden at the Lezant Horticultural Show. The family continued to farm until retirement. Mary was a keen member of Treburley Social Club and enjoyed the monthly bingo and belonging to one of the skittles teams and taking a turn on the dance floor during their music evenings. She enjoyed and embraced village life and was a friend to many. She will be sadly missed. She died on the 5th May with her funeral being held at Lezant Parish Church on the 24th May. This was a very well attended event which paid tribute to the love and respect in which she was held by the community. Canon Richard Maynard conducted her funeral and she was laid to rest in the Churchyard.

Mrs Mary Bennett

MRS PHYLLIS ROBBINS

Phyllis came with her husband Charles to Clamland, Trebulet, in 1977 and they enjoyed their life there. During that time they played host to the Launceston Area Art Group of which they were members and were often seen at parish events. They moved to Beaumont Court Retirement Home 12 years ago and celebrated their Diamond Wedding there. Charles died some years ago and Phyllis passed away on the 18th May 2018, a week short of her 98th birthday. She will be much missed by her family and friends.

LEZANT HORTICULTURAL SOCIETY

The Garden Competition is nearly upon us. You will have received an entry form with your Show Schedule but don't worry if not, tell me by phone, email or a note through my door what you want to enter. The categories are Summer Flower Garden, Vegetable Garden, Patio Garden and Hanging Basket. Judging is during the week commencing 9th July. Please get your entries to me by 8pm on Saturday 7th July. Entries are 25p each category. If you haven't paid in advance, please give the money to the person accompanying the judge. You can reach me on 01566 775676 or 07867 905645, email janet.wild@hotmail.com and the address is Little Comfort, Tregada, PL15 9NA. We have some wonderful gardens in the parish, don't be shy about them, please enter away!

Our Annual Show follows on the heels of the Garden Competition, taking place on Jubilee Field, Trekenner on Saturday 11th August. This year it's the Show's 40th anniversary so please come along and join us on this special day. There are many classes to enter, including vegetables, flowers, fruit, cookery, handicraft, pot plants, wine, preserves, floral art, photography, art for adults and juniors and of course, the children's section. We are always thrilled to see these entries as, hopefully, these children are the exhibitors of the future. The brilliant Magic Martin will be entertaining children and adults alike and Launceston Town Band will be regaling us with their repertoire of popular songs. There will be a Boot Sale (please book a table in advance with me, Mary Crew or Phil Knight), alpacas from Lowley Bridge, sideshows and games to play and many other things to look at and enjoy. Refreshments will be available from the lovely ladies in the WI tent. Entries MUST be with our Chairman, Mary Crew by Friday 4th August. So, dust off your cookery books, check those runner beans and grab your knitting and get entering!!

ASPIRE

**Presentations by
Launceston's Young Scientists
from the Launceston College Aspire
Programme**

The Launceston College Aspire Programme identifies able students and offers these students opportunities to develop their thinking and their academic confidence through a range of extra events, visits and qualifications with the aim of them being able to attend the Russell Group Universities. They have been mentored by Professor Colin Webb, Professor Fenella Wojnaowska and Brenda Hooton. As part of this programme the young scientists have been asked to present their favourite presentations on subjects which inspire them to tonight's meeting of CaféScientifique, Launceston. There will be a mixture of physics, engineering, and biomedical science. The topics will range widely and may include presentations on: Special Relativity, The impact of Science on Archaeology, What Bacteria can teach us about Human Medicine, Nicotine & Tobacco, Haemophilia, SSRIs (Selective Serotonin Uptake Inhibitors), Neurology & Pain Pathways and Interspecies Infections. Last year's aspire evening was really enjoyed by all those who attended. It was a joy to see young people so knowledgeable, about and committed to their particular area of scientific interest. A volunteer panel of judges from the membership of CaféSci, Launceston will award a prize for Physics & Engineering and another for Life & Earth Sciences. Tonight's audience will be asked to award the Members' Choice prize for the best presentation too

A The tides are a fight between the earth and the moon. All water tends to flow towards the moon, because there is no water on the moon and nature abhors a vacuum. I forget where sun joins the fight.

CARADON MONTHLY WALK

JULY WALK

Calstock—Along the waterfront and over the hill

Wednesday 4th July 2018

Meeting Point/Parking Directions. Calstock Quay car park (free) behind village hall. **Grid ref:** (Explorer 108) SX436 684.

Post code PL18 9QA. Further parking at Calstock Station PL18 9QY approx 5 mins walk away.

Time: 10.00 am for prompt 10.30am start returning at 3pm (very approx).

From the rear of the car park we follow the river through to the bottom of the Danescombe Valley, which we visited one winter a few years back. The path up the valley is not too bad – a steady but not too steep climb up through the woods past industrial remains, up to a lane. Then there is a steep climb up the lane to The Butts, before we descend a steep lane to pick up a narrow footpath gradually uphill. After a short uphill stretch on a main road - the last bit of uphill - we head to Calstock Church along the road and then back downhill to the river on quiet lanes & a bridleway.

Toilets: Public toilets at the car park in Calstock. We may be able to use the loo at St Andrews Church around lunchtime for a donation.

Refreshments: Bring a packed lunch. There is a convenience store in a bus in the car park that will be open before we set off if you need to buy a picnic (but not when we get back).

Dogs: Well-controlled dogs on leads please as we are on using lanes for parts of the walk.

Distance/difficulty/hazards: About 5¼ miles. Traffic on lanes & roads. No stiles or steps.

The parish council subsidy for the taxi scheme is £4 per trip, **return £4 each way**. The fares charged by Launceston Taxis are as below. **As a resident of Lezant Parish**, you are entitled to a subsidy of **£4.00** for any taxi journey at any time, so long as a taxi is available. To take advantage of the scheme the taxi must be pre-booked through Launceston Taxis on 01566 785364 The taxi driver will have a form that he will complete. You sign the form and pay the reduced rate to the driver. Please note that the single fares quoted below are for guidance only, if you live outside one of the villages the fare may differ slightly:

LEZANT FLOWER AND GARDEN GROUP

Due to lack of numbers and the possibility of rain, the group changed the visit on the May 16th from Marwood Hill Gardens near Barnstaple and went to Endsleigh Hotel Gardens instead. The rain kept away and we spent time wandering through the gardens, walked down by the river and finished with tea at the hotel.

The colours of the various shrubs were spectacular. The Rhododendrons and Azaleas were a riot of orange, pink, white and red plus some have the most amazing fragrance. There were also wild garden areas of Campion, Bluebells, Primroses, Wild Orchids, and many more.

Our July visit will be to Higher Cherubeer Gardens at Winkleigh, also in Devon. PLEASE NOTE – we will meet at 1.15 p.m. for this visit.

There is no meeting in August.

LEZANT LUNCH CLUB

Lezant Lunch Club met on the last Wednesday of May. Brenda started the proceedings by telling us a joke and then brought all up to date on arrangements for the coach trip to Royal Cornwall Show. We then enjoyed a delicious beef stew accompanied by roast potatoes, parsnips and cabbage followed by open fruit tart and custard.

Godfrey and Joy Holter have recently been on holiday to China and they told us of all the visits they had made in that country, including old and new shopping centres, the amazing distances and so many blocks of flats. They travelled first down the Yangtze River on a medium sized cruise ship, travelling mostly at night, calling in at places such as Fengdu – Ghost City, where statues had been smashed up by the Red Guards and more recently replaced. The famous Three Gorges Dam Project which flooded a great deal of surrounding land when it was built, the villagers were given money to build on higher land. It took all night to descend 185m high dam, through the five locks. There was entertainment on board given by the crew, such as a celebration for Godfrey's birthday, the Captain's welcome show, Chinese New Year games night and a tour of the bridge. They were taken to a tea museum where bricks of tea were made into a wall and to where a display of music was played on ancient bells by performers wearing rich, brightly coloured costumes. A tour of Shanghai took place after leaving the boat. From their spacious opulent hotel room on the 21st floor, Joy and Godfrey watched early next morning exercises, raising of the flag of serried ranks of students. A flight to Xi'an where they visited the Terracotta Warriors, then on the super fast Bullett Train to Beijing – Tiananmen square, Forbidden City, Summer palace and finally the Great wall in the snow. Their talk was accompanied by some beautiful photos.

If you would like to join the Lezant Lunch Club please telephone Ruth on 01566 782286 or Audrey on 01566 773062 for more details and to **reserve a place**.
