INDEPENDENT  
BUSINESS  
ALLIANCE**

# **BUY LOCAL GUIDE**

**COUPONS INSIDE!  
2019 WINTER/2020 SPRING**

The Louisville Independent Business Alliance proudly presents our members to you—close to 900 strong—in this *Buy Local Guide*. The organizations you find within represent an incredible variety of businesses that you just can't find anywhere else in the whole wide world! They make a huge contribution to our community character and sense of place. More than that, they have an incredible impact on our local economy—employing over 14,000 people and keeping more money circulating locally. (Our Louisville study showed that for every \$100 spent, \$55 is reinvested locally, whereas only \$14 stayed when spent at a national chain.)

So keep your money close to home! A market shift of just 10% to local, independent businesses would retain an additional \$416 million in the regional economy every year!

Look for the  symbol!  
It denotes Purely Local Partners  
of the Louisville Water Company.
