DISPLAY CASE

Check out our shell display! This collection belongs to Verna Lehman. She collected these shells from Florida at Siesta Key. Also enjoy the pictures of sandcastles made by Verna's family. Shells will be on display through the end of September.

Our October display will be fall harvest. Does anyone have any toy farm implements, photos... they wish to share? Items must be able to fit on a shelf 10" deep. We will be collecting them the last two weeks of September.

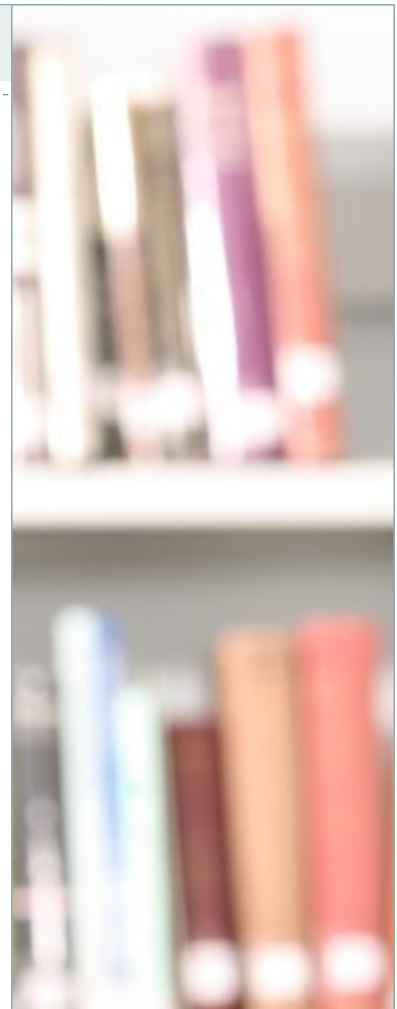

We are also looking for ideas for future displays. If you have anything you wish to share let us know. Do you have a collection of stuffed animals, precious moments, toy trucks, dolls, spoons, tea cups.... It does not have to fill the entire display case, we could build a theme around several people's collection.

SCAVENGER HUNTS & DRAWINGS

We have started something new. We will be offering scavenger hunts for something fun to do with a chance to win a prize. Currently they are for children and change every couple months. We hope to expand to adults and offer them more often.

Our current scavenger hunt you follow clues for a secret word. When you have found the word you may enter your name into a drawing for a book bag.

Our summer reading challenge; counting the number of guitars in the display case winner was Danny Lehman.

DESTINY QUEST

Missing the list of new books in this newsletter? They can easily be found on Destiny Quest Home Page. Destiny Quest can be found as an option on the left side of the Destiny Catalog web page. Check it out. You can also find other interesting information such as the Top 10 Books and Resource Lists. You can search for items from this page too.

The Resource Lists is broken down into two types: My Lists and Public Lists. My Lists are lists you make for yourself and can not be read by others. You can drag titles into this list. Public Lists are lists the library has made after patrons has requested different subjects.

You are also supposed to be able to create book discussions with friends, but I have not tried this out yet.

Check it out, you might find it helpful. I think it has some user friendly options.

LADIES NIGHT OUT

We are starting a new series of programs that meet one Monday a month. Some of these programs will be free and some will have charges. Please register for each program, 261-2543.

The first one was held on August 27 was a hit. Ashley Clark told us how to use essential oils.

The second one on September 17th, Sign Painting with Clut-

tered Owl is already filled. Depending on interest we will schedule another one, so if interested call the library and let us know.

Seed Saving will be presented by Aly Stillabower on October 29th at 7pm. She will tell us how to raise and store our own seed. Everyone will get to take home some starter seed. Free.

Saving*

YAK & YARN

Join us on the second Tuesday of every month with your hooks and yarn to learn new techniques, build your skills, share project ideas and visit with likeminded crafters. Knitters and crocheters

as well as other crafters are invited. Be sure to take advantage of our extensive collection of crochet and knitting related books to learn even more techniques and find project ideas.

SAFESITTER BABYSITTING CLASS

We are offering another SafeSitter Babysitting Class! Come learn some first aid tips, how to start a business, and how to care for children. This is a great class for not only girls thinking they would like to babysit for money, but also any older child that are left to care for younger siblings. Tips learned in this class can be used the rest of a child's life. Children must be ages 11-13.

November 3rd at 9am-3pm

Cost is \$35. Bring your own lunch.

You must register & pay ahead of time. Limited class size.

STORY TIMES

Story Hour with Agnes is offered every Tuesday when school is in session. Agnes reads a few stories, sings songs, and does activities with the children. Each child does a craft to take home afterwards. If you have a child ages 3-5, bring them to the library for a fun filled hour. Please sign up for this program, 261-2543, so we have enough supplies for your child.

This fall the library will start offering weekly story time to the Growing Patch Learning Center. Sue will bring stories and other fun activities to the 2 year old and 3 & 4 year old classes.

Reading should not be presented to children as a chore or duty. It should be offered to them as a precious gift. —Kate DiCamillo

PUMPKIN PAGENT CONTEST

Gather the family together and decorate a pumpkin as a character from your favorite story. We invite each family to use their imagination and create a book character for our display from real or foam pumpkins or gourds. Families may enter a pumpkin for each member (but each member must make their own character).

Pumpkins will be judged by the public. The pumpkin with the most money will be the winner. The winner will win a bag of treats. Money received will be used for programing.

Some guidelines to follow. Your characters must be able

to sit unaided on top of a table. Real pumpkins and gourds may not be carved. Decorations may include paints, markers, yarn, paper, ribbon, fabric... but please do not include anything of value you would be disappointed to lose.

Remember the library reserves the right to send "characters" to the "graveyard" at anytime due to spoilage.

Accepting pumpkins October 17-23 during regular library hours.

Judging by the public held October 26-31 during regular library hours. Winner will be announced on November 2.
