

*Life should be*  
A B E A U T I F U L R I D E

*2015 sport models*

*Four Winns owners have something special in common. It's not their status. Their age. Or even their backgrounds. Four Winns owners share a philosophy: that life should be a beautiful ride.*

*They believe life is better when surrounded by friends. Who are surrounded by fine upholstery.*

*They believe in packing as much as they can into a weekend, and want the ample storage to do so.*

*They believe that any vehicle with a cockpit should have the power to thrill.*

*And Four Winns gives them exactly what they want. Because when we craft a Four Winns boat, we don't hold back. Our intelligent engineering, quality manufacturing and thoughtful amenities make for a more fulfilling experience.*

*And a more beautiful ride.*

### *Smooth Rides*

It takes more than a few swells and sharp turns to rock a Four Winns. Our patented Stable Vee Hull® makes our boats some of the smoothest running and best handling boats in the world.

### *Elegant Styling*

The materials we use to construct our boats are as durable as they are elegant. Solid hulls. Stainless steel amenities. And premium vinyl upholstery that looks and feels like the finest fabric, detailed with contrast French stitching.

### *Thoughtful Design*

With a swim platform closer to the water and a ladder that extends deeper below the surface, you can gracefully get in and out.

### *Custom Looks*

Four Winns isn't just a boat, it's your own personal statement on the water. With so many opportunities for color packages and amenities, you can make any Four Winns boat your own.

## *Trailers*

BETTER BOATING BEGINS  
WITH A BETTER TRAILER

---

Four Winns® is one of the few recreational boat manufacturers in the world to make its own custom-matched, all-welded trailer. The difference lies in how easily the boat can be launched and loaded, plus it provides great stability while towing. It's a difference you'll appreciate every time you're at a crowded marina or launch, and it's a Four Winns exclusive, which means it's truly priceless.

## Canvas & Covers

WE'VE GOT YOU COVERED

---

You'll get more enjoyment—and more years—out of your boat with the right canvas top. Choose from a selection of color-matched systems, including full camper canvas, which converts the cockpit into an aquatic RV, a bimini top to provide shade, or a care cover or cockpit/forward cover to protect your boat from the elements while moored or stored.

These canvas systems are custom-sewn to fit your boat perfectly and made from top-grade material for many years of service.

## Power Options

A RANGE OF OPTIONS FROM THE TOP-OF-THE-LINE MANUFACTURERS TO FIT YOUR NEEDS

---

Four Winns offers a wide range of power options to fit your needs, providing stern-drive power from Volvo Penta® and MerCruiser®, and outboards from Evinrude®, Mercury® and Yamaha®. You'll also benefit from an engine manufacturer's limited warranty plan. Ask your dealer for details.
