# A Few Words from DG Steve...

ALOHA 5M3! I have just returned from the Lions International Convention in Honolulu, Hawaii...what an amazing experience! I have never experienced anything quite like it -- it should be mandatory for every Lion to go to the International Convention! I learned so much and have been reenergized with the Lions spirit! For over a week, I attended seminars and training and learned how to be the best District Governor that I can be -- and I hope to bring some of that back to Southwest Minnesota for my year as your District Governor!

This year, the International President, Dr. Jitsuhiro Yamada of Japan, has chosen as his theme "Dignity, Harmony and Humanity." It's hard to find a more fitting theme for the Lions Clubs, as we all move into a future where our service is needed more and more everyday. At the convention, it was mind-blowing to talk to Lions from around the world and realize that the challenges we face here in 5M3 are familiar to our counterparts in other districts worldwide. I spoke at length with a District Governor from Hungary, who told me how it was tough to get and keep members while pledging to help communities in his part of Eastern Europe. My counterparts in districts from across the United States are working hard to keep the Lions Spirit alive, while at the same time expanding the projects they do to serve their neighborhoods and communities.

As your District Governor, I want to encourage every Lion in 5M3 to strive to be a Leader! We are all leaders at some level -- we all have ideas that will push our clubs to excel in all different areas. From talking to many of you, it is clear to me that our district is blessed with a wealth of leadership potential. Our clubs excel at service! That is a result not of luck or tradition -- but of leaders in every Lions community dedicated to our motto "We Serve!"

I will start to visit the clubs in 5M3 soon -- and expect me to talk to you about leadership. I have spent a few years learning and practicing leadership. I want to hear from all of you how you plan to develop that leader inside you! And as you consider that leadership potential, think about Dr. Yamada's theme -- "Dignity, Harmony and Humanity." These three words will guide you to the successes I know we will find for 5M3 this year! MAHALO!

*-DG Steve*

## 5M3 1st Vice DG Larry~

Wow it is the start of a new Lions year! I would first like to congratulate our new District Governor Steve and wish him all the success possible. Second I would like to thank PDG David Laechel for all his efforts in leading our District last year! Lots of great things happened last year. We have a new Pipestone Lions Club that will have its Charter Night in August! I hope that we have a huge turnout to welcome these new Lions so that they can see and feel a part of our efforts to help others. Congratulations to the Canby Lions for almost doubling their membership after a month of "hands on" recruiting! These are just a couple of the many great things that happened last year.

Let's make this year a year to remember for each and every Lion and every Club in our District! Now is the time to plan and to set your goals for making them happen!

# Membership Goals

## 2015 2016

As we start the new Lions year, we need to pause and reflect on how our club is doing. Are we growing, slowing or plowing along with no goals in sight? If you club hasn't shown any growth in the past couple of years, now is the time to get your heads together and set some goals for the upcoming year.

What is a realistic goal for members? If you have 8-15 members, it is harder to lose a member than a club with 30-40 members. Replace a lost member as soon as possible or before you know it you may be a club struggling to survive. Even clubs with 30 or more members need to replace and get new members; for too often complacency sets in and before you know it, you have lost several members. Set your goals high enough to achieve, make sure you revisit your progress quarterly.

If you need help setting goals or just want some help on membership, I am willing to visit your club and help you get new members. I'm only a phone call away at 507-336-2405 or email at: [leppa73@means.net](mailto:leppa73@means.net).

*~PDG Mike Appel, Global Membership Team Chair*

I want to again thank all the clubs and all the great Lions of 5M3 for a great year as District Governor. We saw some positive growth – although I'm not sure we got out of negative numbers – the restart of a club in Pipestone, and the building of a great leadership team to lead you this year.

Did your club end the year with a positive membership growth; if so you have met one of the major criteria for getting a Club Excellence Award. I will be sending out information to all the clubs in the next couple of days on this award. Applications need to be returned to me by the end of August for my signature.

Lynda and I are slowly getting settled into our new home in Rochester. We've managed to find a place for most everything (except for all the collected Lions stuff from my year as Governor). Our new address is 3915 5<sup>th</sup> Place NW, Rochester, MN 55901. My email is now [dlachel@gmail.com](mailto:dlachel@gmail.com)

If you are coming to the Rochester area, look us up.

Again Thank You for a great year.

The **Windom Lions** recently held their Cow Pie Bingo event in conjunction with the annual Windom Riverfest Celebration.

Tickets are sold that correspond to a particular 3 ft square placed in a grid on the ground. Squares are randomly assigned to the grid. A cow is then led randomly across that grid, and when she chooses to answer the call of nature the owner of the marked square wins \$2000.

There were over 550 tickets sold, and the event netted almost \$2500 to fund community issues being addressed by the Windom Lions.
