WHISKEY - 90 PROOF

Aged 9 Years, an utter classic small-batch bourbon from Jim Beam, first created by Booker Noe and introduced in 1992.

MAKER'S MARK SMALL-BATCH KENTUCKY STRAIGHT BOURBON WHISKY

90 PROOF

Maker's Mark is a wheated bourbon made in batches of less than 1,000 gallons (around 19 barrels at a time). Maker's Mark is one of the few distilleries to rotate the barrels from the upper to the lower levels of the aging warehouses during the aging process to even out the differences in temperature during the process. On the nose: notes of vanilla, caramel and brown sugar. On the palate: notes of toffee, vanilla, and oak w/ fainter hints of toasted nut & cinnamon. A buttery mouthfeel that goes down smooth, with a pleasant finish. 8

JIM BEAM DOUBLE OAKED TWICE

BARRELED - AGED 4 YEARS - KENTUCKY WHISKEY - 86 PROOF

First aged in charred American white oak barrels, then poured into another freshly charred barrel to mature for a second time. This added interaction results in a liquid intense in caramel and toffee flavors with a distinctive spiced oakiness. 8
