## CLASS - LKG

Dear Students & Guardians,

In this unprecedented time of Pandemic COVID-19, we have found time to spend with our family & loved ones like never before. Our social gathering have reduced & now we are limited to our family. We must utilize this time for our benefit, learn new things, enjoy our hobbies & read good books. We have been making use of technology to conduct online classes, oversee homework & keep things going. Summer vacation bring the good time every year to enrich ourselves with various activities.

The summer vacation holidays homework of Doon Bharti Public School is formulated for overall development of the child as it contains not only text book knowledge but also includes activities to make good habit. Following are the gentle reminders that all students must do:

1. Make the habit of exercising & yoga on daily basis at home.
2. Make the habit of washing hands with soap & water. Keep yourself & surroundings clean.
3. Make the habit of wearing mask in public places & use of sanitizers.
4. Drink lukewarm water every time. Make sure that you take citrus fruits.
5. Make sure that you read at least one good book (apart from your text book)
6. Pray to God in the morning & before every meal.
7. Help your parents in cooking. Learn Table manners, basic etiquettes. Wash your plate after every meal.
8. Learn 5 new English words daily & try to converse with everyone in English too.
9. Spend time with grandparents & parents and bond with them. Share stories about your childhood and your family history.
10. Keep your children away from TV, Mobile phones, and other electronic gadgets if not necessary except for use for online classes, homework help & other necessary work.
11. Avoid giving junk food like: jellies, chocolates, cream cakes, aerated drinks and too many bakery products and fried items. Eat homemade food only.

Follow the above guidelines during this summer vacation. Please refer below the holidays homework.

# Summer Vacation

# DOON BHARTI PUBLIC SCHOOL

Main Expressway, Sector 89 Palwali, Greater Faridabad (HR)

Phone 9971 4444 29, 9971 4444 25

The holiday homework and the activities included is going to enhance your child's attention span, concentration, pincer grip, develop their observation skills and tactile sense. They will be able to explore colours and will be learning more about aquatic animals which will ultimately lead to their vocabulary development and building the curiosity, interest and thinking skills. It will also help in revisiting the concepts covered till now. Kindly help your child in attaining all the skills by encouraging, guiding and motivating him/her to do the mentioned activities.

- 1) **Daily Yoga:** Learn some yoga exercises & do it 5 times a day. Send weekly pictures or small video to your class WhatsApp group.

Follow the link for help in learning Yoga: <https://www.youtube.com/watch?v=5XCQfYsFa3Q>

- 2) **Daily Meditation:** Learn to meditate for atleast 5 minutes daily.

Follow the link for help in learning meditation : <https://www.youtube.com/watch?v=9A0S54yAgEg>

- 3) **Project on Making Sanitizer at home:** Learn to make hand sanitizer at home. Making your own hand sanitizer at home is cheap & easy to do. It only requires a few ingredients:

- a) [Isopropyl \(IPA\) or rubbing alcohol](#) (99 percent alcohol volume) from any chemist shop
- b) [Aloe Vera / Aloe Vera gel](#)
- c) An essential oil such as [tea tree oil](#) or [lavender oil](#), or you can use lemon juice instead.

The key to making an effective, germ-busting hand sanitizer is to stick to a 2:1 proportion of alcohol to aloe vera. This keeps the alcohol content around 60 percent. This is the minimum amount needed to kill most germs. For help, please refer the youtube video : <https://www.youtube.com/watch?v=FxjOpjat6IM>

**Learn to wear face mask for at least 1 hour daily.** It is important to teach children to wear face mask for atleast 1 hour on daily basis during summer vacation. This is important so that children becomes habitual of wearing a face mask which may be beneficial for them when they move out or when the school reopens

# Activity 1

## Sand Art

- **Learning objective**  
Sharpening of memory, exposure of colours, building of attention span, concentration and vocabulary development.
- **Material Required**  
Transparent empty bottle, coloured sand/rice, spoon, funnel/cone of paper, bowls(3-4),tray, mat confined area.

### Process:

- Step1**-Collect all the material and encourage your child to do the activity
- Step 2**- Colour the rice/sand by dipping it in the colour

- Step2**-Dissolve colour in a bowl prior for the activity
- Step3**-Talk about sun and scorching heat that we feel when we are under sun light.
- Step4**-Give a piece of fabric/cloth bag to your child.
- Step5**-Apply some paint on the palm of a child and tell him/her to print their hand of a fabric and when we will see a magic.
- Step6**-Repeat the same 6-7 time to make a huge sun
- Step7**-Let it dry for some time.
- Step8**-Appreciate the efforts of your child
- Step9**-Discuss about the craft to build up their vocabulary
- Step10**-Assist your child as and when needed

## Activity 3 : Beach Ball Sorting By Size

- **Learning objective**  
Learning about the concept of different size of balls, dimensions, building attention span, concentration, learning about the concept of big and small, sharpens memory and vocabulary development.
- **Material Required**  
Different size of balls(two), mat, tray and confined area.

### Process:

- Step1**-Collect all the material and encourage your child to do the activity.  
**Step2**-Talk to your child about beach  
**Step3**-Create balls of different sizes with your ward.  
**Step4**-Recapitulate the words-“big and small”.  
**Step5**-Let your child decorate the balls with paints.

## Activity 4: Matching of Blocks with identical Colour Shells

- **Learning objective**  
Sharpening of memory, exposure of sorting and matching of material with their identical colour shells, building of attention span, concentration, exposure of colours and vocabulary development.
- **Material Required**  
Cutout of shells(as shown in the picture), blocks (red, yellow, blue, green), basket/tray, marker, mat and confined area.

### Process:

- Step1**-Collect all the material required.  
**Step2**-Talk to your child about the things that we see on a beach like shells, fishes, sand, etc.  
**Step4**- We will be doing sorting and matching of blocks with identical colour shells.  
**Step5**-Place the material in front of your child.  
**Step6**-Do the activity in front of your child so that he/she can follow your instructions.  
**Step7**-Tell your child to do sorting and matching activity.  
**Step8**-Appreciate the efforts of your child.  
**Step9**-Assist your child as and when needed.
