

Dear Educator

We are thrilled to be able to offer you the widest choice of educational materials, approved by the Ministry of Education for the National Curriculum Syllabus for Primary Schools.

Our materials

This catalogue includes all available titles from Longman Zimbabwe. These materials have been specifically developed to make teaching and learning easy and enjoyable for all teachers and pupils.

What's New?

The *Step In: Early Childhood Development* series is an invaluable resource for teachers and learners implementing the ECD Syllabus. Read more on **page 1**.

The *Step In: Agriculture* series has been put together by an author team with a wealth of experience teaching Agriculture in Zimbabwe. Excellent design coupled with emphasis on important themes in the new curriculum such as food security, sustainable agricultural practices, problem-solving using scientific principles and entrepreneurship makes this series a comprehensive, must-have addition to your classroom. To find out more go to **page 5**.

We'll be in touch!

Our knowledgeable Educational Representatives will call on you during the course of this year introduce you to sample copies of our new and revised titles and elaborate on the features and benefits of our courses.

If you would like to get in touch with us, contact us on:

Tel: (63) 4 621 661 / 6

Email: customerservices1@longman.co.zw or customerservices2@longman.co.zw

Thank you for choosing Longman Zimbabwe as your preferred partner in education.

We wish you a happy and successful teaching year in 2013!

Yours sincerely

Mwazvita Madondo

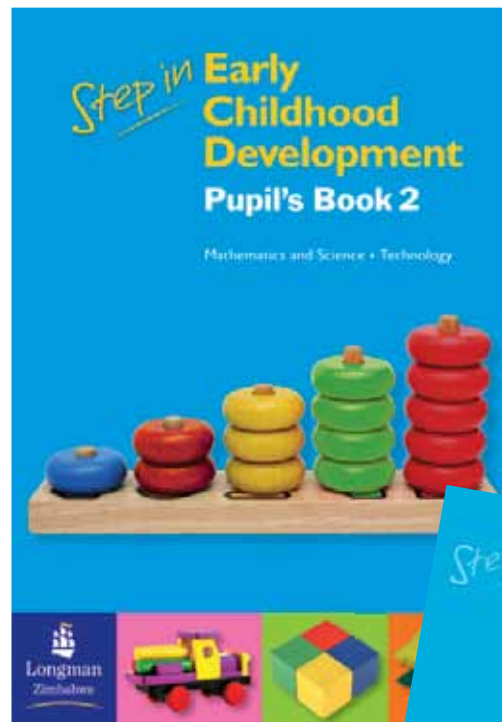

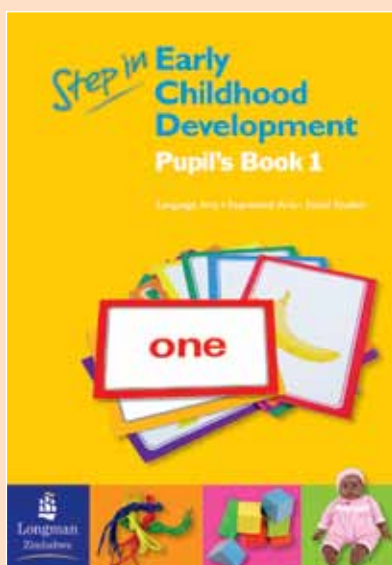

Managing Director

Early Child Development

Incorporating many disciplines the Step in series supports the teacher with a step-by-step approach to implementing the ECD syllabus.

Benefits of the day-by-day approach:

- consists of 22 themes explored over 27 weeks equipping teachers with enough material for a full year
- helps prepare children to become lifelong learners
- keeps children busy by learning through play!
