Skill Sharpeners

Third Edition

Judy DeFilippo
Charles Skidmore

Beginning – Advanced

This four-level series, now in a new edition with updated readings, integrates English with academic content skills in social studies, science, math, and history. Lessons cover skills required on most middle school state-competency tests.

Students interpret graphs and charts, read maps, solve math word problems, and learn library and study skills. They sharpen their comprehension skills as they read about history, science, and American culture.

Features:

- Higher-order thinking skills and writing.
- Survival skills necessary for coping with a new environment.
- Abundance of content area reading and writing activities.
- Comprehensive review of language structures.
- Self-contained lessons.
- Test-taking strategies.

All American Stories

Books A, B, and C

C.G. Draper

Intermediate – Advanced

Introduce students to the genre of the short story with classic tales by famous American authors. The *All American Stories* series features adaptations of classic stories, which progress in both conceptual and language difficulty within each level. In addition to building reading and vocabulary skills, students also learn to identify and appreciate literary techniques including metaphor, personification, irony, suspense, and mood.

Each Student Book includes:

- An introductory unit that defines the elements of a short story and presents an accessible model.
- Pre-reading activities to provide background information and activate prior knowledge.
- Reading Strategies and Key Words to increase understanding and enjoyment.
- Exercises and activities to build skills in comprehension, word analysis, writing, the elements of literature, and critical thinking.

Longman Photo Dictionary of American English

Low-Beginning – Low-Intermediate

Designed for adult learners of English, the new *Longman Photo Dictionary of American English* uses clear, contemporary color photos to make new words easy to remember! Suitable for both classroom use and home reference, this dictionary teaches real language in real contexts to help beginners master over 3,000 key words.

- **Over 3,000 essential words** grouped contextually include 94 different topics from everyday life – The Kitchen, The Supermarket, Public Transportation – to specific interests such as Technology, Sports, Hobbies, and more.
- **Over 1,000 full-color photos** give students the visual context essential for understanding the meaning and uses of each word.
- Classroom **conversation activities cover basic grammar points** and stimulate conversation by helping students practice the new vocabulary.
- **Extra writing practice** with controlled exercises at the back of the book recycles all the words through word searches, crossword puzzles, matching activities, and so on.
- An alphabetically organized **Wordlist** offers useful phonetic pronunciations and quickly guides students to photos of words they don't know.

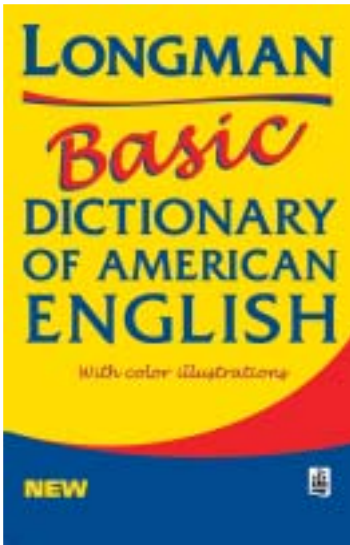

Theme-based topics and detailed, contemporary photos bring language to life and help students retain new vocabulary.

Longman Basic Dictionary of American English

Beginning – Low-Intermediate

How do you get your students to use a monolingual dictionary?

The answer is the *Longman Basic Dictionary of American English!* The clear, simple definitions are written using the 2,000-word **Longman Defining Vocabulary**, which means that students are sure to understand the explanations. Helpful, natural examples illustrate the words and phrases in typical contexts, so students learn as well as understand. The fun cartoons and clear, open design add up to a dictionary that students will enjoy using!

- **Over 10,000 words and phrases** clearly and simply explained.
- **200 fun cartoon illustrations** make the words easy to remember.
- **Full-color illustrations** section brings words to life.
- Over 7,000 natural **example sentences** show how words are used in context.
- **Exercises** show students how to get the most from their dictionary.
- **Usage notes** based on information from the Longman Learner's Corpus help students avoid frequent writing errors.

A **Workbook Introduction** gives practice in how to use the dictionary.

Full-color illustration section brings words to life under headings such as *Hobbies and Games, Clothes, Sports, Space, Prepositions*, and encourage vocabulary building.

Each meaning of a word begins on a new line, so learners can quickly and easily find the appropriate definitions they need.

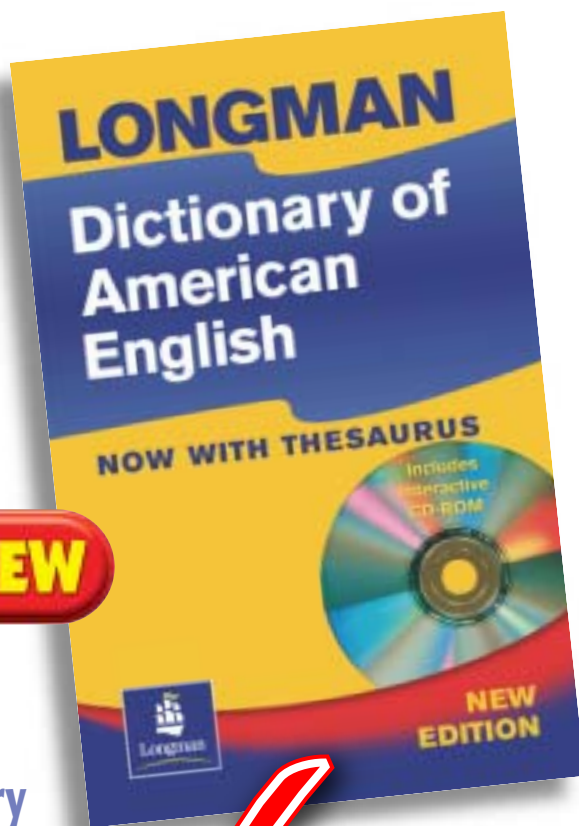

Definitions are all written using the **Longman American Defining Vocabulary**, so they are easy to understand.

Definitions are cross-referenced to illustration pages.

NEW

New Fully Integrated Thesaurus!

Longman Dictionary of American English

Third Edition

Intermediate – Advanced

The world's best-selling learner dictionary of American English has been completely revised and updated! Still the *only* intermediate-level dictionary completely based on authentic spoken and written English, the **Longman Dictionary of American English** now offers even more outstanding features, including Thesaurus Boxes and a full-color picture dictionary.

Up-to-date

- **Completely revised and updated coverage**, including terms from business, technology, and the media, ensure that students learn the most current language.
- **Over 52,000 words and phrases**

Clear

- **The Longman Defining Vocabulary**, limited to the 2000 highest-frequency words, *guarantees* that definitions are easy to understand.
- **3,000 key words** are highlighted so that students know exactly which words to learn first.

Informative

- Fully integrated **thesaurus** allows students to expand their vocabulary and express themselves with greater accuracy.
- **Spoken Phrases** are highlighted to help students differentiate between spoken and written forms.
- **Full-color picture dictionary** brings words to life.
- **Learner's Handbook section** contains Writing, Grammar and Communication Guides to help with common errors and vocabulary acquisition.

"The Longman dictionaries enable me to prepare target vocabulary instruction efficiently and effectively. I rely heavily on these considerate learner dictionaries while preparing vocabulary instruction for adolescent English learners and under-prepared readers. I can count on finding accessible definitions in familiar language, complemented by an example or illustrative sentence within my students' experiential realm."

Grammar Express

For Self-Study and Classroom Use

Marjorie Fuchs and Margaret Bonner

Intermediate – High-Intermediate

Grammar Express is an intermediate to high-intermediate text that features four-page-self-contained units that may be used in any order, as a classroom text or as a self-study handbook. The text's concise, easy-to-follow format is organized into 76 thematic units featuring:

- A **cartoon** or **piece of realia** presenting the target grammar in a meaningful context.
- Clear **grammar charts**.
- Quick **self-access activities** allowing students to discover the target grammar and manipulate its forms before they start studying its uses.
- Concise **grammar explanations** and multiple **examples**.
- Two full pages of controlled **practice exercises**.

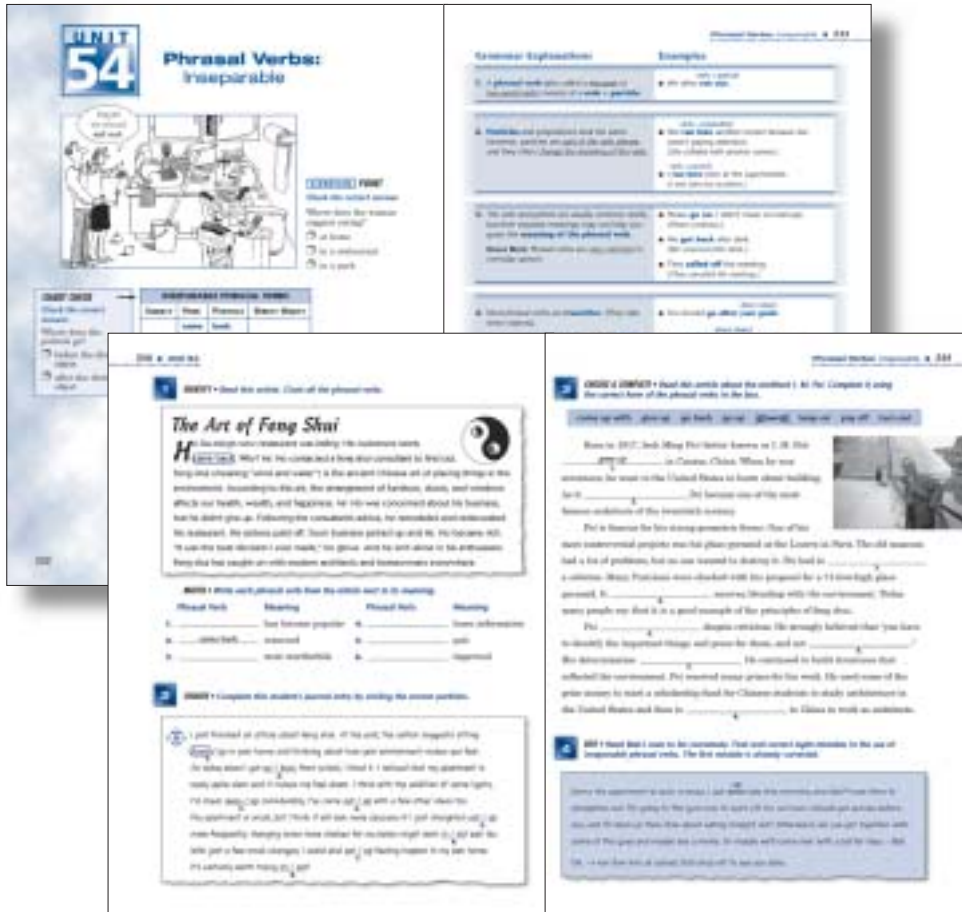

In addition, the text features:

- Fifteen **SelfTests** offering opportunities for review and practice.
- A complete **Answer Key** to all self-check activities, practice exercises, and **SelfTests**.

Editing CD-ROM

- A **dual platform CD-ROM** (for PC and Macintosh) contains additional editing practice for in-class or self-study. The exercises include error correction correlated to every grammar point in the *Student Book*.

From Grammar Express

1. ILLUSTRATION

Unit openers introduce students to the grammar point through humorous, **real-life, real-language** contexts. Self-check activities help students focus on the grammar point illustrated.

2. CHARTS

Charts present the grammar point. Self-check activities (*Chart Check and Express Check*) help students discover and then try out the forms of the grammar point presented.

3. NOTES

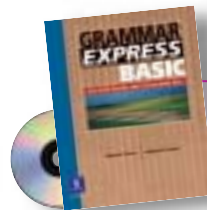

Each unit contains grammar explanations and examples.

Usage Notes, Be Careful! Notes and Pronunciation Notes give practical tips on how to use the grammar point.

NEW Interactive CD-ROM

Interactive CD-ROM provides hundreds of exercises that practice each grammar point in the *Student Book* through four language skills. The comprehensive *CD-ROM* is ideal for self-study and/or use in a language lab program.

Reading Power Series

**Beatrice S. Mikulecky and
Linda Jeffries**

Beginning – Intermediate

Based on a cognitive skills approach, these student-centered reading skills texts help students go beyond rote learning to develop the solid reading skills good readers take for granted.

Skill development areas include:

- **Reading for Pleasure** — Students master new reading strategies and broaden their vocabularies by selecting books appropriate to their level and interest.
- **Reading Comprehension Skills** — Strategic reading skills such as skimming, scanning, recognizing topics and main ideas, understanding sentences, and making inferences.

- **Thinking Skills** — Targeted practice in inference and analytical skills.
- **Reading Faster** — High-interest short fiction and nonfiction passages develop speed and flexibility in reading.

The four skill sections are intended to be used *concurrently*.

True Stories Series

Sandra Heyer

Low-Beginning – High-Intermediate

With the hugely popular *True Stories* series, English learners from low-beginning through high-intermediate proficiency can enjoy the engaging “believe-it-or-not” quality of these colorful news stories, while building reading, writing, and speaking skills.

Very Easy True Stories

High-interest stories are told exclusively in the present tense. Captioned pictures and level-appropriate exercises help students build basic pronunciation, spelling, and reading skills.

All New Easy True Stories **NEW**

Twenty units centered on stories adapted from real news sources continue the successful *True Stories* tradition. This new low-beginning text provides opportunities for practice and reinforcement of basic skills, with post-reading exercises to develop vocabulary and comprehension, encourage discussion, and build writing proficiency.

Easy True Stories

Illustrations introduce each unit to successfully ease students into the reading of engaging human-interest stories.

Each book features:

- Pre-reading questions.
- Activities for **pair or small-group work**.
- A variety of essential **reading skills**.
- Carefully controlled **vocabulary and structures**.
- **Exercises** in vocabulary, comprehension, discussion, and writing.

True Stories in the News

Stories with universal appeal ensure a pleasurable reading experience. Comprehension exercises help readers build skills such as scanning, summarizing, and identifying main ideas.

More True Stories

High-beginning readers will love these human-interest stories. Structured writing exercises include creating lists, rewriting a story in the past tense, and completing short essays.

Even More True Stories

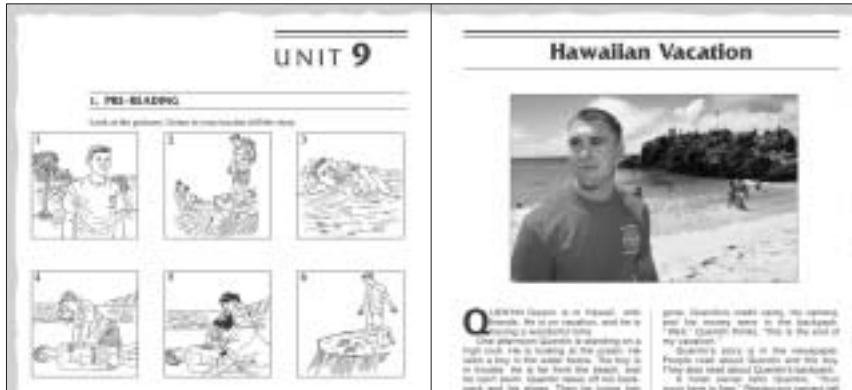

Intermediate readers enjoy the *True Stories* tradition with even more believe-it-or-not tales! New Challenge pages facilitate the transition from controlled to authentic text.

Beyond True Stories

A variety of texts — from first-person accounts to expository essays — provide practice with different genre. Target words from the Academic Word List familiarize students with common academic vocabulary.

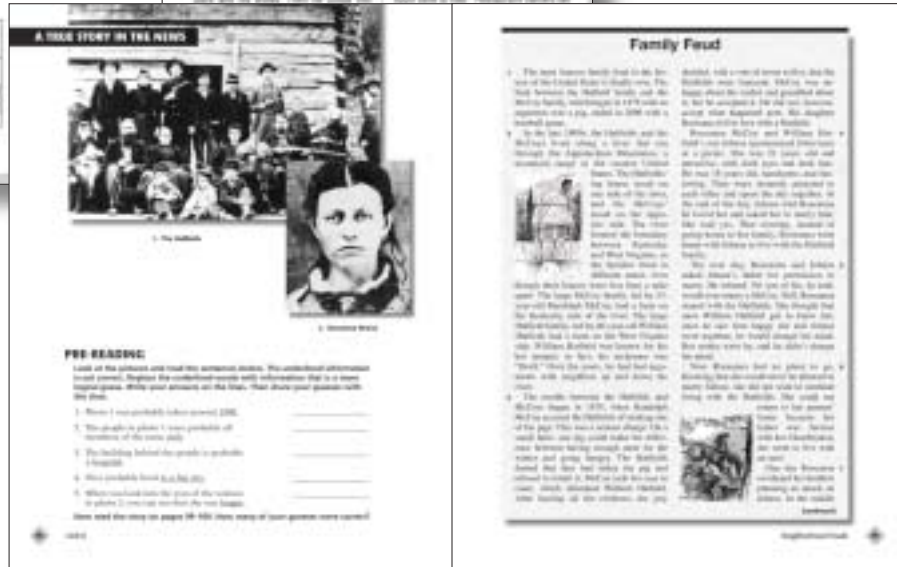

"Believe-It-Or Not" True Stories

Pre-reading illustrations introduce each unit visually to ease students into reading.

Excerpted from *All New Easy True Stories*

Authentic photos and pre-reading questions encourage students to make predictions about the reading.
