MEMORIES

MEMORIES

Memories is about all the good feelings we have around summer traditions when we meet family and friends around a table . I wanted to create a line elegant for family both occasions like exams, naming ceremonies and birthdays, but also a line that creates the perfect ambiance for summer dinners with friends by the sea and the country side.

New for the season is round tablecloths in our patterns Big Paisley® and Floral. Cushions come in new style with edgy piping. The colors I have chosen for SS2020 are blue and beige with accents of rose. For me so classy and elegant! I hope you will like it as much as I do.

A happy summer to you!
