

Lacy Heart Pillow

Celebrate the feeling of *Love* with this lacy heart pillow. Combine patterns to create trims. Add texture to your fabric before creating applique. Use the Fringe foot for dimensional stitching to complete the design. The envelope back will make it easy to remove the pillow when needed.

Juki Supplies

- Sewing Machine w/decorative stitches
 - For this pattern we used the DX4000QVP
- Open Toe Presser foot “O”
- Regular Presser foot
- Fringe foot
- Applique Presser foot “I”

- Pink embroidery thread (optional)
- 30wt. pink thread
- Size #100 top stitch needle
- Marking pen/pencil
- Straight pins
- 14” x 14” pillow form
- Heart template

Sewing Instructions

Decorative Stitch Trim

1. Measure 2” in from each side and draw a line.
2. Attach Applique foot to machine.
3. Thread machine and bobbin with red embroidery thread.
4. Place strip of tearaway 3” x 15” behind the drawn line on the fabric where the stitching will be.
5. Stitch category > Feather/Lace > #905  sew down drawn line.
6. Category Vintage > #820  sew this on each side of previous stitch.

Lacy Heart Pillow

7. Category Decorative > #722 * sew this stitch on each side of the previous stitch.

Note: Photo shown with optional laser light for the DX4000. Move the laser all the way left and sew keeping the laser light against the previous stitch.
Laser part #40247205 plus mounting bracket #40247204.

8. Draw a line 1/4" from center of stitch #772.
9. Category Practical > #4 >  length 3.0. Sew this stitch on the drawn line.

10. Category Scallop > #512  sew this on each side of the straight stitch #4. Make sure the scallop touches the previous stitch line. Remove excess tearaway.

Lacy Heart Pillow

Applique Heart

1. Trace the heart onto the 6" x 6" red fabric.
2. Attach Applique foot to machine.
3. Insert #100 top stitch needle into machine.
4. Thread machine with 30wt pink thread. Use red or pink embroidery thread in bobbin.
5. Draw a line down the center of the heart.
6. Category Quilt Line > #414  length 16.8. Sew this down the drawn line.
7. Continue sewing this stitch beside the previous stitches until the entire heart is filled with stitches.

8. Place the 6" x 6" fusible web on the wrong side of the fabric making sure the fusible web covers the heart. Iron fusible web down. Cut out the heart.
9. Place the heart in the center of the fabric front. Iron down.
10. Thread machine and bobbin with red thread.
11. Attach Open Toe Presser foot to machine.
12. Select Applique stitch. We used #209  because it stitches heavily and will cover the edges.
13. Applique the heart down.

Lacy Heart Pillow

Fringe Border

1. Draw a box around the heart. Option, round the corners to make turning easier.

2. Thread machine with 30wt pink thread or regular weight red embroidery thread. Note: If using 30wt thread, insert #100 top stitch needle.
3. Use regular weight pink or red thread in the bobbin.
4. Attach Fringe foot to machine.
5. Select zig zag stitch > length 0.3 - 0.4 > width - between 6 - 7.
6. Align foot with the guide in the center of foot with the drawn line.
7. Sew slowly around the entire design. When you come to the end, sew over the previous stitching a couple of stitches and then tie off.

Lacy Heart Pillow

Putting It All Together

1. Cut the 15" x 21" backing fabric in half.
2. Turn under one edge on each piece ¼" and press. Turn this edge under ¼" again and press.
3. Thread machine and bobbin with red thread.
4. Attach regular presser foot to machine. Select straight stitch.
5. Sew the hem down.

6. Lay the backing pieces on the front (right sides together). The back pieces will overlap each other to form the envelope back.
7. Pin in place. Option - round the corners for a softer look.
8. Sew around the entire piece using a ½" seam allowance. Clip corners
9. Turn right side out.
10. Insert pillow form.
