FIFTH SUNDAY OF EASTER

MAKING ALL THINGS NEW

Although we are five full weeks into the celebration of Easter, today's readings focus on newness. Our Easter food leftovers may be long gone, but the readings insist on every moment's freshness in the risen Jesus. The Acts of the Apostles depicts Paul and Barnabas reflecting on all the innovative work that God has done with them. They have traveled hundreds of miles, introducing faith in Jesus Christ to all who listen, even Gentiles. For the dutiful Jewish scholar Paul, preaching to Gentiles is a completely unique development. Jesus calls Paul, and us, not to be afraid of new challenges: as John the Evangelist reports in Revelation, Jesus promises to "make all things new." In the Gospel reading, Jesus even gives us a new commandment. The Hebrew Scriptures overflow with commandments, but Jesus knows we need one more, perfect mission: "love one another."

 "Behold,
 God's dwelling is with the human race."
 — Revelation 21:3

TREASURES FROM OUR TRADITION

Frequent fliers today have many ways to accrue air miles, so one doesn't always have to endure long hours in cramped seats to earn free hours in cramped seats. In St. Paul's day, there were no such perks, nor would there have been any legal system for him to protest the shipwrecks he endured. He had other rewards in mind. The churches that he established in the catalogue of cities from today's first reading must have been very different from one another. Language, culture, customs, religious history, obstacles to community, social challenges, the places where they met, their clothing, their bread and wine, all distinct, particular to the area.

There were social customs as well: in a Christian household, the only place where a slave would be able to stand legally as an equal with the master would be at the table of the Lord, because at that table a new world of reconciliation was imaged. While Paul revered local customs, he was relentless about challenging the ways that people lived their Christian lives and how their worship reflected them. It is much the same today, as a global Catholic Church seeks to respect local customs and culture, allowing for differences in many things, yet always giving expression to the underlying presence of Christ, who binds us all together into his body.

PRAYER OF THE WEEK

Fifth Sunday of Easter
 Almighty ever-living God,
 constantly accomplish the Paschal Mystery within us,
 that those you were pleased to make new in Holy
 Baptism
 may, under your protective care, bear much fruit
 and come to the joys of life eternal.
 Through our Lord Jesus Christ, your Son,
 who lives and reigns with you
 in the unity of the Holy Spirit,
 God, for ever and ever.

Reflection question:
 What does it mean for me to bear fruit for the reign of
 God?
