Welcome to M3 Technologies, Inc.

Located just south of Boston in beautiful Cohasset, Massachusetts, M3 Technologies, Inc. has over 100 years of combined experience in the stone care industry. We are renowned for our high quality products, first class customer service and superior technical support. We have a successful distribution network for our professional grade Majestic Stone Care products and are looking for new distributors in certain areas. Private label programs are also available.

For any stone surface to look its best, it is essential to use the proper tools and products. We manufacture top quality commercial cleaners, polishes and accessories to suit your stone care restoration and maintenance needs, no matter how big or small. Because quality means as much to us as it does to our customers, we have thoroughly tested these items. From professional contractors all over the world, M3 Technologies Inc. is recognized as one of the leading manufacturers and suppliers of stone care products and just as important, technical support. We believe that you will find our products to be an asset to your company as well.

As you know, the stone care industry is very competitive. This is why M3 Technologies, Inc. feels strongly about offering you outstanding customer service. With our experience we understand that no matter how good a company's products are, these items will lose their value if the best customer service is not there to support them. You can be assured that M3 Technologies, Inc. is here to serve you, and our experienced stone care experts are on hand to assist you at any time.

We look forward to working with you and greatly appreciate your business!

Chad Schmidt
President, M3 Technologies, Inc.

PROFESSIONAL GRADE CLEANERS

Majestic No-Rinse Neutral Cleaner

Item #MAJC010

Majestic No-Rinse Neutral Cleaner is a pH neutral, quick-drying, streak-free concentrate for daily cleaning of natural stone and all hard surfaces. Optical brighteners enhance the look of your natural stone floors and surfaces. It is also an ideal cleaner for acrylic, glass, mirrors, chrome and brass.

Majestic Deep Cleaning Stripper Degreaser

Item #MAJC020

A concentrated heavy duty alkaline cleaner and stripper for deep cleaning of heavily soiled surfaces and for removing wax, grease and light acrylic coatings. Safe for use on all polished surfaces.

Majestic Heavy Duty Tile & Grout Cleaner

Item #MAJC030

Heavy Duty Tile & Grout Cleaner is a concentrated, heavy duty acid-based cleaner and restorer for deep cleaning of heavily soiled porcelain, ceramic and other non-natural tile and grout.

Majestic Stone Soap

Item #MAJC040

Stone Soap is an all natural, biodegradable, highly concentrated cleaner/conditioner designed for daily cleaning and conditioning of all natural stone surfaces. Stone Soap is safe and easy to use on marble, granite, limestone, travertine, terrazzo, agglomerate, slate, unglazed ceramic, porcelain, terra cotta, saltillo and concrete. Regular use provides a dirt repellent barrier at the surface, prevents hard water damage, brings out the natural color and brilliance of the stone and improves slip resistance on polished surfaces.

Majestic Stain Poultice

Item #MAJC050

A professional grade poultice to safely and effectively remove deep stains from stone surfaces.

Majestic Stone & Grout Intensive Cleaner

Item #MAJC060

Majestic Stone & Grout Intensive Cleaner is a concentrated, heavy duty alkaline cleaner and restorer for the deep cleaning of heavily soiled stone and grout. It removes the dark build-up of greases and soils that are typically imbedded in stone floors and is safe for use on all polished surfaces.

PROFESSIONAL GRADE CLEANERS

Majestic Stone Plus

Item #MAJC08001

This extremely popular product is preferred by professional contractors and homeowners alike for the routine cleaning of countertops, walls and other surfaces. Stone Plus is recommended by pros everywhere for the streak-free cleaning of all natural stone surfaces. Also great for cleaning mirrors above your delicate marble vanity tops, glass shower doors and more to prevent accidental overspray from other non-stone safe products.

Majestic Steel Kleen

Item #MAJ-A121

Steel Kleen is a non-abrasive and non-toxic multi-surface cleaner, making it perfect for food preparation surfaces! Steel Kleen is formulated to be the fastest, easiest and most long-lasting stainless steel cleaner and polish - actually repelling dust, moisture, fingerprints and smudges. Lightly citrus scented Steel Kleen fits in perfectly with our green environment.

Majestic Anti-Slip

Item #MAJC070

Anti-Slip is a one step cleaner and polish which dramatically increases the slip resistance for all hard surface flooring. It may be used by itself or on previously sealed and polished floors. Anti-Slip is non-flammable, biodegradable and free of phosphates, solvents, and abrasives. Dramatically increase the dynamic coefficient of friction on your hard surfaces with the use of this product!

Majestic Grout Rejuvenator Gel

Item #MAJC090

Grout Rejuvenator is a thick gel formula that clings to vertical surfaces and attacks tough stains including mold and mildew. This chlorinated gel cleaner contains 50% more destaining power than most consumer products. It is ideal for tile, grout, non-slip strips and caulking.

Majestic Toilet Bowl Cleaner

Item #MAJC10

The SAFE alternative to acid-based toilet bowl cleaners. Clean and deodorize your toilet bowls that sit on marble, travertine, limestone and other calcite-based natural stone floors without worrying about spillage etching your stone.

PROFESSIONAL GRADE CLEANERS

Majestic Conditioning Treatment & Polish

Item #MAJC08004

Majestic Conditioning Treatment & Polish is a blend of organic emulsifiers, natural moisturizers and gloss enhancing polymers. It is formulated to penetrate, enhance and protect all polished stone countertops and walls. It adds shine and creates a protective shield that repels water and reduces fingerprints. Use on occasion when you want to add a little extra shine and protection. Not to be used on floors.

Majestic Heavy Duty Soap Film Remover

Item #MAJC08005

Non-toxic, pH neutral and easy to use by pros and homeowners alike, Majestic Heavy Duty Soap Film Remover is uniquely formulated with finely milled marble to create an abrasive safe for marble. It is safe and gentle on your stone, yet ruthless on soap film and hard water deposits. Leaves behind a protective shield on marble, travertine, limestone, and onyx showers, countertops and other surfaces.

Majestic Mildew Stain Remover

Item #MAJC08006

Majestic Mildew Stain Remover is a blend of surfactants, sodium hypochlorite, water, conditioning agents and deodorizers designed to kill and remove mold and mildew from hard surfaces such as natural stone, tile, grout, walls, shower stalls, shower curtains, mats, painted and unpainted surfaces.

Majestic All Purpose Residue Remover

Item #MAJC08007

Majestic All Purpose Residue Remover is a blend of non-acid surfactants and water conditioning agents that are formulated to remove soap scum, hard water deposits, water rings and salt residues from stone, tile and grouted surfaces.

Majestic Multi-Purpose Natural Cleaner

Item #MAJC08008

Majestic Multi-Purpose Natural Cleaner is a blend of natural detergents, citrus solvents and hydrogen peroxide. It is safe on stone, tile, grout, walls and shower stalls. Majestic Multi-Purpose Natural Cleaner can be used for all of your home, office, laundry, automotive and outdoor cleaning needs.

POLISHES & RESTORATION PRODUCTS

Majestic 5X Polishing Powder

Item #MAJR030

A professional grade stone polishing powder for restoring a beautiful shine to your stone surfaces. Ideal for periodic maintenance of polished stone floors and worn or etched areas.

Majestic Stone Polishing Compound

Item #MAJR040

Majestic Stone Polishing Compound is a professional grade, dust free stone polishing compound for restoring a beautiful shine to your stone surfaces. Ideal for restoration and/or periodic maintenance of polished stone floors and worn or etched areas.

Majestic Marble Spray Polish Crystallizer

Item #MAJR010

Majestic Marble Spray Polish Crystallizer is an economical and effective marble polish for use on all calcium-based surfaces. Ideal for maintenance of polished stone and restoration of worn or etched areas. Available for both light and dark stone.

Majestic Granite Polishing Powder

Item #MAJR06500

A natural abrasive powder to restore your polished granite to its like new shine. This powder is ideal for the final step in the restoration process or ongoing maintenance. Available for both light and dark colored granite to keep your floors looking their best.

Majestic Marble Polishing Cream

Item #MAJR050

An easy to use, non-abrasive polishing cream for restoring calcium-based stone surfaces. Cream consistency is ideal for vertical surfaces, vanities and small areas.

Majestic Stone Polish Protector

Item #MAJRPP45818

A unique dust blocking, no wax aerosol formula for use directly on surfaces as well as on cloths and mitts. Dusts, cleans and shines in one simple operation. Removes light soil, dust, smudges, smears and fingerprints. Leaves no silicone or waxy build-up. Use on all stone surfaces.

Majestic Honing Powder

Item #MAJR100

Majestic Honing Powder is a balanced blend of selected inert powders (non-acidic/non-alkaline) designed to remove medium scratch patterns and severe chemical etching. Honing Powder produces a non-slip finish and leaves a superior shine. Available in 150, 250, 400, 800 and 1800 grit.

POLISHES & RESTORATION PRODUCTS

Majestic Etch Remover

Item #MAJR0400

A special blend of polishing compounds formulated to remove light etching and water stains from polished marble, travertine and limestone. Marble can be polished with ease without the use of special tools, leaving a beautiful shine on your stone surfaces, keeping them looking like new.

Majestic Tile Polish 1 & 2

Item #MAJR08/MAJR09

Our two-step polishing process is designed to renew and restore a beautiful, like-new look to unglazed ceramic and porcelain tiles. Available for both light and dark tile and grout.

Tile Polish is safe to handle and use in all areas. Restores old and worn tiles while thoroughly cleaning dirty grout lines.

SEALERS

Majestic Water Based Impregnating Sealer

Item #MAJS010

Majestic Water Based Impregnating Sealer is a highly effective, water-based penetrating sealer for all natural stone, grout, concrete and any other porous mineral or man-made material. It provides an invisible barrier resistant to water and oil born stains, while allowing the surface to properly breathe.

Majestic Solvent Based Impregnating Sealer

Item #MAJS020

A highly effective solvent based impregnating sealer to help protect your stone surfaces from water and oil born stains. Deeply penetrates stone surfaces for maximum protection.

Majestic Color Enhancing Impregnating Sealer

Item #MAJS030

A professional grade, solvent based, penetrating color enhancing sealer for deep protection of your stone surfaces. Advanced proprietary solvent formula ensures the deepest penetration and protection from oil and water staining while bringing out the color of the stone.

Polymeric 1 Sealer

Item #MAJS4001

Polymeric 1 contains a new generation polymer that is chemically programmed to migrate continually to the surface when used in high traffic areas. Polymeric 1 is a sealer and finish in one product. It inhibits scratching and gives the floor an exceptionally long wear life, so floors stay newer looking longer. Designed for high traffic areas with regular maintenance.

Polymeric 3 Sealer

Item #MAJS4001-3

Polymeric 3 is a very high durability polymer that is specially designed to provide a semi-permanent coating that can be used on concrete, marble, terrazzo and other stone floors. It is formulated to provide a more durable floor coating than most conventional seals and finishes. Polymeric 3 can also be used in outdoor applications. It creates a durable high gloss finish capable of withstanding heavy traffic.

Low Odor Solvent Based Impregnating Sealer

Item #MAJS050

A penetrating sealer for all natural stone, grout, concrete and any other porous mineral or man-made material. It provides an invisible barrier, protecting your stone surfaces from water and oil born stains, while allowing the surface to properly breathe.

AKEMI® Colour Intensifier

Item #Akemi-Color-Int

A ready-to-use, solvent-based, special impregnator containing reactive modified silicates that intensify the natural colors of honed and textured stones. The product penetrates into the pore system of the stone. A polysiloxan results from the catalytic reaction. In addition, a reaction with the siliceous substance of the stone takes place.

Majestic Lithium Silicate Densifier

Item #MAJS06001-L

A ready-to-use sealer, hardener and densifier for concrete surfaces. This penetrating product reacts with concrete to produce insoluble calcium silicate hydrate within the pores of the concrete. Surfaces treated with this product resist damage from water and surface abrasion. Majestic Lithium Silicate Densifier has a faster reaction speed and better depth of penetration.

Majestic Sodium Silicate Densifier

Item #MAJS06001-S

A ready-to-use sealer, hardener and densifier for concrete surfaces. This penetrating product reacts with concrete to produce insoluble calcium silicate hydrate within the pores of the concrete. Surfaces treated with this product resist damage from water and surface abrasion. Sodium silicates, with their larger molecule size, fill pores more easily, using less product and keeping costs low. It is primarily used for basic ground and polished floors with no color.

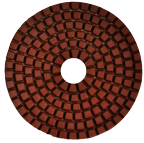

Majestic Concrete Guard

Item #MAJS07001

Originally formulated to be used in conjunction with hardened concrete floor systems, Concrete Guard may also be used anywhere a clear, high gloss, dual-action concrete protection system is desired. Concrete Guard is designed for use on previously sealed surfaces, as well as surfaces that have been previously stained or dyed and sealed.

DIAMOND ABRASIVES

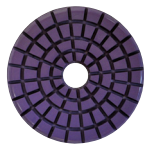

Premium Flexible Resin Pads

Item #DICP

A durable multi-purpose flexible resin pad. For both floor machines and hand-held polishers. For wet or dry use.

Use on: All stone and concrete surfaces.

Triple Thick Resin Pads

Item #TX

A high quality resin pad for producing a beautiful shine on marble floors. Excellent diamond concentration for superior shine. For wet use.

Use on: Marble, travertine and terrazzo.

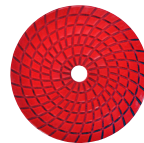

Typhoon Resin Pads

Item #TYP

Our premium, long-lasting hard resin pad for polishing marble, travertine, terrazzo and concrete surfaces. Excellent diamond concentration for superior shine. Beveled edge to avoid problems with lippage. For wet use.

Use on: Marble, travertine, terrazzo and concrete.

Turbo Flexible Resin Pads

Item #AA

A high quality flexible resin pad for use on marble, travertine and terrazzo surfaces.

Can be used with floor machines and hand-held polishers. For wet use.

Use on: Marble, travertine and terrazzo.

Copper Phenolic Resin Pads

Item #DICPC

A long-lasting polishing pad that is great for aggressive work. Use for light shaping and initial polishing on hard stones. For wet or dry use.

Use on: All stone and concrete surfaces.

Rosette Polishing Pads

Item #ROS

Unique waterway design for easy swarf removal. High segment designed for long product life. Beveled edge easily rides over lippage. For wet or dry use.

Use on: All stone and concrete surfaces.

DIAMOND ABRASIVES

Superior Hard Concrete Pads

Item #HC

Hard phenolic bond resin pad for long lasting wear and superior grinding of concrete.

For wet or dry use.

Use on: Concrete and granite.

Shine Pads

Item #DI-SH

Our most successful multipurpose pad. Copper bond exterior with resin bond interior.

Aggressive in low grits. Ideal preparation for final polishing. Will not leave waves or ripples.

For wet use.

Use on: Concrete, engineered stone and granite.

DiaDry - Dry Polishing Pads

Item #DIADRY

Ideal pad for on-site repairs. Pattern allows for extra flexibility. Proven performance on engineered stone when used wet. For wet or dry use.

Use on: Marble, granite and engineered stone.

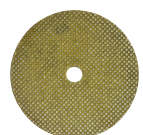

Granite Diamond Pads

Item #DIFL

Long lasting diamond pads for polishing granite, terrazzo and concrete floors. Stone polishing professionals buy these pads for their durability as well as the superior polishing results they produce. For wet or dry use.

Use on: Granite, terrazzo and concrete.

Power Grind Flexible Electroplate Pads

Item #ELF

An aggressive flexible grinding and polishing pad with exposed diamond abrasives. For use with heavy stock removal or quick honing of all stone surfaces. Rigid electroplated pads available in 3" and 4". For wet or dry use.

Use on: All stone surfaces, agglomerate and composite.

Marble Lippage Removal Tools

Item #LT

For the aggressive removal of lippage on marble tiles. For wet or dry use.

Use on: All stone and concrete surfaces.

CALL TOLL FREE TO ORDER 1-800-342-4533

DIAMOND ABRASIVES

Toolip Lippage & Concrete Grinding Pads

Item #TOOLIP

Beveled to ride over lippage when being used on tile floors. Enables smooth grinding and results in very little scratching of the surface. Adapts directly to plates and comes Velcro-backed for easy mounting and dismounting. For wet or dry use.

Use on: All stone and concrete surfaces.

Granite Lippage Removal Tools

Item #GLT

For the aggressive removal of lippage or honing of all granite floors. For wet or dry use.

Use on: All stone and concrete surfaces.

Magnum Concrete Grinding Pads

Item #MAG

A super long-lasting sintered metal bond for polishing concrete and terrazzo floors.

Considering the coverage and final polish, our Magnum Pads are by far the best value in the industry. For wet or dry use.

Use on: Concrete and terrazzo.

Trapezoid Grinding Plates

Item #2Bar

Three-hole grinding plate with 2 segments. Available in soft bond, medium bond and hard bond. For wet or dry use.

Use on: Concrete and terrazzo.

Flexible Buff Pads

Item #AP-Buff

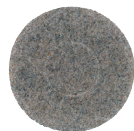

Our Flexible Buff Pads will bring a standard polished edge to a deep glossy final finish.

The pad is a heat compressed disc that combines tin oxide and aluminum oxide with natural fiber to produce a superior final polishing product. Black Buff will bring out the shine on black granites. Use the White Buff for lighter colored granites. For wet use.

Use on: Granite.

FLOOR PADS

Natural Hair Pads

Item #FPNAT

Available sizes: 7-3/4", 13", 17", 20"

High quality natural hair pads for use with polishing powders, compounds, Concrete Guard and floor finish.

Use on: Hard surfaces.

Synthetic White Buffing Pad

Item #FPWHITE

Available sizes: 7-3/4", 13", 17", 20"

High quality white buffing pads for polishing and cleaning hard surfaces.

Use on: Hard surfaces.

Red Buffing Pads

Item #FPRED

Available sizes: 7-3/4", 13", 17", 20"

High quality red buffing pads for polishing and cleaning hard surfaces.

Use on: Hard surfaces.

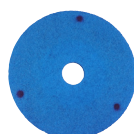

Black Stripping Pads

Item #FPBLACK

Available sizes: 7-3/4", 13", 17", 20"

High quality black stripping pad for removing waxes and finishes from hard surfaces.

Use on: Hard surfaces.

Diamond Impregnated Floor Pads

Item #PLP

Available sizes: 7", 17", 20"

Makes daily maintenance a breeze. Use wet or dry to remove light scratches and etching.

Helps bring back the original gloss and luster, keeping floors and countertops looking like new.

Use on: Marble, travertine, terrazzo, limestone and concrete.

ACCESSORIES

Pre-Taped Drop Cloths

Item #:

TPDC90560 - Drop cloth 21" x 100' w/dispenser - Case of 12

TPDC90561 - Refill 21" x 100' - Case of 12

TPDC90563 - Drop cloth 48" x 100' w/dispenser - Case of 12

TPDC90564 - Refill 48" x 100' - Case of 12

Pre-taped drop cloth protects molding, trim, doors, windows and more.

Foam Backer Pads

Item #:

BP3 - 3" Foam backer pad

BP4 - 4" Foam backer pad

BP5 - 5" Foam backer pad

BP7 - 7" Foam backer pad

ABP7 - 7" Angled backer pad

Quality Velcro backer pad for quick attachment of polishing disks. 5/8-11 thread spindle for use on all standard hand machines.

Full Face Velcro Drive Pads

Item #:

DP13 - 13" Full face Velcro drive pad

DP17 - 17" Full face Velcro drive pad

DP20 - 20" Full face Velcro drive pad

Heavy-duty, full face Velcro drive pad for use with diamond floor pads. Comes with a universal clutch plate to fit most machines.

Weighted Velcro Drive Pads

Item #:

WD13 - 13" Weighted Velcro drive pad

WD17 - 17" Weighted Velcro drive pad

WD20 - 20" Weighted Velcro drive pad

Heavy-duty, weighted, Velcro steel drive pad for deep polishing and grinding. Comes with a universal clutch plate to fit most machines. Rubber based pad included for driving steel wool and synthetic pads.

ACCESSORIES

Gloss Meters

Item #:

ALIG-331 - Alpha IG-331 Premium Gloss Meter

Glossmeter-M - KSJ-MG6-SS Gloss Meter

ALIG-331 - Compact, lightweight and easy to operate. High efficiency measurements with selectable measuring angle (60° or 20°) and automatic calibration. Displays gloss measurements as numerical data.

Glossmeter-M - The KSJ-MG6-SS is a small, stable, precise glossmeter. It uses a single AA-size battery. It's easy to use and convenient to carry.

Rubber Spacers

Item #:

SPACER3inch - 3" Foam spacer, 1/4 thick w/ hook and loop

SPACER4inch - 4" Foam spacer, 1/4 thick w/ hook and loop

SPACER3inch-3/8 - 3" Foam spacer, 3/8 thick w/ hook and loop

Foam risers with Velcro.

Spare Velcro

Item #:

VELCRO3LOOP - 3" Round loop

VELCRO3HOOK - 3" Round hook

VELCRO17SQ - 17" Square hook

VELCRO19SQ - 19" Square hook

VELCRO22SQ - 22" Square hook

VELCROSSVH4040 - Self-stick Velcro for weighted driver

Racatac with Chest Support

Item #:

RACATAC3 - Racatac with chest support & 3" casters

RACATAC2 - Racatac with chest support & 2" casters

Both models include the fully adjustable chest support which connects and disconnects in seconds. It is made of very comfortable dual density foam. Both the seat and chest support adjust at different angles, different heights and slide on a rail front to back. This allows you to use both hands in various working positions while your back and knees are fully supported and you can control your movement with your feet and toes.

MACHINES & EQUIPMENT

Mastercraft Heavy Duty Stone Floor Grinding & Polishing Machine

Item #MCQM

This heavy duty and versatile stone machine will do it all. The add-on weight system allows the addition of up to 95 pounds to provide the pressure needed for lippage removal on marble/limestone and for cutting and polishing hard, dense granite floors. By removing the weights, it can be used for standard polishing of your stone floors. This heavy duty multi-use floor machine is for all hard surface needs. The perfect machine for stripping, scrubbing, polishing and diamond grinding all hard surface flooring. Available in 17" and 20".

Mastercraft Multi-Purpose Planetary Machine

Item #MCMPFM

This multi-purpose floor machine is designed for grinding and polishing stone and concrete surfaces. Unique changeable heads are easy to install and remove, adding to the machine's versatility. Easy to operate and control! Unique belt drive 3-head system is designed for smooth operation with superior results.

Majestic Heavy Duty Stone Machine

Item #MAJFM

Majestic Heavy Duty Stone Machines are industry standards designed for the harsh environment of stone refinishing and polishing. These perfectly balanced heavy duty machines are the culmination of weight, speed, safety, power, and reliability. Available in 17" and 20" models. These quality machines are ready for action with two 25 lb. weights, water tank and a diamond drive plate included. 13" and 15" models are also available on request.

Cimex Diamond Finisher

Item #CR48DF

The CR48DF provides for successive stages of floor preparation or restoration to be completed more rapidly and with less effort than is possible with conventional methods. It combines the unique, patented, Cimex three-headed counter rotating system, with a generous 19" path and 6.5 gallon solution tank which allows for uninterrupted usage in wet applications.

Makita 7" Sander/Polisher Kit

Item #Makita 9227CX3

The Makita 9227CX3 circular polisher will give you the control needed to restore and keep your high-gloss finish. It will help you clean, polish, and protect your surfaces. Great RPM control to tailor to your specific needs! Also includes: Makita hook & loop pad, hex wrench, 21-inch Makita tool bag, 7-inch Makita wool compound pad and 7-inch Makita polishing pad.

CALL TOLL FREE TO ORDER 1-800-342-4533

MACHINES & EQUIPMENT

Alpha Hand Polisher

Item #POLISHER

A variable speed, water-fed hand polisher, perfect for all your stone care needs.

Specifications:

- 1600-2800 RPMs
- In-line ground fault circuit interrupter
- 5/8-11 thread spindle
- Adjustable water-feed
- Includes carrying case

Wet Vac

Item #WVMCP41510E

Heavy duty commercial wet/dry vacuum for cleaning your toughest areas.

Specifications:

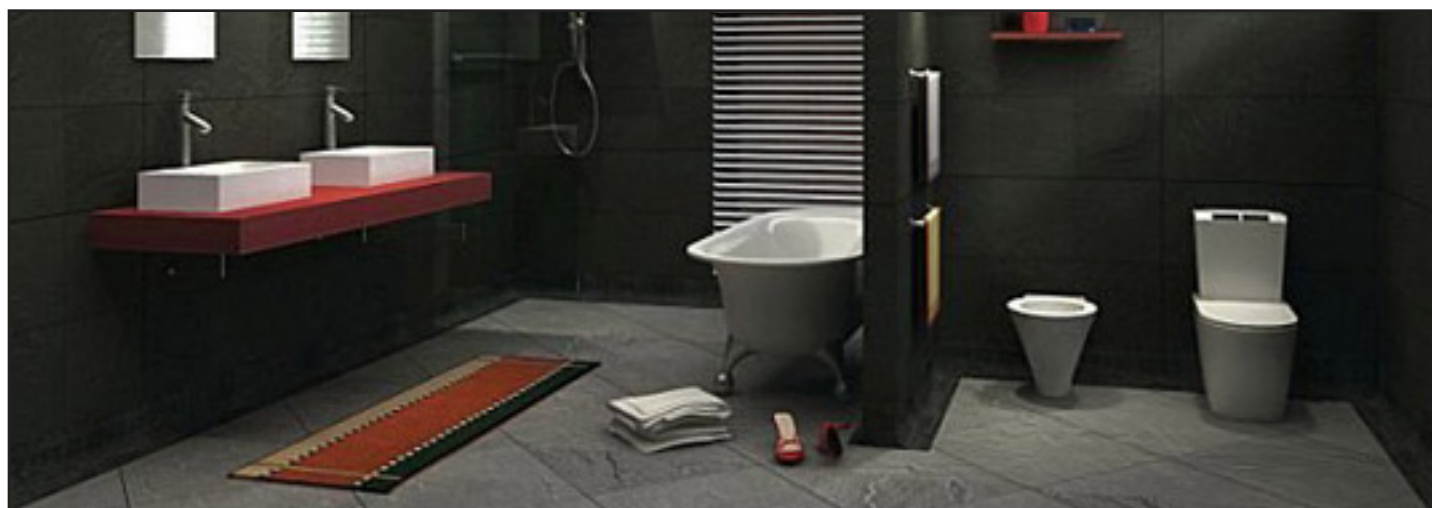

- 120v, 2 stage, 1.3 HP
- 15 gallon capacity
- Comes with 1-1/2" wet/dry tool kit

Aqua Rinse Vac System

Item #Aqua_Rinse

This unique extractor/vacuum system is equipped with a HEPA filter system, designed to remove hazardous material safely from carpeted and hard surface flooring. Solution is sprayed onto the surface, contained and vacuumed up in one pass. Includes 5 ft. stainless steel wand, 15 ft. hose-in-hose solution/recovery hose and 2 jet extraction head.
