HOLIDAY CATALOGUE

28 August 2014-5 January 2015

From chore TO CHEER

Invite your friends over and wrap up your gifts—and your Christmas to-do list. With all the materials to create cards, décor and packaging, we've got what you need to make the season merry and bright.

This is my favourite time of year for gathering with loved ones!

Recently I spoke at a gathering with more than 200 executives and I ended with stamping, of course. I could tell that many in the audience were less than thrilled; I saw a few eyes rolling. But within minutes, jackets were taken off, ties were loosened and people were smiling, chatting and having fun.

Happens every time! When people get together to stamp, wonderful things happen. It's not necessarily the stamps, although our products definitely make creativity easy and fun. The stamps (and inks, paper, accessories,

etc.) are the vehicle for the real magic that happens—the connecting.

And connecting during the season is especially rewarding. Whether we're getting together to make cards, create decorations or have a wrapping party, reaching out to others is what makes the season memorable!

I hope your festive season is full of meaningful connecting—and creativity—as you gather with those you love.
