Subject: RE: Summer Workshops

Good Morning,

You and Jim did a great job on the meeting yesterday. I signed up for CPR, FMLA Workmen's Comp with Zeke and Why Unions are more important. My Dad started one of the first unions in Local 537 just before he died, so we were brought up right!! I'm not going for a promotion because within a year I think I am heading down the same road you are. I also did not sign up for the Multi culture workshops because My son and His partner adopted 2 beautiful cocoa colored little girls 17 years ago and we all get along with just about any one.

The one thing that I wanted to say was Thank You, for everything you have done for all of us. You have always been there and worked hard for everyone. You've done a great job Julie and our Union is going to miss you. You are an extremely giving person with a big heart and we have all been so lucky to have known you.

Thank you again,
Janie

Subject: Thank You: It's time!!! AFSCME Professional Development Workshop

Just wanted to let each of you know that yesterday's presentation was one of the best I have been to in years. You all did an outstanding job putting together a very informative afternoon. I had to leave before the final presentation but what I heard was so very interesting, the speakers were excellent.

I've been an AFSCME member for 30 years and didn't have a clue that were was so much available, and I hate to admit it but I've never thought to check the web site.

Thank you all for a good afternoon, we're all taking about it today for sure.

AFSCME STRONG – UPDATE

- **Legal** – we were lucky with the Friedrichs case in 2016; now Janus v AFSCME is the next case to come up that’s a threat to the Abood decision. *What does that mean?*

The threat to Abood means we could potentially face the loss of members here in New England like AFSCME did in Wisconsin. Here’s what happened in Wisconsin:

- Shortly after Act 10 passed AFSCME went from 65,000 members to 15,000.
- Three Councils merged into one - only 1/3 council staff still employed
- No dues deductions are allowed from employees paychecks
- Annual elections to vote on the union representation required
- All wages capped at CPI level

On March 21, 2017 the Seventh Circuit Court of Appeals decided not to overturn the Abood decision which means that the Janus v AFSCME is now going to the US Supreme Court sometime later this year.

- **Legislative** – this year the Iowa Legislature passed a devastating bill vastly assaulting Iowa’s collective bargaining law. This bill, House File 291, mirrored Wisconsin’s Act 10. This legislation reduced the 17 mandatory topics of public sector bargaining to the following: base wages, release time, seniority, grievances to permissive subjects and proper cause for discharges or suspensions.

Under this bill, the following topics are now illegal for units with a membership that is less than 30 percent “public safety employees” to bargain:

- Supplemental pay
- Union dues and voluntary PAC deductions from a paycheck
- Evaluation procedures
- Outsourcing and privatization
- Union leave for political activities
- Transfers and layoffs
- *And*, insurance including health, dental, life and disability.

The bill also requires recertification elections before contract negotiations with a threshold of a majority of all people in the unit to vote in favor of recertification. Should an employee in the bargaining unit miss the vote, it is counted as an automatic vote against recertification. All costs of this election must be paid for by the union. All bargaining units are subject to these recertification provisions.

AFSCME led the effort for labor to lobby against this bill with thousands of workers showing up to each hearing. Then over 4,000 union members showed up at the final public hearing. There’s a Republican majority in each chamber of the Iowa Legislature and the bill passed. And, Republican Governor Branstad signed the bill on February 17th.

AFSCME STRONG Instructions for cards & lists:

- Receive and Review list of members at your campus
- Email pglynn@afscme93.org to receive an excel copy of your list which you can update and save
- Make a plan to speak with each member – spread the work out, you should get volunteers to assist. The members will be more engaged in the local if we get them talking with each other on a local level.
- Approach an individual member and get them to commit to staying with the union
- First, have the member fill out the top portion of the card
- Second, the Membership Application has new wording and we will keep on file if needed
- Third, explain to the member how important it is to be involved politically
Make sure you tell the member that dues money can't be spent on politics. That's why we need them to contribute to PEOPLE. It's job security for them to have someone lobbying for their best interests.
- Make sure you check to see if the member's address is correct. If not please make a note of it on the list. It's very important to get cell phone numbers and **personal** email addresses.
- When you complete this process and you have contacted each member, Email the list with changes highlighted to: pglynn@afscme93.org
- Bring the cards to the next Executive Board Meeting and give them to Tommy Corbett
- If you need more information please see the Local 1067 website: www.afscme1067.org "Take Action Now"

Membership Application

American Federation of State, County and Municipal Employees Membership and Authorization for Dues Deduction

I hereby apply for membership in Council 93 (hereafter "Union") and I agree to abide by its Constitution and Bylaws. I authorize the Union and its successor or assignee to act as my exclusive bargaining representative for purposes of collective bargaining with respect to wages, hours and other terms and conditions of employment with my Employer.

Effective immediately, I hereby voluntarily authorize and direct my Employer to deduct from my pay each pay period, regardless of whether I am or remain a member of the Union, the amount of dues certified by the Union, and as they may be adjusted periodically by the Union, and to authorize my Employer to remit such amount monthly to the Union.

This voluntary authorization and assignment shall remain in effect in accordance with the applicable collective bargaining agreement. If the applicable collective bargaining agreement or state statute does not address revocation, then this voluntary authorization and assignment shall be irrevocable, regardless of whether I am or remain a member of the Union, for a period of one year from the date of execution or until the termination date of the collective bargaining agreement (if there is one) between the Employer and the Union, whichever occurs sooner, and for year to year thereafter unless I give the Employer and the Union written notice of revocation not less than ten (10) days and not more than twenty (20) days before the end of any yearly period, or in accordance with state statute. The applicable collective bargaining agreement is available for review, upon request. This card supersedes any prior check-off authorization card I signed.

I recognize that my authorization of dues deductions, and the continuation of such authorization from one year to the next, is voluntary and not a condition of my employment.

In order to comply with Internal Revenue Service rulings, be advised that your membership dues are not deductible for federal income tax purposes. However, they may be tax deductible as ordinary and necessary business expenses.
