Profile

With a combined experience of over 25 years in the design and manufacturing of office furniture, we at Africa Office Supplies are able to offer our customers a complete and comprehensive solution to all their office furniture requirements. Our overall mission at Africa Office Supplies is to strive to ensure that our customer base is provided with the very highest quality product range, combined with impeccable support service from our professional sales team.

We offer fully functional office furniture at affordable prices. All our products carry a 3 year guarantee against faulty workmanship or materials, under conditions of normal wear and tear. Our sales consultants are trained to offer layout and design advise and together with our delivery and installation teams we will get you up and running, an so utilize your investment to its fullest.

Customer service is our main focus and as such, each member of our management team has valuable office furniture experience. An extensive support infrastructure is in place to ensure that Africa Office Supplies remains a leading office furniture manufacturer in South Africa. Our specialist design team is available to assist you to maximize your space and ensure user comfort and productivity. Space planning and colour co-ordination are part and parcel of our service. Our designers use the latest technology to enable clients to consider all of the alternatives before deciding on the required configuration.

Besides being a wholly black owned company, we believe fundamentally in the ideals enshrined in the BEE legislation. BEE fully embodies our DNA as it cuts across how we recruit, who supplies us, up to which projects we sponsor. As a level 3 company, your organisation can claim 110% points for every rand you spend with us.

Looking forward to doing business with you.

Thank you,
UZAIR MISSRA (Director) / SHUAIB MISSRA (Director)
