“A Man Reaps What He Sows”

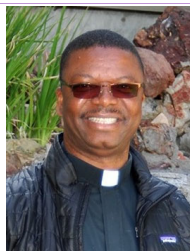

Lent is a time of growth. It is a time of intense spiritual exercises such as praying, fasting and doing charitable works of mercy. In fact, in a sense, it is an annual retreat for the entire Catholic Church (and many Christian churches that participate with us in Lenten observances). Thus, what is often said to participants at a retreat applies to us as well: “You get out of it what you put into it.” St. Paul says it best; “Do not be deceived; God cannot be mocked. A man reaps what he sows.” “The point is this: the one who sows sparingly will also reap sparingly, and the one who sows bountifully will also reap bountifully” (Gal 6:7-8; 2 Cor 9:6).

So I truly encourage you take advantage of this golden opportunity to grow in your relationship with God. To help you, Sacred Heart Parish has lined up various spiritual activities. You will find more details about them in our bulletin, on our website, and social media outlets.

Here are some of the activities:

1. **University Series** runs from March 7 through April 19 with multiple workshops and conferences. Series brochures are available in the office and the vestibule of the church
2. **24 hours weekly adoration** continues every Friday
3. **Penance services** – throughout Lent we will publish in our bulletin the dates for all the penance services in the area, to enable you go to confession
4. **Lenten Gospel Reflections** written by Bishop Barron
5. **“Unlocking Your Lent”** Weekly Flocknote with videos

I pray that God may bless us abundantly through these spiritual activities, our communal liturgies, and our Lenten observances. May he help us during this season of grace, to know Our Lord and the power of his resurrection more intimately. May we grow in our understanding of the riches hidden in Christ, and by worthy conduct, experience their effects in our lives, through Jesus Christ our Lord. Amen

"Cada uno cosecha lo que siembra"

La Cuaresma es un tiempo de crecimiento. Es un momento de intensos ejercicios espirituales, como rezar, ayunar y hacer obras de caridad de misericordia. De hecho, en cierto sentido, es un retiro anual para toda la Iglesia Católica (y muchas iglesias cristianas que participan con nosotros en las celebraciones de Cuaresma). Por lo tanto, lo que a menudo se dice a los participantes en un retiro también se aplica a nosotros: "Salgan de lo que ponen en él". San Pablo lo dice mejor; "Que no te engañen; Dios no puede ser burlado. Un hombre cosecha lo que siembra. " " El punto es este: el que siembra con moderación también cosechará con moderación, y el que siembra abundantemente también cosechará abundantemente "(Gálatas 6: 7-8; 2 Cor 9: 6).

Así que realmente lo aliento a que aprovechen esta oportunidad de oro para crecer en su relación con Dios. Para ayudarles, la Parroquia del Sagrado Corazón ha organizado varias actividades espirituales. Encontrará más detalles sobre ellos en nuestro boletín, en nuestro sitio web y en las redes sociales.

Estas son algunas de las actividades:

1. **La serie universitaria** se extiende del 7 de marzo al 19 de abril con múltiples talleres y conferencias. Los folletos de la serie están disponibles en la oficina y en el vestíbulo de la iglesia.
3. **La adoración semanal** de 24 horas continúa cada viernes.
4. **Servicios de penitencia:** durante la Cuaresma publicaremos en nuestro boletín las fechas de todos los servicios de penitencia en el área, para que pueda confesarse.
4. **Reflexiones del Evangelio de Cuaresma** escritas por el Obispo Barron
5. " Descubriendo tu Cuaresma" Nota semanal con videos

Ruego que Dios nos bendiga abundantemente a través de estas actividades espirituales, nuestras liturgias comunitarias y nuestras observancias de Cuaresma. Que él nos ayude durante este tiempo de gracia, para conocer a Nuestro Señor y el poder de su resurrección más íntimamente. Que crezcamos en nuestra comprensión de las riquezas escondidas en Cristo, y por una conducta digna, experimentemos sus efectos en nuestras vidas, a través de Jesucristo nuestro Señor. Amén

This past weekend at RE Congress was amazing! We started with Youth Day on Thursday with a group of 61 people who attended this day filled with workshops that were so inspiring, had many in tears and then ended the day with an amazing keynote which again had people in tears and we wrapped it all up with mass with Archbishop Gomez. It was truly an amazing day that will not be forgotten anytime soon and it definitely inspired many of our teens. The teens went home Thursday and my adult core team and I stayed for the rest of congress which was beyond words. Friday was filled with inspiring workshops, beautiful community in the hospitality room, a little shopping, catching up with old friends, and lastly, the night was topped off with an amazing concert by spirit and song! The concert was so beautiful getting to hear so many different artist do their songs but the crown Jewell was getting to see Matt Maher live at the end of the night because he was the headline musician! Needless to say it was an amazing night. Saturday was filled with more inspiring workshops especially one on a topic that I have a little experience with but definitely am more confident and encouraged to dive deeper into it after the workshop I attended. I ended the day with a beautiful young adult mass that was trilingual and then some more awesome community in the hospitality room and beyond for the rest of the evening. Needless to say it was an amazing weekend, but now comes the hard part, implementing what I learned and not letting the fire die. I look forward to the future and pray for everyone who attended that their faith was reignited and that they spread that faith like a wild fire!

¡El fin de semana pasado en el Congreso de Educación Religiosa fue increíble! Empezamos con Youth Day el jueves con un grupo de 61 personas que asistieron a este día lleno de talleres que fueron tan inspiradores, tuvo a muchos en lágrimas y luego terminó el día con un increíble nota que de nuevo tuvo a la gente en lágrimas. Terminamos todo con una misa con el Arzobispo Gómez. Fue realmente un día increíble que no se olvidará pronto y definitivamente inspiró a muchos de nuestros jóvenes. Los participantes se fueron a casa el jueves y mi equipo de adultos y yo nos quedamos los tres días restantes del congreso, lo que no se puede explicar con palabras. El viernes estuvo lleno de talleres inspiradores, una hermosa comunidad en la sala de hospitalidad, un poco de compras, reuniones con viejos amigos, y por último, la noche se completó con un increíble concierto de Spirit and Song! El concierto fue tan hermoso que escuché a tantos artistas diferentes cantar sus canciones, pero la joya de la corona fue poder ver a Matt Maher en vivo al final de la noche porque él era el músico principal! No hace falta decir que fue una noche increíble. El sábado estuvo lleno de talleres más inspiradores, especialmente uno sobre un tema con el que tengo un poco de experiencia pero que definitivamente me da más confianza y me anima a profundizar en él después del taller al que asistí. Terminé el día con una hermosa misa para jóvenes adultos que fue trilingüe y luego con una comunidad más asombrosa en la sala de hospitalidad y más allá por el resto de la noche. No hace falta decir que fue un fin de semana increíble, pero ahora viene la parte difícil, implementar lo que se aprendió y no dejar que el fuego se apague. Miro hacia el futuro y rezo por todos los que asistieron para que su fe se reavivara y para que la extendieran como un fuego salvaje.

Winter Cold and Flu Season

You are reminded to use common sense in your participation at mass and the reception of Holy Communion from the chalice during the annual cold and flu season. If you are feeling ill or think you may have been exposed to a virus, you should refrain from partaking of the Blood of Christ from the communal chalice. In the same way, you should refrain from offering your hand to others at the sign of peace (or during the Lord's prayer). A smile and a heartfelt, "Peace be with you," should suffice. Likewise, if you are not comfortable sharing the sign of peace or receiving Holy Communion from the communal chalice for fear of infection, you should feel no pressure to do so. All of us must be aware of such sensitive matters in the intimate life of the Christian community and we should expect that some will refrain from participation in the liturgy or the sign of peace and the communal chalice out of care for our wellbeing and not out of unkindness or a lack of piety.

Temporada de gripe y resfriados de invierno

Se le recuerda que use el sentido común en su participación en la misa y la recepción de la Santa Comunión del cáliz durante la temporada anual de resfriados y gripe. Si se siente enfermo o piensa que puede haber estado expuesto a un virus, debe abstenerse de participar de la Sangre de Cristo del cáliz comunal. De la misma manera, debes abstenerte de ofrecer tu mano a otros en el signo de la paz (o durante la oración del Señor). Una sonrisa y un sincero "La paz sea contigo" deberían ser suficientes. Asimismo, si no se siente cómodo compartiendo el signo de la paz o recibiendo la Sagrada Comunión del cáliz comunal por miedo a una infección, no debe sentir ninguna presión para hacerlo. Todos nosotros debemos ser conscientes de estos temas tan delicados en la vida íntima de la comunidad cristiana y debemos esperar que algunos se abstengan de participar en la liturgia o en el signo de la paz y en el cáliz común por el cuidado de nuestro bienestar y no por falta de bondad o de piedad.

DID YOU KNOW?

Personalize your fire safety plan

Research shows that having a fire escape plan, and executing it quickly, greatly increases the chances of a successful escape from a house fire. In studies, researchers tested standard high-decibel smoke alarms on sleeping children, and found that just over half the children woke up to the noise. However, when researches used personalized

messages recorded by the children's parents in conjunction with the beeping smoke alarms, almost 100 percent of the children woke up and successfully followed their escape plan. For more information on fire safety, get a copy of the VIRTUS® article "A New Study Sounds the Alarm on Children and Fire Safety - What Can You Do?" at <http://www.la-archdiocese.org/org/protecting/Pages/VIRTUS-Current-Online-Articles.aspx>.

SABÍA USTED?

Personalice su plan de seguridad contra incendios.

Estudios demuestran que contar con un plan de escape en caso de incendios, y ejecutarlo rápidamente, aumenta en gran medida las posibilidades de un escape exitoso de una casa incendiada. En los estudios, los investigadores probaron las alarmas de humo estándares de altos decibeles con niños dormidos, y encontraron que solo la mitad de los niños se despertaron con el ruido. Sin embargo, cuando los investigadores usaron mensajes personalizados grabados por los padres de los niños junto con el sonido de las alarmas, casi el 100 por ciento de los niños se levantaron y siguieron con éxito el plan de escape. Para más información sobre la seguridad en caso de incendios, obtenga una copia del artículo de VIRTUS® "A New Study Sounds the Alarm on Children and Fire Safety - What Can You Do?" While Jesus was in the desert the devil came and tempted him to do different things. Cross out all the rocks that have the letters G, K, X, and Z on them.
