Dear Warrior Families,

As I write this newsletter, there is so much to be grateful for and to celebrate with you. First, let me once again express my sincere gratitude for all of the prayers and support during the past month. I have never felt more cared for in my entire life. With your prayers, a loving family, and supportive team of teachers, I am happy to share that I have returned to St. Barnabas School. I would like to especially recognize and thank Mr. Ryan Schnarr who pulled double duty so that I could be away and heal. Thank you also to the amazing team of teachers, our incredible front office, and everyone in the school and parish who did a million different things in my absence. St. Barnabas is truly a family, and I feel blessed to be part of it.

I am happy to share with you today that our Dinner for Warriors 2018 was a huge success! Because of your generosity, we were able to meet our \$50,000 goal! We are so incredibly blessed! Thank you for coming to the event and for supporting our school! With these funds, we will be able to update our servers and phase out older SMARTboards for newer touchscreen technologies for our classrooms. If you were there, you know it was an amazing night. If you could not attend, mark your calendars now for next year. We will kick off Catholic Schools Week with Dinner for Warriors 2019 on Saturday, January 26th. Thank you again to the amazing team that made this year's event possible, and a special thank you to Mrs. Tara Morse who chaired the event. Want to be part of next year's planning? Please contact Amy Dant at amymdant@gmail.com or Ashley Ripperger at ams1043@yahoo.com. Thank you Amy and Ashley for being willing to keep the tradition alive!

I am also excited to share that St. Barnabas School was the recipient of a \$31,000 Growth and Expansion Grant. This grant will allow us to put 5 Chromebooks in each classroom grades K-5. This additional technology will give teachers flexibility with centers/stations. It will make it easier for students to take Accelerated Reader tests. Additionally, technology offers unique opportunities for differentiation, so that we can meet student needs in the classroom. So exciting!

April 22nd is this year's ministry fair. If you have ever thought of being part of PTO or volunteering with the parish/school in any way, please stop in. School Commission Members and PTO Volunteers will be available to answer your questions. Please consider giving the gift of your time.

Finally, we are grateful that the first round of ISTEP+ is finished. This year all of our students were required to take ISTEP+ online. This was a first for us, but our team worked hard to prepare students, and we are confident that they did well.

As you can see, there has been a lot happening around school. We are truly blessed and all of us here are grateful to be part of such an amazing community.

God bless you and our St. Barnabas School,
Mrs. Maddox, Proud Principal

The Parish Vocation Committee would like to thank the 5th graders for helping with a special Easter project. Each 5th grade student wrote a prayerful message to a seminarian at Bishop Simon Brute Seminary. They put their note in an egg with a piece of candy. The committee will put the eggs in Easter baskets and give them to the men at Simon Brute Seminary.

The seminarians will be preparing for final exams after Easter. This gift shows them our support during this time.

Thank you to 5th grade teachers Mrs. Lally, Mrs. Wormald, Mrs. Wolfley and their students for helping us with this project. We would also like to thank each of the classrooms all their teachers for their prayers, cards and letters that they have sent to their special seminarian throughout the year. This means so much to these special men.

529 FUNDS NOW AVAILABLE FOR PRIVATE K-12 SCHOOLS

A new provision of the Tax Reform bill recently enacted allows funds from a 529 plan to be utilized for K-12 private school tuition. In the past, funds from 529 plans were restricted to college education expenses. Starting in 2018, withdrawals of up to \$10,000 annually to cover tuition in elementary and secondary schools are allowable. 529 plans vary from state to state and here is a brief description of the Indiana 529 plan at <https://www.collegechoicedirect.com/home/federal-tax-reform-update.html>

This new availability of funds provides a unique opportunity to save for private school expenses and you are encouraged to speak with your financial adviser regarding the advantages of the 529 plan.

This information was in the Roncalli newsletter on Friday February 16, 2018. Keep this in mind when you are paying your tuition/fees for St. Barnabas. If you have more questions, I would go to the website noted above.

Qualify for an Education Expense Deduction

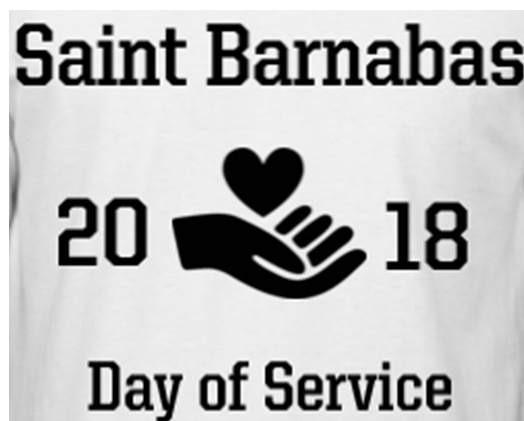

Did you know that... if you have a dependent child enrolled in K-12 private school or who is home-schooled, you may qualify for a deduction based on education expenditures for that child.

Expenditures include tuition, fees, textbooks, and school supplies. If you are eligible, this deduction is \$1,000 per qualified dependent. Details can be found in at <http://www.in.gov/dor/reference/files/ib107.pdf>.

Jr. Rebel Theatre

Dear Parents,

We are proud to announce the 12th annual Junior Rebel Theatre Camp! This camp is designed for your child to have a hands-on, multi-faceted theatre experience. Campers will enjoy making new friends as they build performance skills and learn self-confidence, teamwork, and theatre abilities. Campers will be exposed to many different aspects of theatre such as drama, voice, dance, and more.

We will offer the same camp experience at two different times. Each camp will be held at the beautiful Roncalli High School Performing Arts Center. The first opportunity to experience this camp is **June 4 to June 29 from 9am-12pm Monday thru Friday.*** Because a number of our feeder schools have gone to a balanced calendar, the second camp will be set for **July 9 to July 27 from 8:30am-12:30pm Monday thru Friday.*** While this camp is 3 weeks in length, it will meet for the same number of hours as the June camp. Students will be able to bring a snack to this camp. Both camps will be open to all students who have just completed the **2nd grade** through just completed **8th grade**. The cost of each camp is **\$200.00 per participant with a \$50.00 discount for each additional sibling.**

Student workshops will include: improvisation, acting techniques, character improvisation, musical theatre, auditioning skills, theatre dance, singing techniques, and more! At the conclusion of each camp, participants will get to perform in a live auditioned production of ***Alice in Wonderland Jr!*** Parents, grandparents, friends and neighbors are invited to attend this performance.

Registration for both camps will begin on March 1. Each camp will have a limited enrollment, on a first come, first serve basis. There is a \$50 non-refundable deposit required at the time of registration with the full balance due by Friday, May 4 for the June camp and Friday, June 8 for the July camp.
