Dear Parents,

Birthday invitations--In consideration of advice from public health officials, until further notice we shall discontinue copying and/or distributing birthday party invitations so as not to encourage gatherings involving participants beyond nuclear families.

Dear Parents,

We have had an escalating issue with parents bringing scooters and other wheeled devices to school to turn over to their child after school. What is happening is that the children are then riding the scooters as quickly as possible on sidewalks, breezeways, or under the pavilion. Skates, scooters, and bicycles are prohibited at all times, but are especially dangerous during dismissal times. It would be very unfortunate were a grandparent or toddler be knocked over. Please discontinue this dangerous practice immediately.
