**Brief Overview:** In teaching we will be examining a very important tenant of the end time delusion relating to the **recently released NASA photos of the surface of Mars** (taken from the “Viking Mars Probe”). If you haven’t heard of these photos you really need to listen to this teaching as Satan is setting mankind up for the greatest, seductive delusion the world has ever known. **We will also be exploring how this deception is integrally tied into the emergence of the antichrist and even WWII.** You will be shown how evil figures (who call themselves “Ascended Masters”) are poised to make their emergence most likely in conjunction with WWII. We will be looking at various “Ascended Masters” by name (ie: Lord Maitreya, Master Jesus Sananda, Master Mary Magda, Ascended Master Mary, etc.) and see who they pretend to represent and what their message is. You will be shocked. We will also see how the Lord Jesus Christ predicted that as in the days of Noah, so shall it be in the days of the coming of the son of man. So we will look at what was happening in Noah’s days to discern what to expect in the day and time we are living in. For most of you this will be the first time you have ever heard such information but we will prove that the Bible clearly predicted this end time scenario to be forthcoming. There is much more that is covered in this teaching, so please arm yourselves with this vital knowledge.

This video clip is an interview with Benjamin Creme who is father of the New Age movement (False religion). He describes Maitreya as a world teacher who has come to enlighten the world with his knowledge & showcases Benjamin Creme's efforts as messenger for the reappearance of Maitreya, and the ascended masters:

**Title: Life On Mars? One Of The Greatest Deception Campaigns In History Has Begun**

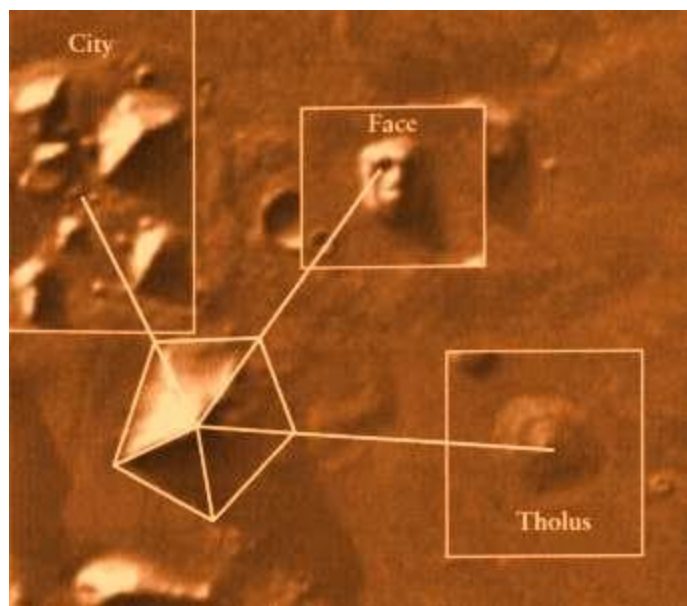

**Subtitle: If Ruins Of An Ancient Civilization Are Discovered On Mars, Will You Lose Your Precious Christian Faith? This potential is very real, so you had better prepare yourself.** <http://www.cuttingedge.org/news/n2203.cfm>

NASA continues to release sharp photos of Mars surface which enthusiasts insist constitute "Smoking Gun" evidence that intelligent life existed on Mars a long, long time ago. Is this for real?! Yes, it is, but not for the reason you may believe. See how this "news" fits in perfectly with the New World Order Plan.

NEWS BRIEF: [If Ruins Of An Ancient Civilization Are Discovered On Mars, Will You Lose Your Religion?](#), by Thomas Horn , Raiders News Network, April 20, 2007

According to polls, a majority of people could accept a genuine ET reality without losing their faith in God.

"Portland, April 20, 2007 / RaidersNewsNetwork.com / -- NASA's recently released ultra high resolution pictures of the "face on Mars" reveal details as small as a few inches across including what some believe to be girders, windows and walls from ancient structures. Richard Hoagland and his Enterprise Team believe this is the smoking gun. 'The debate is over', he says. 'I no longer need to prove that these are ruins, my critics need to prove that they are not'."

Did you catch that pertinent sentence? A **RESPECTED** Expert, "Richard Hoagland and his Enterprise Team", are now saying that the debate is over, that this latest batch of "ultra high resolution pictures" on the surface of Mars a "smoking gun" proof that an intelligent civilization once lived on Mars.

Remember the American people with whom you are dealing in today's society. Very, very few people think critically or read widely. Very few people dig deeply into the matters which concern this country. If they concern themselves with the daily news, they usually get their information from T.V., thereby conditioning themselves to snippets of information, where they just might get a distorted story; or, they have been conditioned to arrive at their conclusions and beliefs by mere stereotypes.

I believe that this whole episode is aimed at these type of uninformed citizen. Equally significantly, I believe this episode is aimed squarely at the readers of the Supermarket

Tabloids. If you have been paying attention, Supermarket Tabloids have been consistently running articles on Aliens, UFO's, and Life On Mars, since the middle 1980's!! Yes, you heard me correctly. Tabloids have been running articles on the possibility of life on Mars for two decades now. All of the stories have been trash, but they have had the effect, over these many years, of slowly conditioning people to believe, in their heart of hearts, in the possibility of ancient life on Mars. According to polls, a majority of people could accept a genuine ET reality without losing their faith in God. **(Dr. J Comment: Not if they believe what the so called aliens are saying)**

Now, let us return to this feature story for more information.

"The film insinuated that, when we do set foot on Mars, the discovery of past alien presence could be made near the Sphinx-like 'face' and pyramidal shapes photographed by the Viking Mars probe." (Ibid.)

What conclusion does all this information seemingly point toward? In our Headline, above, we imply that the repercussions from an announcement that intelligent beings once inhabited Mars might make you lose your Christian faith. What is the inescapable conclusion from these strong, bold assertions?

"A staple doctrine among many ufologists is that such a discovery would lead to the conclusion that the origin of myth as well as the creation of man was the direct result of intelligent extraterrestrial activity, or benevolent creator astronauts. **Benevolent Creator Astronauts Theory (ET=God).**" –**Intelligent Design**

Since the Judeo-Christian Bible holds that Jesus Christ is the Creator of the entire universe (John 1:1-3), when the top governments and scientists of the world began to "prove" that E.T. really created all the universe, many people will begin to doubt their faith. Do you have the arguments you need to defend your precious Christian faith?

### Malevolent Non-Creator-Astronauts Theory (ET=Satan)

One of the more troubling aspects of the benevolent creator-astronaut view is the related "abduction" scenario associated with certain types of aliens--the taking of a person against their will, often followed by intrusive probes, genetic tinkering, embryo farming and other experimental processes. The abduction by shadowy forces for reasons unknown is viewed by most experiencers and researchers as impersonal, malevolent, demonic.

Maurice Kouguell, Ph.D., BCETS says: In my research, I gathered data (in part) from the Roper Organization Poll entitled, *Unusual Personal Experiences*, The opening statement of the publisher of the *Roper Report* reads as follows:

This report to mental health professionals presents the combined data from three national surveys of nearly **6,000 adult Americans**. It is the collective effort of a professor of psychiatry at Harvard Medical School, a professor of sociology of Eastern Michigan University, an associate professor of history at Temple University, a psychiatric therapist from Springfield, MO, an author and researcher from New York City and a large polling organization. This report on unusual personal experiences concerns the relations between these experiences and what can be called the '**UFO Abduction Syndrome**.' The Roper Survey, which was conducted in 1991, suggests that hundreds of thousands, **if not millions**, of American men, women and children may have experienced abduction or abduction-related phenomena.

This article and the survey, which was based on 5,947 Americans, are not intended to convince anyone that this phenomenon exists. The incidence of abduction experiences are reported as being **two percent of the population or 3.7 million Americans in 1991**. **Indications are that the percentage might actually be somewhat higher.**

---

Associate professor of psychology Elizabeth L. Hillstrom points out in her book, *Testing the Spirits*, that a growing number of academics also associate UFO-nauts--whoever, or whatever, they are--with historical "demons".

She writes:

"From a Christian perspective, Vallee's explanation of UFOs is the most striking because of its parallels with demonic activity. UFO investigators have noticed these similarities. Vallee himself, drawing from extrabiblical literature on demonic activities, establishes a number of parallels between UFO-nauts and demons....Pierre Guerin, a UFO researcher and a scientist associated with the French National Council for Scientific Research, is not so cautious: "The modern UFO-nauts and the demons of past days are probably identical." Veteran researcher John Keel, who wrote *UFOs: Operation Trojan Horse* and other books on the subject, comes to the same conclusion: "The UFO manifestations seem to be, by and large, merely minor variations of the age-old demonological phenomenon."

Yet if a portion of "flying saucer" activity is in the biblical sense demonic, what nefarious purpose would be served by the stealthy nature of UFO phenomena?

**According to some, the answer is diabolical. UFO-ism, they say, is aimed at preparing the earth for an extraterrestrial "return of the creator gods." To put it**

**bluntly, some believe we are being prepared for the collapse of man's dominant religions.** This will happen in two ways:

First, alien religion--as reported in hundreds of abduction cases--is one of evolutionary humans "on the verge of extraordinary telepathic and technological emergence" in which **transhumanism** will pave the way for harmonic and spiritual convergence to the community of space brothers.

Mitch Porter: Transhumanism is the doctrine that we can and should become more than human.

Natasha Vita More: TH is a commitment to overcoming human limits in all their forms including extending lifespan, augmenting intelligence, perpetually increasing knowledge, achieving complete control over our personalities and identities and gaining the ability to leave the planet. Transhumanists seek to achieve these goals through reason, science and technology.

Robin Hanson: Transhumanism is the idea that new technologies are likely to change the world so much in the next century or two that our descendants will in many ways no longer be "human."

Second, from a technological standpoint, UFO sightings challenge the claim of human superiority and dispute our unique role in the universe. We are made to feel shallow, undeveloped, unenlightened if we consider rejecting the new universal religion.

ETs bearing this message often point out that "they" will be reappearing at any moment to assist us in this--our next big evolutionary, spiritual, and technological step forward.

**“In the midst of war,  
fear and famine, new hope  
is in the world for us all”**

Many now expect the return of their awaited Teacher. He is awaited by all religious groups as: the **Christ by Christians, the 12th Imam/ Imam Mahdi by Muslims, by Jews as the Messiah, as Krishna by Hindus and as Maitreya Buddha by Buddhist.** Millions now know that the Teacher who fulfills all these expectations is already living among us.

Maitreya, the World Teacher, **has not come alone**, but with a group of wise Teachers (**the Masters**) who have long guided humanity from behind the scenes.

They are returning to the everyday world to help us solve our most critical global problems. Maitreya is not a religious leader, but an educator in the broadest sense.

He is here to inspire us to create a new era based on sharing and justice, so that all may have the basic necessities of life: food, shelter, health care, and education.

His open mission in the world is about to begin. As Maitreya himself has said: 'Soon, now very soon, you will see my face and hear my words.'

### [INTRODUCTORY TOUR](#)

A brief overview highly recommended for first-time visitors.

[MAITREYA](#) appears, 'out of the blue', to people everywhere -- always in a form that inspires recognition. In this way he seeks to prepare us for his public emergence, and to communicate his teachings and priorities for a just world. His first such appearance was on 11 June 1988, in Nairobi, Kenya to 6,000 people who saw him as Jesus Christ (photo).

### ***Devil Maitreya Answers Your Questions***

*Q. If a new Messiah comes does this mean that the end of the world is near?*

A. Maitreya is here, as the World Teacher. Is this the end? On the contrary – this is the beginning of a new time for humanity. But a humanity chastened and relieved of its illusions and destructiveness. For two thousand years, the Christian groups have taught this account of the return of the Christ, coming on a cloud in the last days of the world, the 'end days'. **This, I submit, is a completely wrong interpretation of Christian scriptures ( "Yea hath God said") which has distorted Christians' expectations of the Christ's return.** The so-called 'end times' are to do not with the end of the world but with the end of the Age of Pisces, inaugurated by the Christ through Jesus 2,000 years ago. He promised to return, at "**such a time as you think not**" – to inaugurate the new age, that of Aquarius. This time He has come Himself to expand the teaching given through Jesus and to prepare the world for the Aquarian experience.

What we have to look forward to is not the end of the world, which will not take place for millions of years ahead, but for the creation of a new civilisation based on higher and truer spiritual values than were possible for humanity at the time of Jesus. Jesus Himself, **now a Master**, works with the Christ on a daily basis and will reform the

Christian churches and teaching, as His part in the Great Plan.

**Q. There seems, from all internet and general media reports, to be a lot of UFO activity over Latin American countries. Why is there so much UFO activity there?**

A. Actually it is not confined to Latin America. There is an increase in UFO activity in many parts of the world. **This will continue on an increasing scale up to and beyond the Emergence of Maitreya into the open.**

## **Who is lord maitreya?**

by George Whitten

**ALL LINKS ARE DIRECT LINKS TO Maitreya's web site.  
Use caution when entering his web site.**

The world teacher as he calls himself, lord Maitreya. lord Maitreya claims to be the one expected of by all major religions. He claims to be the Messiah that the Jews are waiting for. He claims to be the Krishna who the Hindus expect to arrive. He claims to be maitreya Buddha whom the Buddhists expect. He claims to be Imam Mahdi or the Messiah that the Muslims are looking for. But even more shocking he claims to be Christ whom Christians are waiting for.

Maitreya means Lord of Love. He claims to have fulfilled 2 Thes. 4:17 as the Christ came in the clouds when he flew in an airplane from the Himalayas. All others that claim to be Christ are the false Christs and he even holds claim to Matthew 24:4,5. "According to esoteric teachings, Maitreya manifested himself 2,000 years ago in Palestine by overshadowing his disciple Jesus, now the Master Jesus. This time Maitreya has come himself." as quoted right from his web site. <http://www.shareintl.org/in-brief.html>

**Maitreya, as He appeared before thousands outside Nairobi in June 1988.**

What does maitreya say about Jesus ? "Jesus of Nazareth and the Christ are not one and the same person." maitreya claims that Jesus was nothing more than a master of wisdom such as Buddha, Krishna, Mohammed had each become a master of wisdom.

According to maitreya, Jesus was nothing more than a man that allowed maitreya to use his body. Maitreya is the so called energy, the Christ-principle, that Jesus was allowed to manifest. According to maitreya "It was, therefore, the

consciousness of the Christ, Maitreya, which was seen and experienced by those around Jesus." "The answer is that Jesus was a man who, as a result of the process of evolution, became a Son of God -- as does everyone eventually."

"1 John 2:22 Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son."

Was Jesus resurrected from the dead ? "Jesus' death was the fulfillment of the task for that life, and it was Maitreya who resurrected the body from the tomb." "This presentation of ancient occult knowledge in symbolic form is one of the methods which the Spiritual Hierarchy uses to teach humanity, and to convey knowledge to those who have ears to hear and eyes to see." Each of these quotes about what maitreya says about Jesus can be found at <http://www.shareintl.org/jesusnm.html>

Where is Jesus now ? "The Master Jesus has been living in Rome for over four years, and He will take over the throne of St Peter." "...the Christian world is to be awakened... to recognize their place within a worldwide divine revelation and see the Christ as representing all the faiths and taking His rightful place as World Teacher. He is the World Teacher and not a Christian teacher. He Himself told us that He had other folds and to them He has meant as much as He has meant to the orthodox Christian. They may not call Him Christ, but they have their own name for Him and follow Him as truly and faithfully as their Western brethren." found at <http://www.shareintl.org/bcjesus.html>

"Romans 8:34 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us."

According to maitreya there is a day approaching called the Day of Declaration. This day where the entire world will hear or see maitreya. He supposedly will be broadcast to the world, on every radio and television station. maitreya even claims those that do not have a television or a radio on will hear him in their own language and dialect in their minds. He claims on this day that there will be millions of healings where the world will know that the "Christ" has come. ""All eyes will see Him," will be fulfilled, in the only way in which it can be fulfilled. We will see His face, but He will not speak. His thoughts, His ideas, His call to humanity for justice, sharing, right relationships and peace, will take place silently, telepathically. Each of us will hear Him inwardly in our own language. In this way, He will re-enact on a world-wide scale the true happenings of Pentecost 2,000 years ago." as stated by maitreya which can be found at <http://www.shareintl.org/maitreya.html>  
<http://www.shareintl.org/maiteach.html#anchor11>

Whether or not maitreya is THE ANTICHRIST or the FALSE PROPHET he certainly is a type of anti-christ whom John speaks of in "1 John 2:18 ¶ Little children, it is

the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time." If maitreya is not The Anti-christ then he is certainly paving the way for him. This maitreya claims that he is waiting for this day of declaration to reveal himself completely to the world. Could this be what 2 Thes. 2:7 refers to ? "2 Thes. 2:7 For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way." Is this the reason that maitreya is waiting till to reveal himself ? Could this day of declaration in which the whole world will hear him be scripture fulfilled ? "2 Thes. 2:9-12 Even him, whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness." God shall send a strong delusion that they should believe a lie. Could this be the so called Day of Declaration in which every person will hear maitreya in their own selves and miracles of healing will take place ? The Bible declares "Acts 10:38 How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with him." Could it be possible that many of these healings will actually be just a direct command by Satan to demonic realm to depart from millions of bodies in whom they are oppressing, in order to bring about the end. One thing is for certain, the same lie as in the beginning with Adam and Eve where they would become as gods if they ate of the tree of good and evil is trying to be placed on the world again. "Genesis 3:5 For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil." Remember the Bible has warned us of this already, "2 Cor. 11:3,4; 13-15 But I fear, lest by any means, as the serpent beguiled Eve through his subtilty, so your minds should be corrupted from the simplicity that is in Christ. For if he that cometh preacheth another Jesus, whom we have not preached, or if ye receive another spirit, which ye have not received, or another gospel, which ye have not accepted, ye might well bear with him. For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works." As the day draws closer let us all be watchful of events happening around us.

## The New Age Religion: brought to us by the Ascended Masters

*Left to Right:*

**Helena Petrovna Blavatsky (1831-1891)** - Contacted by the **Master Morya** in 1851. After years of contact with her **spirit masters** she helped to found the [Theosophical Society](#) in 1875. Published *Isis Unveiled* in 1877, established *Lucifer*, an occult magazine, in London in 1887, and then published *The Secret Doctrine* in 1888.

**Alice Ann Bailey (1880-1949)** - Contacted by the **Master Koot Humi** in 1895. In 1917 she became acquainted with students of Blavatsky and then joined the Theosophical Society. In 1919 the **Master Djwhal Khul** contacted her and asked for her assistance in taking some dictation. At first she refused out of fear, but then later accepted upon instruction from the **Master Koot Humi**. The **Master Djwhal Khul** then wrote eighteen books through Bailey over the next thirty years. She founded the hugely influential [Lucis Trust](#) in 1922.

**Benjamin Creme (born in 1922)** - From a young age he was a student of the works of Blavatsky and Bailey, (and other occultists). First contacted by **The Master** (full name undisclosed) in 1959. **The Master** informed him that he would play a major role in the reappearance of **Maitreya the Christ**. Formed [Share International Foundation](#) in 1975. Since then he has been travelling the globe, speaking and lecturing in preparation for **The Christ**, and he claims to be in direct telepathic contact with both **The Master** and **Maitreya**.

**Maitreya the World Teacher (a.k.a. The Christ)** - *As he allegedly appeared in Kenya in 1988.* Creme claims that **Maitreya** created and inhabited a human body in 1977, and privately entered society taking up residence in London. Since then he is alleged to have privately appeared to thousands of individuals, performing miracles and wonders and convincing many of the truth of his mission. ([Wayne S. Peterson](#) is one influential casualty, as is Mikhail Gorbachev.)

## **From Share International (lord Maitreya's website):**

**Maitreya will be aided by the Master Jesus, who is predicted to soon take control of the Roman Catholic Church and lead Christianity to accept Maitreya as the Christ returned.**

*"The **disciple Jesus**, who is now the **Master Jesus**, was born in Palestine as a third degree initiate. The five major Initiations which take one to Liberation have their symbolic enactment in the life of Jesus. That is what the Gospel story is really about. It is a very ancient story and has been presented to mankind again and again, in different forms, long before the time of Jesus. He was, and still is, **a disciple of the Christ (lord Maitreya)** and made the great sacrifice of giving up his body for the use of the Christ. **By the occult process of overshadowing, the Christ, Maitreya, took over and worked through the body of Jesus from the Baptism onwards.** In his next incarnation, as Apollonius of Tyana, Jesus became a Master. He lives now in a Syrian body which is some 600 years old, **and has his base in Rome.** He has, in the last 2,000 years, worked in the closest relation to the Christ, saving his time and energy where possible, and has special work to do with the **Christian Churches.** He is one of the Masters who will very shortly return to outer work in the world, **taking over the throne of St Peter, in Rome. He will seek to transform the Christian Churches,** in so far as they are flexible enough to respond correctly to the new reality which the return of the Christ and the Masters will create. From [here](#), also see the article at <http://www.redmoonrising.com/contFP.htm> for more information.*

### Iran prepares people for 'messiah miracles'

Government broadcasts series on imminent appearance of apocalyptic Islamic 'Mahdi'

**Official Iranian radio has completed broadcasting a lengthy series on the imminent appearance of a messianic figure** who will defeat Islam's enemies and impose Islamic Shiite rule over the entire world – even speculating on specific dates the so-called "Mahdi" will be revealed.

After the coming of the 12th imam, or Mahdi, "liberal democratic civilization" will be found only in "history museums," explained the program.

"Contrary to the views of western theoreticians, who usually depict an ambiguous and dark future for mankind, Muslim experts believe human history, despite its many ups and downs, has a very auspicious fate," explained the program. "Muslims believe hopes for the realization of such a happy ending for the world are called 'Awaiting

Redemption,' and means waiting for man's problems to be solved by the Savior at the end of time. **This messianic figure will be a direct descendant of Muhammad, according to the broadcasts.**

"In short, when he reappears, peace, justice and security will overcome oppression and deceit and one global government, the most perfect ever, will be established," it said.

The Mahdi will appear suddenly, according to the report, in Mecca. Though no one can know the day,

"Another beautiful moment of the Savior's appearance is the coming down of **Prophet Jesus (PBUH)** from heaven," says the report. "**Imam Mahdi** receives him courteously and asks him to lead the prayers. But Jesus says you are more qualified for this than me. We read in the book Tazkarat ol-Olia, 'the Mahdi will come with **Jesus son of Mary accompanying him.**' This indicates that these two great men are complement each other. **Imam Mahdi will be the leader while Prophet Jesus will act as his lieutenant in the struggle against oppression and establishment of justice in the world.** Jesus had himself given the tidings of the coming of God's last messenger and will see Mohammad's ideals materialize in the time of the Mahdi."

"Jesus and Lady Magda (Mary Magdalene)" taken from New Age files.

As [WND reported last month](#), in a greeting to the world's Christians for the coming new year, Iranian President Mahmoud Ahmadinejad said he expects **both Jesus and the 12th Imam/ Imam Mahdi**, to return and "wipe away oppression."

"I wish all the Christians a very happy new year and I wish to ask them a question as well," said Ahmadinejad, according to an Iranian Student News Agency report cited by [YnetNews.com](#)

"My one question from the Christians is: What would Jesus do if he were present in the world today? What would he do before some of the oppressive powers of the world who are in fact residing in Christian countries? Which powers would he revive and which of them would he destroy?" asked the Iranian leader.

"If Jesus were present today, who would be facing him and who would be following him?"

[Ahmadinejad's mystical pre-occupation with the coming of the Mahdi is raising concerns that a nuclear-armed Islamic Republic could trigger the kind of global conflagration he envisions will set the stage for the end of the world.](#)

In a videotaped meeting with Ayatollah Javadi-Amoli in Tehran, Ahmadinejad discussed candidly a strange, paranormal experience he had while addressing the [United Nations](#) in New York last September. He recounts how he found himself bathed in light throughout the speech. But this wasn't the light directed at the podium by the U.N. and television cameras. It was, he said, a light from heaven.

According to a transcript of his comments, obtained and translated by [Joseph Farah's G2 Bulletin](#), Ahmadinejad wasn't the only one who noticed the unearthly light. One of his aides brought it to his attention.

The Iranian president recalled being told about it by one of his delegation: "When you began with the words 'in the name of Allah,' I saw a light coming, surrounding you and protecting you to the end."

Ahmadinejad agreed that he sensed the same thing. He sees his main mission, as he recounted in a Nov. 16 speech in Tehran, as to "pave the path for the glorious reappearance of Imam Mahdi, may Allah hasten his reappearance."

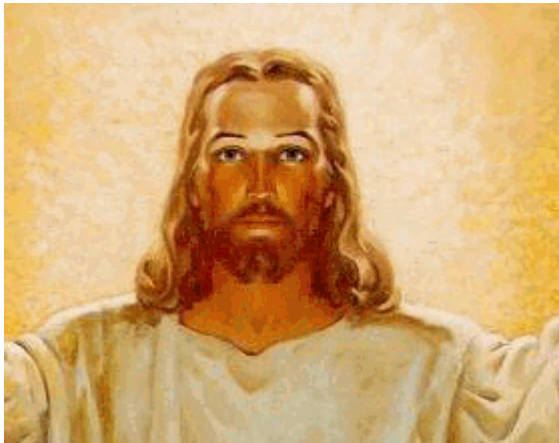

According to Shiites, the **12th imam disappeared as a child in the year 941**. When he returns, they believe, **he will reign on earth for seven years**, before bringing about a final judgment and the end of the world.

Ahmadinejad is urging Iranians to prepare for the coming of the Mahdi by turning the country into a mighty and advanced Islamic society and by avoiding the corruption and excesses of the West.

All [Iran](#) is buzzing about the Mahdi, the 12th imam and the role Iran and Ahmadinejad are playing in his anticipated return. There's a new messiah hotline. There are news agencies especially devoted to the latest developments.

"People are anxious to know when and how will He rise; what they must do to receive this worldwide salvation," says Ali Lari, a cleric at the Bright Future Institute in Iran's religious center of Qom. "The timing is not clear, but the conditions are more specific," he adds. "There is a saying: 'When the students are ready, the teacher will come.'"

## ***Sananda Immanuel Or the Master Jesus***

Plays the role of "Jesus" in the astral realm and near death experiences. He's the one Michaelangelo painted a portrait of that the churches then accepted as the picture of "Jesus." Most churches today have pictures of this Sananda hanging in them somewhere. Most believers correlate the picture of Jesus that they see as the real Jesus when it is really this Sananda Immanuel who will come to earth playing Jesus, the Son of God. A very good deception. The church was groomed for hundreds of years for this one.

<b><u>1Cr 11:14</u></b>	<b>Doth not even nature itself teach you, that, if a man have long hair, it is a shame unto him?</b>
-------------------------	--

**Sananda Immanuel claims/admits that Sanat Kumera is his father - Sanat Kumera is another name for Satan**

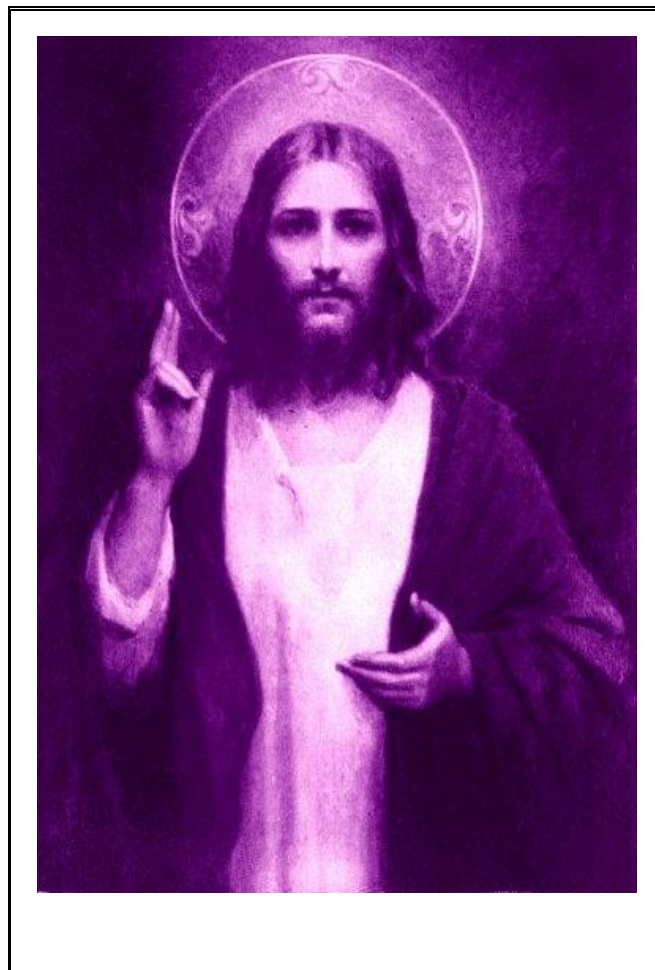

## **Master Jesus** From Wikipedia,

The **Master Jesus** is [Jesus](#) as conceived of by the metaphysical system of [Theosophy](#) as opposed to the historical [Jesus of Nazareth](#) or the [Jesus Christ](#) of the [Christian](#) religion. He is regarded by Theosophists as the Master of the Sixth Ray

<http://www.mastersinthemaking.com/masters/jesus.shtml>

## Ascended Master Jesus/Sananda (Comment: the Familiar Picture of 'Jesus')

**Master Jesus/Sananda has taken a new position as World Teacher and is in charge of reforming today's religions and creating a Universal Church.** According to Master St. Germain, ". . . Master Sananda holds the office of the personal Christ as the great exemplar of each one's own Holy Christ Self." **Master Jesus/Sananda has the task of purifying the Christian Churches and removing the man-made dogmas and doctrines, which have corrupted the purity of His teachings.** During his incarnation as Jesus, He came to teach us all that we have the power to create and heal. Jesus said, "These and greater things than these shall you do." (John 14:12.22) **(Comment: Preparing us for the lying signs and wonders)** He demonstrated God through His healings, His crucifixion and His resurrection. On the outer plane, in the material world, He manifested the path of the Initiate. **The path of every spiritual seeker** will eventually result in the seeker's

spiritual birth, spiritual death or death of the ego/personality/physical body and spiritual

resurrection in the Light of the Spiritual Realm.

Regardless of your religion, you may call upon (fallen angel) Ascended Master Sananda to aid and assist you in any area of your life. Whether you believe He is the only Son of God, or whether you consider him an Ascended Master Who came to earth as The World Teacher and Healer, you may call upon Him. He, indeed, came to earth to create a new religion that might unite men. Unfortunately, **the Christian Church has distorted some of His teachings**, and has become what I personally believe was never intended, exclusionary. I believe that Master Sananda, as Jesus, intended that the Words of God be given in a way that would be comprehensible to, and would include, every man, even the most common of men. **Comment: This is the same thing Satan did in the garden of Eden + Proverbs 13:13**

**Lady Magda: Claiming to be the incarnation of Mary M.**

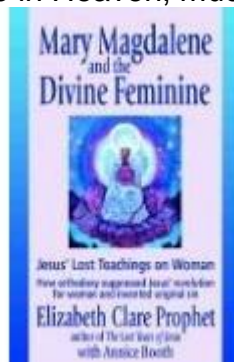

Aimee Semple McPherson

**Ascended Lady Master Magda/ Aimee Semple McPherson**

***Beloved Ascended Lady Master Magda***  
through the Messenger, Elizabeth Clare Prophet, April 1, 1983, Camelot, Malibu,  
California U.S.A. <sup>2</sup>

" . . . To look upon... **Aimee Semple McPherson** — some might think it not in the full majesty of the LORD — they cannot imagine that a mere flesh-and-blood person, **such as Mary Magdalene or such as Aimee Semple McPherson in a final incarnation**, could even be worthy of being the bride of Christ. And because their minds always contemplate a flesh-and-blood union, they cannot imagine the necessity of the eternal Christ for having a wife in Heaven, much less a wife on Earth!

Her incarnation with her twin flame/Divine Counterpart (**Master Jesus**) enabled her to prove that all are worthy of God's love and can receive his blessings. Her final incarnation was in the USA, as Aimee McPherson, where she died in 1944. In that lifetime she brought the messages of love and healing from the Masters, especially Jesus, and was persecuted and isolated as a consequence - even so she never wavered in her devotion. She holds for us the energies of Jesus' power of healing and can help us connect more strongly with his energies

## Embodied as:

- **Aimee Semple McPherson** (October 9, 1890 - September 27, 1944) **founded the Foursquare Gospel Church** and Angelus Temple in Los Angeles, California, U.S.A.
- **Mary Magdalene**

**Also known as:** Aimee Semple Mcpherson/Sister Aimee **Saint Mary Magdalene**

### **McPherson, Aimee Semple**

1. Aimee Semple McPherson, nationally known healing evangelist in the 1920's - 1930's. Founded and headed the Foursquare Gospel Church, led a controversial life and **died of a drug overdose in 1944.**
2. She thought that her organization was in fact restoring true Christianity which had been lost over the years. All of these groups initially believed in a restoration of the gifts of the Holy Spirit including prophecy.
3. She is without doubt the most controversial of all the Pentecostal women. She got the baptism in 1907 and soon went with her husband to China, where he died. She came back to the United States and traveled as an **evangelist**. In 1919 she settled in Los Angeles where she built the **Angelus** Temple. She served as the **pastor** of the temple until her death in 1944. **She is controversial because she faked her own kidnapping in order to carry on an adulterous affair in 1926. During the outcry against her over this affair she incorporated The International Church of the Foursquare Gospel, which later grew into a large Pentecostal denomination. The Foursquare denomination exists today. Sister Aimee died of a barbiturate overdose in 1944.**
4. **The devil himself lord Sananda/Jesus** even channeled the following damage control quote regarding McPherson" . . . Take the example of one who was told about my beloved Magda. This one, who was of a Christian denomination, was told that **Magda had made her ascension after her passing as Aimee Semple McPherson** and that she had spent half a century at inner levels **balancing the remainder of her karma,**
5. While the Dictionary of Pentecostal and Charismatic Movements deals with the controversial aspects of "Sister Aimee's" life -- her mysterious disappearances and alleged affairs, multiple marriages (two of which ended in divorce), and death from an apparent drug

overdose -- it is strangely silent about her theatrical preoccupation with the **slain in the spirit phenomenon**. (Hank Hanegraaff, Counterfeit Revival, 1997, 168)

6. [\(Benny\) Hinn](#) revealed that he periodically visits [\(Kathryn\) Kuhlman's](#) grave (**necromancy**) (click [here](#) for a photo of her grave site) and that he is one of the few with a key to gain access to it. He also visits [Aimee McPherson's](#) grave (pictured below) where he says: "**I felt a terrific anointing ... I was shaking all over ... trembling under the power of God ... `Dear God,' I said, `I feel the anointing.' ... I believe the anointing has lingered over Aimee's body.**" (Benny Hinn, April 7, 1991 sermon)

## Ascended Master Mary

Master Mary is known to Christians the world over as the Virgin Mary, Mother of Jesus the Christ. Dan 7:13 ¶ “I saw in the night visions, and, behold, [one] **like the Son of man** came with the clouds of heaven, **and came to the Ancient of days,** and they **brought him near before him.**

Dan 7:14 And there **was given him (The Son of Man)** dominion, and glory, and a kingdom, **that all people, nations, and languages, should serve him: his dominion [is] an everlasting dominion, which shall not pass away, and his kingdom [that] which shall not be destroyed.” (So this has to be Jesus Christ And a angelic being)**

## Ascended Master St. Germain

Ascended Master St. Germain is considered the main representative of the **Holy Spirit** to our planet and its evolution.. When calling upon our Beloved Maha Chohan, **invoke** the name of Ascended Master St. Germain. The name St. Germain, Sanctus Germanus, means Holy Brother. He is, indeed, brother to us all. He will assist you in anything you ask of him, provided his assistance does not interfere with your free will. His love is beyond comprehension, and, considered one of the wisest of the

Ascended Masters, he will rain down upon you knowledge and enlightenment in a form you can interpret and understand through your own heart.

St. Germain himself has admitted to occupy 40 different bodies in his missions in the Earth, one of them was the one of the liberator Simón Bolívar who's performances were always pro liberation of the man, of his's soul, the liberation without weapons or soldiers...

**St. Germaine is the one who is supposed to establish NESARA here on earth. He claims to have written the New Testament as Shakespeare (a past life or reincarnation). He also portrays nail holes in his hands trying to act like he was the one crucified on the cross.**

**NESARA = National Economic Security And Reformation Act. It is a real plan (see e.g. <http://www.nesara.org>**

**NESARA is the NEW WORLD ORDER. It is most likely the economic program of the Beast (Antichrist).**

### **Some Facts About NESARA**

- Created and will be implemented by Lucifer's fallen angels to enslave the entire world under a global economic system fulfilling the second half of Revelation 13.
- Proposes peace and prosperity under the guise of wealth and prosperity eventually requiring all those who want to participate to be marked, chipped or "sealed."
- these leaders are not good angels, or ascended masters, or anything but Annunaki fallen angels here to deceive mankind in the last days and lead them into worldwide Satanism, the worship of Lucifer as God.
- all those who refuse to participate in the beast global economy will be cleansed from the earth. This means they will be killed. The Anuk claim these people are sent to another planet to rethink their attitudes but they aren't sent anywhere but their graves.

## Hatonn - or "god", Christ Michael, or Archangel Michael

## Lord Ashtar

Lucifer-Satan also plays the role of Lord Ashtar, Chief of the Ashtar Council AKA the Illuminati Council. Ashtar Council (the Illuminati Council).

Many of those who are meddled in the satanic elite groups such as Brotherhood has described that Satan i.e. Lucifer is a blonde.... Others describe to the Council of Controllers behind the scene governing everything and directing all the secret societies, groups, governments, Illuminati etc.. behind the scenes...

Are they describing the Lord Ashtar and the Ashtar Command, also known as THE GALACTIC COMMAND, COMMAND OF THE EXTRATERRESTRIAL FORCES OF THE INTERGALACTIC CONFEDERATION and THE FLEET OF THE SOLAR CROSS?

**Ascended Master Djwhal Khul** (also called D.K.) is known as The Tibetan. He is one of the most knowledgeable of the Ascended Masters on the widest range of all esoteric matters and mechanics. Between 1919 and 1949 Beloved Master Djwhal Khul dictated, through mental telepathy, **a series of 19 books of occult wisdom to Alice A. Bailey**, who herself wrote five additional volumes. **Ms. Bailey, a modern leader of the Theosophical Society (which was established in 1875 by Madame Blavatsky)** established the Arcane Mystery School as a result of the esoteric knowledge dictated to her by Beloved

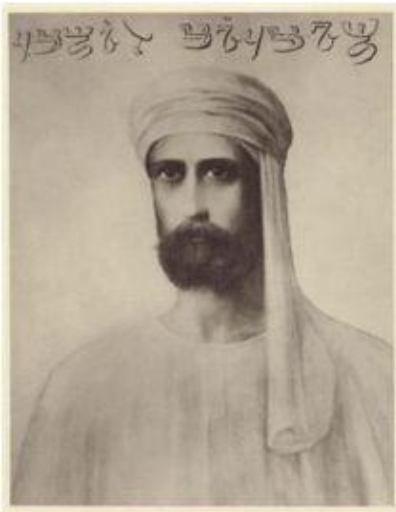

Djwhal Khul. **THEOSOPHY**, the Wisdom-Religion, has existed from immemorial time. It offers us a theory of nature and of life which is founded upon knowledge acquired by the Sages of the past. Quoting from Blavatsky's book *Secret Doctrine* (Theosophical Press), she explains the various ancient culture views and philosophy of evil. She writes: "Antiquity knew of no isolated, thoroughly and absolute bad "god of evil." Pagan thought represented good and evil as twin brothers born of the same mother—Nature...In the beginning the symbols of Good and Evil were mere abstraction Light and Darkness. This led to the primal [original] twins, Osiris-Typhon, Ormazd-Ahriman, and finally **Cain-Abel**...(Vol. 1, p. 412); ...."

Call upon Beloved Djwhal Khul to assist you in receiving and integrating into your spiritual life the ancient mysteries.

Supported By Historical and Religious Texts Claims of extraterrestrials visiting the earth in ancient times and interacting with men is referenced throughout ancient history, including sacred texts. As illustrated in the two views above, ufologists differ in the definition of who these creatures were and what they were doing. For instance, both Daniken and Sitchen refer to the figures in the Bible here (Interlinear Hebrew):

"The benei Elohim saw the daughters of Adam, that they were fit extensions. And they took wives for themselves from all those that they chose...The Nephelim were in the earth in those days, and even afterwards when the benei Elohim came in to the daughters of Adam, and they bore to them—they were Powerful Ones which existed from ancient times, the men of name. (Gen. 6:2,4)"

We are told these benei Elohim were "extraterrestrial" creatures known elsewhere as "watchers," "sons of God," and "rephiam." These visited the earth during antiquity and used the daughters of Adam as "fit extensions" or instruments through which they extended themselves into the physical world. They represented themselves as "gods," and their offspring, the Nephilim ("fallen ones"), made war with the Hebrews.

Yet some think these beings could be planning something now, an "alien invasion" or discovery designed to deceive the human race. We are entering the 'end times', the theory goes, where "...fearful sights and great signs...from heaven" (Lk 21:11) will be seen.

2 Thessalonians 2:8-12 is often added to this theory:

"And then shall that Wicked [one] be revealed....whose coming is after the working of Satan with all power and signs and lying wonders....And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness."

The message is: Beware if world authorities begin "disclosure" by pointing to ancient mysteries, megaliths, pyramids, the Face on Mars, UFOs or anything else as proof of an ancient visitation of planet earth by creator ETs. Deception, we are told, will follow. We

will be instructed to believe that ancient astronauts--not God--created the human race, and a great "falling away" of the earth's major religions will follow.

ET=Neither God Or Satan

Others argue that to depict ET as either godly or satanic is to trivialize the debate; that in a sense ET is neither... and both! Just as "good" and "bad" angels exist or "good" and "bad" people exist, ET comes in all personality types, races, and temperaments. The Grays, who are most usually associated with abduction, might be perceived as evil (or at a minimum impersonal), while other aliens are good guys.

"Don't buy that for a second," we hear the conservative ufologist shout. "Satan comes as an angel of light!"

Let us again return to this featured article for more blockbuster assertions.

"In the introduction to his bestselling book, **CHARIOTS OF THE GODS?**, Erich von Daniken, who, it might be argued, is one of the fathers of modern ufology, said: 'I claim that our forefathers received visits from the universe in the remote past, even though I do not yet know who these extra-terrestrial intelligences were or from which planet they came. I nevertheless proclaim that these 'strangers' annihilated part of mankind existing at the time and produced a new, perhaps the first, **homo sapiens**.'" (Emphasis added)

"Wild claims" made in the recent past by Science Fiction writers are now threatening to "come home to roost"! These views are about to be heavily publicized, supported by some of the greatest "scientific evidence" ever marshaled to threaten the validity of the Bible. This next segment verifies this view.

"As was illustrated in the Hollywood films **Contact** and **Close Encounters Of The Third Kind**, Erich von Daniken's hypothesis took America by storm in the 1960's with the proposition that mankind was possibly the offspring of an ancient, even ongoing, extraterrestrial experiment. Ufologists like Daniken assert that the Sphinx, the Pyramids and myths of ancient cultures are potential evidence of an encounter with these other-worldly beings. They claim ancient men would have considered space travelers as gods and would have recorded their arrival, their experiments, and their departure, in hieroglyphs, megaliths, and stone tablets as a 'supernatural' encounter between gods and men. Von Daniken also claims that the odd appearance of some of the gods as depicted in various hieroglyphs (human-like creatures with falcon heads; lions with heads of bulls, etc) could be viewed as evidence that "aliens" conducted experiments of cloning and cross-mutating ancient people and animals."

A supporting lie being told since the New Age Movement went public in 1976 is that the more ancient an idea is, the more validity it possesses. Thus, because the Ancient Egyptian Mystery Religions predated Christianity, the Egyptian Mystery is more valid than Jesus Christ. That is the lie being perpetrated here.

"Daniken's hypothesis is accepted by some as an alternative to the traditional account of creation. It's uncertain how many people believe the Daniken (and Sitchen) theory, but approximately 70% of Americans believe in the possibility of extraterrestrial life. Some, like the 39 members of the Heaven's Gate cult that committed suicide in Rancho Santa Fe, California and believed they were being summoned by a UFO trailing the Hale-Bopp Comet, take it a step further. They merge ufology and religious cosmology to produce hybrids of conventional religion and/or esoteric mysticism. Of course the remaining 30% minority reject the entire notion as ridiculous."

### **Six Step Attitudinal Change Plan - Vehicle For Thought Change**

Now, enter the respected Federal Government organization, **NASA** (National Aeronautics and Space Administration). The **RESPECTED NASA**, speaking from their **RESPECTED** office, has now officially announced that it is quite possible that these startling pictures have proven that life may have existed on Mars millennia ago. For those of you who have been reading Cutting Edge material for a while all this must sound a bit familiar. Do you recognize the Six Step Attitudinal Change Plan in this sequence of events. Remember, this Change Plan changes attitudes and values of an entire population so gradually, so slowly, that the victims never know they have been manipulated.

Here is how the Six-Step Attitudinal Change Plan works:

Step 1. Some practice so offensive that it can scarcely be discussed in public is advocated by a **RESPECTED** expert in a **RESPECTED** forum.

Step 2. At first, the public is shocked, then outraged.

Step 3. But, the VERY FACT that such a thing could be publicly debated becomes the SUBJECT of the debate. In other words, the focus of the debate is shifted, from the facts of the debate to the fact that "aren't we proud of ourselves that we can even be discussing this subject in public"?

Step 4. In the process, sheer repetition of the shocking subject under discussion gradually dulling its effect.

Step 5. People then are no longer shocked by the subject.

Step 6. No longer outraged, people begin to argue for positions to moderate the extreme; or, they accept the premise, challenging, instead, the means to ACHIEVE it.

Step 1 began to occur in the mid-1980's, as people began to read of the likelihood of life on Mars from the Supermarket Tabloids, and from fiction. This constitutes Step #1, and at the beginning, few people actually believed this nonsense. But, after a while, these readers begin to be slowly convinced of the possibility that life might have existed on Mars. Step 4, the sheer repetition of the shocking subject matter, occurs consistently in

this pop culture media. Step #5, where people are no longer shocked by this possibility, then occurs.

Once Step #5 was attained, the time had arrived for a really RESPECTED person to propagate this lie from his Oval Office. Do you remember that shocking announcement on August 9, 1996, from President Bill Clinton, that science had possibly proven that life once existed on Mars?

NEWSBRIEF: Space Views Magazine, Breaking News August 9, 1996, "[Was There Once Life On Mars?](#)"

"Today, rock 84001 speaks to us across all those billions of years and millions of miles. It speaks of the possibility of life'. President Bill Clinton"

"NASA and Stanford University scientists announced Wednesday they had compelling, but not conclusive, evidence that primitive microscopic life may have existed several billion years ago on the planet Mars. At a press conference in Washington Wednesday afternoon, a team of scientists led by Dr. David McKay of NASA's Johnson Space Center presented several key pieces of evidence which, put together, 'strongly suggests' that life once existed on the Red Planet. 'There is not any one finding that leads us to believe that this is evidence of past life on Mars. Rather, it is a combination of many things that we have found,' McKay said."

"The team presented four lines of evidence obtained from the analysis of a meteorite ejected from Mars billions of years ago and landed on the Antarctic continent over 10,000 years ago ..."

Another story on this news conference reveals that the conference was televised, thus reaching even more undiscerning citizens ("[ALH84001](#)", Wikipedia Encyclopedia

In a slight variation of the Six-Step Attitudinal Change Plan, the President of the United States stepped forward, with his respected NASA administrator, Dan Goldin, to announce that the possibility of life on Mars has been "scientifically" established. I can guarantee you that all that most of these readers of Supermarket Tabloids heard was that the President had announced that life had been found on Mars, and his scientific NASA administrator had agreed. They will never, ever hear the protestations of more objective, non-Governmental scientists. For millions upon millions of Americans, the issue has now been settled. There has been life on Mars, in the distant past.

### **Why This Lie Matters**

Now, many of you are probably saying, 'So what if people believe this stuff. What does it matter?'

I tell you it matters greatly in the successful staging of the Antichrist and in establishing his New World Order Kingdom. When President Clinton made his announcement, he

made it far more likely that Americans in particular, and untold millions worldwide generally, would believe the claims of the Antichrist when he arises. You see, the Antichrist will claim to be an Ascended Master, who has passed through many lifetimes, some on Earth and some on other planets. Therefore, Antichrist is going to be an Alien, who has lived on other planets!! The "Guiding Spirits" of New World Order leaders have consistently told their human hosts that people will be far more likely to believe the claims of Antichrist if they have first been conditioned to the idea that Aliens, Extraterrestrials, do exist! Ditto for UFO's!!

This is why the subject of Extraterrestrial life on many planets is a constant subject in New Age bookstores, and has been for over 100 years!! Among New Age adherents, you will be hard pressed to find someone who does NOT believe in life on other planets. And, as you peruse New Age bookshelves, you will find a considerable number of titles pertaining to Mars.

Therefore, what you have here is the meeting of beliefs about life on Mars, and by extension, life on innumerable number of planets in the universe, between traditional New Age adherents and the more average citizen on Main Street, U.S.A. We are getting closer to the successful staging of Antichrist every day. The very fact that the President of the United States would commit his prestige and that of his office, to promoting Life on Mars shows how very close to the appearance of Antichrist we must be!

This Life on Mars concept also has one other implication. It is designed to throw doubt into the traditional Biblical concept that God created a unique planet amidst the many millions of planets and solar systems within the Universe. Create doubt that God Creator created a unique race of human beings, gave them Free Will to sin or not to sin, and uniquely created a Plan to save them from the consequences of their sin by Himself becoming their Perfect Sacrifice. God's Plan of Redemption is a unique plan, for a unique race, living on a unique planet.

But, if you believe in Aliens, reincarnation, UFO's, and many planets within the universe which contain intelligent life, you destroy this uniqueness message of Biblical Christianity. Christian author Texe Marrs quotes a scientist who is an unbeliever, as smugly proclaiming that the "discovery" of life on Mars signals the end of all established religions on Earth, including Christianity. "They are all now proven to be man-made myths," he declares.<sup>1</sup>

This is the Plan of the New World Order, to convince a majority of people that Extraterrestrials might exist, convince a strong minority that they absolutely do exist, and deliver a death blow to your most feared, implacable enemy, those Fundamental Born Again Christians.

As we return to our Raiders News Network article, we see a revelation from Christian experts that these Aliens are really demons. Now, we are getting closer to the real truth! Listen:

**"Malevolent Non-Creator-Astronauts Theory (ET=Satan)** -- One of the more troubling aspects of the benevolent creator-astronaut view is the related "abduction" scenario associated with certain types of aliens--the taking of a person against their will, often followed by intrusive probes, genetic tinkering, embryo farming and other experimental processes. The abduction by shadowy forces for reasons unknown is viewed by most experiencers and researchers as impersonal, malevolent, demonic."

"Associate professor of psychology Elizabeth L. Hillstrom points out in her book, ***Testing the Spirits***, that a growing number of academics also associate UFOnuts--whoever, or whatever, they are--with historical "demons".

"She writes:

"From a Christian perspective, Vallee's explanation of UFOs is the most striking because of its parallels with demonic activity. UFO investigators have noticed these similarities. Vallee himself, drawing from extrabiblical literature on demonic activities, establishes a number of parallels between UFOnuts and demons....Pierre Guerin, a UFO researcher and a scientist associated with the French National Council for Scientific Research, is not so cautious: "The modern UFOnuts and the demons of past days are probably identical." Veteran researcher John Keel, who wrote *UFOs: Operation Trojan Horse* and other books on the subject, comes to the same conclusion: "The UFO manifestations seem to be, by and large, merely minor variations of the age-old demonological phenomenon."

I find it highly interesting that this professor of psychology would quote French astrophysicist Jacques Vallee. I have personally read two of his books, and have written extensive articles on his findings! Please take a few moments to read our articles, for they will offer a great deal of information quite pertinent to this discussion.

To understand how this belief in Aliens and UFO's directly transforms into a belief which would help Antichrist deceive the peoples of the world, please read [NEWS1018](#), "HILLARY TO JEAN HOUSTON -- COME ON OVER AND BRING ELEANOR WITH YOU!"

Christians, and many Catholics, have always equated Extra-terrestrial contact with demons. That is the correct Biblical analysis, in our opinon. Remember, Satan can transform himself into an Angel of Light, if need be, in order to deceive humans. His demonic host can also transform themselves.

But, now, a Vatican spokesman has just declared that E.T. activity is real and is NOT demonic!

NEWS BRIEF: ["Vatican Official Declares Extraterrestrial Contact Is Real"](#), by Richard Boylan, Ph.D, UFO Digest

"Monsignor Corrado Balducci, a theologian member of the Vatican Curia (governing body), and an insider close to the Pope, has gone on Italian national television five times, including recent months, to proclaim that extraterrestrial contact is a real phenomenon. Balducci provided an analysis of extraterrestrials that he feels is consistent with the Catholic Church's understanding of theology. Monsignor Balducci emphasizes that extraterrestrial encounters 'are NOT demonic' ..."

Now, one billion Roman Catholics throughout the world are officially "set up" by these kinds of pronouncements that Aliens are real, but are NOT demons.

Stay tuned for more developments in this business about Mars. If my hunch is correct, you will be hearing a lot more about Mars in the near future. After all, there are more people to convince before Antichrist arises, and the Mars card is likely to be played again and again, until the great majority of people believe the lie. Remember Jesus' thrice-repeated warning in Matthew 24, against deception? His warnings culminate in verse 24, "For there shall arise false Christs, and false prophets, and shall show great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect."

This Mars deception is simply one of the opening salvos in the great New World Order deception. Keep your eyes on Jesus Christ, and on His Perfect Salvation, not on any man or any church. Now is the time to stand strong for Jesus Christ and His Truth, for the End of the Age is very, very close, indeed.

Remember Jesus' revelation that Unparalleled Deception is one of the hallmark characteristics of the End of the Age.

Mat 24:3 ¶ And as he sat upon the mount of Olives, the disciples came unto him privately, saying, Tell us, when shall these things be? and what [shall be] the sign of thy coming, and of the end of the world? Mat 24:4 And Jesus answered and said unto them, Take heed that no man deceive you. Mat 24:5 For many shall come in my name, saying, I am Christ; and shall deceive many. Mat 24:6 And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all [these things] must come to pass, but the end is not yet. Mat 24:7 For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places. Mat 24:8 All these [are] the beginning of sorrows. Mat 24:10 And then shall many be offended, and shall betray one another, and shall hate one another. Mat 24:11 And many false prophets shall rise, and shall deceive many. Mat 24:12 And because iniquity shall abound, the love of many shall wax cold. Mat 24:13 But he that

shall endure unto the end, the same shall be saved. Mat 24:23 Then if any man shall say unto you, Lo, here [is] Christ, or there; believe [it] not. Mat 24:24 For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if [it were] possible, they shall deceive the very elect. Mat 24:25 Behold, I have told you before"

## The Ripening - Planet Earth Welcomes Maitreya?

From: <http://letusreason.org/>

**The work of the Christ for the new age of spirituality and the coming holocaust** We have come to a point in history where things are converging to a massive unity for survival. Saving the environment, the planet (Gaia) has become accepted with the agenda of global warming. religious unity is on everyone's mind, for they know without this there can be no real and lasting peace.

The Roman Catholic Church wants to unite the world (and the churches) under Christendom- under the Pope, who claims to be the representation of Christ on earth since he left. There is no question to their unparalleled cooperation with other religions in the last 25 years to forge their goals.

Islam wants to unite the world under a Islamic caliphate wherein Sharia law will rule through its Islamic states. Many Muslims are awaiting and anticipating the 12th Imam Mahdi, the Muslim Messiah will eliminate evil and corruption. He will fight against the enemies of the Muslims (destroy Israel) who would be victorious... Islam will be victorious over all the religions. (Reefernce: Sideeque M.A. Veliankode, *Doomsday Portents and Prophecies* (1999) p. 277; Al-Sadr and Mutahhari, prologue, pp. 4,5).

The spiritual movement of the New Age is waiting for the Christ, a world teacher of the Aquarian age. There is excitement in the air. Unbenowest to all, the spirit of the age is moving with such rapid speed to accomplish its goals put in its followers for hundreds of years. Eventually all will converge- into a synthesis not imagined since the Tower of Babel.

The Christian believers know the real sequence of events to take place and wait patiently for the Lord

Before I delve into the main point of this article let me give you some background on matters that relate to it. The teachings of Alice Bailey, Benjamin Creme and David Spangler along with numerous other influential New Age writers state that we are to undergo a mass-planetary initiation that will usher us into a New Age. An age that many a poet and philosopher have written about; a golden age of peace, harmony and brotherhood.

Spangler called it the “Luciferic initiation” because of its association with the experience of light. Call it a planetary Pentecost like Barbara Marx Hubbard or another name given by H.P. Blavatsky, it does not matter, for the result is the same. Once one experiences this new light they are changed with a new set of views and values that encompass their whole life. Be it political, spiritual, or education.

*“If men look for the Christ Who left His disciples centuries ago, they will fail to recognize the Christ Who is in process of returning”* (Alice Bailey & Djwhal Khul Alice Bailey & Djwhal Khul, *The Reappearance of the Christ*, Chapter III – World Expectancy, <http://laluni.helloyou.ws/netnews/bk/reappearance/reap1018.html>).

Benjamin Creme who is the voice of proclamation for the new Christ says, *The Master Jesus is going to reform the Christian churches* (Benjamin Creme, *Reappearance of the Christ*, p. 85).

This reform means “change.” When you look at the mysticism now taking place inside the church along with practices of other religions being added, one cannot also think about this prophecy by Alice Bailey:

*“This Church will be nurtured into activity by the Christ and His disciples when the outpouring of the Christ principle, the TRUE second Coming has been accomplished... the Christian church in its many branches can serve as a nucleus through which world illumination may be accomplished... the church as a teaching factor should take the great basic doctrines and (shattering the old forms in which they are expressed and held) show their true and inner spiritual significance. ... Teachers must be trained; Bible knowledge must be spread; the sacraments must be mystically interpreted, and the power of the church to heal must be demonstrated”* (Alice Bailey, *The Externalization of the Hierarchy*, 1957, Lucis Publishing).

Their agenda is not hidden and we need to understand how they practice their spirituality to identify it, because it is coming into the church.

Those involved in the New Age Movement promote a New Age Christ, not the Jesus “Christ” of the Bible. They believe the title Christ does not refer to an individual but is the name of a function in the Hierarchy of Masters of Wisdom.

On Shares international website they admit – *“The existence of great spiritual teachers, known as the Masters of Wisdom, became public knowledge in 1875 through the writings of Helena Petrovna Blavatsky, founder of the Theosophical Society (“ Highlights of Maitreya's public emergence”)* [http://www.shareintl.org/maitreya/Ma\\_emerge.htm](http://www.shareintl.org/maitreya/Ma_emerge.htm)

Helena Blavatsky did not agree with the Bible's position at all and spoke of the coming world ruler of the New Age as the “serpent” from the garden.

We are told by former Masons that the highest degree in freemasonry, the 33rd degree which brings the illumination that Lucifer is actually God, the one who brings light, and

Adonai the God of the Bible, is not the true god. Talk about a shell game switch. This is opening ones eyes to the same promise by the serpent in the garden. Manly Hall speaking of the Masons and the Mystery of his Craft stated, "*The seething energies of LUCIFER are in his hands and before he may step onward and upward, he must prove his ability to properly apply (this) energy.*" (*Locked Keys of Freemasonry*, p. 48 Manly P. Hall).

Blavatsky was in telepathic communication with the 'Masters' of the ancient wisdom, they influenced and directed her like they have done with so many others throughout history. Like the Masons, H. P. Blavatsky stated how the lightbearer Lucifer brings knowledge, "*It is but natural ... to view Satan, the Serpent of Genesis, as the real creator and benefactor, the Father of Spiritual mankind. For it is he who was the 'Harbinger of Light,' bright radiant Lucifer, who opened the eyes of the automaton created by Jehovah*" (H. P. Blavatsky, *The Secret Doctrine: The Synthesis of Science, Religion, and Philosophy*, Vol. II - Anthropogenesis, Theosophical University Press, 1970, "Verbatim with the Original Edition," 1888, p. 243)

Like others, she experienced this light that changed her worldview and called her to be a vehicle to channel the ancient wisdom from the masters. This light is known to those who have experienced it as spiritual and life changing. She thought it brought her spiritual knowledge, opening her to a higher consciousness. From there own words we know who this light is.

The Theosophical Society for many years called one of its publications *Lucifer*. Alice Bailey, a former Theosophist founded the Arcane Society. Bailey established Lucifer Publishing Company in 1922 to help disseminate her works. In 1923 the name was changed to Lucis Publishing Company, which was a bit less obvious in relation to what they were publishing.

Another occultist, Annie Besant, was the Theosophical Society's president from 1907 to 1933. She proclaimed the coming of a World Teacher would be the spiritual master named Lord Maitreya.

Benjamin Crème- *during his early years Crème studied art and esoteric philosophy, and eventually became known both as a modernist painter and an expert in the teachings of Helena Blavatsky and Alice A. Bailey.*<sup>1</sup> *While he came to believe in the existence of the "Masters of Wisdom" (i.e., great teachers who have evolved to a higher level of existence) through the writings of the Theosophists...*" ("Benjamin Creme Biography," [Online]. URL <http://www.shareintl.org/cremebio.html>)

Benjamin Creme who is the main promoter of Maitreya's mission today regards Blavatsky's writings (and Mrs. Bailey's work) as "preparatory" for the unfolding of a spiritual plan for the planet. All of these names were tied in together for they were initiates into the light and conduits for the masters of the spiritual realm to manipulate for their coming spiritual coup d'état.

We find from another initiative whom this Christ really is and how global servers will be united, *“Christ is the same force as Lucifer... Lucifer prepares man for the experience of Christhood. (He is) the great initiator. ... Lucifer works within each of us to bring us to wholeness, and as we move into a New Age ... each of us in some way is brought to that point which I term the Luciferic Initiation ... the particular doorway through which the individual MUST pass if he is to come fully into the presence of his light and his wholeness. “for it is an invitation into the New Age” (David Spangler Reflections on the Christ p.44-45)*

Lucifer is known as the light bearer in the Bible record. He can mesmerize people by his look and speech and can give them spiritual experiences par none (except for the genuine ones that come from God). Though he is clothed in light his real nature and knowledge is darkness. The Luciferic Initiation reveals to man their own divinity, and gives them the ability to manipulate and control what they believe are universal energies.

Alice Bailey said, *“each contact with the Initiator leads the initiate closer to the centre of pure darkness.”* (Alice Bailey, *The Rays and the Initiations: Volume V, A Treatise on the Seven Rays*, 1960, Lucis Publishing Company, New York, p. 174)

The Bible warns of those who call darkness light and change light for darkness. So many have experienced a light or even met an angel of light and were enamored with it as Eve was with hers. Everyone who encounters this light has a life changing experience, not knowing it is based on occultic knowledge.

Fritjoff Capra Ph.D., physicist and systems theorist, author of “The Tao of Physics” writes: *“Five years ago, I had a beautiful experience . . . I was by the ocean one late summer afternoon, watching the waves roll in and feeling the rhythm of my breathing, when I became aware of my whole environment as being engaged in a great cosmic dance. Being a physicist, I knew that the sand, rocks, water and air around me were made of vibrating molecules and atoms . . . but until that moment I had only experienced it through graphs, diagrams and mathematical theories. As I sat on that beach my former experiences came to life; I ‘saw’ cascades of energy coming down from outer space, in which particles were created and destroyed in rhythmic pulses; I ‘saw’ the atoms of the elements and those of my body participating in this cosmic dance of energy; I felt its rhythm and I ‘heard’ its sound, and at that moment I knew that this was the dance of Shiva, the Land of the Dancers worshipped by the Hindus.”*

From this experience came “The Tao of Physics.” He focused on the oneness of all things: he got the message from his experience. This is the new age/ occult experience- that everything is united.

Bill Wilson with his close friend, Bob Smith were involved in the occult before they invented the method of AA.

*The “original mystical experience” to which Wilson referred was his alleged “conversion.” It came about in a classic occult encounter with a “white light,” rather than by faith in Jesus Christ through the gospel. Wilson had fallen into a deep depression and in desperation cried out, “If there is a God, let Him show Himself I am ready to do anything, anything!” He had demanded something that God was under no obligation to provide. It was an opportunity for Satan to respond with a “spiritual experience” that set the stage for the seduction of millions. Wilson testified that in response to his cry:*

*Suddenly the room lit up with a great white light. I was caught up into an ecstasy . . . . It seemed to me, in the mind's eye, that I was on a mountain and that a wind not of air but of spirit was blowing. And then it burst upon me that I was a free man ....*

*All about me and through me there was a wonderful feeling of Presence, and I thought to myself, “so this is the God of the preachers!” A great peace stole over me . . . .”(Stafford, “Hidden Gospel,” p. 14, Reference: p.297-298 Occult Invasion by Dave Hunt).*

No it is not the god of the preachers but it is the god so many encounter as a light. Notice the light is a common denominator in these experiences. Certainly the bible says God is light and dwells in inapproachable light (by men).

In the Book “The Seduction of Christianity” author Dave Hunt refers to Gerald Jampolsky’s experience:

*“The power of mystical experience (a form of initiation) is expressed eloquently by Robert Schuller’s good friend and repeat guest on his “Hour of Power” TV program, Gerald Jampolsky.*

*This famous psychiatrist and best-selling author/lecturer tells of his meeting with Swami Muktananda: He touched me with peacock feathers. I began to have the impression that our minds were joined. He touched me again on the head with his hand. After this, beautiful colors appeared all around me, and it seemed as though I had stepped out of my body and was looking down on it. I saw colors whose depth and brilliance were beyond anything I had ever imagined.*

*I began to talk in tongues. A beautiful beam of light came into the room and I decided at that moment to stop evaluating what was happening and simply be one with the experience, to join it completely.... For the next three months, my energy level was heightened and I required very little sleep. I was filled with an aware ness of love unlike anything I had known before” (Teach Only Love quoted by Orange County Resources interview with G. Jampolsky M.D. by phil. Friedman phd.p/3).*

True or not, experience can be a very convincing paradigm. This is how so many have had a change of their worldview in a moment of time. Elizabeth Kubler Ross was one of the leading investigators of thanatology and NDE’s (near death experiences) described an experience with a light that she felt tremendous love from and healed her bowel

obstruction. Yet this experience never led her to the gospel so one must question who she encountered as light.

*“Consider, for example, the case of Will Baron. He had lost his confidence in the Bible in high school through the teaching of evolution. Later, through drugs and Eastern mysticism, he had become part of the New Age movement. He was, in fact, a board member of the New Age cult Lighted Way. On this special day Will had been doing his usual morning meditation for only a few minutes when, as he reports:*

*“Suddenly, a physical force that I had never felt before seemed to come upon me. Brilliant light filled my whole being... permeating every cell of my body. My brain, especially, was flooded with light, as if a thousand watt bulb had been switched on inside of my head ....*

*‘I felt a deep sense of peace .... My mind, my rational thinking was still functioning normally, with clear and precise, logical thoughts. I had not taken any kind of drugs whatsoever.’*

*Suddenly, a man radiating intense golden-white light stood before me. My first perception was that the mysterious, shining figure looked just like Jesus Christ. Immediately a strong intuitive thought... surfaced that told me this person was Djwhal Khul, the high-ranking member of the White Brotherhood of Masters. who had dictated to Alice Bailey the contents of the metaphysical books she had published . . .”*

(Cited from *Occult Invasion* by Dave Hunt p.183-184; story of Will Baron, *Deceived by the New Age* (Pacific Press Publishing Association, 1990). pp. 61-62).

Hiding their darkness behind the light seems to be a common theme from these ancient masters of disguise.

*“And no wonder! For Satan himself transforms himself into an angel of light. Therefore it is no great thing if his ministers also transform themselves into ministers of righteousness, whose end will be according to their works”* (2 Cor. 11:14-15). In other words, do not marvel that they have this ability. Satan and those who are in his kingdom are readily able to do this.

Occult practitioner Alice Bailey wrote: [*The Intelligent seeker ... is moving out from under doctrinal authority into direct personal spiritual experience and coming under the direct authority which contact with Christ and His disciples, the Masters, gives*] (*Externalisation of The Hierarchy*, Alice Bailey, p. 417)

This is not an isolated belief but a wide held belief in the New Age movement. Lola Davis a new age writer tells us the New Age “Christ” resides on a different plane of consciousness from what we experience. There he directs the Masters, “a group of advanced souls, most of them discarnate ... known variously as the White Brotherhood,

*The Great White Lodge, the Masters of Wisdom, the Hierarchy, and the Angels around the Throne* (Lola Davis *Toward a world religion for a new age* p.186).

The Bible speaks of a deception that will affect the whole world in the last days. Jesus says in Mt.24 *"many will come in my name saying I am,"* and say I am the Christ. Many have come throughout history saying they are God or his representative. Maitreya says he comes not in Christ's name but his own. What did Jesus warn about this? Another will come in his own name, him they will hear. Maitreya says, *"I am the Prince of Peace...."* (Message No. 100) and far too many believe it.

Maitreya also claims that he is the overarching influence over Jesus of Nazareth. And He will convince mankind by experience, by signs and disregard doctrine. Being "lit up" by a mystical experience (of light) is no guarantee that one is experiencing something true. What at first seems beautiful can be very invasive and powerfully misleading.

Physical sensations convince the participant that they have come into direct communication with a universal God, the inner god that is within everyone. The goal of these masters is to awaken to the deity within.

Maitreya states *"experience of the Self within"* (Share International, December 1988; Network News, Nov./Dec. 1988, pg.1). *"My Task will be to take you into the Light of your own true nature, and realise for you the Gods you are"* (excerpt of Maitreya's message no. 71). *"May the Divine Light and Love and Power of the One Most Holy God be now manifest within your hearts and minds. May this manifestation lead you to see each other as the gods you are"*(Message 13, Feb. 1982). *"Decked in all of the colors of the rainbow, glowing with the Light of God, man, one day will stand upright in his divinity. This I promise you."* (Message no. 4).

When you hear people speak of the divinity, the deity within, they are denying the Bible, Jesus and are actually mimicking the words of Lucifer the light bearer who said that he would be like the most high in heaven (Isa. 14:13-14) and lured Eve into the same idea (Gen.3:3-5). They are echoing something very ancient, the original first lie that entered the universe to challenge God's rule, and it is powerful.

The root source of these belief are found in theosophy and in the pursuit mysticism, we find this common thread in all the writings of influential men and woman during this period of this modern occult spiritual awakening.

*"The realization of this is needed today. Christ in God. God in Christ. Christ in you and Christ in me. This is what will bring into being that one religion which will be the religion of love, of peace on earth, of universal goodwill, of divine understanding, and of the deep recognition of God"* (Alice Bailey, *From Bethlehem to Calvary*, Chapter two The First Initiation, The Birth at Bethlehem,  
<http://laluni.helloyou.ws/netnews/bk/bethlehem/beth1022.html>)

Under the influence of powers that were against the Christ of the Bible they communicated to her a distortion of what the bible actually says. For it is only the believer in the Gospel that can have Christ in them

Besides Blavatsky and Bailey's influences, there were other men and books popular among occultists and Theosophists during the 1920s. It is not surprising to see Baird Spalding saying nearly the same thing: "*We know the greatest of all teachers came to show more fully that the Christ in him and through whom he did his mighty works is the same Christ that lives in you, in me in all mankind; that by applying his teachings do all the works that he did and greater works*" (Baird Spalding, *Teachings of the Masters of the Far East*, p.16).

When you hear the words of everyone having Christ in them, though they may not yet be aware of this, you are hearing the same spirits that spoke to these people.

A key influence in the development of the "I AM" Ascended Masters movement were found in books by Baird T. Spalding (Published between 1924 and 1955). The five volumes, entitled *Life and Teachings of the Masters of the Far East*, which contain many of the beliefs central to the I AM movement. Spalding spoke of amazing experiences he and ten others of his group had while on a research trip in the Far East in 1894. (*Life and teachings of the Masters of the Far East* vol.1 p.9).

One of the two main I AM cults (founded in 1930) were by Guy (1878-1939) and his wife Edna Ballard (1886-1971), who held to the beliefs in Spalding's books. The Ballard's were practicing Theosophists when Guy was contacted in 1930 by the so called Ascended Master Saint Germain who appeared in a visible, tangible body on Mount Shasta, California. His experiences are recorded in the first two books of what is known as the Saint Germain series: *Unveiled Mysteries and the Magic Presence*. Saint Germain was called the Lord of the Seventh Ray, who in previous incarnations claimed to be the Old Testament prophet Samuel, Saint Alban, and Sir Francis Bacon. They then began the "I AM Movement" and in 1932 the Ballard's began to release the message of the Ascended Masters to the public. Saint Germain described his task of initiating the Seventh Golden Age, the permanent "I AM" Age of Eternal Perfection on Earth. His "*Christ is called the cosmic christ with a legion of light to accompany him*" (*I Am Healing Decrees*, Saint Germaine press, 1976 pp.30-31). The idea was that God is within each man, as the "I am presence" and that the man who released presence this can experience divinity in this life (the violet consuming ray).

The best way to convince someone is by experience, feelings and their senses because it bypasses the critical thinking of the mind that God gave man to scrutinize what is right and wrong. The angel of light comes (2 Cor. 11:14; 2 Thess 2:9), to introduce you to a spiritual experience that is heightened beyond anything occurring naturally. You may have a real spiritual experience as are a nearly all counterfeits and you may even had a Jesus appear. But, he is not the historic Jesus of the Bible that is now in heaven waiting for the day to call his saints home. The Bible warns us about "another Jesus, Another spirit that comes to deceive.

It should not astound us that when numerous groups in the past and today name this other Christ, he would have the same teachings of the ascended masters: *“Maitreya enters now the world arena to teach men that they are Gods in potential, that they are powerful, indeed, and that conditioning, alone, holds them in thrall to superstition and fear, competition and greed. He will show men the way to renounce the past, and to construct, under His wise guidance, a civilization worthy of men who are moving into their Divinity. The day is not far off when men will hear his Call, and hearing, respond. The day is not far off when men will know that the long dark night is over, that the time has come to welcome the new light which has entered the world”* (Source: Share International magazine, July/August 2000).

Maitreya is comparing the religion of Judaism that is fulfilled in Christ Jesus their Messiah and telling us that it is has kept us from the truth of who we really are- God. that when this light invades earth there will be a transformation. And this spiritual counterfeit light is getting brighter and bringing mankind into a new dark ages.

### **The Calling of Maitreya the Christ**

Benjamin Crème explains: *‘there are 12 Masters in the world, but they are going to be forty Masters. Some of Jesus’ disciples are masters: the one who was John the Beloved, now the Master Koot Hoomi, Saint Paul, now the Master Hilarion; and Saint Peter, now the Master Morya and also the Master Jesus, himself.*

*At their head is Maitreya, the Master of all the Masters. Jesus, now known as Master Jesus, currently resides with Peter and John in Rome, and is attempting to reunite the Christian churches through a focus on Maitreya.”* “Jesus of Nazareth and Maitreya,” [Online]. <http://www.shareintl.org/jesusnm.html>.

One of the ways Maitreya has worked behind the scenes is doing wonders as *“Maitreya says those who search for signs will find them”*(Message 10). These are supposedly synchronized with the emergence of Maitreya and His group of Masters at this time in the history of the world. *“For those who seek signs of His coming, Maitreya has manifested miracles worldwide ... preparing them for His imminent appearance”* (Maitreya- News release no. 74, April 2005).

Grandiose claims are made through Maitreya’s messenger Benjamin Crème *“(Lord Maitreya) will leave no doubt that He is the World Teacher. Maitreya will mentally ‘overshadow’ all of humanity simultaneously. Each of us, not only those watching or listening, will hear His words inwardly, telepathically, in our own language... Thus, all will know that the World Teacher is now among us. Maitreya’s open world-wide mission will have begun”* (Benjamin Creme, *Maitreya’s Mission, Vol. I*, p. 11,)

What are they speaking about is a spiritual event unlike any other that will bring a covenant- an agreement with the people. An experience given to all mankind making it a universal acceptance no matter what ones belief system is. This will energize people to work together for his goal.

We are told that on the Day of Declaration, Maitreya will have everyone (simultaneously) hear his voice inwardly-- telepathically in their own language. Feelings of love will result with spontaneous healings taking place throughout the world. If all goes according to plan, it will be quite convincing.

Barbara Marx Hubbard has a similar event that she calls a planetary Pentecost, she explains to us that at this time, a "quantum leap" in the evolution of mankind will occur as revealed to her by "the Christ": *"At the moment of cosmic contact, I will appear to you both through inner experience and through external communication on your mass media."* Hubbard says, at this time when *"the divisions of the religions would be over...We would each know that God is within us...If all who feel we are connected to each other, to nature and to God join in a planetary Pentecost, we shall be transformed in this lifetime"* (Barbara Marx Hubbard and the Armageddon Alternative," Brooks Alexander, SPC Vol. 19:2/3, 1995, p. 49).

This concept has various names and practices to yield the same results. Occultist Alice A. Bailey discussed this "energy" experience as well: *The new religion will be one of Invocation and Evocation, of bringing together great spiritual energies and then stepping them down for the benefitting and the stimulation of the masses. The work of the new religion will be the distribution of spiritual energy...* ([www.ibae.org/html/hftwef.html](http://www.ibae.org/html/hftwef.html))

To bring this spiritual energy to earth the spiritual masters gave an invocation, attempting *"to increase the energy which comes from Maitreya and other Masters,"* (*"Help the Hierarchy with Transmission Work' p.6*). The Tara Centers have established what they call "transmission groups" these are meetings that involves group meditation and invoking the manifestation the focused as an aid in passing on the energies of the "Hierarchy" to earth. This has everything to do with a light that mesmerizes people – giving them a mystical experience. They are literally been preparing the spiritual climate for the reappearance of "their Christ. The idea of transmission groups receiving energy and mental images from these "ascended masters" and projecting that energy is occultic in its nature; and there is real spiritual power involved.

The 1940 version of the Great Invocation:

*"Come forth, O Mighty One.  
The hour of service of the Saving Force has now arrived.  
Let it be spread abroad, O Mighty One.*

*Let Light and Love and Power and Death  
Fulfill the purpose of the Coming One.*

In 1945 the Master Djwhal Khul gave Bailey *"The Great Invocation"* and it was modified to become the "World Prayer."

The New Age leaders know the meaning of the prayer, it is to bring forth the "Coming One" who (many) they believe is Lord Maitreya, the new Christ.

Here is a portion of The Invocation today:

*'From the point of Light within the Mind of God  
Let light stream forth into the minds of men.  
Let Light descend on Earth.*

*From the point of Love within the Heart of God  
Let love stream forth into the hearts of men.  
May Christ return to Earth.*

*From the center where the Will of God is known  
Let purpose guide the little wills of men -  
The purpose which the Masters know and serve.*

*...Let Light and Love and Power restore the Plan on Earth.*

Along with the invocation are various meditations- Example: "Christmas blessing"

*"There will be a blessing from Maitreya on Christmas day (25 December) at 3 o'clock (3.00pm local time, wherever you are). Hold your attention on the crown chakra -- the center at the top of the head -- (this is the only time that the attention should be placed on this center, contrary to Transmission Meditation, where the attention is held on the ajna center) and sit in silent meditation while the energies flow- (Share International)*

This Hindu type exercise shows us what kind of a Christ this Maitreya really is.

Bailey stated of the New Group of World Servers- *"are overseeing or ushering, In the New Age and are present at the birthpangs of the new civilization... (Externalization of the Hierarchy p. 70).*

They are actively bringing in the kingdom of another Christ, whose spirit is working through those who disbelieve in Jesus as the one and only Christ. This spirit's influence unites them with an alternative that is appealing to those in disobedience to the gospel. Success will be perceived as god given and the deception will then become prevalent to all its participants.
