PROGRAM OPTIONS

M.B.A. courses are offered at our main campus in Detroit and online, giving you the option to choose the learning method that works best for you.

Evening and occasional weekend courses offer flexibility and convenience.

Students take fall and winter semester courses (except accounting) in an accelerated format under a 4-week/ 11-week course delivery system.

This option allows students to take more courses each term and decrease their time to graduation.

Applicants must have a baccalaureate degree from an accredited U.S. institution — or a degree equivalent to a four-year U.S. baccalaureate degree from an international college or university — and have a minimum undergraduate GPA of 2.75 or its equivalent.

The second part of the process gets underway when the Office of Graduate Admissions forwards your M.B.A. application materials to the Ilitch School for a comprehensive review.
