# MASTER'S DEGREE PROGRAMS – APPLICATION PROCESS

APPLYING FOR ADMISSION REQUIREMENTS ASSESSMENT

## ADMISSION REQUIREMENTS – APPLYING FOR ASSESSMENT

The University of Florence offers about 60 two-year master's degree programs. Most of the programs are [taught in Italian](#), while some are completely [taught in English](#). To apply for a master's degree program, you must have completed an appropriate undergraduate degree program. You are not required to participate in any admission test: the board of professors of your intended master program will conduct a thorough review of your application and supplemental documents to evaluate your eligibility, according to the University requirements for that program. For more detailed information about applying to a master program, see the instructions referring to the School your intended program belongs to.

**Applying for admission**

The documents you have to send to [internationaldesk@unifi.it](mailto:internationaldesk@unifi.it) are:

- Application form
- Bachelor's degree certificate
- Full transcript of academic records
- Official subject descriptions (syllabus) referring to your bachelor program. See a sample [here](#)
- passport
- CV

**Sending instructions:**

It is your responsibility to ensure that the required application form and materials are complete and readable. To ensure a smooth application process, you have to follow the instructions below strictly:

- Send only one email with all the required attachments
- Send only the Italian or English version of the documents
- Do not send image files (.jpg, .png, .gif, .tiff), but only .pdf files in grayscale or black and white
- Do not send files that exceed 15 MB
- Do not send photos taken with smartphones/iphones
- Do not send any link to file-sharing websites (i.e. Dropbox, WeTransfer, Google, QQ), because due to our university IT security policy we cannot download any file

**2**

**Processing your application**

On receiving your application, we will forward it to the assessment board of your intended program. The board will examine your application and decides within one month.

**3**

**Outcome**

The three possible outcomes of your application may be:

1. Your application is successful and you get admission to the master program
2. You do not meet the admission requirements entirely. Thus, first you have to take some courses at the undergraduate level through registration for *single courses*
3. You do not meet the admission requirements and so you are not admitted to the master program
