sewing and embroidery machine

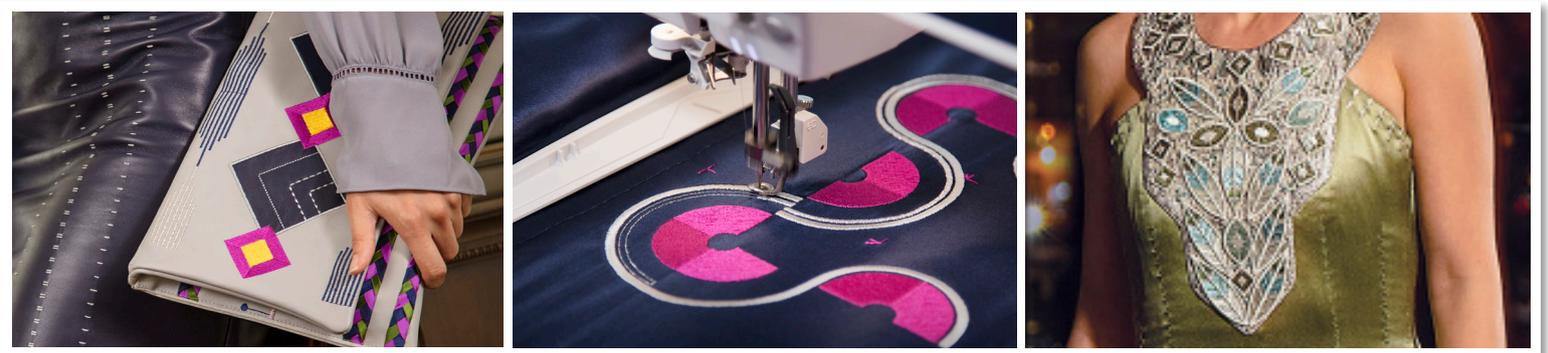

MASTER THE BASICS

**Accessories included:**

- 0A, 1A, 2A, 3, 4, 5A, 5M, 6A, 6D, 8, 1/4" Quilting Foot, Bi Level Guide Foot for IDT™ System
- Straight Stitch Needle Plate
- Electronic Knee-Lift
- creative™ 120 Square Hoop (120 x 120), creative™ Elite Hoop (260 x 200), creative™ Supreme Hoop (360 x 260)
- Straight Stitch Left Bobbin Case

**Top Selling Features**

- 1. Biggest Workspace** 69% increase in area, 12.2in (310mm) width and 5.51in (140mm) height. Increased height under the sewing head to 3in (76.2mm).
- 2. Comprehensive Connectivity with WiFi and mySewnet™** Get connected with WiFi and mySewnet™ enabled apps. We provide automatic updates through WiFi connectivity, cloud storage on mySewnet™, and a blog with news, projects, and tips.
- 3. Enhanced Original IDT™** Integrated Dual Feed technology from PFAFF®, precisely feeds all types of fabric from the top and bottom for perfect stitching every time. On the creative icon™ this has it's own power source for more control and a new built-in sensor will let you know when to activate or deactivate it.
- 4. Unprecedented Lighting Design** Our innovative lighting technology gives you the most even work light on the market for the brightest sewing experience. LED lighting is perfectly positioned at the most beneficial points to eliminate shadows.
- 5. Power, Stability and Precision** Revamped base design reduces vibrations and increased needle piercing force to 150 NWT gives more strength.
- 6. Innovative and Exclusive Stitches** Floating Stitches, Radiant Stitches, Single, Double and Triple Ribbon Stitches, Lace Edge Stitches and Stacking Stitches.

## SELL UP FEATURES FROM creative™ 4.5 SEWING AND EMBROIDERY MACHINE

### SEWING

- New stitch techniques – Triple Ribbon Stitches, Floating Stitches, Radiant Stitches, and Lace Edge Stitches.
- Over 320 more stitches – Including a wide variety of 9mm decorative stitches and an extra sewing font.

### EMBROIDERY

- More than 530 additional embroidery designs.
- Shape Creator™ Feature – Combine decorative stitches and design elements instantly to create truly unique borders and designs. Appliqué Creator reinvents how to create appliqués with speed and precision. Choose from a variety of distinctive shapes – all built-in, like: stars, flowers, and letters.
- creative signature™ embroidery programs – Embroidery stitch editor, resize/scale, design stitch-out order, rotation, mirroring, select/group, monochrome, color block sort, color block merge, basting (two options).
- 3 additional built-in embroidery fonts – Available in 3 different sizes including upper case letters, lower case letters, numbers and symbols.
- Extra large embroidery size – Embroider even larger projects in one hooping with the creative™ Supreme Hoop (360 x 260) and optional Grand Dream Hoop (360 x 350).

### MACHINE

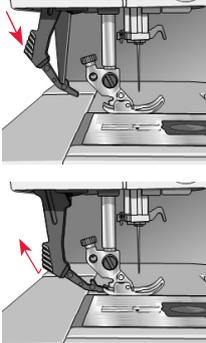

- PFAFF® multi-touch tablet-like screen – The screen is ≈ 68% bigger than before with capacitive touch. Swipe, zoom, pinch and personalize on the brand's largest, most customizable and intuitive 10.1in (257mm) full color display.
- Straight stitch needle plate with sensor – When the straight stitch needle plate is attached the machine is automatically set to straight stitch mode, preventing damage to the needle and the plate.
- Custom LED lights – Optimized adjustable bright lights illuminate the entire work area with no shadows. Change color and strength for greater visibility.
- Telescopic thread stand – Use a wide variety of spools with perfect results.
- Wifi connectivity with mySewnet™ – Connect to apps on your phone, get automatic updates to your machine, and receive news, tips, and projects on your machine with the mySewnet™ Blog.
- Bobbin – 30% larger bobbin to work uninterrupted for longer.
- Over 100 Built in Tutorials – Use full written instructions, pictures, and animations to see how to accomplish certain projects, sewing techniques, stitch techniques, and embroidery techniques.
- Larger work area – 69% increase in area, 12.2in (310mm) width and 5.51in (140mm) height. Increased height under the sewing head to 3in (76.2mm).
- Fully automatic needle threader – Never struggle to thread a needle ever again.
