Handblown Glass Urns

Large Urns **\$890**
Small Urns **\$470**

Elegant. Distinctive. These vibrantly colored urns are encased in a layer of clear glass and handcrafted in the Czech Republic by Bohemian glass artisans. Each urn is handblown, therefore, the pattern and color may vary slightly. The variations as well as the presence of tiny bubbles are normal and give each urn a unique look.

Crystal Urns

Over the centuries, the glass centers in Europe have transformed the translucent substance of glass into works of art through revolutionary technology and innovation. The manufacturing process of the overlay crystal is regarded as one of the most difficult, and only the best and most skilled glass artists are able to make it. Designed and made in the Czech Republic.
