Check out the Archive!

An ACS member exclusive benefit

Hundreds of presentations from the best and brightest minds that chemistry has to offer are available to you on-demand. The Archive is divided into 6 different sections to help you more easily find what you are searching.

Professional Development

▶ View the Collection

Learn how to write better abstracts, deliver more engaging presentations, and network to your next dream job. Brush up on your soft skills and set a new career path by mastering what can not be taught in the lab.

Technology & Innovation

▶ View the Collection

From renewable fuels to creating the materials for the technology of tomorrow, chemistry plays a pivotal role in advancing our world. Meet the chemists that are building a better world and see how their science is making it happen.

Drug Design and Delivery

▶ View the Collection

The Drug Design Delivery Series has built a collection of the top minds in the field to explain the mechanics of drug discovery. Discover the latest research, receive an overview on different fields of study, and gain insight on how to possibly overcome your own med chem roadblocks.

Culinary Chemistry

▶ View the Collection

Why does food taste better when it is grilled or what molecular compounds make a great wine? Discover the delectable science of your favorite food and drink and don't forget to come back for a second helping.

Popular Chemistry

▶ View the Collection

Feeling burdened by all that molecular weight? Listen to experts expound on the amazing side of current hot science topics. Discover the chemistry of rockets, how viruses have affected human history, or the molecular breakdown of a hangover.

Business & Entrepreneurship

▶ View the Collection

How do ideas make it from the lab to the real world? Discover the ins and outs of the chemical industry whether you are looking to start a business or desire a priceless industry-wide perspective.

What is ACS on Campus?

ACS visits campuses across the world offering FREE seminars on how to be published, find a job, network and use essential tools like SciFinder. ACS on Campus presents seminars and workshops focused on how to:

- Publish in top journals
- Find a job
- Effectively use research tools like SciFinder® and ACS ChemWorx
- Communicate your science
- Write grant proposals
- Build industry partnerships
- Prepare for a changing employment landscape

Free ACS Webinars Every Weekday! *Upcoming Broadcasts*

Wednesday, June 3, 2020 at 2-3pm ET
Speaker: Mary Beth Mulcahy, ACS Chemical Health & Safety
Moderator: Kati Miller, American Chemical Society

[Register for Free!](#)

What You Will Learn

- Strategies to prepare a well-organized, carefully crafted manuscript
- Tips on making compelling graphical elements, selecting a strong title and writing an impactful cover letter
- The chance to have an ACS Editor answer your questions about the publishing process

Co-produced with: ACS on Campus

Thursday, June 4, 2020 at 2-3pm ET
Speakers: Luis Echegoyen, University of Texas, El Paso / Peter Dornhout, Kansas State University / Davita Camp, Spelman College
Moderator: Will Hartwig, American Chemical Society

[Register for Free!](#)

What You Will Learn

- The impact of COVID-19 on researchers
- What the process of restarting research will look like
- What funding agencies and policymakers can do to ease the transition

Co-produced with: ACS External Affairs and Communications

* Webinar participants are encouraged to email questions ahead of the webinar to policy@acs.org

Friday, June 5, 2020 at 2-3pm ET
Speaker: Paul Hodges, International Echem
Moderator: Bill Carroll, Carroll Applied Science

[Register for Free!](#)

What You Will Learn

- How developing patterns of consumption, deflation, changes in behavior will affect the market
- Applying Elisabeth Kübler-Ross' Paradigm of Loss model in relation to the COVID-19 pandemic and ensuing economic crisis
- Six key questions to determine if your company will survive and prosper

Co-produced with: ACS Industry Member Programs

www.acs.org/acswebinars

Audience Challenge Question

ANSWER THE QUESTION ON BLUE SCREEN IN ONE MOMENT

How do you currently “connect” on LinkedIn?

- Mostly respond to invitations to connect from others
- Mostly send invitations to connect out to others
- Equal amount of sending and responding to invitations
- I haven't done this yet

** If your answer differs greatly from the choices above tell us in the chat!*

How Strategic is Your Network?

The image shows two people riding bicycles on a path. They are silhouetted against a sunset sky with scattered clouds. The person on the left is reaching out with their right hand towards the person on the right, who is also reaching out with their left hand. This gesture symbolizes connection, trust, and mutual support.

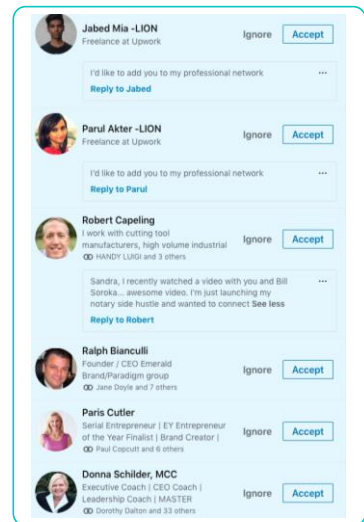

Know and Trust

- Colleagues: Current/Past
- Alumni
- Clients: Current / Past
- Industry / Associations
- Personal
- Volunteering /Community

Personalize

- Invitations - "add a note"
- Messages
- Content
- Engagement

25

Best Practices for Invitations and Messages

- Friendly, personal
- No sales pitch

Our newly established testing laboratory in Berlin which supports the fight against the #Coronavirus is already running. In the lab, our employees = more

Highlights
1,556 employees work in New York City Metropolitan Area

35

Why Bayer?

Because we're a pioneer in the fields of human, animal, and plant health. Because we invent solutions that will create a sustainable future for our planet. Because a career with Bayer means you can put your passion into practice and make an impact.

No matter what your professional interests are or which stage of your career you're currently in, Bayer offers an exciting range of careers at the forefront of innovation. Explore how you can impact our mission: Science For A Better Life.

Career Opportunities in the U.S.

Inclusion & Diversity is not a program at Bayer, it's the way we do business and make life better for all.

To sustain and grow our business, we require diverse business perspectives and the flexibility to work with a variety of people wherever we do business.

Our employees proudly reflect the society in which we live by
