

May 12, 2021: Chaplain Wade Butler

With each new month of the Hebrew calendar, we cross over into new territory yet at the same time experience the fullness of the LORDS foundations for the season we are entering.

The month of Sivan is so rich in the Word in who and what it represents for the times we are in... The tribe of Zebulun the "Business Person's month", the month of Alignment, the season of Mercy are all around us. As a nation and the world in general comes out of an international lockdown the businessmen and women are challenged to resurrect from the ashes of destruction. Many will not make it back. As a businessman and minister, it has always grieved me when a business closes from personal failure or national oppression.

We just left Issachar, (The Seers and those who understand the seasons) into Zebulun to reorganize and restart the world. We need the leading of the Holy Ghost more than ever. We must re-align to the direction and purposes of the LORD, now! We need HIS Covering and more importantly HIS indwelling.

*Sivan means in Hebrew – "Their Covering."

Month of Sivan (May/June)/Linked with the Tribe of Zebulun which means "habitation". This was the month of giving of the Torah (the Laws of life) and giving back to GOD through our sacrifices and offerings. It is the businessman's month, and the month of alignment with the Holy Spirit, it is a time to set our boundaries and align with our walk for the future, Exodus 20-26 and Acts 2. Therefore, we get, "The Covering of Their Habitation".

We are praying for our nation and the LAND. Please consider including these scriptures in your prayers and make request out of each. Example: Father, You have said that you desire not the offerings of grain and lambs, but the sacrifice of obedience through Your Word. We offer up Your Word as we pray for our nation, our leadership and our people.

Each month represents a new opportunity to make a difference, in the kingdom of GOD, in our own lives, our families and those around us. We need to get back to work keeping in mind that our Father orchestrated this lockdown. The enemy planned to destroy the threat of We The People from obtaining our goals of Liberty and Justice for all in his attempt to dominate the world with the one world order taking over.

Our enemy, the devil and his minions are continually on attack trying to wear us down through discouragement, sickness, financial burdens and more. What makes a difference is our relationship with the Trinity; Father, Son and Holy Ghost.

We are GOD'S warriors that stand between the enemy and our promises. We all have been calling out those promises as we wait on GOD to do the miracles on our behalf. The truth of it all is HE ALREADY DID. Every day we battle for hope, direction and relief. Father has given us a President that refuses to allow the attacks on him and his family to stop what GOD has for him to do. It appears to strengthen his resolve. It should be the same for us. During this time and season the Hebrew people counted the days as they waited for the manifestation of GOD's promises. It started in the upper room and manifest on Simon's portico, the porch where Holy Spirit filled the disciples and 3,000 were added. The Harvest is ripe, the vine dresser is doing HIS work and it's time for the harvesters to go into the fields. Isaiah 6:8 Then I heard the voice of the Lord, saying, "Whom shall I send, and who will go for us?" Then I said, "Here am I. Send me!" Are we ready?

Over the last several weeks we have been joined by Patriot brothers and sisters from Canada to our prayer call and calendar. I would like to share with you some of the reasoning of the publication and answer some questions that are posed to me each month. To begin with we follow the example of "One new man", Jew and Gentile following the Messiah. Because of that we relate the Hebrew calendar timelines because our father did not change the seasons, man did. We need to learn about our roots. So join us..

I want to say a word about Bridges.

Our LORD is showing me ancient and new bridges. Some are ancient like the rock formation in the picture below. Some are physical and some spiritual. A dear friend Dr. Greg Gerrie called two weeks ago and forged a bridge between Canada and the United States where patriots from both nations have come together to pray as one body, united in Yeshua. It has been glorious. Several months ago Holy Spirit told me to get ready to come up higher. When HE gives me a word, I always am excited! I did not know how we were going to accomplish this, but I was all in. So, we intensified prayer and out teaching. Now I know, HE was joining Canada and the United States together as one new man to stand for HIS plans for the nations. Monday evening, HE told me no longer refer to those north of our borders as Canadians but rather refer to everyone the same, part of those seeking to be the "Bride".

Ancient Bridges

God's Way Is The Only Way! 🙏

Eternal Bridges

We have added teachings, prophetic insight, personal experiences, testimonies and visions of the third Heavens to our mix from our readers as the LORD directs me. I guarantee you will be blessed. The calendar study guide is packed full of; prophecy, sermons, art and background material that most people will never take the time to research on their own nor have the resources of input to obtain as much of the truth as can be found. Often it goes against the grain of conventional churches and denominations because we follow the Hebrew calendar and the prophetic. He never changed HIS timing, we did. I would rather follow HIM and know what I was adopted

into. Sometimes authors are used multiple times because they are in what we call the "zone" of the Holy Spirit. In other words, they are hearing from the LORD!

We encourage each person to set the goal of reading the Bible all the way through this year and every year. Each time you read it new revelation will emerge and change your life.

I've been asked on many occasions how much time I spend developing each month. It takes about fifty hours of my time plus John's time which is only a small portion of the thousand or so hours spent in prayer by the authors, artist, and publishers in developing the vision you get to read and pray over. So enjoy the journey through the month of SIVAN.

We do not take donations or contributions other than an occasional donation to cover postage to those who need a hard copy. Keep it on your computer and read it daily.

Be Blessed,

Chaplain Wade Butler

The Biblical Month of "SIVAN"

The Amplified, King James, New American Standard and Passion versions of the WORD of GOD were used in this study. Biblical Months fall under the Law Form of YHWH (Yahweh) through the revelation of His Word.

I often ask myself, do the readers understand how to pray after reading a text of prophesy. The answer is to ask the LORD how did this relate in the bible for then and how does it relate now? How would YOU have me to pray Lord?

In developing this calendar prayer guide prophets are used to bring current words from the LORD*. (See last page.) Many Christians do not have access to publications such as the Elijah List, Judaism 101, teachings from Chuck Pierce, Robert Heidler and many other contributing authors which are included.* 1 Thessalonians 5:20 Do not spurn the gifts and utterances of the prophets (do not depreciate prophetic revelations) nor despise inspired instruction or exhortation or warning.

It's been three years since we started publishing the Republic Prayer Calendar based on the Hebrew Lunar Cycle so for anyone joining us for the first time, I want to give some background. In Genesis 1:1 the very first words GOD speaks is "In the beginning" and according to Rabbinical teaching, the very first commandment given to the children of Israel while in Egypt was to sanctify the "New Moon". From that point on the nation of GOD was to look at the Moon for the setting of their days and evenings and as a means to reconcile the times and seasons. The Biblical day begins at sundown and ends at sundown the following day. At sundown, it is known as the dawning of a new day.

Genesis 1:5, And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day. Even history is set into motion as God said that the world may be understood as seven 1,000 days with the last 7th, 1,000 year of days would be the time being the Millennial Reign of Christ.

The Lunar cycle has only 29.5 days or 354 days per year whereas the solar cycle has 365 days per year. An additional month is added every 3rd year to coordinate with the solar calendar for agricultural seasons. The reason the numerical date may not look like the previous years is because of this shift. The Month begins with the rising of the "New Moon". The Hebrew year begins in spring every year in the Month of Nissan when Passover occurs. Every month is related to a specific tribe, feast and season.

As we begin the month of Sivan keep in mind that man changed the calendar, GOD didn't.

The church today misses a very important part of their history and understanding. There was never really a new church started. They worshipped and practiced the Hebrew form of worship. The difference was Christ completed the requirements of the Law and made us "New Men" in HIM. If you think about it we are literally Hebrew as we were adopted or grafted in to the Kingdom. Galatians 3:13-14

With that in mind we will not miss out on what God is doing by honoring the feast or HIS Calendar. When we celebrate the feast, we honor our Lord Yeshua the Christ and we may learn more about our roots.

The Biblical Month of Sivan*, begins this year at sundown on May 12nd through June 10th at sunset.

Fast Facts

Tradition teaches that it was on Rosh Hodesh Sivan that the Israelites "camped at the foot of Sinai" in preparation to receive the Torah (Exodus 19:6). The verb used for "camped" in Exodus 19:6 is in the singular. It is taught that at the moment the Israelites determined to receive the Torah, they were united in heart and mind like a single person. Sivan's symbol of the twins—two distinct human beings sharing one womb—can represent the harmony that comes when people celebrate their differences while coming together to work for a common, higher goal, such as receiving and following the Torah.

God the Father called Moses to come upon the mountain to receive the Torah.

Sivan is the third of the twelve months of the Jewish calendar. It is the month in which God descended on Mt. Sinai and gave the Torah to the Jewish people. As noted elsewhere, there are only three months that are referred in the Torah in conjunction with the exodus from Egypt: Nisan, Iyar, and Sivan,¹

The Third Month

In the third month of the exodus from Egypt, they came to the Sinai desert.²

All the prophets begin their prophecies with the word "So [says the Almighty...]" above and beyond them is Moses who begins with the word "This [is what the Almighty says]."

Robert Heidler states that the voice of God reverberated throughout the world and fire came from the heavens carving the Ten Commandments on the stone tablets.

Shavuot Customs

Studying the WORD, the Torah all night long! It is a tradition (coming from the sixteenth-century mystics) to stay up the entire (first) night of Shavuot studying Torah. Known as *Tikkun Leil Shavuot*, this all-night study session is an opportunity to recommit ourselves to the study of Torah. Tradition teaches that the skies open up during this night for a brief moment, and God favorably answers all prayers. The kabbalists also think of Shavuot as the moment when God and Israel wed; the Torah is the *ketubah* (marriage contract) or written affirmation of the covenant between them.

Reading (The Book of Ruth): Our story begins in the Land of Israel, during the period of the rule of the Judges, leaders of the Jewish People who preceded the Kings. The first characters we encounter in this story are Elimelech, his wife Naomi, and their two sons, Machlon and Kilyon.

Elimelech, Naomi, and their family move to Moav in order to escape the effects of a famine that has broken out in the Land of Israel. Elimelech then dies, leaving Naomi alone with her two sons. As they grow up, each of her sons marries a Moabite woman. One marries Orpah, and the other marries Ruth. After ten years living in the land of Moav, both of Naomi's sons, Machlon and Kilyon, die, leaving the women without husbands or children.

News comes from Israel that the famine has lifted. Naomi decides to return to her home in Israel. Her two daughters-in-law, Orpah and Ruth, tell Naomi that they want to remain with her and return to her land. Naomi discourages them, telling them that they should live their lives fully and not follow this aged woman. She feels that she no longer has anything to offer them.

Orpah eventually decides to leave, but Ruth will not be dissuaded. She says to Naomi, "Do not urge me to leave you, to turn back and not follow you – for wherever you go, I will go, wherever you lie down, I will lie down. Your people shall be my people, and your God shall be my God." (Ruth 1:16)

Naomi and Ruth arrive home in Bethlehem. The townspeople hardly recognize Naomi. She says to them, "Don't call me Naomi (meaning pleasantness), call me Mara (meaning bitterness) because God has made my life bitter." (Ruth 1:20)

Once settled in the land, Ruth offers to become a gleaner, picking up grain behind the cutting crew in the fields. When Ruth chooses a field to glean in, by chance she chooses the field of Boaz (a relative of Naomi's).

One day, Boaz arrives in the field and his attention is drawn to Ruth. He learns of her identity, and because he has heard of her loyalty to Naomi and the Israelite people, he invites her to remain in his field until the end of the harvest.

Ruth returns to Naomi and informs her of where she has been working. Naomi explains that Boaz is an eligible kinsman to reclaim the family land and to wed Ruth, and she instructs Ruth on how to invite him to become her husband.

Boaz is pleased that Ruth came to him and he tells her that he will work to reclaim the property of Naomi's family and to marry Ruth. Boaz arranges for the necessary permission to acquire the land from a closer kinsman and to marry Ruth. At the city gate, a group of people gather together as witnesses to the marriage and bless the couple. The people give blessings to Ruth that she should be like Rachel and Leah.

At the end of the story, Ruth and Boaz have a son whom Naomi loves like her own child. The women of the town tell Naomi that her new grandson, Obed, will watch over her in old age, and that Ruth, her beloved daughter-in-law, is better to her than seven sons.

Shavuot is known as the Feast of Weeks in English and as Pentecost in Ancient Greek. It is a Jewish holiday that occurs on the sixth day of the Hebrew month of Sivan.

Shavuot has a double significance. It marks the all-important wheat harvest in Israel (Exodus 34:22), and it commemorates the anniversary of the day when God gave the Torah (the law) to the nation of Israel assembled at Mount Sinai. Pentecost is a Thanksgiving Celebration; praising GOD for HIS covenant, HIS law, HIS blessings and HIS provision.

Tribe: Zebulun

The tribe of Zebulun shared a special bond with the tribe of Issachar. Zebulun and Issachar were born one after another to their mother, Leah. In the Land of Israel, they inherited lands that were adjacent, and temporally, they correspond to the two months Iyar and Sivan that follow one another. But the heart of their bond was in their agreement to support one another. Issachar was a tribe of scholars who excelled in Torah study. Zebulun was a tribe of successful merchants and seafarers. They agreed to split their material and spiritual wealth equally.

As such, we might expect that Issachar would correspond to the month of Sivan, in which the Torah was given and Zebulun to the month of Iyar. But one of the analytic principles of Kabbalah is that the cause is inherently higher than the effect which it causes. Since, at the basic level, Zebulun's willingness to split their material wealth allowed Issachar to devote themselves to the Torah; it is Zebulun that corresponds to Sivan and the giving of the Torah. Zebulun's material sacrifices are what sustain the Torah and therefore, in the end the Torah is in their merit.

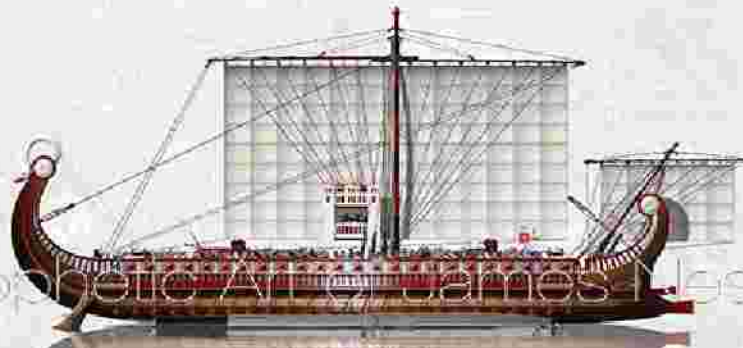

Indeed, the Arizal explains that the origin of the soul of Zebulun is in the *sefirah* of crown, above the *sefirah* of wisdom, which is the origin of Issachar's soul.

This fact further ties the tribe of Zebulun with the month of Sivan. In spite of their bond with their brethren in Issachar, the Jews of the tribe of Zebulun had to study Torah for themselves too. Since their soul-root is in crown, the Torah that they were particularly connected to is also at the level of crown. This is especially relevant to the giving of the Torah at Mt. Sinai, because the particular level revealed then, the Ten Commandments, is related to the *sefirah* of crown. As noted, the *gematria* of crown is 620, the number of letters in the Ten Commandments.

The Month of Sivan (Begins May 12th)

The month of Sivan is the third month on the Biblical calendar, counting from Nisan. The Bible refers to Sivan as "the third month" (Exodus 19:1-2). However, sometime after Israel's captivity in Babylon, the name was changed. The word Sivan roughly means "season" or "time."

About Shavuot

The Jewish holiday of Shavuot is celebrated on the sixth of Sivan. Shavuot means "weeks" in Hebrew because it took seven weeks for the Israelites to travel from Egypt to Mount Sinai.

Shavuot was originally a harvest holiday called "the Feast of Harvest" (Exodus 23:16) and "the Feast of Weeks" (Exodus 34:22-23). In addition, this feast was one of the three pilgrim festivals (Deuteronomy 16:16). Jewish men were expected to bring the first harvest of their crop to the Temple, in Jerusalem. The Feast of Harvest (Weeks) celebrated the first fruits of the wheat harvest. Moreover, it was a joyous festival and an offering of thanksgiving to God for His provision.

However, after the destruction of the Temple (70 A.D.), the Jews could no longer bring the first fruits of their harvest as offerings. So, the rabbis decided that the focus of Shavuot would be God's giving of the Torah on Mount Sinai.

Today, the Jewish community celebrate Shavuot by attending synagogue services and reaffirming their commitment to obeying God's Law. In addition, some stay up the entire night studying and learning the Torah.

God's Covenant with Israel

On the first day of the month of Sivan, after the Exodus, the Israelites entered the desert of Sinai. Moreover, they made camp there in front of Mount Sinai (Exodus 19:1-2). A few days later, God commanded Moses to prepare the people for His appearance (vv. 10-11).

On the sixth day of Sivan and after the preparation period, God descended upon Mount Sinai. This was the 50th day after the exodus, according to Jewish tradition. He spoke directly to the Israelite nation and made a covenant with them. In addition, God gave Israel the Torah (His teachings and laws) to guide them (Exodus 20). The Israelites agreed to the terms of God's covenant and promised to obey His laws. As a result, they became a "kingdom of priests and a holy nation," (Exodus 19:6).

The Month of Sivan And the Feast of Pentecost

While the Jewish community celebrate Shavuot, the Christian community celebrate Pentecost. The word Pentecost is a Greek word meaning, "50." This special day is celebrated 50 days after Passover. In addition, Pentecost commemorates the giving and receiving of the Holy Spirit and the birth of the Church in the New Testament (Acts 2).

Jesus directed His disciples to remain in Jerusalem until the Holy Spirit came (Acts 1:3-4). At the same time, Jews from various countries were arriving to celebrate the Feast of Pentecost. It is interesting to note that in the New Testament, the Greek speaking Jews referred to the Feast of Weeks (Harvest) as the "Feast of Pentecost."

Acts 2 tells the account of the outpouring of the Holy Spirit upon the 120 disciples and other Jewish believers (Acts 2:1-31). The Holy Spirit convicted the crowd, through their teaching, and a *harvest* of souls (some 3,000) were gathered and added to the church that day (Acts 2:41).

God's New Covenant and the Holy Spirit

God promised the Jewish people a new covenant after they broke the one He gave them through Moses. However, entering into the New Covenant is only made possible by faith in Jesus Christ, Who shed His blood to take away the sins of the world. In addition, God sent the Holy Spirit to guide them. The New Covenant is written on the hearts and minds of all those who believe in Jesus Christ, so that we may follow His commandments (Jeremiah 31:31–34; Ezekiel 36:28–30; Hebrews 10:16^L). God's Commandments, written on two stones, give us our boundaries. The Holy Spirit, Who reveals God's truths through His Word, empowers us to stay within those boundaries.

God's Divine Calendar (2021)

God Himself established a Biblical calendar when He commanded Moses to mark the month of Israel's freedom from slavery in Egypt as the beginning of a new year. And, God set the observance of Passover as the time for Israel's release (Exodus 12:12-14). The Lord said in Exodus 12:2, "This month shall be unto you the beginning of months: it shall be the first month of the year to you." As time went by, the Israelites eventually realized that God wanted them to perpetually observe certain religious events and acts of God in history. So, over a period of time, they created calendars to mark the months in which these events occurred.

God's blessings which were originally meant for Israel can be ours today, through Jesus Christ. When we study the biblical months, we see that the divine blessings of the holidays and observances point to some aspect of Jesus Christ. God, in His infinite wisdom, has divinely designed these times to glorify His Son, and we can appropriate the spiritual blessings available to us through Jesus Christ.

The Month of Sivan According to the Book of Formation (Sefer Yetzirah)

According to Sefer Yetzirah, to each month of the Jewish calendar there corresponds a letter of the Hebrew alphabet, a zodiac sign, one of the twelve tribes of Israel, a sense, and a controlling limb of the body.

The Third Month

Sivan is the third of the twelve months of the Jewish calendar. It is the month in which God descended on Mt. Sinai and gave the Torah to the Jewish people. As noted elsewhere, there are only three months that are referred to ordinally in the Torah in conjunction with the exodus from Egypt: Nisan, Iyar, and Sivan,¹

In the third month of the exodus from Egypt, they came to the Sinai desert.²

A recurring theme is that the giving of the Torah at Mt. Sinai is intrinsically linked with the number 3. For instance, the sages state,³

Blessed is the Merciful one who gave a threefold Torah⁴ to a threefold people,⁵ by the third,⁶ on the third day,⁷ in the third month.

In this quote, God is referred to as the "Merciful one." God's attribute of mercy is itself related to the number 3, for it is the third of the seven emotive attributes of the soul (corresponding in Kabbalah to Jacob, the third of the three patriarchs, "the pillar of the Torah").

When is Pentecost Sunday 2021: Everything you need you know

Pentecost is also called Whitsunday is celebrated on Sunday that falls on the 50th day of Passover. The name is derived from the Greek word "pentekoste" which means fiftieth as Pentecost Sunday takes place on the 50th day of Passover.

Pentecost significance

It is a big festival in the Christian church that observes the descent of the Holy Spirit on the Apostles and other disciples following the Crucifixion, Resurrection, and Ascension

of Jesus Christ. It also marks the beginning of the Christian church's mission to the world, according to the Britannica.

The festival marks an end to the Passover cycle, which starts 90 days before with Ash Wednesday at the beginning of Lent.

When is Pentecost Sunday 2021?

Pentecost is observed on the seventh Sunday after Passover and 10 days after Ascension. As the Sunday is decided according to the date of Passover, this day is a changeable feast.

The earliest day, Pentecost Sunday took place was on May 10th (in 1818) and the latest possible date for Pentecost is June 13th (in 2038). This year the Pentecost Sunday will be observed on Sunday, May 23rd.

Why is it called Pentecost Sunday?

Whit Sunday celebrates the Holy Spirit coming in the form of flames to the Apostles and other followers of Jesus Christ, as recorded in the New Testament in Acts 2:1-31, the fifth book of the New Testament of the Bible. Many Christians recognize the descent of the Holy Spirit as the birth of the Church.

Pentecost is known by Whitsunday in the United Kingdom. "Whitsunday" is usually referred to as the white garments previously worn by the baptism candidates on this feast.

Shavuot – Feast of Weeks – Pentecost 2021 The 4th Feast of the Lord"

Begins sundown on the 16th MAY – until sundown 17th MAY, 2021

Perhaps one of the most fascinating Biblical studies is the historic and prophetic significance of the special Feast days of the Lord. The seven "Feasts of the Lord" are arranged in Leviticus 23 in two groups. The first four came at the beginning of the Biblical Jewish Year, while the last three came toward the end of the year. That seems it is God's method in revealing future things (compare Luke 1: 31-33). Between these two groups there was a period were no feasts or holy convocations.

The feasts of Passover and Un-leavened Bread - point to Christ's death and burial; to His resurrection; and Pentecost (fifty days later) to His Church. Then there is a space of

time representing the long period in which Israel is out of the Land of Promise of blessing, which coincides with the Church Age.

Shavuot is a happy Festival and falls on Sivan 6 and 7 (corresponds to May or early June) in the Jewish calendar. This festival day is also known as the Feast of Weeks (Exodus 34:22), means "weeks."

Shavuot was believed by rabbinic scholars to be the day that God gave Moses the Torah or on Mount Sinai after their exodus from Egypt. On that day God Himself came down in cloud on Mount Sinai in fire and smoke and a blast of God's trumpet, to establish His with His people. Shavuot is therefore commemorated as the biblical birth date of of Israel.

According to tradition on the day of the "Giving" of the Torah (it is not mentioned the "receiving") the Israelites did not have any meat prepared according to the rules of ritual slaughtering. Nor could they slaughter another animal on the day as it was Sabbath, the day when slaughtering was forbidden. So the people were forced to eat simple dairy for the rest of the day. During the Shavuot festival the Jews follow this tradition eating dairy products.

It is believed that Mt. Sinai suddenly bloomed with greenery and flowers in happiness of giving of the Torah. To commemorate this event the Jews decorate their homes and synagogues with flowers and branches. It is also customary at Shavuot to decorate the

synagogue with greenery, flowers, and fruit. There are two explanations for doing this at Shavuot:

1. It symbolizes the harvest aspect of Shavuot and keeps with the Biblical theme of the feast.
2. There is also a rabbinical tradition that even though Mount Sinai was situated in the desert, in honor of the giving of Torah, the desert bloomed and sprouted flowers.

It is also known as the Feast of Pentecost, because it falls fifty days after first fruits, and the word Pentecost means "fifty" or "fifty days." God specifically told the Israelites that they were to count seven Sabbaths (seven complete weeks), from First-fruits (Leviticus 23:15; Deuteronomy 16:9), which adds up to 49 days.

God had ordained for Israel a sacred calendar of three major festivals to be observed as "A statute forever throughout your generations in all your dwellings."

(Leviticus 23:14, 21, 41; Deuteronomy 16:16, 17.

Important: The three MAJOR feasts are:

1. "Passover, the Feast of Unleavened Bread."
2. "Shavuot / Feast of Weeks" – which is also called "Pentecost," a Greek translation of the Hebrew words meaning, the "fiftieth day" when the Festival was celebrated. (Leviticus 23:15, 16)
3. "The Feast of Tabernacles."

Passover marked the first spring harvest. The first fruits of a sheaf or "omer" of barley was required by the Torah to be presented before the LORD in the House of God, as a thanksgiving "wave offering." From the next day, seven weeks or forty-nine days were harvest. (Leviticus 23:10, 11)

Then on the day after the seventh Sabbath which was the fiftieth day, they were to bring to the temple "two loaves of bread," specifically commanded to be made with fine flour and baked with leaven (Leviticus 23:17). These two loaves of bread were to be used as a "wave offering" for the people.

What was significant about the two leaven loaves...? Part of the wheat offering was into two loaves of leavened bread - a striking contrast to the matzo a few weeks

before! The two leaven loaves became symbolic of sinful mankind - both Jew and Gentile - as the Holy Scriptures state. (Psalm 14:2 – 3; Romans 3:9 - 10, 23)

Why should Christians observe the Feast of Shavuot or Pentecost...? Because, of a major event in Jewish history which became a universal blessing for all mankind that took place in the Jerusalem Temple during that harvest festival of Shavuot also called Pentecost.

It was on the first day of the week, Sunday, in the Roman Julian calendar, May 24th, in the also the year 3,790 in the Hebrew calendar. Christian scholars mark that historic Pentecost in Jerusalem as the "spiritual birthday of the church." (A.R. Fausset's Bible Dictionary, p. 557)

On the "fiftieth day" ~ "Pentecost" or "Shavuot" - another harvest thanksgiving service was observed in the House of God. This time, from the first fruit of wheat harvest, "two loaves of bread baked with leaven were waved before the LORD," in the act of thanksgiving.

These three festivals marked Israel's history in the process of their redemption. These festivals were also prophetic and typological of the greater redemption which would come through the Messiah.

Pentecost - The Feast of Fulfilment ... When the day of Pentecost (meaning, Shavuot) came one hundred and twenty disciples – (Acts 1:15) were all together in one place... Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting. All of them were filled with the Holy Spirit and began to speak other tongues (or as the NIV interprets, "languages"), as the Spirit enabled them."

(Acts 2:1 - 4 NIV)

Luke further describes the many lands from which the pilgrims came up to the House of God, the Temple, in Jerusalem. They were "Jews and (Gentile) converts to Judaism."

(Acts 2:8 - 11)

As recorded by Cornelius Tacitus, the Roman historian, The Holy City with a population of about six hundred thousand at that time, exploded with between two and three million, because of the pilgrims. The pilgrims slept on the flat roofs of the houses, camped outside the walls of Jerusalem, were given hospitality by relatives and friends, all within a "Sabbath day's journey" to reach the House of God. Their presence in the Holy City on the three major festivals was in obedience to the Torah as God commanded Moses: "Three times in a year

shall all thy males appear before the LORD thy God in the place which He shall choose . . ."
(Deuteronomy 16:16)

This feast of Shavuot was also a prophecy of the day of Pentecost (Pentecost means fifty) and the coming of the New Covenant. The disciples were commanded to tarry at Jerusalem "for the promise of the Father" (Acts 1:4) which they did. However, they did not have long wait.

The coming of the Holy Spirit occurred on the next Jewish holiday when Jews from different countries came to be in Jerusalem to celebrate the completion of the harvest season. This annual feast was none other than Shavuot or the Feast of Weeks and once more God descended on those first-century believers with a mighty rushing wind, tongues of fire and other demonstrations of the Holy Spirit, once more establishing a covenant with His people.

Shavuot points to Christ the head of the church that came into existence on the Day of Pentecost. The Holy Spirit united the believers in the body and, since then, all true believers in Yeshua, Jewish or Gentile are not only indwelt by the Holy Spirit, but are baptized into the body.

There are many reasons why the Jewish people read the Book of Ruth on the holiday of Shavuot, some of which is listed below:

1. The Torah (5 Books of Moses; Genesis, Exodus, Leviticus, Numbers and Deuteronomy) to the Jewish People on this day, the sixth day of Sivan and they believe that just as Torah acquired through pain and poverty, so did Ruth endure poverty and sorrow as she accepted God; the God of Israel.
2. Just as Ruth was accepted by the God of Israel, so too the nation of Israel entered into covenant with God on this day when they eagerly accepted the Torah.
3. King David was born and seventy years later, died on the holiday of Shavuot. David, the of the Judean Kingdom was Ruth's, great grandchild David (genealogy of Yeshua our Lord Ruth is often referred to as "Em Hamalchut" the Mother of the Kingdom.
4. The central theme of the book of Ruth is "Chesed" (Mercy). The book shows the loving kindness that Ruth bestowed on her mother-in-law Naomi, and by the people of Bethlehem this is also where the Lord Yeshua (Jesus) was born) at that time, towards the poor, as well towards Ruth.

5. Shavuot is also call Chag Hakatzir or The Harvest Festival... The Book of Ruth; paints a picture of the harvest time in Israel... and to treat the poor with loving kindness especially during this harvest.

One of the great heroines in Israel ...Ruth is loved and revered. Ruth, in her modest nature and deeds of kindness, demonstrated what a true friend, a true daughter in law and what a true woman is made of.

Ruth is a beautiful picture of Jew and Gentile as the "ONE New Man." Israel and the Church! "For He is our peace, He is making us both one, and He has broken down the middle wall of partition between us (Jew and Gentile) so that in Himself He might make the two (Jew and Gentile) into one new man, making peace between them" Ephesians 2: 14 -15

Understanding MERCY in the Hebrew Word "Chesed" Biblical scholars have often complained word "Chesed" in the Hebrew Bible is difficult to translate into English, because it really has no precise equivalent in our language. English versions usually try to represent "chesed" with words as "loving-kindness," "mercy," "steadfast love," and sometimes "loyalty," full meaning of the word cannot be fully conveyed without an explanation: It is one of the in the Psalms (23 times), plus in Hosea 2:19 to translate the Hebrew "chesed" refers to God's love for his people Israel. Otherwise, the use of 'mercy,' 'goodness,' and 'great kindness' in the Psalms for God's attitude to man; and, outside the Psalms, such words as 'mercy,' 'goodness,' 'favor' for God's attitude to man, and 'kindness' for man's attitude to man.

Interesting thought to ponder on... Ruth was a Gentile that came from Moab (today situated in Jordan... where the ancient city of Petra is also situated). And as Ruth and Naomi returned in hardship and a time of famine to Israel... so it is believed that in end times when the Antichrist forces the Jewish people out, "they will flee" and take refuge in (Moab) Petra. There are unfulfilled prophecies: Isaiah 16: 2 - 4; Matthew 24: 15 - 22; Jeremiah 30:4 - 8 (Jacob's trouble); Daniel 11: 40 - 44; Revelations 12: 6 and 14.

The basic theme of Shavuot is "the harvest" and thanksgiving to God... and Pentecost is the thanksgiving for the "Holy Spirit and Church"... But what then is really the spiritual significance? We mentioned an early harvest of first fruits and the feast of weeks - how are they tied together? We read in 1 Corinthians 15:20 that Messiah Himself is the fulfilment of the Feast of First fruits. But where is the Feast of Weeks? Where is the fulfilment of that Feast of the Lord? For that we need to look at Acts 2: 1 - 4.

Have you ever asked what all those people were doing in Jerusalem at the time Pentecost? They were "devout men" - meaning careful to observe all that God commanded - they were there because God commanded them to go up to Jerusalem to observe the feast. As mentioned, there were three times each year appointed by God for His people to come up to Jerusalem to celebrate with Him in His feasts. Why did God pour out His spirit on them? the symbol of this harvest of ingathering and to fulfill His prophetic word!

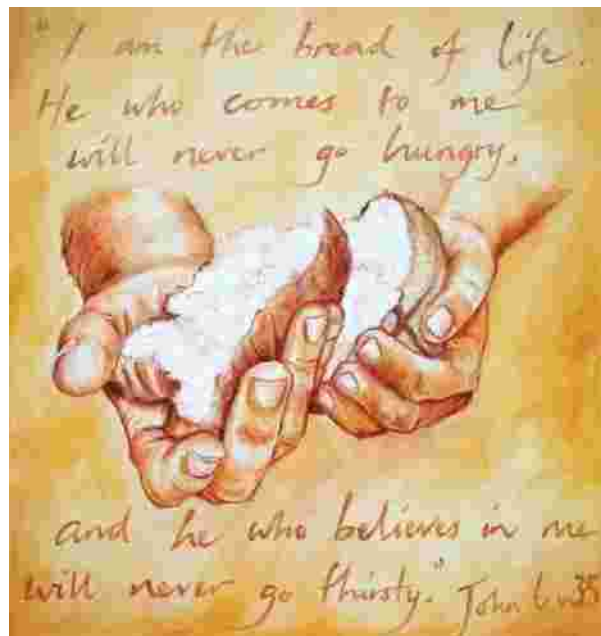

The rabbis tied the Feast of Shavuot to the "giving" of the Torah - but here too are other interesting parallels; When God gave the Torah to His people - all Israel acknowledged it... Exodus 19:8. It wasn't long after that Israel forgot and disobeyed bringing down God's judgment Exodus 32:28 and 3,000 of God's people were destroyed. Is it just coincidence later on the anniversary of the giving of Torah - God would as firstfruits have 3,000 - born to newness of life Acts 2:41? It also points to the fulfilment of Ezekiel 36:27 where by His spirit on the Feast day of Shavuot - He would write His Torah on the hearts of His people.

Shavuot (Pentecost) remembers God's people's attitude in first receiving Torah - that the Lord has spoken we will do" Exodus 19:8 and God's intended purpose: rabbis have said that there is no liberty without divine Law and the self-discipline that us. It is said a train must have rails and a river must have banks - so too our lives Bible. After all Yeshua did not say, "Go and do what feels good" or "Go and live you please." He said, "Go... and make disciples... Teaching them to observe literally "be observant") all that I have commanded you." (Matthew 28: 19 - 20)

We noted earlier the two loaves (Leviticus 23:17) with leaven, and how they represented people of Israel, in whom there is leaven... But we ask ourselves again why two

why is it not twelve loaves? (As with the shewbread in the tabernacle with one for each of of Israel).

Some have said the loaves symbolize the two tablets of the Torah, since the Torah was given at Shavuot and therefore a reminder to keep and observe God's commandments. But then there is the problem of the leaven - certainly one would not conclude that God's Torah is sinful – Psalm 19:7 says, the Law of the Lord is perfect converting the soul. Paul speaks of the goodness of the Torah in showing us our own sinfulness. No! That does not fit the symbol! Rather it seems they prophetically point to the two leavened people of God - church, who together make up the body of Messiah.

The two loaves of leavened bread have, since that feast of Shavuot some 2000 years ago joined together to become one people of God. Jews and Gentiles, one in Messiah, called upon to observe - to be devout about and to keep all things that He has us (Matthew 28:19 – 20). This symbolic message of Shavuot must have been when he wrote Ephesians 2:11 – 13; 16 – 22.

On Pentecost the God of Israel comes down to His people. God comes down to visit His people, first nationally, (in the Old Covenant), and individually and personally, (in the New Covenant). He reveals Himself to His covenant people in power and great glory. Pentecost unfolds in the Old Covenant as Yahweh God is betrothed to a nation... And, as Pentecost

unfolds in the New Covenant as Yahweh God is betrothed to individuals personally inside hearts.

The birth of the church at "Pentecost" necessitated all of the above. The divine seed had fall into the ground and die in order to bear fruit... and the womb out of which the church came forth...was none else but the national frame of Israel. While many acknowledge Israel's physical exile of the last nineteen hundred years... only a few recognize that the nation also experienced a spiritual exile as well. As in any birth the intensifying pains, the trauma and the laying down of one's life took their toll. Israel, now an exhausted bloody womb, collapsed and was taken out of the way. The young church vibrant and anointed spread her across the heathen nations, bringing the life of heaven in her wings...But what about the old womb? It was not to be forsaken forever, was it...? Romans 11:1 "God has not rejected His people, never be?"

Shalom Friends,

Jerusalem and the State of Israel has entered a new season of warfare. When things are stirred up at the Temple Mount, we know the enemy is trying to resist what the Lord desires to do -- particularly as we get ready to celebrate Shavuot. We prepared this video to give you a brief update and encourage you to pray now.

Wherever you are in the world, please join us in praying for the peace of Jerusalem. We shared numerous prayer points in the video (with input from leaders in Israel, our children, and several intercessors here at Glory of Zion), and will close with a brief update and prayer points from Martin Sarvis.

Blessings,

May 10, 2021 from Martin Sarvis

Today is "Jerusalem Day"...the day remembering the return of Jerusalem into Jewish Hands in 1967. At 6:00 this afternoon, the rising and falling sirens began sounding in Jerusalem, indicating that incoming long-range rockets from the Gaza Strip were already launched and would enter the area within 45 seconds. We dove into our shelters, and shortly afterwards could hear the "whump-whump-whump" as the rockets landed (about six of them) at different places in and near the city.

For several days, Israel has been on the brink of exploding in Muslim-Israeli violence due to a number of factors:

* Ramadan, the Muslim holy month, is expected to end Wednesday evening. Always a time of heightened tension, it has been exceptionally so this month—beginning with a number of unprovoked attacks on Jews near the beginning on the city's transit system and recorded on TikTok. Then there were Arab demonstrations against Israeli

restrictions on gatherings at Damascus Gate and on the Temple Mount due to the Covid epidemic. This led to a parade of Jewish nationalist extremists through the Old City chanting "Death to Arabs". Today, the city is filled with tens of thousands of Jewish Zionist "settlers" from Judea and Samaria come to celebrate the unifying of Jerusalem in 1967.

* An area north of the Old City in the Sheikh Jarrah neighborhood was a Jewish community before 1948 when the Kingdom of Jordan drove out the Jews and occupied it. After the 1967 War, the area was re-occupied by Palestinian Arabs. The Israeli courts have decided that the area should be returned to Jews, but that would mean some 70 Palestinians who have been occupying the area would have to leave. The courts were to make a final decision on this this week, and the situation has been taken up as a cause for violent resistance.

* The past week has seen huge riots on the Temple Mount in Jerusalem. The Muslims ascend the mountain for prayers during Ramadan, and a huge faction have been fighting with the police and harassing the Jews in the area. When the police sought to quell the violence, they were attacked with rocks and fireworks. Many law enforcement officers were wounded, as well as hundreds of Palestinian activists. Twice, the Israeli forces have been required to storm the mountain and the Al Aqsa mosque into which the rioters had taken shelter. This has resulted in angry responses from Muslim nations around Israel and around the world. Pictures have been sent out showing a false narrative of what was really going on, making it seem Israel was needlessly violating the Muslim holy site and bullying the innocent Muslims trying to worship there.

* Hamas, the terrorist organization in charge of the Gaza Strip, is presently in conflict with the Palestinian Authority's "Fatah" faction which rules the West Bank (Judea and Samaria) because the PA leader Mahmoud Abbas recently canceled planned elections because it looked like Hamas might win in his own territory. This is causing both sides to seek to divert attention to Israel as being somehow responsible.

* Two days ago, activists in the Gaza Strip began sending incendiary balloons into Israel, something which hasn't happened consistently in several years. There are many acres of ripe wheat which have gone up in smoke these two days.

* Hamas, in the Gaza strip, has been threatening Israel continually, and today gave an ultimatum that Israel must leave the Temple Mount and the Sheikh Jarrah neighborhood by 6:00 p.m. or face the consequences (Israel had already left the

Mountain several hours earlier, after stopping the violence there). At 6:00, Hamas launched at least six long-range rockets towards Jerusalem and Beit Shemesh and many more shorter ones towards communities in Israel's south. (The long-range rockets capable of reaching Jerusalem are usually smuggled into the Strip from the sea—coming from Iran).

As of this writing, the rocket barrage towards Jerusalem has stopped. It may have been primarily a gesture of defiance and bravado, which they won't be continuing. We do not know. But no one was injured—it could have been disastrous if it had hit an apartment complex.

To all of this, Israel is still without a solid government. P.M. Netanyahu has not been able to form a government in the required month, and another leader, Yair Lapid, has been given the mandate. It would probably be a "unity government" with some elements of both Right and Left and even one Arab party. It had been thought that it might be able to be formed this week...but with the unrest the Arab party might back out, which would leave it without the required number of seats.

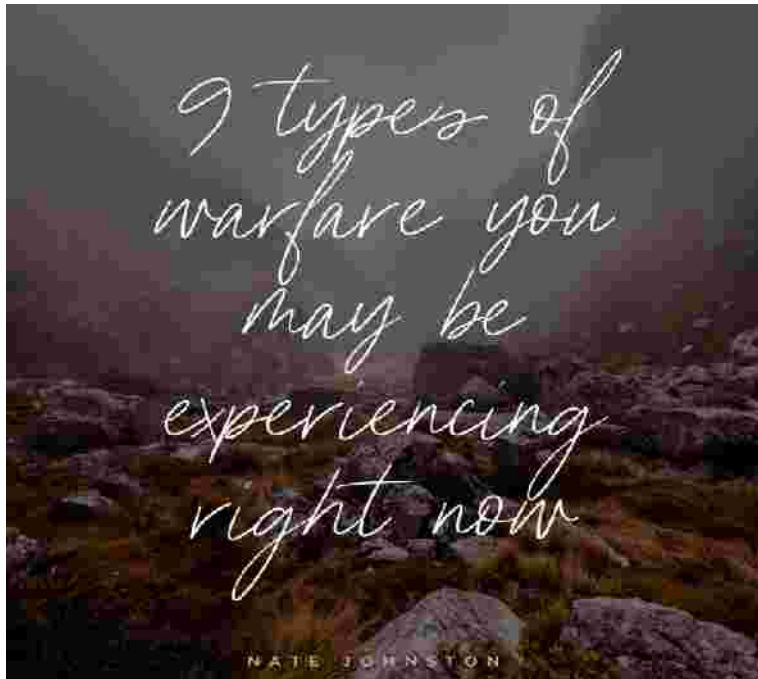

PRAYER POINTS:

* That the God who "watches over Israel" will protect her from descending into violence. That angels will hold back the forces of violence – that they will not be

allowed to draw Israel into a place of war outside of the timings of God.

- * That the Captain of the Hosts of the Lord and the God of the Armies of Israel (I Sam 17:45) would array His people and guide them against the forces seeking their destruction.
- * For Israel's interim leadership—to receive counsel from God in how to respond to the rocket fire from Gaza. That Israel will not have to make a military incursion into Gaza until she has a unified and strong leadership.
- * That God would put into place a strong government in Israel.
- * That Israel will seek God as her defender.
- * That the millions of Muslims living in Israel will have a revelation of the false god they are serving, and of the true God who loves them and is their only way to peace and fulfilment.
- * In the midst of this awakening of violence, there is a special blessing---the Covid pandemic, incredibly, is almost gone in Israel. A little over a week ago there was not one case of Covid in the military! Many things are getting back to normal. We are so grateful that we are physically strong before this latest conflict broke out.

9 TYPES OF WARFARE YOU MAY BE EXPERIENCING RIGHT NOW NATE JOHNSTON

WARFARE AGAINST YOUR REST/REFRESHING

This is where the enemy wars against you entering the secret place, bombarding you with busyness, striving, pressure to get things done, and sudden overwhelming distractions. The healing and heart clearing is so important right now and for some God is doing a complete makeover, cutting hidden ties, and removing wounds and trauma you didn't even know you were carrying.

WARFARE AGAINST THE CLARITY TO RECEIVE REVELATION, DIRECTION, & BLUEPRINTS

This is where the enemy sends chatter and words against you, where the atmosphere feels foggy and confusion tries to set in, and while God is always speaking it feels like the pieces don't connect or seems unclear. For many this is manifested in the battle of the mind coming against them right now and the temptation to fall back into old mindsets, fears, and panic, but has mainly been coming through people's words of mockery and judgement. The war against you to RECEIVE is because the delivery is vital right now.

WARFARE AGAINST YOUR VOICE

In a time that the pure and clear prophetic has never been needed more there has been an obvious assignment to shut down voices rising up. Often disguised as wisdom, safe-guarding, and protecting purity (which are all necessary) this imposter spirit wants to shut down the prophetic by causing division, fault-finding/critical spirit, and instead of broadcasting hope – broadcasting opinions and agendas. This causes true voices of hope to shut down and hide.

WARFARE AGAINST WHAT GOD IS BIRTHING THROUGH YOU

This is where the enemy very directly hits you in the very area God is really adding favor, anointing, conviction, and vision in. He wants to sabotage it by making you second guess yourself, bring in controlling people and measures to taint it, or cause delays and setbacks/closed doors in the places God has promised.

WARFARE AGAINST WHAT GOD IS BUILDING IN YOU

Very much the same as what God is building in you but specifically the opposition that comes as a direct result of the noticeable increase you have stepped on and the office/appointment you have before you. The enemy sees the new mantle, your sudden fire and rising authority and has been warring against the appointment with weariness and disappointment. This is where you need wisdom and discernment to know that you aren't taking on yokes, wrong armor, or people's stuff, but only what God anoints and mantles you with.

WARFARE AGAINST YOUR HOME

This is where your home suddenly feels like it is under fire, and it's a fight for peace. The very principality of the hour – DIVISION & DISTRACTION, is trying to bombard homes with strife, arguing, and a restlessness and scattered-ness that seems so hard to breakthrough. It's the warfare against marriages that causes rifts and squabbles, wedges, bitterness, and poisonous divides. This is where families need to come together and pray and worship as one. The word I heard was "canopy" and as families come together, He is going to clear the air and bring protection over and around them.

WARFARE TO KEEP YOU FEELING DEFEATED

I saw a vision of the enemy under my feet then heard the Lord say "The enemy is trying to usurp you!". You see the enemy is the one that is under our feet – he is the defeated one, but he has been trying to get the upper hand by tricking many into feeling powerless, hopeless, and utterly defeated with the many situations that they were surrounded with. This is where the enemy has tried to make you feel beat and done. This is where many find it hard to get up and be motivated every day because it

feels like the enemy has overthrown them and they will not be able to recover, but it's a lie! This is where you need to shake off the heaviness and fear and foreboding that you have failed. This is where you need to flip the story by faith, hold on to your promises, and release a shout of victory!

WARFARE AGAINST YOUR VISION & ABILITY TO DREAM

The war against vision has been especially targeted at the VISIONARIES & PIONEERS right now so that they pull back from the frontlines and retreat. The enemy wants you to feel like you are roadblocked on every side until you suddenly feel like you have no way forward and are not able to SEE any future or option. Just like the war on clarity, this attack is sent to STUN and NUMB you from being able to receive what God is doing and saying so that you cannot foresee his plans and therefore cannot dream with Him. The attack has been to divert your eyes off where God is moving and onto the storm you see around you, but God is taking you up higher above the temporal and fixing your eyes on the horizon again.

THE WARFARE OF CONFUSION & EMOTIONAL HACKING

This is primarily for the feelers out there. At the beginning of the week the Lord told me that the feelers especially needed to stay full this week and this season because the enemy was trying to bring an assignment of confusion and torment to the minds of the susceptible. This is where the enemy tries to hack you emotionally and stir you up as a way of distraction and to derail you from your path. This is where He sends an extreme heaviness and fog your way to trap you into a narrative away from the one, He has for you. So be vigilant and aware. Stay full and watch what you are feeding on this week!

WHY AM I DEALING WITH WARFARE RIGHT NOW?

- Because you have never been closer to the promise
- God is taking you from GLORY TO GLORY
- Your story is changing. Your track history is changing.
- God is LIFTING you out of a whole way of living you got way too used to, administering his healing balm, restoration, and justice from many years ago. It's the line in the sand so you can move into this season FULLY.
- New blueprints and VISION are coming to you! You are in a new unknown era and God is giving you clear GPS directions, coordinates, and mission details for you to steward and walk out.
- Your once hidden, squashed, silenced, and timid voice is suddenly ROARING from within you and making its way to the surface. You have no agenda, no territory to selfishly protect, and no motives or self-promotion

and the earth needs the pure sound of your voice to cut through the noise.

- God is BUILDING you, ESTABLISHING you, ANOINTING you afresh, and moving through you in a way you have not seen Him do!
- You have been commissioned by God in the wilderness and now you are coming out of that season with a weighty governmental mantle and call to the nations to see them come to Jesus!

SO HOW DO I RESPOND?

- Take higher ground. PURSUE the secret place. FIGHT for it. It says in Hebrews 4:11 "Let us, therefore, make every effort to enter that rest" It can be difficult in pressure but it is the only place you can get free/clear.
- Be armored up. Take communion regularly.
- Rebuke the wind and waves. This is your offensive stance. Get out the word and bind up what is coming at you. Clear the atmosphere. Tell the opposition to STOP in Jesus name.
- SHAKE IT OFF & MOVE ON! In Acts 18:6 it says "But when they opposed and insulted him, he shook out his garments and told them, "Your blood be on your own heads! I am innocent of it. From now on I will go to the Gentiles." Don't let it stop you, hold you back, or slow you down.
- Keep your vision before you regardless of what you see. Write down the vision, prophesy it, steward your promises, and guard them with your life.
- Look at what GOD is doing! We must keep our eyes on Jesus more than the storm, or than any pandemic. What is God doing and saying over you right now?

From the Threshing Floor to the Promise:
A Key Pentecost Celebration! (May 14-16)

Pentecost is about revelation and provision. The key to understanding this feast is the unlocking of the Law of Redemption. We must never forget there is a Kinsman who has the authority and provision to redeem what has been lost. We are excited to celebrate Pentecost on May 14-16. We will begin on Friday night with worship and a special production from the book of Ruth. On Saturday, we have invited speakers that understand how to unlock the provision for your future. We will conclude on *Sunday* morning with a Shavuot 5781 Celebration. No registration is necessary, and you are welcome to attend both onsite as well as online Friday at 7 PM, all day Saturday, and Sunday at 9 AM. Invite family and friends to join us as we move from the threshing floor to the promise!

Blessings

The Law of Redemption: By: Fred M. Mosely J.D., LL.M.

Ephesians 1:7 - NKJV

"7 In whom we have redemption through his blood, the forgiveness of sins, according to the riches of his grace;"

Redemption is one of the numerous lesser and included laws under the Law of The Spirit of Life in Christ Jesus and the Law of Sin and Death. Redemption is a legal transaction in man's law but has its foundation in Kingdom law.

A redeemer (according to the dictionary) is one who buys back, recovers, pays off or exchanges something for goods. In order for one to have standing (authority) to redeem a thing or person, one must have a legal interest (relationship) in that which they are endeavoring to redeem. A Kinsman-Redeemer is someone, usually the nearest relative who is charged with the duty of restoring or recovering the rights of another. *(Taken from steppesoffaith.com)*

Jesus Our Kinsman-Redeemer

Jesus is also Kinsman-Redeemer, but this time to us. Since we are brothers and sisters in Christ and heirs together to the throne (Romans 8:17) , that means Jesus is our brother (Hebrews 2:11). He is our nearest relative.

“Therefore, He had to be made like His brothers in every respect, so that He might become a merciful and faithful high priest in the service of God, to make propitiation for the sins of the people.” (Hebrews 2:17)

Sin has separated us from the Father leaving us orphans, much like Naomi and Ruth left alone in Moab. So, Jesus came to be our Kinsman-Redeemer. Through His shed blood on the cross, He has bought our freedom from sin and restored our relationship with the Father. He has avenged the evil of sin.

In exchange for being a Kinsman-Redeemer, Boaz married Ruth. What does Jesus get? Our hand in marriage as the church. Like a bride prepared for her groom, we the church join Jesus in an eternal relationship. Now, for those who believe, we will never be alone. Jesus' declared faithfulness to us proves it.

Through Jesus' grace and sacrifice on our behalf, we are redeemed (we have redemption) from sin, and we will enjoy eternal life with God as His bride.

We are Just Like Ruth

Ruth's story is remarkably like ours. In her, we see someone who is unable to help herself and needs rescue. She must request someone specific to be her kinsman-redeemer so he could restore and protect her in exchange for her hand in marriage. We are all like Ruth. All of us are in need of rescue, and we cannot do it ourselves. We need a kinsman-redeemer named Jesus. He is the one who loves us so much He

willingly paid the price for our sin, which is death. And, He has made us His bride so we can enjoy His grace and blessings for eternity.

Jesus' offer of being a Kinsman-Redeemer is for everyone, not just a few chosen people. His grace is for all who seek rescue from sin and long for the freedom of salvation. Jesus has declared that anyone who calls out to Him will be saved (Joel 2:32; Romans 10:13). No strings attached, and no questions asked. Just simple salvation with a promise of full restoration.

Jesus is truly our Kinsman-Redeemer.

Praise the Lord for His goodness and love.
It is a legal transaction!

ARK OF GRACE MINISTRIES: Amanda Grace

Praise be to the Lord God Adonai, who sent His son Jesus Christ, Yeshua to the earth, to be Emmanuel, God with us, dwelt among us, and paid a debt on the cross we could not pay to reconcile us to a Father we were separated from. To His name be all the Glory honor and power forever and ever, Amen...

And the Spirit of the Lord says this day...Those who wait on the Lord shall renew their strength, they shall mount UP with wings like eagles, they shall run and not be weary and they shall walk and not be faint or grow tired says the Lord.

Now is a time My children of great Pressure and a Great Pressing, for as My children press toward the mark of the high calling, the wicked shall find themselves being Pressed, they shall find themselves at the threshing floor, for I the Lord shall thresh the wicked and as that occurs what has been concealed shall come out and forth before the people of this nation says the Lord of Hosts this day.

And says the Spirit of the Lord this day an Ayatollah and a dragon have merged in agreement, with the purse prize being the destruction of Israel, 2 countries who are set

to be threshed have merged in an attempt to harm My firstborn Israel, two countries who serve a principality, in whom they govern now the time has come for them to be threshed doing the bidding of these bloodthirsty, vain entities, who have now reluctantly come into agreement to influence the men who are so their slaves and servants to change their focus to Israel first and its brother America, the eagle, second.

And says the Spirit of the Lord this day, the agreements that have been made are as dust in My sight, they are fallible meaningless contracts, murder for hire, what has laid hidden in the dark shall be brought out into the light and be placed at the threshing floor and I the Lord shall smack down on both nations and beat and press what has laid hidden in the dark out into the light.

A chain reaction, a chemical reaction shall be triggered that shall destroy labs and nuclear cooking pots in both countries, as the temperature is raised, and boils take place says the Lord of Hosts. For they shall be squeezed as other countries so go on high alert as they see this unholy blasphemous creature that has emerged from Persia and the Muslims and the Hindus shall squabble for their demons are very territorial and so infighting, squabbles, and calculated attacks on relations so shall occur as even Israel gets into their motherboard and tightly guarded labs and so explosions shall you see as the mouth is shut off the dragon speaking blasphemies against My children, for the agreement with My enemies and the enemies of My firstborn so I the Lord shall shake those nations and leadership so shall be struck and fall a domino effect that reaches across both countries, ring around the Rosie a pocket full of posey ashes, ashes they ALL fall down, and plagues and boils it shall be as rats consume them for plotting to harm the covenant nations I the Lord have so protected...For betraying their oath.

And says the Spirit of the Lord this day this shall be a memorable time for even intricate military blueprints and operations shall be discovered that will make paper clips and Moab's dwarf in comparison, for I the Lord of Hosts am dealing with Moab and exposing the components of a counterpart.

And says the Spirit of the Lord this day an exodus into the boarder the flood of those looking to capitalize so there shall be a striking at the border that causes many to turn back as I the Lord God see the attacks and who they have woven into such migrants and wanderers, those with the blueprints for a coordinated attack that touches down on different points on the map, and monuments and hubs of cities alike, it shall be exposed as it is set to execute.

An internal struggle within the military shall cause a dispute and a civil war internally where officers shall oppose officers to get the chains cut and free those who serve the principality of DC so attempted to lockdown. However, I the Lord thy God am opening up the vault, and officers, generals, and those at sea alike shall be disgraced and exposed.

For betraying their oath for entitlements and empty promises from wicked serpents who destroy whom they use, a huge; huge blowing of a fuse will expose an issue so carefully concealed and I the Lord your God shall deal harshly with whom have communed with the serpent, the dragon, and the prince of Persia for I the Lord your God have issued decrees and judgments for the grace has ceased and the cries of My people I the Lord am so responding to in this hour.

By this time next year, things will look different in the country of the eagle, there shall be a turn and a redirecting as those I have anointed are sent back to finish a task and order not yet complete, and I the Lord am making a way for this MAJOR SWEEP, of security, military, government and the church alike many will be pushed out by force as I the Lord am from My throne speaking ORDER in this hour, LAW and ORDER against a lawless people for I the Lord am decreeing a thing and it shall be.

And the Spirit of the Lord says this day, there shall be a resurrection in this country, for the eagle shall not die but live MY children, PROPHECY TO THESE BONES THAT THEY SHALL LIVE, SPEAK LIFE, LAW, AND ORDER AND A PURGING OF ALL THAT IS UNHOLY AND UNJUST, For MY rulings are set to do a sweep of this land, a sweep that will reach to the election in Israel, a sweep that will reach to the north and southern parts of the continent North America says the Lord of Hosts.

And says the Spirit of the Lord this day, watch southern New Jersey and where Washington crossed the Delaware River says the Lord, for I am bringing into formation those I have so-called to work as a unit, the prophetic and the military alike coming together for such a time unlike any other time, and forming a spiritual special forces that I the Lord shall lead, and it will be a light in a dark place and navigate them through the obstacles at hand, for I the Lord see every crevice and warehouse they have hidden their plans, and hangers as well, planes containing their stock that they so use to build their bots and their programs alike that are linked to a wave of crimes stretching across the globe to Israel and the northern and southern parts of North America alike.

A Burning bush this you shall see as past presidents families now in this time are pressed and family wealth burned for their crimes for I the Lord have decreed it and sealed that judgment for the time of grace for the wicked have thinned out and one after the other shall fall down, suddenly many shall drop to the floor and be no more for I the Lord shall settle a score that goes back to a speech four score and seven years ago our forefathers...

And says the Spirit of the Lord this day summer fruit in spring as I the Lord accelerate to do My will, things shall pick up the pace My children so ensure your armor is on and you are equipped for this burst of speed that shall occur to so bring My plans and purposes to intersect quicker for the sake of your nation America, the eagle is rising as I the Lord speak life into a somewhat lifeless body and command you to live Oh eagle and to take up your mat and walk, and your sins shall be purged and cleansed I shall gut this nation down to the studs to expose the framework hidden behind the walls of unexpected areas says the Lord.

And says the Spirit of the Lord this day the dragon shall make a store(strong) advance at sea with the backing of Persia in order to steal and take territory not theirs to claim, so I the Lord shall stir up the waves and cause catastrophe to hit those ships as many will turn around. After a string of attacks and unexplained accidents so force a major turn, so as the container ship was so turned I shall do the same to the fleet of the dragon and they shall be driven back for who they shall point their canons at to attack, the Philippines are crying out says the Lord I have heard the cries of those faithful ones and I the Lord shall protect them from wicked advancements upon their land says the Lord of Hosts.

And says the Spirit of the Lord this day a bomb in Russia watch and see will cause opposition to arise against former allies and against Iran alike as a major event in Russia causes a BEAR of an issue says the Lord of Hosts.

The dragon has spun a web and those who have so attached markets and economies shall crash as I the Lord completely remove MY hand, however, the underground church I shall protect as their holograms and ideograms (is a graphic symbol that represents an idea or concept, independent of any particular language, and specific words or phrases) and telegrams shall be found out says the Lord of Hosts.

A message intercepted that will stop a major attack.

A worse fall for the ailing leader as a MAJOR problem arises that cannot be explained and soothsaid away, and a slip of the tongue shall expose their next moves as cabinet members and VPs already have their redecorating and reprogramming blueprints in hand just waiting for the time to PUSH but instead, they all shall be PRESSED BY THE LORD GOD ADONAI AND SQUEEZED TO THE POINT OF SUCH SCRAMBLE AND PANIC THAT I THE LORD SHALL CASE(CAUSE) to look someone or something over carefully, with a view to additional activity at a later time) THEM TO FALL INTO THEIR OWN PITS FOR THEIR NAMES ARE SO MARKED ON THEM AND HAUGHTINESS IS LULLING THEM RIGHT TO SUCH.

And says the Spirit of the Lord this day, bridges, trains, cargo, and shipping, watch says the Lord just watch.

And says the Spirit of the Lord this day I am muzzling those who have abused their powers and platforms, as I tore the Kingdom away from Saul, I am tearing away those platforms and positions from those who have so abused them and giving them to who I the Lord deem righteous and worthy of such. I THE LORD DECIDE SUCH WITHOUT YOUR OPINIONS FOR YOU DO NOT SEE THE HEART AND I DO AND TAINTED MOTIVES HAVE CAUSED RABID SHEPHERDS AND SPOKESMEN AND WOMEN AND I THE LORD HAVE COME TO PUT THEM DOWN.

AND SAYS THE SPIRIT HEAR YE ALL THE INHABITANTS OF THE EARTH HUMBLE YOURSELVES BEFORE THE LIVING GOD TO BE HIDDEN UNDER HIS WING AND SPARED OF WHAT IS TO COME FOR THE SWORD OF THE LORD AND THE DECLARATIONS FROM HIS THROWN HAVE GONE OUT INTO THE EARTH, THE ENEMY HAS BEEN OVERRULED AND THE LORD IS CLEANING HIS HOUSE THE HOUSES SENATES AND PARLIAMENTS ALIKE, THE AYATOLLAYH SHALL SUFFER A MAJOR STRIKE AS THE DRAGN SHALL BE SEVERED A MORTAL FATAL WOUND IT SHALL BE GREAT, THE TIME HAS COME TO PROPITIATE AND ACTIVATE WHAT HAS BEEN RULED, MANY OF YOU HAVE BEEN FOOLED AND SO SHALL BE EXPOSED WHAT FOOLS AND DOUBLE-MINDED MEN HAVE DONE AND BELIEVED, RELIEF IS COMING JUST BELIEVE ON THE LORD YOUR GOD AND TAKE COURAGE, HOLD YOUR POSITION AND THE LORD SHALL ELEVATE YOUR CALL FOR THE PERSECUTION SUFFERED AT THE HANDS OF CORRUPT MEN!

There shall be a fall down the stairs, as Joe and Jill have attempted to trample on My Hill, and here shall be a tumbling down and a LOT shall go with for I the Lord truly see the strings and pharmacia ingested and injected to achieve a lucidity, a clotting is occurring and TAPS is on the Horizon as the sun sets on the Biden's, Eli and his wicked sons, the whole lot shall be purged by the hand of the Lord, however, the country needs to learn a grave lesson says the Lord and return unto Me and Holiness for this to TURN, for you are at the precipice if you shall take the Word, your sword and speak it and BE BOLD and BRAVE as I the Lord your God lead you in this Parade, the Charade shall be exposed a strike to the head of social media giants, shall be the wound that causes a fall heard round the world.

Pray and Listen be watchmen and Women as I the Lord announce through My prophetic voices and anointed Children the shofar is being blown and the walls and gates are set to fall, be ready to take a stand as I the Lord send the captain of MY ARMY to lead you in this quest it shall be miraculous and a trembling to the wicked for the fear of the Lord is the beginning of Wisdom.

That right now My Children, as I move in ways that My children and the wicked alike shall know that I AM GOD I AM...Thus sayeth the Lord of Hosts in the name of Yeshua, Jesus, who died for your sins so you may live, life is a gift treat it as such.

The Elijah List

NOTHING SHALL BE WASTED! ANGIE STOLBA, WASHINGTON, IL

"I will repay you for the years the locusts have eaten—The great locust and the young locust, The other locusts and the locust swarm—My great army that I sent among you.

You will have plenty to eat, until you are full, And you will praise the name of the Lord your God, Who has worked wonders for you; Never again will My people be shamed."

(JOEL 2:25-26)

The Lord says, "My precious child, know that your heartache will not be wasted. I am the God who takes what the enemy intends for harm and

destruction and turns it into good. Be assured that no weapon formed against you will prosper (Isaiah 54:17). Trust Me with everything; give Me your nagging list, the list of things the enemy seeks to overwhelm you with. As you hand over both the big and small details of your life—even the things that are beyond your ability to maintain or control—you will see that what is impossible with man is possible with Me (Luke 18:27).

“Beloved, there is freedom as you surrender everything over to Me and allow Me to fight your battles. Though it feels like many things are swirling into chaos, I am still sovereign. I reign over your life, and I am in control. Just watch what I will do as you yield everything into My loving hands.”

"The Lord will fight for you; you need only to be still." (EXODUS 14:14)
"I love you more than you could possibly comprehend. There is nothing you can do to separate yourself from My everlasting love, for My love for you is fierce and relentless (Romans 8:38-39). I am jealous for you, My Bride! Fear not, for I am working amidst the chaos. I am bringing My divine order and alignment to those stubborn and long-standing circumstances; I am working behind the scenes, moving on your behalf. Trust Me and receive My perfect peace that surpasses all-natural understanding. For as the heavens are higher than the earth, so are My ways higher than your ways (Isaiah 55:8-9).

“Continue to focus on being Kingdom minded. Minister and bind up the brokenhearted, even amidst your own pain and suffering. For as you seek first My Kingdom and My righteousness, all of these other things will be added to you (Matthew 6:33). I know that you are feeling weary, dear one, yet be encouraged. Your breakthrough is much closer than you realize. I am with you and I am for you! Surrender all to Me, and nothing shall be wasted.”

"I know your deeds. See, I have placed before you an open door that no one can shut. I know that you have little strength, yet you have kept My Word and have not denied My name." (REVELATION 3:8)

The Seer Season: Sharon Kaseweter. Oregon City, Oregon

During my time with the Lord in preparation for a meeting this week, He began to share where we are in the timeline. The season that we find our self in is what God is referring to as The SEER Season. The Seer Season is necessitated in the battle of good over evil. As we press into the Father of life we receive life, as we press into the Father of love we receive love, it goes to stand then as we press in to the Father who sees all, we receive the ability to see, as we see through his eyes! In this season of the SEER I feel the strong need to urge all to press in for the 2 kings 6 gifting, to "see "into the enemies "bed chambers" and the plans that the enemy is contriving in this hour! We will be given the intel to circumvent every strategically buried mine that has been set in place for our destruction.

As God is no respecter of persons, we know we can expect what Elijah experienced! The dichotomy here is that God opened one man's eyes and blinded an entire army almost simultaneously...

In this SEER Season we must not rely on the flesh but rather be as a lamp plugged into the electrical source, in our walk with God. The ones here reading this, called to this understanding know deep in their spirit man that there is no turning back nor is there a desire or will to do so! Akin to the fire in the bones of Jeremiah so also is the direction of the Lord in his chosen ones in this hour! They cannot be disregarded. There's a great and almost violent need to take God at his word "From the time of John the Baptist until now the kingdom suffers violence and the violent take it by force" God has put all of this in our hands from the beginning and He will honor what we choose to do with it ! He is leading the charge in this time of taking back our country and the world from the desperately greedy grasp of the enemy.

As we seek God (I love that the word "see" proceeds the word seek) we will find him, according to Matthew 7:7 ... ask , SEEK , find!

I asked the Lord one day as I was spending time in his presence how was it that Jeremiah was so bold as to prophesy those things that he did in the face of all odds and impossibilities, His reply" Go back to the beginning" I did and what I read astounded me because I have never truly seen it in the light as I did in that moment of revelation! "Jeremiah what do you see"? Jeremiah saw everything in vision, dreams or words that he boldly and unreservedly prophesied, he spoke what he SAW! See and say! It's time for us in the SEER Season to request of Giver of All the gifting of 2 kings 6, then sit

back and enjoy the view! Our God is about to show up on the scene in such a way as to astound the masses in jaw dropped awe!

Just ask, He is waiting to honor your request!

AMERICA: I SAW PRESIDENT TRUMP ON A WHETSTONE BEING SHARPENED BY THE RIGHT HAND OF GOD. "WATCH FOR A SECRET PLAN OF HEAVEN IS NOW BEING EXECUTED....THAT WILL BRING A LETHAL DEATH BLOW TO THE PLANS OF SATAN"!

So yesterday I was minding my own business (busy cooking for my family in the kitchen) when I reached out to grab a long sharp knife out of the Knife block to cut a piece of meat, when suddenly as my right hand reached out and touched the handle of the knife, a powerful image flashed before me in the realm of the Spirit,...where I saw an image of 'PRESIDENT TRUMP AS A KNIFE BEING PUT UPON A WHETSTONE AND BEING SHARPENED BY THE RIGHT HAND OF GOD, now as that image flashed before in the realm of the Spirit. I instantly felt the weight of Gods Glory upon it, a weight that was so heavy and tangible that it literally stopped me in my tracks,

Now as I stopped to look at this powerful image come up before me, it felt like I was being shown 'A SECRET PLAN OF HEAVEN', THAT WAS IN THE PROCESS, THAT WOULD BRING A SUDDEN, SWIFT, SHARP. SEVERE AND LETHAL DEATH BLOW TO THE PLANS OF SATAN.

I was shown by the Spirit of Revelation that this SECRET PLAN OF HEAVEN COULD NOT BE STOPPED, NOR COULD IT BE FOILED, OR THWARTED BY THE HAND OF THE ENEMY, this SECRET PLAN WOULD BE BROUGHT TO FULL COMPLETION AND DIVINE PERFECTION, but as I was being shown this SECRET PLAN OF HEAVEN, I saw the RIGHT HAND OF GOD WAS MOVING "SLOW". AS IT MOVED WITH GREAT PRECISION AND PINPOINT ACCURACY, EVERY DETAIL OF THE SHARPENING PROCESS OF THE BLADE ON THE

WHETSTONE WAS BEING CAREFULLY AND METHODICALLY DONE BY THE RIGHT HAND OF GOD, THIS WAS AN INTRICATE AND DELICATE PROCESS, AND ONLY GOD COULD BRING TO PASS THIS PLAN OF HEAVEN THAT WOULD BRING HIS ENEMIES TO THEIR KNEES IN FEAR AND REVERENCE.

I saw that GOD WAS NOT IN A HURRY, BUT THAT HIS EYES WERE FULLY FOCUSED ON WHAT HE HELD IN HIS RIGHT HAND, I watched as, HE STOPPED TO LOOK AND LOOK AGAIN AT THE KNIFE BLADE AFTER EACH SWEEPING STROKE ON THE WHETSTONE. I could see that GOD WAS NOT GOVERNED BY EARTHLY TIME, BUT RATHER HE HELD TIME AND ETERNITY IN HIS HANDS, AND HIS DIVINE PLAN FOR THE NATION OF AMERICA WAS BEING WELL EXECUTED AND WOULD BE BROUGHT TO BEAR IN HIS PERFECT TIMING.

And then suddenly I heard these words, WATCH! FOR WHAT IS HELD IN MY RIGHT-HAND WILL TRIUMPH OVER WHAT IS BEING HELD IN THE HAND OF THE LEFT, WATCH! FOR WHAT SATAN MEANT FOR EVIL, I WILL TURN FOR GOOD AND FOR THE GLORY OF MY NAME'S SAKE"!

Resharing this word from 2 years ago wow so relevant for right now.

PROPHETS DON'T BE MUZZLED, THERE IS BREAKER REVELATION BEING BIRTHED

This year so far has truly been a time for the prophetic scribes to usher in new themes, language, and breaker revelation for the body of Christ. It has been both encouraging and catalytic to me personally, to feast on what is coming forth. At the beginning of the month, I had a series of dreams where the Lord was giving a warning about the spiritual assignment targeting the prophets to muzzle and derail them from their purpose to bring forth this revelation. I want to share what the Lord is saying, while also clearing the atmosphere and highlighting the crucial hour we are in so we can steward the revelation of heaven well.

WARNING DREAMS

In the first dream, I was at a social gathering when a man approached me very aggressively. As soon as he came close, I realized this was a demonic spirit, full of anger and frustration. As it gets close it says, "I am going to shut your mouth!" to which I replied indignantly that I would not be shutting my mouth. At this reply it begins to scream, "Shut your mouth, shut your mouth, stop opening your mouth!" I then walked away and got into my car and drove with the man in pursuit. In the dream, I began to feel stressed and turned onto the wrong road. The dream ends as I'm looking down at my GPS and it is saying "Wrong way, turn around!".

In the second dream, I am in the library of heaven, which I have seen before and recognized. I am watching as books were flying off the shelves and being catapulted at the enemies' buildings and structures in the distance. One after the other kept flying off the shelf until the enemies' structures were completely brought to the ground.

The third dream was an audible dream where all throughout the night I heard the Lord say "Release your song. Don't let anything steal your song!"

THE WAR ON THE SECRET PLACE

I woke up one morning in intercession mode sensing that God was calling me to pray but I felt so exhausted. I had a severe migraine and was barely able to move, pray, or maintain clarity at all, but I felt the urgency in my spirit to push through. Then a bible passage came to mind of David when he had returned to Ziklag with his mighty men and found everything had been taken by the Amalekites, including wives, and children. It says that David's men were so distraught that these normally loyal men were so heart-sick they wanted to kill their King! I felt that the name of this enemy had some insight as to the attack I was feeling. I discovered that the "Amalek" means "people that wring" implying spiritually that they twist and squeeze, causing a mental and emotional battle of sorts. That's what I was feeling! When Moses lead the Israelites to defeat the Amalekites the bible says that his men needed to hold his arms up because when he lowered them the Israelites began losing the battle! Could it be that this nation represented a spiritual assignment sent to wear down God's people, causing confusion, chaos, spiritual weariness, and slumber?

Moses raising his arms is a picture of raising our arms in worship in the middle of the battle. 1 Samuel 30:6 says that although David's men were distraught, He strengthened himself in the Lord. This assignment has come to tire you out by distraction, confusion, and weariness so that you don't enter into the secret place where you will conceive the

revelation God wants to impart to you. In the secret place, you also OVERCOME and OVERRIDE the attack of the enemy that is trying to wear you down.

GROUNDBREAKING DISCOVERIES

Since the beginning of the year, I have been very aware that the spirit is pregnant with revelation to be brought forth. The method or expression of that revelation is not always as relevant as long as it comes forth, unedited and purely from the person who receives it. Revelation is the making known of something that was previously secret or unknown and as it is brought forth it carries anointing to crack things wide open for the body of Christ. The war on revelation is an attempt to stunt the slipstream of acceleration and momentum that we are currently in.

I kept seeing a news headline scrolling saying “groundbreaking discovery” and I believe this points to the impact these revelations would release when revealed.

Groundbreaking revelation is innovative and pioneering in nature and has the capability of changing how things are done, influencing how we move forward as a prophetic people. I believe God is releasing revelation that will be very reformatory in nature. Meaning revelation that will literally shift the heart and minds of the body of Christ to see with FRESH & NEW eyes, bringing rejuvenation and a wave of mighty outpouring!

GUARDIANS OF PURITY

Holy Spirit has been speaking to me about a prophetic remnant that has been charged with a mandate to be guardians of purity for the body of Christ. This is one of the functions of the prophetic office. I believe this will emerge more and more in the days to come. The love of God will be the vehicle that brings redemption and repentance, not judgment and condemnation. When Holy Spirit was speaking to me about this I kept seeing a key in the spirit and then was reminded of this scripture;

“Write the following to the messenger of the congregation in Philadelphia, for these are the solemn words of the Holy One, the true one, who has David’s key, who opens doors that none can shut and who closes doors that none can open” Revelation 3:7

The key of David is one of authority to open and shut spiritual doors and realms. It is a revelation of our authority as a prophetic people but it also describes the very heart of the prophetic. David was a man after God’s own heart because he genuinely loved the Lord and had a heart after God’s own. When David saw Goliath taunting the people of Israel and mocking His God that he loved so much, it caused him to step up into action.

David saw not only injustice but purity that was at stake and he became the conduit to see His nation vindicated.

We are in an hour where I believe God is charging His prophetic company to stand up and be guardians of truth, tearing down strongholds, threats, idols, and counterfeits that seek to taint the body of Christ and put her in bondage.

CALIFORNIA, CALIFORNIA!

I had a vision recently of the state of California where an earthquake was shaking the ground. While it was causing alarm, it was also unearthing and unleashing some of the mightiest prophets I have ever seen. These were prophets who were mantled like Elijah with an anointing that was DISRUPTIVE to principalities that were causing regional and national injustice. Just as the enemy has been stirring a hornet's nest to claim this state, it was causing these once tame prophets to awaken and swing their hammers of TRUTH & AWAKENING.

There is a movement arising from the golden state of Justice Carriers that will counteract the darkness and RESTORE the land. New songs will be written and sung as anthems over this land "California, California, this is your time of awakening and FRUITION of promise!"

SCRIBES, SONGWRITERS, & REVELATORS ARISE!

This is an important kairos for revelators of all kinds of expressions to release the ground shaking, wall breaking, reformational revelation they are incubating. I want to encourage you to realize just how important what you carry really is and to charge you to keep nurturing and protecting it! Many revelators have felt like they have lost their steam and Momentum. But, as you begin to lean into His presence and raise your voice into the storm you will feel the mighty rush of the anointing come over you, the atmosphere of clutter will clear and you will take back ground!

IT WILL HIT THE MARK

These revelations are the very thoughts of Gods heart being poured upon the hungry hearts of His sons and daughters. They are water in the desert, fire to the chaff, and wind to the sails of a church moving with the Spirit into increase. Like arrows, these revelations have been fashioned and purposed to hit a specific mark and break open hard ground. You are a carrier of revelation and I prophesy that NOTHING will stop you

from receiving and releasing what God has for you in this hour. It will hit the mark, it will be effective and it will echo throughout history in Jesus name!

Pat Francis: Humility is Powerful

“The Ninevites believed God. They declared a fast, and all of them, from the greatest to the least put on sackcloth. When God saw what they did and how they turned from their evil ways He had compassion and did not bring upon them the destruction He had threatened.” Jonah 3:5,10

God is a God of mercy and He looks for opportunities to bless us by forgiving and removing the reproach of our sins. The King of Nineveh was a famous but evil King and God sent His prophet Jonah to pronounce judgment and destruction on him. The King’s heart, however, was moved with humility to repent to God for all his evil towards the people of his kingdom. God’s heart was moved with compassion and preserved him. It is never too late to ask God for mercy.

We read the story of General Grant who had just professed faith in Christ. The minister who spoke to him ventured to say, “‘God’s Kingdom has gained a great acquisition in your conversion, General.’ General Grant replied, ‘God does not need great men, but great men need God.’”

Humility is the door to honor from men and from God. Humility is powerful: it cures broken relationships; it provides another chance for missed opportunities; it opens doors to kings and people of influence; it keeps our hearts in the right place for continual divine mercy and grace. Humility is power. As you create and rule your world, intentionally choose to be humble and you will grow in favor with God and people. “And Jesus grew in wisdom and stature, and in favor with God and men.” Luke 2:52.

Kingdom Declaration:

I will intentionally choose to be humble to grow like Jesus in favor with God and people.

"Canada: Angel Armies Are Being Deployed!"

Barry Wunsch, Red Deer, Alberta

Prophetic encounter on April 7, 2021 at 4:00 AM:

Early in the morning I had a prophetic encounter where I was in a commercial building. It was on a beautiful lakeshore street; this waterfront property had wonderful character and a view of the beach and waterfront just across the street.

The Art Gallery of Destiny and Life

I was with a mid-sized group of people. We were in an older building, but it was well looked after, and had a very "hip" feeling. It was set up like a gallery with art on the walls and on the many easels spread around the room. Even though it was not traditional, I knew this was the Church.

Jesus walked in and joined me in this place. We walked around together and were looking at the artwork, paintings and pictures that adorned the room. The art was created by His children as young aspiring artists. This art was so simple and special. It was filled with innocence, destiny and life. The Father was so proud of each piece from each of His kids; if He had a fridge, these would be on it!

There was one picture in particular that caught my attention...it had a title I could not understand but there was no picture...it was history that had not yet been played out.

As we walked around looking at this art, Jesus carried a long, wooden staff in His hands, and there were words engraved on the end of it. The words on this staff of authority indicated His sovereignty, salvation, peace, and protection. He would hold this staff over each piece of art, and as He did, I would take a picture of Him doing so. As each picture was taken, it was stamped and sealed and marked those artists and families for God...destinies, and futures were sealed and protected. Blessings would follow them all the days of their lives. *He was marking them!* He loved them so much!

We felt like close family – *one Body* – full of true, authentic love, caring for each other. Bonds were healthy and strong. *This was the Body at its finest.*

Many of the kids from the group left the gathering for a hike in nature as the rest of us hung around visiting and spending time together. As these kids filtered out to do their thing, they had left the faith and were drawn into the world, trying to make their own way without God in their lives.

The Storm of the Millennia and Rubber Trees

Suddenly, out of nowhere, came a storm across the water, and it was the most violent that I had ever seen. I was watching it through the windows of the building that we were in, but it was like watching it on the news. *This was a big one.*

At first it was a bit of a strong breeze and wind that was blowing into the front door of this building, but the doors had to be shut as we quickly realized that this was getting serious. The door closed but not that tightly. Looking closer at it, the door was sort of slapped on its hinges and there were gaps all around it. I was not that confident that it would withstand what was coming. The wind was so strong that there was horizontal rain, and water was being whipped up off the crashing waves; you could hardly see.

There were massive trees along the shoreline bent over to the ground, but they were not uprooted at all; they had strong root systems. These trees appeared to be made of rubber. They were flexible and no matter how hard the wind blew, they did not break or get uprooted.

This storm was a hundred times bigger than anything we had ever seen. *It was a storm of the millennia.*

Here Comes an Angel Army, Riding Above the Clouds!

As I watched the storm in the sky, I saw that it was an angel army approaching, riding above the clouds. They were in perfect formation, working together to ensure that not one thing was missed as this storm passed over the land, driving out the enemy and all of the enemy's devices. This angel army was on assignment and was being strategically released nationally and regionally, according to the Lord's plans, to drive the enemy out of the land. The power being released through this army would not be stopped by anything! There would be nothing that could stand in the way that they could not handle.

Marked by Christ and a New Way

As I watched this storm rage, I had thoughts and concerns for our family members out in the storm, and the dangers and possibilities of everything that could happen to them. I knew that the ones which were marked would be OK, and this would be the turning point, bringing them back to the Lord.

I knew that the cleanup was going to be a horrendous job – that workers were few, and that the normal resources and ways of doing things were not going to work. There was a new way being released! Much of what we had learned was going to be irrelevant. This was a revival of epic proportions sweeping the land! Things were never going to be the same!

The Birth of a Bright New Dawn

Next, I was taken into a bright, new dawn. It was a new day. I had never seen such a blue sky! The sun was shining brilliantly and peace covered the land. All that Hell had tried to destroy us with was now a thing of the past. We had just been through the most cleansing storm. The fear of the Lord had touched every heart. All of the oppression and suppression was gone! The war was over! Victory celebration was in the air! It was time to rebuild with truth and righteousness! It was going to be great!

I watched as our kids who had wandered away came out of the debris, sober and a little somber. They had gone low, and the Father protected them through the storm that could have taken them out. They were not the same; they had returned to Him with all their hearts, never to leave Him again. This had been a game changer for them, turning their lives around. They were reunited with loved ones, happy, and grateful to be together, safe, and loved. There were many hugs and many tears as all reconnected.

I saw people start to emerge from basements where houses and buildings used to stand, and from holes in the ground where houses had been stripped away and destroyed by the wind. *Yet they had survived.* Everything that they had known and had built by their own hand was gone. All the idols were now gone. Wood, hay, and stubble were now gone.

Many thought that they could get through this and would not be affected by it, and that they could just continue living their lives as they always had. The harsh reality of what was going on in that moment, through the storm, had caught them totally unprepared for what was upon them and they didn't make it.

"My Canada, My Canada, You Will Never Be the Same!"

Then the Lord clearly spoke to me. He said, "Tell My people that My love for them is fierce and I will stop at nothing to see them free, to see them whole, healed and delivered!

"In this year I am driving out the enemy from your midst! I am bringing justice and truth to the nation! I'm bringing it in such a way that not one family will go untouched. I do not want to see anyone perish.

"There is nowhere that you can run and hide from Me. I am coming with revival and reformation to this nation. I will stop at nothing to bring it to pass!

"I will not be mocked! I will no longer sit in silence! I will not sit idly by and let the enemy rule with injustice and destroy My people and this nation! I am coming with a vengeance to restore and redeem this nation! I will drive the enemy out of the land. My angels have been released to do My bidding!

"I am raising up and commissioning a new breed of fearless leaders and will empower them to fulfill their call with boldness.

"No longer say, 'What can I do? I am too young, or I am too old,' or give Me any other excuse. Don't hide disobedience in your excuses. Those days are behind you. I am calling you higher! Take courage in obedience!

"What I am releasing now, buildings cannot contain!

"Get ready! Get ready! Get ready! It is time to mobilize! Behold the Kingdom! My Canada, My Canada, you will never be the same!"

In This Season, God Is Bringing Many Into the Promise"
Autumn Dawson, Texarkana, Texas

I was in a time of corporate worship and the Lord spoke this to me: "I've brought you out, I've brought you through and I'm about to bring you into."

I believe this is exactly what God is doing for His people in this hour. He has delivered us out of captivity, brought us through the fire and now, in this season, He is bringing many into their promise!

When God delivered the children of Israel out of captivity, He didn't just leave them in the wilderness. The Lord brought them out and brought them through the wilderness so that He could bring them into their Promised Land.

I sense so strongly in my spirit that this is a season where many are about to be brought out of the wilderness and into the promise. Many of you have been contending and standing in faith on the promises of God, and now you are about to see the things God has promised you with your own eyes and hold them in your hands! Your season of waiting for your breakthrough is coming to a close and God will bring you into the promise! Get ready to cross over into all that God has for you.

What Is the Promise?

The Lord is doing exactly what He promised in Isaiah 61:3, "...To give them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they may be called trees of righteousness, the planting of the Lord, that He may be glorified."

You are about to receive beauty for ashes and the joy of the Lord instead of mourning and depression. The heaviness that has weighed you down for so long is being lifted off of your shoulders! When you step into the promise you will experience victory. The things that were once hindering you and holding you back will not hinder you any longer. LEARNING TO WAR LIKE A KING

We are all facing giants of some kind. Whether they be in our nation, our communities, or our own families, we must all learn how to take down the demonically driven giants and strongholds that defy the work of God in our lives. David is a well-known warrior in the Old Testament who took down a giant. In reading his story again, I found some interesting traits that should characterize a successful giant slayer:

DAVID WAS A WORSHIPER FIRST (1 Sam 16:14-23). When David was brought before King Saul to relieve him of his demons, David had already demonstrated a life of worship. The anointing upon his life had power to bring deliverance to the demonically oppressed king.

Before we can approach any giant in our life or pray for any kind of deliverance, we must start in worship and adoration. It will not be our skill or intellect that will take down the giants, but the anointing that comes from a life that is daily dedicated to God's presence.

HE WAS VICTORIOUS IN PRIVATE (1 Sam 17:34-37). David was fully prepared to face the Philistine giant because he had already faced his own giants – and won. Size didn't matter. The victories in his own back yard established his faith and confidence that was now unshakable.

If we want spiritual authority in regional or national fields, we must first be faithful in our own fields of influence. Starting in our homes and then impacting our local churches and communities, our faith must bear fruit and demonstrate the results of powerful and effectual intercession. This successful track record will validate our authority and strengthen our boldness.

HE CARRIED HIS OWN ANOINTING (1 Sam 17:38-39). David knew who he was – and who he wasn't. Though offered the armor of the king himself, he recognized his unique anointing and rejected taking on another's reputation and mantle. With the zeal of the Lord in his heart, he stayed true to himself and how God had trained him. Though we can learn from others who have been successful in battle, we must avoid the temptation to be like someone else. We must own our journey and the unique way in which God has prepared, equipped, and anointed us. That's where our greatest strength will lie.

HIS FAITH WAS NOT IN THE WEAPONS OF HIS WARFARE, BUT IN HIS GOD (1 Sam 17:40). Using a sling and some stones were far from the conventional weapons of

the day. Not only did David reject Saul's armor, he used tools that were seemingly useless to anyone else. Even so, his faith did not rely on the strength of his weapons, but in the strength of his God.

We are inundated with books on warfare, tools for prayer, and guidelines for deliverance. In the end, it is our faith that overcomes the world. We must never confuse any prayer method or strategy with our confidence in God's Word or will. Where prayers are a vehicle of deliverance, it is our faith that is the fuel.

HE WAS NOT EASILY INTIMIDATED (1 Sam 17:44-47). Even though the voice of the enemy shouted in his ears, David was unmoved. He did not confront this giant ill-prepared. He went in with the full knowledge of what he was facing and ran towards the enemy without hesitation.

The enemy will be relentless, and we must be prepared to face the constant threats and accusations. If we have filled our hearts and minds with God's word before the battle, it will be God's word that pours out of our mouths when we face that battle. Our courage comes from knowing God's voice and the words He speaks. We then become conduits of heaven, issuing the decrees and purposes of the reigning King.

HIS TARGET WAS SPECIFIC (1 Sam 17:49). David knew that the target was critical. As he declared the word of the Lord to this towering enemy, he put his faith in the supernatural power of his God and thrust that faith towards Goliath's head. Aiming where it mattered most, David hit the target and brought the enemy down.

As we pray and intercede concerning the giants we face, both personal and corporate, the Lord will give specific targets for the specific strongholds. It isn't necessarily "more" prayer that will assure success, but prayer that is specifically aimed at the lies of the enemy and source of attacks. Effective intercession requires specific targets that are accurate and measurable.

HE DID NOT BATTLE AS CULTURE DICTATED (1 Sam 17:50). It says that "...there was no sword in the hand of David." Where protocol expected a warrior to take a sword into battle, David took his staff, sling, and 5 stones. This giant was first taken down by the stone but was then killed with his own sword. David used the enemy's weapons against him. In a powerful prophetic act, David killed the giant with his own sword, decapitating and forever silencing the voice of the enemy.

Every battle is different. Where one battle may require a particular weapon and approach, another battle may necessitate something else. We must be sensitive to the Holy Spirit and not assume the battle plan. God's purposes are higher than ours and we must face these giants from heaven's perspective and not our own.

HIS IDENTITY WAS NOT IN BEING A WARRIOR, BUT A SON (1 Sam 17:54, 58). Before David took the head of Goliath to the king, it says he "...put his armor in his tent." It appears he left his weapons and implements behind when going to the palace for his reward. He did not concern himself with being presented as a warrior, but merely as "the son of your servant, Jesse."

At a time when being "warriors" is very popular in prayer circles, we must never forget that we are sons and daughters first. We were not created to live on the battlefield, but in the palace. Though we will face giants and use various weapons of warfare, our identity must be secured as those who rule and reign with our Heavenly Father.

David's example should stir us to consider how we approach the giants in our lives and in this nation. If we are to be effective in prayer, we must daily practice His presence. We must continually fill ourselves with the word of the Lord and know who we are. As we overcome our own battles, we will be entrusted with greater authority that can impact nations. It is not the size of the giants that matter, but the size of our faith that will be determined by our daily walk as sons and daughters of the King.

Jesus doesn't hold your past against you.

**You're never too far gone
to come back home!**

Bruce & Linda Dietler, Kansas

A number of years ago, the Lord began to minister to our hearts about "throwaways". Seemingly out of nowhere one day, He dropped the following into my heart:

Beer cans and cigarette butts, Candy wrappers and fish bones, Yesterday's paper and worn-out clothes: All are throwaways. But people are for loving, encouraging, inspiring, communicating, working with and recycling. People are not throwaways.

Living in rental homes which were on the market to be sold, we had now moved six times within two years. Each time a house sold, we had to move. As we were now being told that we were about to become dispossessed again, the desire to find a permanent home became a matter of urgency. Having no jobs at the time, no income, and very little money to our name, our selection was limited. The home that we ultimately purchased could easily have been the one that Marsha Burns saw in a vision, or it could have been the house from The Munsters TV show! Regardless, it would have been considered a "throwaway" by most others.

from: Small Straws in a Soft Wind by Marsha Burns Jan 13, 2015

"In a vision I saw an old and completely dilapidated house. The foundation was cracked, the exterior siding was rotting, and it needed

new windows and roofing. The interior of the house was badly damaged and in need of repair. I watched as the cracks in the foundation were filled in, and the exterior of the house, roof and windows were replaced. In the interior, the wiring and plumbing were repaired, the walls were replaced and painted, and the appliances were upgraded. What was once condemned became a beautiful habitation. And, the Lord said, "Behold, My House!"

Ephesians 2:19-22 Now, therefore, you are no longer strangers and foreigners, but fellow citizens with the saints and members of the household of God, having been built on the foundation of the apostles and prophets, Jesus Christ Himself being the chief cornerstone, in whom the whole building, being joined together, grows into a holy temple in the Lord, in whom you also are being built together for a dwelling place of God in the Spirit.

Our "new" home was a two-story farmhouse, built in 1888, which had been dragged by horses over logs for a distance of three miles at the turn of the last century. Now it had lost whatever former glory it might once have possessed, and it had sunken in on its limestone foundation, bowing up all the floors in process. Plaster and walnuts were falling from the ceilings. Squirrels, which had made a raceway through the attic from a large walnut tree on one side of the house to one on the other side, had stored vast quantities of walnuts in the attic floor, and they were now raining down on us. Several squirrels which hadn't successfully completed the transit now lay as mummies in the attic dust. According to some, the house literally should have been torn down, but God had given us a greater vision, so we and our daughter moved in and began to renovate it.

We knew absolutely nothing about major house renovation at the time, and we spent weeks deconstructing everything down to bare walls and floor joists. We carried over 11 tons of lath and plaster in our little Chevy S-10 pick-up 40 miles roundtrip to and from the landfill; cut out and removed all the floorboards on the first floor; mixed concrete with the aid of a small, portable mixer, and created a reinforced stem wall around the entire inside perimeter of the foundation in order to stabilize it and prevent it from literally falling down. How critical is the foundation to any house! This began the years long process of restoration.

As suggested to us by a contractor, our primary source of supplies became dumpster diving at construction sites. Most all the lumber, plywood, siding materials and much

else used in the project were somebody else's throwaways. The house had no upstairs plumbing, so we became plumbers. We worked from the top down by utilizing a hand-drawn sketch on a piece of cardboard done by a kindly salesperson from a local building supply store. With the help of a couple from church and subsequent inspection by a building inspector friend, we also became electricians, rewiring the entire house. We replaced all the windows with mis-sized rejects from suppliers, and we made the window frames fit the windows rather than the other way around. Our paint was what would have been throwaways from a paint store. The exterior house color resulted from mixing together 22 gallons of mis-tint paint, for a total cost of less than \$100. That final color, an interesting light beige, must have been just what the Lord wanted. Several folks have since stopped by to ask what the color is and where we got it! The Lord certainly has a sense of humor to use us for such a project. It seems almost perversely funny looking back on the entire affair, but it certainly wasn't funny at the time. Purely by the grace of God, our marriage survived, and we have been told that the finished product looks great!

The Lord had spoken to our hearts years earlier and confirmed through a prophet that He wanted us to take throwaways and make something beautiful out of them as intercession for what He wanted to do in the church and in the nation. We had no concept at the time of what all that would entail, or what direction our lives would take as a result. We said, "Lord, why can't you use a knowledgeable contractor for this. We both have college educations in other subject matters and could get 'real' jobs." But we continued to follow the leading of the Lord and to obey, though no one else understood.

Several years ago, as Dutch Sheets was ministering in Wichita, during the course of his message he stopped and abruptly shifted gears. Totally off topic from the message, he said, "The church needs to get ready. What they see as throwaways, God sees as treasures." He proceeded to share some of his personal testimony of how he, at age 18, due to great trauma in his life, had gone far from the Lord. He was sitting in a bar one night getting drunk, and the Lord spoke to him, "What are you doing here?" Startled, Dutch answered by saying, "Lord, what are YOU doing here?" The Lord responded, "I came for you!" At that point Dutch left the bar, recommitted his life to the Lord, and has never looked back. Dutch would have been considered by the church to be a throwaway yet look what a treasure the Lord created through his life!

Many individuals have faced rejection or hardship in life or have just struggled to find God's direction. I count myself among those who have wrestled with the Lord over the years thinking that at some point I would have a "great" ministry, all the while seeing my life passing by while seemingly having accomplished nothing of lasting value. The

Lord responded to my anxiety one day with a rhetorical question: "What is a 'great' ministry?" He answered His own question: "one life." Even as the Lord saw the house in Marsha Burns' dream as His house, so too is every believer His house. It is Christ in us, the hope of glory. What are we doing with His houses? Do we value our every interaction with others as true ministry? Do we desire to see God's glory manifested in and through each life, or are we looking for that "greater work"? Every person has likely been regarded by someone else or by society as a "throwaway" in some way, shape or form. I didn't become the heart surgeon my dad wanted me to be. Many have struggled with addiction or marriage issues or business failure, but the Lord sees each individual as special, valuable, and worthy because of the shed blood of His son. We had the privilege of leading my dad to the Lord at age 79; my grandmother at age 88 (even though in the past she demanded that she just wanted to die and go to hell to be with all her friends). We led Linda's granddad to the Lord at age 99, and multiple others.

While my dad was at home, in Hospice care, just before he passed away, we had driven from Atlanta to New Jersey to see him while on our way back to Wichita. This was about two weeks after I had led him in prayer over the telephone as he accepted Christ as his personal savior. While we were visiting with him now, he reminisced that he had lived a good life, but there was only one thing in life that had disappointed him. I asked, "What's that, dad?" He replied, "You! Why have you thrown away jobs and education " I stopped him mid-sentence and said, "Wait, dad. Hold that thought. I'll be right back." I went out to the car and got our book of personal prophecies which we had received over the years. Leaving home for this trip, I had run back into the house at the last minute to retrieve this notebook. I just felt compelled to grab it before leaving. One word it contained had been received in Tulsa three years prior during the time of our ordination. It said in part, "Your family is laughing, and they think and they say, 'Why have you thrown away jobs, why have you thrown away education to serve a God that's only in your mind, sayeth the Lord'. I read back to dad, completing his sentence, word for word, from this Word we had received from the Lord a full three years earlier. Astounded, that turned his heart on the spot, as he gave me his blessing to follow God and to do what He had called us to do. Now that was a great work!

So, what is that greater work you are desiring to do for the Lord? Is it casting out devils? Is it healing the sick? Is it setting captives free? Perhaps we need to rethink what the Lord considers to be a great work. Though the Lord has empowered each of us, as His disciples, to do these important works, we have come to believe that the "greater work" involves fully yielding to the Lord's direction for your own life – not what He has called someone else to do. Following God's cloud of glory instead of the

approval of others is what will please the Father's heart and what will bring forth those words we all desire to hear in the future - "Well done, thou good and faithful servant. Enter into the joy of the Lord".

The Lord gave Linda a vision in which she saw Jesus sitting in a wheelchair as a quadriplegic. Though His head was fully alert and active, yet His body was not functioning. He later explained this vision to me with the words, "The body is refusing instruction from the head." We are Christ's body. Each of us is created to be a supplying joint working in concert with and ministering to the needs of the rest of the body. Not every joint is designed to do the same task as the rest. Imagine if every joint responded simultaneously in exactly the same manner to a single command from the head. It would be chaos! We each need to heed specific instruction from the head, Jesus, as He directs us, individually. We may not all have a "flashy" ministry; we may not all be world-changers in the eyes of man, but each joint receiving and obeying instruction from the head is immensely important to the proper functioning of the entire body. Never forget that!

We are called to rule and reign in life in Christ Jesus. Be encouraged. You are not a throwaway. Our nation is not a throwaway. God is not done with you, and God is not done with this nation. As we move with the Father's heart of love and compassion, doing what He has called us each to do, speaking forth His word which puts our ministering angels to work, God will assuredly confirm His word with signs following. His glory shall cover the earth as the waters cover the seas, and we will see that, in fact, we have taken part in a "great ministry."

Nate Johnston: SOME TRUTH FOR PIONEERS & DREAMERS IN THIS SEASON.

A few weeks ago I kept hearing the Lord say "Strike while the iron is hot!" And I felt this was an instruction but also revealed the season we are in.

For those carrying dreams and purpose -it's not a time to sit waiting and hoping somehow what you are carrying will reveal themselves - it's a time to steward them and pay them attention.

This isn't a time to survive but to thrive.

The unknown you are seeing isn't your prison - it's your opportunity.

This is your time to build, create, and launch, not shut down, give up, and hide.

It's not a time to focus on what is ending and what isn't working anymore but what is beginning and what has a fresh wind on it.

Your backlog of unfulfilled dreams and ventures that have not been launched aren't a sign of barrenness but that you are about to have a multiplied harvest.

You are not creatively blocked like you think nor have you lost your anointing; you just can't run on the fuel you used to.

The discontent and dissatisfaction you are feeling is only telling you that you are breaking new ground.

The warfare and resistance are just the enemy scared that you have never been closer to the bullseye in your life.

The attack on your nights, your sleep, and your dreams are a major sign that you are in a RECEIVING DOWNLOADS season. You will get your nights back and you will pick up what God is trying to get to you.

The pandemic did not defeat you and the storm did not take you out and now you are going to make up for lost time and launch into what has looked impossible.

You do not have to wait until your ducks are in a row. You do not have to have it all figured out. Holy Spirit is equal partner in this adventure.

It's a time to see what has been sitting and collecting dust finally catch the wind and manifest.

It's time for pages of hour notebooks and journals to meet the light of day and be written for the world to see.

It's time to BUILD what you have been seeing and not sit on it another day.

It's time to break past all limitations and refuse to do another season in bondage when you could be creating with God.

This is your assignment, and this is the tension you are living in - you weren't called to dream and birth according to the climate around you but according to the kingdom inside you.

The new thing is your forte, the never before seen thing is your baby, and those crazy expressions, topics, themes, and language is what you have been given to broadcast to the world.

"Breakthrough with Steps of Faith!" Anne Ballard, Bedford, TX

In this season, God is refining and strengthening the Body of Christ. He is revealing weaknesses in the infrastructure and preparing a beautiful Bride full of character and love. God is encouraging us to choose Him and ask for wisdom as we process the things in our lives. He is a good Father that longs to instill identity in us and release an abundance of blessing on us. If you are sowing or plowing seeds, God wants to bless you in your steps of faith, no matter how small. The breakthrough you are contending for is not far beyond your reach; keep waiting expectantly for Him.

Prepared Bride

"For the Lord gives wisdom, and from His mouth come knowledge and understanding." (Proverbs 2:6)

When the snowstorm hit Texas (and other areas not known for snowstorms) in mid-February of 2021, it revealed some weaknesses in the infrastructure. Because we were exposed to colder temperatures (colder than usual) for longer than we usually are, there were problems that we don't usually encounter, like power outages, frozen pools, burst pipes, etc. *Some were prepared for this and others were not.*

Could it be that this picture in the natural is preparing us for something in the spiritual realm? His wisdom is showing us in the natural what we need to do in the spiritual. Just like the parable of the ten virgins (Matthew 25), Jesus illustrates how five of them were wisely prepared with oil in their lamps and how five were not. Some believe that the oil is representative of relationship and history with the Lord. Bob Jones, a well-known prophet, prophesied of a coming billion-soul harvest. What if this unprecedented storm was a wake-up call to prepare to care for those souls?

God is exposing weaknesses to allow us to be refined and strengthened. Experiences will build character if we are submitted and willing to participate. Could this be a warning to the Body of Christ that some are not prepared? What could you do to prepare for this harvest? Who will disciple them? It's time to get prepared. This word is for the entire Body of Christ. Ask God to show you what you need to prepare for the coming harvest of souls. How can you make sure to grow your roots so that you are deeply anchored in Jesus and the Word of God?

The Lord Is with You

"The Lord is with you when you are with Him. If you seek Him, He will be found by you, but if you forsake Him, He will forsake you'...All Judah rejoiced about the oath because they had sworn it wholeheartedly. They sought God eagerly, and He was found by them. So, the Lord gave them rest on every side." (2 Chronicles 15:2, 15)

The story of Asa, king of Judah, is told in 2 Chronicles 14-16. Asa started strong by doing what was good and right in the eyes of the Lord. He removed foreign altars and high places. He smashed sacred stones and eliminated Asherah poles. He even instructed Judah to seek the Lord, the God of their fathers, and to obey His laws and commands. Asa trusted the Lord and sought Him in all things. Because of this, God gave him victory in battle and rest on all sides.

After some time, God sent a prophetic word through Azariah for Asa. After that, he once again removed the idols in the land and led the people of Judah into renewing their covenant with the Lord. There they offered sacrifices that pleased God. There was no more war until the thirty-sixth year of Asa's reign.

Rather than turning to God for wisdom in how he should handle a border battle, he sought an alliance with a neighboring king. Hanai, the seer, came to him to tell him that because he had relied on the king of Aram instead of God, the army escaped his hand. He ended by telling Asa, "...You have done a foolish thing, and from now on you will be at war (2 Chronicles 16:9)." Asa lost favor with the Lord because He stopped valuing and pursuing a relationship with God. This caused him to enter into war.

In the Bible, it was made very plain to God's people how to keep themselves pure (don't intermarry, kill off the bad people, etc.), but in this day and age, it can feel less plain. When we seem to be constantly bombarded with messages of conformity, compromise, and apathy, it can be easy to not stand firm in our faith.

Asa was favored by the Lord until he chose his own plan over his relationship with God.

God longs to live in covenant with us, He longs for us to process the things in our lives with Him on a daily basis. His wisdom is always available to us if we ask, but we must ask. For we can have knowledge, but without wisdom or understanding it is not useful.

God is inviting us to choose Him and to know Him. His promise to us is that we will always find Him when we seek Him. He is challenging us to press into intimacy, constantly and intentionally choosing to go back to Him and His ways, to value His wisdom, and to trust Him.

This word is for people that feel like they have not had success lately or like they're in the midst of a battle. Choose to cultivate a lifestyle of intimacy with the Lord. Seek Him and He will be found by you. He longs for our constant return to communion with Him. He wants to co-labor with us. He longs to partner with us and find answers together.

The Joy of the Blessing

"The thief comes only to steal and kill and destroy; I have come that they may have life and have it to the full." (John 10:10)

Good fathers love to bless their children—whether they deserve it or not. God is a good Father, and He delights in blessing His kids. Sometimes when we experience a blessing from our Father and we come face to face with the need in others, we can be tempted to feel guilt for the abundance that has been sent our way. As Believers, we are set apart to glorify God and set apart to be a blessing. The enemy can come in with guilt and try to divide us and to deprive us of the joy of God's blessing for our lives. At times, guilt can paralyze us into inaction, which is just what the enemy wants. It can also confuse us.

The Lord does not send guilt, but instead, the Holy Spirit convicts—which is always accompanied by the grace to accomplish what He's calling you to do. The Holy Spirit does not condemn, for there is no condemnation for those who are in Christ Jesus (Romans 8:1).

Often God's conviction is so sweet, even heartbreaking, when the beauty of His plan becomes evident. The enemy is a thief, and his plan is to divide, distract, kill, destroy and deprive people of joy. We must guard against unrighteous guilt that makes us want to reject the blessing that God has for us.

God is strengthening our identity and releasing His blessing on us. He is shining light on the enemy's plan to rob us of our joy. This word is for people that have been feeling guilty. Sometimes we can feel guilt that is legitimate, but unrighteous guilt means there is no reason for you to feel guilty because you didn't do anything wrong. By receiving a blessing, you are not doing anything wrong.

An example of this is if you have felt guilt over getting a promotion when you know others who are struggling financially. Can you bless and support those around you that are hurting or in need? Absolutely, but don't feel guilty about the fact that God is blessing you.

Take hold of God's blessing for you! See it for what it is and ask God if you are to share it with anyone. You will always be blessed by blessing others. Greater blessing is unlocked when we can push past guilt and receive from the Lord. You cannot embrace and receive the blessing (all that God has for you) when you're wrapped up in guilt.

Breakthrough Faith

"By faith Moses' parents hid him for three months after he was born, because they saw he was no ordinary child, and they were not afraid of the king's edict."
(Hebrews 11:23)

Although we know that nothing is impossible for God, sometimes if we only focus on our external circumstances, we can become discouraged. Pay attention to when the things God has put on your heart start to become "too big" or "impossible" for Him. Take heed of what you KNOW He has already said to you. Keep your prophetic words in front of you and surround yourself with those who believe in the calling on your life or your word from the Lord.

Even when it does not look like how you expected it to look, or when *you* don't look how you thought you'd look when it happens, it's important to still take a step of faith. It is impossible to please God without faith. When Moses was born in Egypt the king had commanded the midwives to kill every little boy that was born; so, his Mom, after hiding him for three months, put her son in a basket in the water. What faith this took!

2021 is a year of breakthrough that many have been waiting for for a long time! God is bringing breakthrough when we take a step of faith. He's reminding us of who He created us to be, reminding us of what He's already told

us, and He's inviting us to take the next step of faith without knowing what the next ten steps are going to look like.

This word is for those sowing seeds and those plowing those seeds. It's for people that are expectant for their breakthrough or maybe even feeling stuck. They might have an opportunity that doesn't fully line up with what they thought it would look like, but they feel compelled to take the step anyway—even though they don't know how the next ten steps will work out.

Take the step-in faith to see if God meets you or fully opens the door. Wait expectantly for God to reveal the next step, knowing that He will. Remind yourself of testimonies of God's faithfulness, revisit your prophetic words and be intentional about surrounding yourself with faith-filled, supportive people.

Declarations:

- *God is strengthening and preparing His Bride.*
- *My roots are being deeply anchored in Jesus.*
- *I fully receive the blessings God wants to give me.*
- *This is a year of a breakthrough by steps of faith!*
- *I am expectant of God's faithfulness in my story.*

ALL IS NOT LOST: ANGIE STOLBA, WASHINGTON, IL

Many have felt to be in such a dark night of the soul. The enemy has sought to relentlessly wear you down in this season through the many trials that you have encountered. Some of you feel as though you are barely hanging on, yet I hear the Lord saying, "Beloved, all is not lost!"

The popular worship song, *Graves Into Gardens* by Brandon Lake, has been resonating with my spirit recently. Just as the song says, "You {Lord} turn graves into gardens. You turn bones into armies. You turn seas into highways. You're the only one who can..." the Lord is turning graves into gardens in this season. He is bringing life to what has appeared to be dead and beyond repair.

When Abraham placed his beloved son, Isaac, on the alter as an offering to the Lord, it appeared that all was lost; yet the Lord provided. Before he could sacrifice his only child, God sent a spotless lamb, making a way when there did not appear to be one (Genesis 22:13).

Like Abraham, many of you have placed all that is dear to you on the alter, and it would appear as though all of your dreams have been lost. Yet I hear the Lord saying, "I am the God of restoration. I am the only one who can bring the dead things back to life. Do not allow yourself to become bitter or disillusioned by those things that the enemy has sent to discourage you. I am the God who delights in taking what was intended for harm and turning it for your favor (Genesis 50:20)!"

Though things may seem dark right now, and you did not anticipate all that has come against you, hold steady. Keep your eyes on Him. The battle belongs to the Lord (1 Samuel 17:47)!

I break off deferred hope in the name of Jesus! The Lord is with you, and He is for you. He is making a way for you, even if you cannot see it. He is making all things new, so take hope. All is not lost!

"I will repay you for the years the locusts have eaten – the great locust and the young locust, the other locusts and the locust swarm — My great army that I sent among you. You will have plenty to eat, until you are full, and you will praise the name of the LORD your God, who has worked wonders for you; never again will My people be shamed." (Joel 2:25-26)

Sapphire Throne Ministries: FLY WITH WINGS OF AN EAGLE

Robin Main

"My children must stay in the earth during tribulation for there will be those that want to cross over from the darkness into the light and you must be there for them. There will be those among you who will teach, deliver, and heal. Others will fly Isa. 60:8... Rev, 12:14 hither and yonder, to and fro as with Rev. 12:6,14 wings of an eagle setting men free from their bondage."

"But the woman was given two wings of a great eagle, that she might fly into the wilderness to her place, where she might be nourished for a time and times and half a time, from the presence of the serpent. Rev. 12:14

Enclaves of Safety

Arise, shine; for my light has come! And the glory of the Lord has risen upon you... Isa 60:1. You will shine like the noon-day sun. I will send you out two by two and you will

be led by My Spirit. I will be in you, on you, and around you for you are just along for the ride for it will be by My Spirit, says the Lord. Not everyone will receive you but try to kill you as they did Me before it was My time for the crucifixion.

"My children must stay in the earth during tribulation for there will be those that want to cross over from the darkness into the light and you must be there for them. There will be those among you who will teach, deliver, and heal. Others will fly... Isa. 60:8... Rev, 12:14... hither and yonder, to and fro as with... Rev. 12:6,14... wings of an eagle setting men free from their bondage."

Jesus said He could not return until the Gospel had been preached to ALL nations. The examples He gave: "In the morning you could find yourself in the Himalayas preaching to the Monks, by lunch you could be in the Andes raising a dead child, by dinner time you could be having fish over an open fire with the Eskimos.

In these enclaves/refuge/wilderness/sanctuary of safety (not unlike the Land of Goshen...Gen. 45:10), you will be entirely safe from the enemy and the effects of tribulation. As the harvest workers are sent out to bring in the harvest to these enclaves, "Only with your eyes shall you look and see the reward of the wicked." Psa. 91:8.

The children of light will do greater works than Jesus... John 14:12. They will be transported around the globe where needed, heal the masses, go into the camps of the enemy and bring out the captives, and deliver from Satan the bound. The harvest workers will help those that did not finish their trek up the Holy Mountain before Christ came for His Bride. Matt 25:6.

Jesus Christ/ Yeshua HaMashiach says, "I will have a full house."

Johnny + Elizabeth Enlow: This Present Rapture

For those looking forward to "the rapture" we are actually going through a powerful one right now. It is "the rapture" described in Proverbs 2:21,22.

"For the upright will dwell in the land, and the blameless will remain in it; But the wicked will be cut off from the earth, And the unfaithful will be uprooted from it."

If you didn't like that New King James Version of the Bible, let's now read it in the New Living Translation.

"For only the godly will live in the land, and those with integrity will remain. But the wicked will be removed from the land, and the treacherous will be uprooted."

If that wasn't "the rapture" you were hoping for at this time, go ahead and make the adjustment. This rapture is about THE TREACHEROUS BEING UPROOTED. For the rest of you/us the assignment is REMAIN and REMAIN WITH INTEGRITY. BE the preserving SALT of the earth. BE the darkness-expelling LIGHT of the world.

AMERICA...FEAR NOT! FOR I AM BRINGING YOU FORTH FROM THE FLAMES OF AFFLICTION AS PURE GOLD, LISTEN! AS THE ROAR OF THE LION OF JUDAH NOW AWAKENS THE DEEP SLEEPERS, AND THE GREAT EAGLES WILL RISE FROM THE FLAMES COVERED IN THE GOLD OF MY GLORY CARRYING THE FIRES OF REVIVAL UPON THEIR WINGS".

ESTHER, AMERICA A FORERUNNER NATION FOR FREEDOM AND JUSTICE!

So three night ago I had a powerful dream, it was not a long dream but when I woke up, I was overcome with a deep travail and weeping for the Nation of America as I began to cry out for this Nation, suddenly I was shown ESTHER, and how Esther was prepared by Mordecai, AS A FORERUNNER FOR THE FREEDOM OF GODS PEOPLE FROM CAPTIVITY AND BONDAGE now as I looked at Esther, I heard these words, "LIKE ESTHER THAT WAS PREPARED BY THE LEADING OF MORDECAI, AND RAISED UP AS A FORERUNNER FOR THE FREEDOM OF HER PEOPLE, SO NOW MY SOVEREIGN HAND IS MOVING STRATEGICALLY IN THIS HOUR TO PREPARE THE HEART OF THIS NATION, TO BE A FORERUNNER NATION AMONG THE NATIONS THAT WILL CRY OUT FOR THE FREEDOM AND LIBERTY OF CAPTIVE NATIONS, WATCH! FOR THE SCEPTRE OF MY FAVOUR WILL NOW BE EXTENDED TOWARDS THE NATION THAT HAS BEEN PURIFIED AND IN THE FIRES OF AFFLICTION"!

BOUNDARIES OF NATIONS BEING REALIGNED AND REARRANGED; THE GOLD OF HIS GLORY AND THE TONGUES OF REVIVAL FIRE!!

As I heard those words, suddenly I felt an intense HEAT hit me in the dream, and a searing hot wind began to blow round about me, and as the hot winds got more and more intense, I began to cry out to the Lord for the land, when suddenly I was caught up higher in the dream, and I found myself standing looking down at the Nation .where I was shown a small fire burning at the very center point of the Nation, and as I looked down at the small fire which was flickering in the darkness, suddenly, I could see beautiful big Mountains on one side and a long winding River on the other side, and then I heard the Spirit of Revelation say, "WATCH! FOR BY THE SPIRIT AND POWER OF ELIJAH, I WILL SHAKE, SHAKE, SHAKE THE GREAT MOUNTAINS OF THIS LAND, AND THE WATERS OF THE RIVERS WILL BEGIN TO RISE, FOR A GREATER OUTPOURING OF MY SPIRIT IS NOW COMING TO THIS NATION LISTEN! FOR THE ROAR OF THE LION OF JUDAH SHALL SHAKE THE FOUNDATIONS OF THIS NATION. AND THE CRY OF THE GREAT EAGLE SHALL SHIFT THE SPIRITUAL ATMOSPHERE,..FOR A DIVINE SEPARATION IS NOW TAKING PLACE, FOR THE BOUNDARIES OF THIS NATION ARE NOW BEING REALIGNED AND REARRANGED, WATCH! WHAT COMES FORTH FROM THE FIRES IN THE DAYS AHEAD. FOR THE WINGS OF THE GREAT EAGLE SHALL DRIP WITH TONGUES OF REVIVAL FIRE. AND THE SOUND OF THE ROAR OF THE LION OF JUDAH SHALL AWAKEN THE NATIONS FROM A DEEP SLEEP FOR THE GOLD OF MY GLORY IS COMING TO THE NATIONS IN THE MIGHTY RUSHING RAINBOW RIVER OF MY SPIRIT WITHIN THE GREAT WHIRLWIND OF MY WORD"!

As I heard those words my eyes were drawn again back to the fire which was burning at the center of the Nation/s, and then I heard the Spirit say, "WATCH AS THE SEARING HOT WINDS OF MY SPIRIT BEGINS TO BLOW FORTH UPON THE FIRE", and as I heard the Spirit speak, suddenly, I saw a GREAT WHIRLWIND BEGINNING TO FORM IN THE HEAVENS, and as I looked at the Great Whirlwind, I saw what looked like ANCIENT SCROLLS WITHIN THE WHIRLWIND, SCROLLS THAT WERE SEALED WERE NOW BEING OPENED, .AND AS I WATCHED THE ANCIENT SCROLLS UNRAVELING WITHIN THE WINDS OF THE MIGHTY WHIRLWIND, I SAW THE WORDS THAT WERE WRITTEN ON THE ANCIENT SCROLLS BEGIN TO LIFT OFF THE PAPER AND SWIRL VIOLENTLY WITHIN THE WHIRLWIND, and I watched as the GREAT WHIRLWIND BECAME AS A WHIRLWIND FILLED WITH THE WORDS OF THE ANCIENT SCROLLS" and as I looked at this taking place in the dream,

THE WHIRLWIND OF THE WORD AND THE RAINBOW RIVER OF THE SPIRIT COLLIDE!!

Suddenly, I saw a MIGHTY RUSHING RAINBOW RIVER coming out of the deeper realms and dimensions of the third heaven, and suddenly I saw the GREAT WHIRLWIND WHICH WAS FILLED WITH THE WORDS OF THE ANCIENT SCROLLS COLLIDING WITH THE MIGHTY RUSHING RAINBOW RIVER, and then I heard these words loudly echo in the realm of the Spirit, "FOR THE GREAT WHIRLWIND OF MY WORD AND THE MIGHTY RAINBOW RIVER OF MY SPIRIT SHALL COLLIDE AND COME TOGETHER TO SHAKE, SHIFT AND SIFT THE NATIONS OF THE EARTH THAT STAND IN THE VALLEY OF DECISION FOR NOW THE SPIRIT AND POWER OF ELIJAH SHALL BEGIN TO MANIFEST IN THIS NATION, .AND IN THE NATIONS OF THE EARTH WATCH! AS THE WHIRLWIND OF MY WORD AND THE RAINBOW RIVER OF MY SPIRIT GOES FORTH IN POWER AND MIGHT TO CHANGE, TRANSFORM AND REFORM THE LANDSCAPE OF THE NATIONS OF THE EARTH"!

ALL CREATION IS GROANING FOR A MANIFESTATION OF THE SONS OF GOD!!

And as those words went forth in the dream, my eyes were drawn back again for a third time to the fire that was burning at the center of the Nation, and suddenly I heard the sound of WEEPING, A SOUND OF DEEP TRAVAIL BEGAN TO RISE, and as the sound penetrated the atmosphere, I SAW THE MOUNTAINS

BEGIN TO TREMBLE AND THE WATERS OF THE RIVER BEGAN TO RISE, .and as the sound of weeping and deep travail continued to fill the atmosphere in the dream, suddenly I heard a new and different and distinct sound begin to rise up from the ground, and as I listened to the two sounds rising up before the heavens, I heard these words, "LISTEN FOR THE SOUND OF ALL CREATION IS GROANING, GROANING FOR THE MANIFESTATION OF THE SONS OF GOD" , and as I heard those words,

THE SOUND OF THE GOLD THREE STRANDED CHORD AND THE SONG OF THE AGES RISES.

I saw the sound of the ground of the and the sound the saints in deep travail rising together, and then suddenly, I heard a third sound coming out of the heavens, a sound that was yet again different and distinct from the other two sounds, and then I saw what looked like a gold three stranded cord come up before me in the dream, .and as i looked at the three stranded cord, I saw that the gold cord were the three different and distinct sounds that were coming together in the spirit realm.

DIVINE CONVERGENCE THAT AWAKENS THE DEEP SLEEPERS AND UNLOCKS THE DOOR OF REVIVAL AND REFORMATION!!

And then I heard these words," LISTEN! FOR A DIVINE CONVERGENCE OF SOUNDS WILL TAKE PLACE IN THE HEAVENS AND OVER THE NATIONS OF THE EARTH, A SOUND OF DIVINE DISTINCTION, YES! A GOLD THREE STRANDED CHORD, AN ANCIENT SOUND, A SONG OF THE AGES SHALL RISE AND COME TOGETHER THAT SHALL AWAKEN THE DEEP SLEEPING NATIONS TO THEIR TRUE IDENTITY AND KINGDOM AUTHORITY. A SOUND THAT WILL UNLOCK THE DOOR OF REVIVAL AND REFORMATION IN THE NATIONS OF THE EARTH"!

As I heard those words, the dream shifted again, and I saw the fire that was burning at the center of the nation, and I saw the fire suddenly begin to grow and expand as the ancient sound and the song of the ages filled the atmosphere, and, I watched as fire burned brighter and brighter, and the flames of the fire rose higher and higher.

THE FIRES OF REVIVAL SHALL COME ON THE WINGS OF THE GREAT EAGLE!!

Then suddenly I heard the sound OF THE CRY OF A GREAT EAGLE COMING FORTH FROM WITHIN THE FIRE, A CRY THAT PIERCED AND PENETRATED THE VEIL OF DARKNESS THAT COVERED THE NATION, and then suddenly, .I saw A GREAT FIREY EAGLE COMING OUT OF THE FIRE, A GREAT EAGLE WITH BLAZING WINGS OF GOLD WHICH DRIPPED WITH TONGUES OF FIRE, AND I WATCHED AS THE GREAT EAGLE FLEW FORTH ACROSS THE LAND, AND AS THE FIREY GREAT EAGLE FLEW, I WATCHED AS THE TONGUES OF FIRE WHICH DRIPPED FROM ITS WINGS FELL DOWN UPON THE LAND, AND HUNDREDS, UPON THOUSANDS OF SMALL FIRES BEGAN TO BURN BRIGHTLY ACROSS THE LAND, and then my eyes were drawn back to the fire from where the Great Eagle had emerged, and I saw more and more great eagles coming forth from the flames, .each one had wings of gold that dripped with tongues of flaming fire, and I watched as the Great FIREY EAGLES FLEW FORTH ACROSS TO ALL FOUR CORNERS OF THE EARTH SOME FLEW TO THE NORTH, SOME TO THE SOUTH,THEY FLEW TO THE WEST AND TO THE EAST OF THE NATIONS OF THE EARTH, CARRYING THE FIRES OF REVIVAL ON THEIR WINGS!!!!

THE SEVEN MOUNTAINS AND THE SEVEN HEADED SERPENT SPIRIT THAT CIRCLES THEM LAYING SEIGE TO THE WEALTH OF THE KINGDOM!!

As I watched this taking place in the dream, suddenly the dream shifted and I saw again the Great Whirlwind of Words from the Ancient Scrolls and the Rushing Rainbow River moving with great power and acceleration towards the Nation of America, and I saw the caps of seven mountains come up before me, and as i looked at the seven caps of the mountains, i saw a seven headed serpent spirit circling the seven mountains, and I heard these words, "FOR THE SERPENT SPIRIT HAS RULED OVER THE SEVEN MOUNTAINS AND HAD LAID SIEGE TO THE WEALTH OF THE

NATIONS, BUT WATCH AS THE WHIRLWIND OF MY WORD AND THE RUSHING RAINBOW RIVER OF MY SPIRIT WILL NOW MOVE UPON THE SEVEN MOUNTAINS, FOR A GREAT SHAKING HAS NOW BEGUN TO TAKE PLACE, FOR THE TIME OF A GREAT TRANSFER OF KINGDOM WEALTH IS NOW HERE" as I heard those words, I saw the Whirlwind and the Rainbow River moving towards the seven mountains and I watched as the SEVEN VIBRANT COLOURS OF THE RIVER OF THE SEVEN SPIRITS OF GOD WITHIN THE GREAT WHIRLWIND BEGAN TO FLOW FORTH UPON THE SEVEN MOUNTAINS LIKE SEVEN MIGHTY TIDAL WAVES OF THE SEA, I WATCHED AS THE RAINBOW RIVER OF THE SEVEN SPIRITS OF GOD BEGAN TO WASH OVER EACH OF THE SEVEN MOUNTAINS.

And suddenly I heard these words echo in the spirit realm, "For The Spirit of the LORD will rest on Him, the spirit of wisdom and understanding, the spirit of counsel and strength, the spirit of knowledge and the fear of the LORD" as those words were quickened to me in the dream, I heard the Spirit say, COME UP HIGHER, LET ME SHOW YOU WHAT IS COME"

Suddenly I woke up and as I opened my eyes. I heard the Spirit say, "AMERICA FEAR NOT! FOR I AM BRINGING YOU FORTH FROM THE FLAMES OF AFFLICTION AS PURE GOLD LISTEN! AS THE ROAR OF THE LION OF JUDAH NOW AWAKENS THE DEEP SLEEPERS, AND THE GREAT EAGLES WILL RISE FROM THE FLAMES COVERED IN THE GOLD OF MY GLORY CARRYING THE FIRES OF REVIVAL UPON THEIR WINGS".

Ps; The dream seemed to end very abruptly and often times when this happens to me I know that the Lord will soon show me more, as the Spirit leads, so I wait with great expectation to see what more will be revealed on the Seven Mountains and the Serpent Spirit and the Great Transfer of Kingdom Wealth that is coming .As I prayed over this dream and this particular aspect of the dream with regards to the SEVEN MOUNTAINS AND SEEING THE WHIRLWIND AND THE RAINBOW RIVER OF THE SEVEN SPIRITS OF GOD HITTING THE MOUNTAINS IT WAS QUICKENED TO ME THE DREAM I HAD ABOUT .TRUMP AND THE FIVE TIDAL WAVES (more to share on this soon).

I SUBMIT THE GREAT TRANSFER OF KINGDOM WEALTH IS STRATEGICALLY CONNECTED TO THE RISING REMNANT/THE EKKLESIA TAKING HER PLACE.THE DESTINY OF PRESIDENT TRUMP AND THE OUT WORKING OF THE

MANDATE THAT GOD HAS GIVEN HIM TO CARRY FOR THE NATION IN THIS HOUR.!!!

Veronika West: A STRANGE DREAM ABOUT TWO DOLLS. "ONE MADE IN CHINA, THE OTHER HANDMADE FOR AMERICA"!

So once again some that read this will think I'm crazy, but God often speaks in strange and mysterious ways to me, I think it's because I have a tendency to be a pretty serious and often rather an intense person, so God knows just how to break through those aspects of my character to speak a clear and concise word to me, isn't HE AMAZING!!

So I want to share a short but really strange dream with you all, where I found myself standing in what looked like a large industrial factory, and what stood before me in the dream were a large number of huge big bags of what looked like weird plastic DOLLS dressed in black and white clothes, but, from where I was standing in the dream, I was not able to see the dolls very clearly, so I stepped a little closer, and as I got up to these huge big bags of strange looking dolls, I was shocked to see that they were in fact dolls that looked like "JOE BIDEN", they were strange looking action type figures of JB, dressed in black and white tuxedos, now as I looked and looked again at my surroundings, I realized that I was standing in a factory that was making and mass producing these plastic action figures of JB, and as I stepped even closer to the bags, I reached out to touch one of the dolls and before I could touch it, I saw a ticket on the back of the JB action figure that said, "MADE IN CHINA" .and suddenly, as I read those words, I heard these words, "WHATS MADE IN CHINA IS CHEAP, AND WILL NOT LAST, BUT WHATS HANDMADE FOR AMERICA WILL STAND THE TEST OF TIME" !!!! (yes, you can call me crazy, but that's what I heard)!!!

Now as I heard those words in the dream, suddenly I saw all the actions figures of JB being thrown into what looked like a large black storage bin, and on the side of the big black bin was a sign which read "TERTIARY RECYCLING", and then I heard these words, "WATCH! FOR WHAT THE ENEMY CREATED FOR EVIL. I WILL TURN, TRANSFORM AND REFORM FOR GOOD AND FOR THE ADVANCEMENT OF MY KINGDOM", and as I heard those words, suddenly the dream shifted, and I found myself standing in what looked like a small Repair shop.

I could smell a strong fragrance of LINSEED OIL in the air, and I could hear the sound of tinkering in the background, and as I looked up I saw a sign that read, "RESTORATION AND REPAIR; THE POTTERS EMPORIUM".

As I looked at that sign, I heard these words, "WATCH! FOR THE OIL OF MY GLORY WILL FLOW FORTH UPON THIS LAND TO BRING DIVINE RESTORATION AND SUPERNATURAL REPAIR TO THAT WHICH HAS BEEN STOLEN AND BROKEN".!

As I heard those words, suddenly I saw what look like an OLD VINTAGE PORCELAIN DOLL, sitting on a work bench, and as I drew closer in the dream, I saw that it was an OLD VINTAGE PORCELAIN DOLL MADE IN THE IMAGE OF PRESIDENT DONALD TRUMP, the doll had auburn hair, and was dressed in a dark blue suit, with a red and white satin tie around its neck, but as I looked a little closer at the porcelain doll of President Trump, I saw that the dolls white porcelain face was badly marked, (like a child had scribbled on its face with a black highlighter pen), its auburn hair was sparse and had been ripped out in places, the hands and the fingers of the doll had small cracks in them, and the clothes on the doll looked worn, faded and shabby, and there were a few small holes in the legs of the trousers, and I noticed in the dream that the Presidential doll was missing a shoe on its right foot, and I also saw that a big piece of the right foot was broken off. I could see that the doll had obviously been well played with, but it had not been taken good care of, and was now in desperate need of restoration and repair.

Now as this strange dream continued to unfold before me, suddenly I noticed what looked like a makers mark stamped on the underside of what was left of the right foot where the dolls shoe was also missing and it read, "1946/HANDMADE MADE FOR AMERICA" ..as I read those words, what immediately jumped out at me in the dream was the word "FOR" .and so I re-read the makers mark again and it read, "1946/HANDMADE MADE FOR AMERICA". As I read those words again, I heard the Spirit say, "WATCH! FOR WHAT IS MADE BY THE HANDS OF MAN WILL NOT STAND, BUT WHAT IS MADE BY THE HAND OF THE FATHER WILL NEVER FALL OR FAIL".

As I heard those words, suddenly the dream shifted and I saw the hand of the Potter of the Emporium take ahold of the old Vintage porcelain doll, and I watched as he began to carefully and gently remove the old and tattered clothes from the Presidential doll, and the worn clothes were tossed aside, then suddenly I saw the Potter doing a strange thing, I watched as he spat onto the marked face of the doll and then he took a soft

cloth and began to wipe away the black marks that had completely covered the expression on the dolls face, as he did this suddenly I saw that the face of the doll being completely washed clean, .and a big a bright smiling expression could be seen once again on the dolls face.

Then I watched as the Potter went to work on the small cracks in the hands and the fingers of the doll, and a small bottle of oil was brought out and put onto the wooden work bench, and I watched as the oil was poured out upon the cracked fingers and hands of the doll, and I watched as the thick golden oil ran into every crack, .filling even the tiniest of hairline cracks within the clay, (porcelain) and I watched as the oil was applied carefully and intricately by the hand of the Potter so the hands and the fingers of the doll were being fully repaired.

Then I saw the Potter turn and give his full attention to the badly cracked and broken right foot of the Presidential doll, and as I stayed watching intently in the dream, I saw the Potter bring a small bowl of water to his work bench, and I watched as the hand of the Potter gently took ahold of the broken right foot of the doll and the what was left of the broken foot was deeply submerged into the bowl of water, and again I saw the Potter doing a strange thing, I watched as seven times the broken foot of the doll was lifted out of the water and then again submerged under the water and in the seventh time I saw thar the right foot of the doll had been completely repaired and fully restored.

Then I saw the Potters eyes look up, and his attention turned to the head of the Presidential Doll which was missing a lot of hair, and suddenly I heard these words, "WATCH! FOR WHAT HAS BEEN DELIBERATELY UPROOTED AND TORN DOWN SHALL NOW SURELY BE PLANTED AND REBUILT, WATCH FOR THAT WHICH SUDDENLY DEPARTED SHALL BE RETURNED, AND MY GLORY SHALL ONCE AGAIN CROWN THE HEADS OF THE RIGHTEOUS"!

I heard those words, I saw the fingers of the Potter touching the hair on the head of the Presidential doll, and I saw a tear falling from his face, as if he knew every fiber of hair that been lost or removed, and as his tear fell upon the work bench, suddenly I saw the Potter breath upon the head of the doll and as he blew so the hair that was gone, suddenly returned, and as I looked and looked again, I saw that the breath of the Potter had fully renewed and restored the hair that had been lost and removed from the head of the doll !

Now As I continued to watch this strange thing unfolding in the dream, again the dream seemed to shift slightly and I saw the Potter do something very strange as he looked at the doll, which was now almost fully repaired and restored, I saw that the OLD VINTAGE DOLL STILL HAD NO CLOTHES and I watched as the Potter began to sing over the doll, a song with a melody that i have never heard before, a song that had a sound that is impossible to describe, but all I knew was that as I listened to the song and the sound being released, WAS THAT IT WAS A LOVE SONG, A SONG SO INCREDIBLY BEAUTIFUL THAT IT CAUSED ME TO BEGIN TO WEEP IN THE DREAM.

As I remained watching and listening in the dream, suddenly I saw what looked like a multi-colored rainbow type of garment beginning to swirl roundabout the presidential doll, and I saw that where the Presidential Doll had been stripped of its old and worn clothes, it was now being fully RECOVERED AND RECLOTHED IN NEW PRESIDENTIAL GARMENTS.

And, As I watched this unfolding before me in the dream, I saw a great transformation taking place, and it seemed like in the twinkling of an eye, thick auburn hair now crowned its head, a new deep royal blue suit covered its body, and a beautiful red and white satin tie appeared around its neck and a new pair of shoes was now upon its fully restored feet.

Now as I looked and looked again in the dream at the now fully restored and repaired porcelain Presidential Doll, suddenly I heard these words," Yet you, LORD, are our Father. We are the clay, you are the Potter; we are all the work of your hand", and as that verse echoed loudly in the realm of the Spirit in the dream, suddenly woke up and immediately began to pray and write down all I had just seen and heard in the dream. Ps: In the coming days I will endeavor to clearly outline some of the prophetic symbolism I have received with regards to this strange dream and how I believe it speaks to what God is doing at this time in the Nation of America!!!

Laws of Life Teaching Series By: Fred M. Moseley, J.D.,LL.M.

The Law of Notice and Warning

The "The Law of Notice and Warning" is also one of the absolute Laws of God. It is established primarily in the message from the Prophet Amos.

"Amos 3:7" KJV

What makes that absolute? God said, I will not do anything unless I first reveal it to my servants, the Prophets. God is saying to us, that anything that He does, which is not reserved to Himself, He will reveal it to one of His. Let us look at the example of child/parent relationship. Can you as a parent envision a situation that you know presents a real danger to your child and you would not give warning to that child, to avoid the danger? Surely, not only would you give warning, but you would give continuous warning, as it relates to any danger that you know confronts your child or children.

Under "The Law of Notice and Warning", Our God, our Heavenly Father, has committed himself to not allow His children to be caught by surprise. There are many accidents, calamities, and tragedies that happen to believers. You can be sure that God warns somebody concerning those occurrences before they happen. If you reflect upon some of the tragedies that have happened, (there may be some that are personal to you), a few days after the occurrence, it never fails that somebody comes and says, I knew something was going to happen, I had a premonition that something was going to happen. Then some Spirit filled Saint's will come to you and blatantly say, God showed it to me. God revealed it to me; God told me exactly what was going to happen.

You wonder why they did not speak before the disaster offered? Praying Saints of old were seldom caught by surprise. They always expected to hear from God. They expected warnings from God concerning their families, finances, their jobs, their health, and anything that they were involved in. They always expected warnings from God. Do we today, expect God to warn us? It is curious, to say the least, that Believer's accept the fact that the government has the responsibility to give notice and warning, but they don't expect God to do the same. In almost every other aspect of our lives, we expect warnings. If I am going into a commercial building where the floors were recently mopped, I expect to see a sign indicating, "Slippery when wet". It is not unusual to see warnings of "wet paint" at different locations when a touch of paint has been recently applied so you do not get your hands or clothes on a freshly painted wall or stairway. In

workplaces, there are warnings of layoffs and shutdowns. Postings are strategically placed to make you aware of where you are expected to function at any given time. You invariably expect that someone should give you notice or warning concerning anything that may affect you one way or another, and if you do not receive such warning you complain. We accept all of this in the natural.

In man's law, there is a clause referred to as the "due process clause". In our Constitution, the due process clause basically says no person shall be deprived of life, liberty or property without "due process of law". An aspect of due process of law is being given adequate warning (or adequate notice) as it relates to a given situation. Believer's have a due process clause in the Word of God.

In fact man's due process clause, (like other laws of man which are derived from Scripture) come from the Word of God. God has said, "I will not do anything unless I give my people notice and warning". Because many of us are unaware of the Law of Notice and Warning in the Spirit Realm, we are destroyed for a lack of that knowledge. In the publication on this law, a definition will be provided for the Law of Notice and Warning, and the various terms will be defined. We shall also explain the difference between conditional and unconditional warnings.

There are some warnings that we get where God is saying that something has been ordained to happen from the foundation of the world, and that He is just warning us so that we can prepare our hearts to deal with it. Nevertheless, the thing is going to happen. There are other warnings that are conditional, where God is saying that if you stop doing a certain thing which is contrary to His will, or if you begin to do what He tells you to do, then a pending calamity will be averted. You can trace this law from the Old Testament all the way to the New Testament. God always warned the children of Israel before they went into captivity or bondage. That God is still the same yesterday, today and forever. He does not change. If He warned in Old Testament days, He is still warning today. He is giving us notices today, and we need to be in tune with His Spirit in order to benefit from "The Law of Notice and Warning". Is 2 Chronicles 7:14 a notice & warning to believers today?

Dutch Sheets: APRIL 21, 2021

My brother, Tim Sheets, recently received a powerful word from the Lord. This will encourage you greatly. He says:

"Recently, I have sensed there is a strategy that Holy Spirit wants to emphasize. He is doing something supernaturally that God has planned. The Ekklesia, His body through which He speaks and acts, is here to represent Christ's base of power on the earth. Seated with Him in His kingdom's government (as Ephesians 2:6 describes) it arises to affect society, culture, laws, and earth's government. This is a spiritual kingdom, headquartered in heaven, where Jesus is enthroned to rule and reign as King of kings and Lord of lords. His representatives on earth will now function at higher levels of efficiency.

"We occupy the seats with Christ spiritually in heaven's government, but we can also occupy the seats in the natural governments of the earth. This is a restoration of what He said in Genesis 1 and 2 we are to do as part of the dominion mandate. Holy Spirit is calling some of our sons and daughters to run for seats in government, representing Him without compromising. He is especially grooming the millennials to unseat antichrist rulers. Young David's are going to replace some Saul's.

"As I was praying into our times," Tim says, "Holy Spirit said to me, 'Redefine, Realign and Restore.' I then began to hear the sound of bones cracking in the spirit realm. I heard the popping of bones and joints coming into place. Upon hearing this, I remembered a story from my childhood.

"My dad, along with local pastors, often conducted healing services. At one of these meetings, a man was pushed into the church in a wheelchair. His body was twisted, misshapen, and slumped to one side. Dad and the other pastors gathered around him and began to pray (see Mark 16: 15-18). As they prayed, I started to hear popping, cracking sounds as the man began to twitch, move and shake. I watched him unwind in his wheelchair as his limbs straightened and his body realigned. I saw what appeared to be a hopeless condition suddenly change. A 'no way' became a 'God way' as hopelessness realigned.

"After pondering this occurrence, the Lord said to me:

“My Ekklesia kingdom hubs will now begin to see miracles of realignment in people’s lives, government, and culture. This will be an era of miraculous realignment. I have planned for My Ekklesia hubs to bring realignment to their regions through outpourings of increased power of Holy Spirit moving upon them and within them. I will realign the twisted, the disjointed, and the misshapen. I will realign government and culture through my power, erupting in My Ekklesia volcanic-like hubs. I will press, I will push, I will pull. I will realign as my Ekklesias activate governing decrees. I am activating angels of alignment to assist the supernatural alignment of regions, states, and nations. Angels of alignment are partnering with the prayers of My Ekklesia to accomplish the order of King Jesus. They are moving in unseen ways, to bring forth in seen ways, realignment with proper purpose, realignment with what I say, realignment with My kingdom’s government and My ways.

“For the set time has come for the generation of young reformers to align with remnant reformers of all generations, to reform my purpose and revive My works. Reformers are being formed. Reformers are rising in Holy Spirit power to declare realignment. This will erupt suddenly. I will validate it with explosive energy flowing through the generations of My Ekklesia. There will now come a functioning church in the midst of the disfunction. Multiplied grace is being poured upon it. Bound, twisted souls will unwind. Bound, misshaped hearts will be reshaped, reborn, freed. Twisted destiny will be reformed and aligned with My purpose. Hearts bound in disillusion will awaken and beat with meaning. The blind and the aimless will see with focused vision clear pathways before them. They will be liberated from hell’s bondage as the revival of ingathering now leaps into being.

“For the synergized generations, in sync with angel armies, will be soaked in the fresh rains of heaven and will leap forward into great revival. It will accelerate in power, passion, and purity. I will validate it with signs, wonders, and miracles. Notable miracles will leap into your families. Transformation will leap into prodigals. Notable miracles are leaping into your regions. The revival in the womb of My kingdom will leap into being. It’s leaping from those who have been in travail. Leap into your future. Forerunners, run! Run through the doors of opening and into the new era I have planned. Run to align your region with My Word. Generations, run into the outpourings of heaven.

“For I am transforming and realigning the territorial domain of My Ekklesia hubs into opportunity zones of My kingdom. The name of their cities in their natural realms will be superseded by a new spirit name of My kingdom’s definition. Deliverance city. Healing city. Miracle city. Resource city. Restoration city. Grace city. Glory city. Mercy city. Revelation city. Resurrection city. Joy city. Compassion city. Wisdom city. Hope city. Redefinition will come to regions rooted with My Ekklesias and I will realign their territories to my defining purpose. I will bring a new identity and great blessings to the regions. The grace on my Ekklesia will now accelerate and it will validate that My kingdom is among them. My rule protects them and My power sustains them. My presence fills them and My glory surrounds them. Those who rule with Me will see their regions realign. They will participate in supernatural realignments that I have planned.”

Tim says, “Holy Spirit is resetting our way of thinking. We need to think with an authoritative, ruling, reigning, and governmental mindset. He wants us to think spiritually minded thoughts, functioning with wisdom in a natural world.

“While our emphasis is on the nation’s realignment with our God, perhaps you need realignment in your own life today. This word also pertains to you. Souls that are bound and twisted with the lies of the enemy will unwind. Misshaped hearts will be reshaped, reborn, and freed. Twisted destiny will be reformed and aligned with His purpose. Hearts that are bound in disillusionment will awaken and beat with meaning. You will have a focused vision and clear pathways before you. You will see signs, wonders, and miracles in your life.”

Pray with me:

Father God, let your Ekklesia around this nation and world rise with great fire, passion, and purity. Realign us for a move of Holy Spirit on the earth like we’ve never seen before. Realign us for revival. Realign us to unseat the antichrist agendas and those who represent them and replace them with the sons and daughters of God – locally, regionally, and nationally. Release Your power into the atmosphere of this nation and transform it. Realign culture and government through Your power. Release angel armies to accelerate Your kingdom. Restore geographical regions and territories to Your defining purpose. Bring new identity and great blessings to the regions.

Father, accelerate Your grace on Your Ekklesia and validate that Your kingdom is among them. Let Your rule protect them and Your power sustain them. May Your presence fill them, and Your glory surround them. We declare we will align and become who we are supposed to be.

And Father, release miracles of realignment in our nation and in people's lives throughout the earth. We decree realignment in the destiny of prodigals. Unwind twisted hearts and those who are bound in their souls. Let us see visible miracles and manifestations of Your power. In Jesus' name. Amen.

"The Angel Shouted: Hold the Line!"
Dutch Sheets and Jane Hamon

Dutch Sheets writes: My friend, Jane Hamon, a seasoned prophet and leader in the Body of Christ, recently had a stirring and encouraging dream regarding America.

Watch and Pray! Riots and Cities on Fire

Jane Hamon says: "We are now in a very important time of spiritual engagement, prayer and contending over God's destiny and purpose for the United States and other nations in the earth. Romans 13:11 exhorts us to know the time, 'that now it is high time to awake out of sleep ' The Spirit of God is awakening watchmen and intercessors to watch and pray as never before.

"On February 2, 2021, I awakened from a dream in which I saw American cities seemingly being overrun by violent rioters in a dark night. Cities were on fire, massive destruction and anarchy was taking place. The rioters were lawless and demonized; in fact, their actions were totally inspired by the demons. A strong, demonic force thought they were in control. (I do not believe this was a reference to the riots that occurred last year in some American cities but was instead a glimpse into the spirit realm regarding demonic activity currently at work.)

"In the dream, there was a force present which I recognized as riot police. I knew this was actually the Ekklesia who had been assigned to restore order and peace in the nation. They were standing shoulder to shoulder as far as the eye could see, with shields locked and full riot gear on, which I realized was modernized spiritual armor (see Ephesians 6:11-17). They did not have a sword in their hands, *for the sword was in their mouths.*"

Jane continues, "Initially, I was uncomfortable with the imagery of riot police because of well-publicized instances when they've been accused of political repression against honest dissent. However, the job description of riot police is to control unruly crowds, maintain public order, discourage criminality, and protect people and property. When this is understood the imagery is appropriate for our current season of contending as the Ekklesia.

Two Armies Advancing

"In my dream, I saw a large angel with a megaphone intermittently shouting, 'Hold the Line!' When he stated this, the Ekklesia would march forward two thundering steps, shields locked, pressing back against evil. They were advancing even though every kind of evil was swirling around them. As they marched, they released a sound of war (*Hu-ah!*), and light came from their mouths blinding the enemy! 'Hold the Line' rang out again, and once more the Ekklesia marched forward, pushing back evil. The gates of Hell could not prevail, evil would not be stronger than God's Church.

"The sound the Ekklesia's boots made resonated in the heavens and I realized the armies of Heaven were marching with them. (Like the four lepers who said, 'Why sit we here until we die?' and got up to go to the enemy's camp. God caused the sounds of angel armies to march with them, terrifying their foe.)

"In the dream, this sound caused the demons to scream in agony and panic as they realized they were not just dealing with humans (the Church), God's army on Earth; they were also being confronted with the armies in Heaven. Two armies advancing; two armies taking authority and dominion in the earth; two armies bringing God's Kingdom into the land; two armies pushing back against the very gates of Hell.

"I Own the Night!"

"I believe the Lord is saying to His Ekklesia, 'My people, do not be afraid of the night! The night does not belong to evil. I OWN THE NIGHT! The night only coaxes wickedness out of their hiding places, then when the light is turned on there is no place to run. The night precedes the dawning of the new day. For you are living in the manifestation of Isaiah 60, where it seems darkness is covering the earth and deep darkness and deception cover the people, BUT I the Lord am rising on you! And My glory will be seen on you! THEN nations (even this nation) will come to your light and kings and leaders to the brightness of your rising!' (See Isaiah 60:1-3.)

"I Am Up to Something "

"And the Lord is declaring to His Ekklesia, 'You may feel that you are living in a day in which evil has prevailed. However, I say to you, I am up to something! Did I not say that I would cause evil and corruption to be uncovered? Did I not say there would be days of chaos and confusion ahead? Did I not say I would expose hidden plans and demonic schemes?' The Lord says, 'Did you think it would be easy or look peaceful? *Ha!* Do I need to remind you that the greatest victories come after the greatest battles?'

"Psalms 2:1, 4 declares, 'Why do the nations rage, and the people plot a vain thing? He who sits in the heavens laughs!' The Lord says, 'I assure you I have a plan for America. I assure you I have heard your prayers. I assure you that I am a God of righteousness and justice and I will have MY WAY.'

"You may feel you're at the Red Sea and Pharaoh's armies are pursuing. You may even feel trapped and that your plight is hopeless. But the Lord says, 'I have a plan! I am up to something that no one has seen before. I am going to move in a way that is beyond the natural, it is supernatural.'

Hold the Line!

"So, HOLD THE LINE, EKKLESIA! It is a time to advance even in the midst of darkness.

- Hold the line through prayer and prophetic decrees
- Hold the line with worship that opens the heavens
- Hold the line for your own personal peace, joy, and faith

- Hold the line for justice, truth, and righteousness
- Hold the line for the coming revival and awakening
- Hold the line for the destiny of your nation

"Shake off the weariness and break out of grief and disappointment! Rise up as warriors empowered by Holy Spirit and take your land. Our victory has never been closer, but we must press through the night to the dawning of our new day." –*Jane Hamon*

Prayer and Decree From Dutch Sheets:

Father, we are thankful that You have a covenant plan for America and the light of Your glory is shining brightly into the darkness. We thank You that America's greatest days are ahead, as Your Ekklesia rises up and takes its place of authority in our land. We set our eyes on You, knowing You are up to something supernatural that will usher in the greatest spiritual awakening in the history of the earth.

Lord, give us eyes to see what You are doing. Give us ears to hear what You are saying. Give us courageous hearts that stand ready to hold the line for righteousness, justice, and truth. Give us the spirit of wisdom and revelation so we can push back evil, restore divine order, secure peace and see Your Kingdom advance, in Jesus' name. Amen.

We decree that the Ekklesia is arising in unity, with shields locked and a sound of victory in our mouths. The gates of Hell will not prevail against us and America shall be saved! We will hold the line and advance the Kingdom.

"God is about to rise up as a warrior which will frighten sinners, but the righteous will have peace. The righteous will be protected and sustained by God.

I am spending time reading the word in Isaiah and as I was praying and asking the Lord about Zion what is it? Where is it? Who can go there and when?

I heard Zion is a place like no other filled with mysteries found in my word that must be spiritually heard. It is a place you enter through the spirit to be with me and you

receive spiritual eyes to see. All who seek and abide in me on bended knee will be given the opportunity to see and, in my presence,, you shall be. For faith the size of a mustard seed will open the door to so much more than you ever thought to be. I desire to lead you into the deeper things of me as you submit and let me lead. There is so much more than what meets the eye and so many answers to be found to answer all the questions of why. As I take you deeper in the know, oh the places you will go. Your spirit will leap for joy as you learn all that you are meant to know about the disciples of long ago. ACCELERATION OF THE ASCENDED ONES

Did you know that one facet of the glory given to Yeshua (Jesus) is the heavens opening and the Son of Man facilitating ascending and descending via the Spirit of the Living God?

"He said to him, Truly, truly, I say to all of you that from now on you will see heaven opened and the angels of God ascending and descending to the Son of Man" (John 1:51 *Lamsa's Aramaic*). That word "angels" in Greek "aggelos" can mean either a angelic or human messenger.

New Kingdom truths and dimensions are being unveiled at an accelerated rate for whosoever has an ear to hear. We could call this the acceleration of the ascended ones. In this Kingdom Day, God has given a particular glory of heaven opening both individually and corporately. "Then suddenly, after I wrote down these messages, I saw a heavenly portal open before me, and the same trumpet-voice I heard speaking with me at the beginning broke the silence and said, "Ascend into this realm! I want to reveal to you what must happen after this." (Revelation 4:1 TPT).

Come and see the eternal realities that the LORD shares with His people, so that the kingdoms of our earth can become the kingdoms of our God (Revelation 11:15).

Seek Him. Meet Him.
- Psalm 27:4

A WEEKLY DEVOTIONAL FROM SYLVIA GUNTER

Plead the Promises

Pleading the promises is a powerful form of prayer. God is a covenant-keeping God. He is faithful to His promises. I am an imperfect earthly parent, but as far as possible, I honor my promises to my children. How much more does our heavenly Father who is perfect and loves us perfectly!

For every problem, burden, need, and circumstance, God has made you promises of His faithfulness. "For no matter how many promises God has made, they are 'Yes' in Christ. And so through him the 'Amen' is spoken by us to the glory of God," according to 2 Corinthians 1:20. Can you trust your heavenly Father? Absolutely.

Use your Bible as your promise book. Ask God where to read daily. I always "pray

the Bible" as I read it devotionally. I ask Him how to pray from each passage. Do Scripture searches on topics when you have a need. With an open Bible, praise the praises and plead the promises.

Here are a few of my favorite promises. Use these to start your own promise list.

2 Peter 1:3-4 His divine power has given us everything we need for life and godliness through our knowledge of him who called us by his own glory and goodness. Through these he has given us his very great and precious promises, so that through them you may participate in the divine nature and escape the corruption in the world caused by evil desires.

2 Chronicles 16:9 For the eyes of the LORD range throughout the earth to strengthen those whose hearts are fully committed to him.

Jeremiah 29:11-14a "For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future. Then you will call upon me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart. I will be found by you," declares the LORD.

Jeremiah 33:3 Call to me and I will answer you and tell you great and unsearchable things you do not know.

Isaiah 40:31 But those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary; they will walk and not be faint.

Isaiah 41:10 So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.

Habakkuk 3:18-19 Yet I will rejoice in the LORD, I will be joyful in God my Savior.

The Sovereign LORD is my strength; he makes my feet like the feet of a deer, he enables me to go on the heights.

1 Corinthians 9:8 God is able to make all grace abound to you, so that in

all things at all times, having all that you need, you will abound in every good work.

2 Timothy 1:12 I know whom I have believed and am convinced that he is able to guard what I have entrusted to him.

Ephesians 3:20 Now [he] is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us.

Philippians 1:6 I am confident of this very thing, that he who began a good work in you will perfect it until the day of Christ Jesus.

I HEAR HIM WHISPER, "EXPECT ME TO DO THE UNEXPECTED"
BRIAN SIMMONS, WICHITA, KS

I hear Him whisper, "Expect Me to do the unexpected. I have surprises and joys awaiting you that you have not even imagined. All the vanity of life disappears in My presence. When My miracle power is unleashed, you will be surprised beyond measure in what I will do for you. The most glorious miracles and displays of power will soon be released on the earth.

"You will see reversals of fortune, instant answers to prayer, and faith-stretching wonders in the sky and in the hearts of men. I will cause many who have cursed Me and forgotten Me to bow in worship at My feet when miracles of love break forth.

"I will conquer the hearts of rebels and wanderers. The wayward will come back to Me when I unveil My splendor on the earth. Why would you fill your heart with negativity and despair? Have hope in Me and expect Me to do the unexpected!

"It is time for you to become flexible to My ways and to the workings of My Spirit. Can you hold the wind in your hands? So, you will not be able to predict what I will do. Walk in My Spirit and you will not be sti? and inflexible to My ways. Be ready to bend your heart to My truth and My Spirit!

It is time for you to leave your natural reasonings and opinions behind. Was it not tradition and opinion that blinded men's eyes to the glory of My Son as He walked the earth? You will be puzzled by what I do in the coming days but trust Me when you see My hand of power at work, for no man can do the works of might that I will do.

"I will lead you into new places and by new paths. Do not be stubborn and unteachable to the things I will reveal to you. It is time for true knowledge to enter into the deepest parts of you. Have you seen it all? Do you know it all? Then be prepared to learn My ways. It is time to worship Me in wonder and in Spirit and in Truth."

1 Corinthians 2:9-11 (The Passion Translation):

"This is why the Scriptures say: Things never discovered or heard of before, things beyond our ability to imagine—these are the many things God has in store for all His lovers. But God now unveils these profound realities to us by the Spirit. Yes, He has revealed to us His inmost heart and deepest mysteries through the Holy Spirit, who constantly explores all things. After all, who can really see into person's heart and know his hidden impulses except for that person's spirit? So, it is with God. His thoughts and secrets are only fully understood by His Spirit, the Spirit of God."

Lana Vawser: THERE IS A SHIFT DEEPER INTO THE SYMPHONY OF HIS
HEART UPON US

Recently, I heard the Lord say "There is a shift deeper into the symphony of My heart. It is a divine synchronised symphony" .

SYMPHONY ORIGIN: "The word symphony is derived from the Greek word symphonia, meaning "agreement or concord of sound", also "symphonos" which means "harmonious". (Wikipedia)

SYNCHRONIZED DEFINITION: "To cause to occur or operate at the same time or rate, or "to adjust (a watch or clock) to show the same time as another" (Google)

The words surrounded me so strongly "It is a divine synchronised symphony" and I then heard the sound of 'tinkering' and I knew immediately in my spirit it was the sound of 'tinkering' on a clock or watch and the sense surrounded me so strongly of 'alignment'. I then heard the Lord say "I am making some adjustments. Slow down to listen to the symphony of My heart and you will hear the symphony of the season."

The Lord is inviting His people to hear the deeper symphony of His heart right now. The Lord is releasing wisdom and strategy to His people on how to walk in the synchronised symphony with His heart. The Lord is making some adjustments and it is very important that we as God's people pay attention to the adjustments He is making and align where He is moving, align with His pace, align with His voice, His sound and His ways.

"Give me revelation about the meaning of your ways so I can enjoy the reward of following them fully. Give me an understanding heart so that I can passionately know and obey your truth. Guide me into paths that please you, for I take delight in all you say. Cause my heart to bow before your words of wisdom and not to the wealth of this world. Help me turn my eyes away from illusions so that I pursue only that which is true; drench my soul with life as I walk in your paths." - Psalm 119:33-37 (TPT)

Where there has been distraction, the Lord is bringing a realignment and refocus. Where building for God has overtaken ministering TO God, He is realigning. The Lord is inviting His people to lean in closer. To lean in and listen closely to the symphony of His heart. He is changing spaces, He is changing paces, He is changing places.

There is a greater place of encountering the heart of God upon the people of God who are leaning in to hear and know His ways for what He is doing right now and about to do.

I heard His whisper:

“As you lean in to my heart, you will hear the symphony of heaven. You will hear what I am dreaming about. You will hear what I am saying. You will hear and see that which I am establishing. Many are running with “WHAT WAS” and not “WHAT IS”, and you will find the divine synchronised symphony, our hearts entwined together as you go slow and listen. How I will have you walk will look different, who you walk with will look different, where you walk, will look different, but you will walk in and to the rhythm of My heartbeat. Increase will be found in the lives of those who are walking in divine synchronicity with Me. It is not about striving, it is not about performing, it’s about drawing close to Me and being with Me, abiding in Me, ministering unto Me and listening to Me. From that place, you will be one who will release the NEW SOUND of My heavenly SYMPHONY in the earth. Many are trying to play old sounds, old strings, old songs, but as you draw close to My heart, you will hear MY new song, you will hear the heavenly symphony and the wisdom you will walk in will be one that is not of this world. Adjustments must be made for this new time and new season, draw close, draw away into the secret place to hear the adjustments I am making so that you may walk deeply in the symphony and synchronicity of My heart like never before.”

“Drink deeply of the living water of My Spirit and My Word and be filled to overflowing with the revelatory truths of My heart. Many of your lives are about to change as you see the power of My words (Psalm 119:68 - TPT).”

“Many of you have been in a time of feeling “OVERWHELMED by the circumstances of the season, but as you position yourself before Me by faith to come deeper into hearing the symphony of My heart and divine synchronicity, you will enter into a season of OVERWHELM by the encounter with My heart and the symphony of My heart. The OVERWHELM will be one of joy and deep peace found in the place of encounter with Me. Oh how my extravagant kindness will cause your heart to burn for Me and to follow My Words and ways like never before. There’s a new space in the garden for us to explore together. Many of you have been in a time where the overwhelm of the season has stolen your sleep, but in this shift taking place you will be awake in the middle of the night giving thanks to Me because of the revelation light - that is so right and so true (Psalm 119:62 - TPT). The revelation through My Word is going to change your life, your perspective and your inner worlds, your hearts and souls, in a deeper way than you have encountered before. I am longing for you My people, come close. Listen to

the symphony of life bursting forth in My heart. Draw close. The weeds and foxes that have been in the vineyard of our intimacy we will remove together as you encounter My heart deeper than you ever have before. Many who have been intoxicated with 'ministry' will begin to encounter a place within My heart that will see first love fire burn within them again and tears of repentance flow. Oh the shift of divine synchronisation that is upon My people. Draw close, don't rush ahead, listen to the symphony of My heart, allow Me to make the adjustments that need to be made so you may recognize My ways and recognize the time and season upon you. Oh the depth of intimacy we are moving into as you draw close and yield. The shift has begun, and oh the joy of walking in the divine symphony and synchronisation of our hearts in a way never walked in before. Come! Let's go forth together into new adventures."

Being "Devoted To Prayer"

By Steve Loopstra: Director, Your servant in Christ Ministries

What does it mean to be devoted to prayer? How is that different than just praying?

Most people would say that prayer is important. But we all struggle with our understanding of what prayer and intercession is. Most of us do not understand the

power of prayer to change lives, to change the course of the history of nations. Let me give you just an example of the power of prayer and then I want to talk with you about how we can understand more about what God thinks about prayer.

I want to tell you about some things God has done through a friend of mine.

In November of 1988 – The Lord gave my friend, Dick Eastman an assignment. The Lord said: I want you to get on an airplane, fly to Germany, go to the Berlin Wall, lay your hands on it and say give words to it: “In Jesus’ name, come down!” That was it – end of the assignment! Fly from the United States to Germany, six-thousand miles, with his face inches from the wall, he spoke five words and came home. Within two weeks of arriving home, he read an editorial in the Los Angeles Times newspaper that said that “brick by brick” the ideology of Communist Passover Europe was beginning to come down, and the author suggested that within a few months, the Berlin wall itself would be history. Less than a year later the Berlin Wall fell. The first opening in the wall was made by a group of young German believers who climbed on top of the wall, and were singing spontaneous songs to the Lord. When the wall finally came down, the bulldozers broke through the wall in the exact place these young people had been worshipping. Within a year of the wall falling. more than 120,000 decisions for Christ were recorded.

There are many, many stories throughout history of how the intercession of God’s people has changed the course of the history of nations and our world

But God works on a more personal level as well.

God loves to answer prayer. God loves for His people to pray. Why? Because for some reason, He has limited His actions on earth to the prayers of God’s people. Also, prayer is the only activity you can do on earth that is the same activity that Jesus is doing right now in Heaven. He is praying.

How important is prayer to God? I want to take you on a little adventure. We are going to do some exploring. Do you like exploring? I want us to explore some verse in the New Testament. At first you maybe not understand completely, but with time, I think you will understand this adventure. We are going to look at several verses in the New Testament that use a particular word. And it’s connected with God’s heart for prayer for us.

- Mark 3:9—small ship to wait on Jesus—be available/ ready
- Acts 1:14 — All disciples continued in prayer
- Acts 2:42; 46—Continued in doctrine, fellowship, breaking bread, prayer
- Acts 6:4 — Gave themselves continually to prayer
- Acts 8:13 — Simon continued with Peter

- Acts 10:7 — Soldiers waited on Cornelius continually
- Rom. 12:12 — Continue in prayer
- Rom. 13:6 — public officials attend continually
- Col. 4:2— Be devoted to prayer

God is the author of the Bible. By the Holy Spirit, He inspired the writers to use the particular words that they used. So, God chose this particular word to describe for us His desire for us in prayer.

The word in the Greek is: *proskartereo* it means to *be earnest towards* a thing, to *persevere, be constantly diligent*, to attend assiduously, or (to a person) to *adhere closely to* (as a server):—attend (give self) continually continue in something, to wait on something or someone continually). Attend assiduously= marked by careful unrelenting attention, persistent application

From toward (*pros*) & *Kartereo* = to *be strong*, that is, (figuratively)

steadfast (patient):—endure./ *kratos*= great vigor

Why is this important for us to understand? Because we want to understand what is important to God. Right? He gave us His Word so that we could know Him and know what is important to Him. And here he says, be devoted to prayer, don't give up, don't slack off, don't stop, keep available... because He wants us to be a people who are devoted to prayer.

Years ago, there were advertisements on television for a particular sports drink called Gator Aid. The advertisement would show an athlete drinking the Gator-Aid, which was orange in color. Then you would see the athlete playing football, or basketball, and he would be sweating... but he would be sweating orange!... and the catch phrase of the advertisement said: "Is it in you?" In other words, is Gator-Aid in you?

That is like intercession... God is asking you... is it in you? Not just is it something you do but is it a part of who you are. When it is hot and you are playing sports or doing some work, you do not have to tell your body, sweat now, sweat! The body does that automatically, because it is in you and when you play or work, it just comes out.

So it is supposed to be with intercession... when a need comes to our attention, we should not have to tell ourselves, now I have to pray!! No, it should just be a natural part of our reaction to the situations around us. Another dimension of this perhaps for another time, is that we live in a "Culture of Prayer."

Consider these contrasting thoughts on prayer and being devoted to prayer:

Praying – fits into my schedule, at my convenience. Devoted to prayer is a vital part of everything I do

Praying – is something I do. Devoted to prayer is something I am.

Praying – is an obligation. To fulfill. Devoted to prayer is a delightful outflow of my life with God.

That is how we are devoted to prayer... but how does this happen? It happens when I draw close to the heart of God. As we get close to the heart of God, we learn, we almost absorb the things that are on God's heart. The things that are important to Him. How do we draw near to God?

Through reading His Word, through meditation on His Word, through spending time with Him in prayer. Not just telling Him what he needs to do but listening to the voice of the Spirit.

Several years ago, I was speaking to a men's group at a large church in the Minneapolis area. They were studying a book about how Andrew brought his brother, Peter to Jesus. The book was the basis of what the Billy Graham Crusades called, "Operation Andrew."

After I shared about this idea of being devoted to prayer, and listening to what God would say to us, I gave this challenge to the men. I said, "For the next five minutes we are going to be quiet before the Lord, and I want you to ask the Father this: Father who is it that is on YOUR heart for me to bring to Jesus?" I told them not to go to people they already were witnessing to, but to clear their minds and ask the Father who was on HIS heart.

After five minutes, I called them back and I asked, "How many of you had a name or names come to your mind?" Almost every hand went. Up. Then I asked, How many of you had one of those names be someone you had never even thought about. Almost half raised their hands. They had heard from the Father which men were on His heart.

There is so much more. We could talk about regarding being devoted to prayer, but it is a mandate of the Scripture, and it is the fruit of an intimate relationship with the Savior who is even now praying and making intercession for us before the Throne in heaven.

Let's give ourselves to be devoted to prayer as Yeshua is.

Lana Vawser: I HEARD THE LORD SAY
"IT'S A MOMENT OF MULTIPLE MIRACULOUS BIRTHS"

I had a dream recently and the Lord showed me simultaneous and successive miraculous births taking place in the lives of believers on a scale that had never been seen before.

The Lord showed me in this dream that 'previous' impossibilities to the birthing of promises taking place in the lives of believers had suddenly broken after a long period of 'waiting'.

When the sudden breaking took place, the sense surrounded me of "waters breaking" and the "blockages broken" and not only was the 'birthing' coming forth but MULTIPLE miraculous births. It was as if a breakthrough and shift had taken place that was not only seeing 'one' promise in lives of believers coming forth, but multiple. It was like a domino effect of birthing that was taking place.

As I pondered this dream before the Lord, I could hear the testimony of believers all across the earth and they were crying out "Praise Jesus, there are BIRTHS EVERYWHERE".

Where MANY believers had been surrounded by impossibility on what seemed like EVERY SIDE, there was such a shift that was taking place that now instead of impossibility screaming on every side, there was LIFE and BIRTHING, everywhere! A much loved and familiar passage to me surrounded me loudly in the spirit:

"The season has changed, the bondage of your barren winter has ended, and the season of hiding is over and gone. The rains have soaked the earth and left it with bright blossoming flowers. The season for singing and burning the vines has arrived. I hear the cooing of doves in our land, filling the air with songs to awaken you and guide you forth. Can you not discern this new day of destiny breaking forth around you? The early signs of My purposes and plans are bursting forth. The budding vines of new life are now blooming everywhere. The fragrance of their flowers whispers, "There is change in the air" - Song of Songs 2:11-13 (TPT)

The feeling of a spring day surrounded me in the spirit. The sense of life, the sense of new life, the sense of thriving, the sense of blossoming, the sense of flourishing, the place of deep, awakening to His love that was deeper than it had ever been before. The songs and sounds of harvest surrounded. The sound of healing surrounded. The sound of joy surrounded me. The sound of celebration in who He is, His kindness, goodness and love enveloped me. I could feel the refreshing of His Spirit like a waterfall. I knew in that moment that the Lord was bringing such refreshment, such a reintroduction to His love and power in the lives of many.

REVIVAL OF FIRST LOVE FIRE

The Lord showed me that in the battles, trials and oppositions that many have faced, some for a long time, others over the last few years, but both with the common denominator of the hardship feeling like it has significantly increased in the last while, I saw many feeling so dry. They were feeling so dry and hearts feeling so numb and looking back on their history with the Lord and crying out to Jesus "I want to feel the passion of first love like I did at first". There was such a deep cry within hearts as they felt this dryness and numbness that had taken up space in their hearts and they longed to BURN for Jesus again with fiery passion. Their love for Him had not wavered but they so longed for the place of deep joy, and to be touched so deeply again by His love and fiery presence, like they did at first.

I heard the Lord speak over these ones "Receive a revival of first love" and I saw what looked like a pillar of fire fall upon them and immediately I knew they were receiving a fresh baptism of fire. A fresh baptism of the fire of His love and the fire of His presence. Not only did the fire of His presence and love completely consume them and ignite their hearts afresh. The weariness, the dryness, the discouragement, the trauma and grief many have been carrying and feeling, suddenly falling away, they were entering into a realm of encountering His heart that they had not entered into before. His words surrounded them "Branded with My kindness". Immediately I saw the eyes of Jesus burning with flames of fire, the gaze of His love, His eyes locked with theirs, His look of such deep, deep, ferocious, unrelenting, unconditional love, broke open their hearts. They began to weep and weep and weep as His love, His power and His presence consumed every part of them.

There was deep transformation taking place within their hearts. A deeper awakening to abiding in Christ (John 15) was filling them. A deep rest in His love was blossoming within them, an invitation and deeper understanding of what it means to abide in Him and His Word was before them.

The Lord showed me that these ones had experienced a very long season of fire and fiery trials, but this baptism of fire was signaling a shift taking place in their lives that the greatest 'fire' that they would know is the fire of His love and their hearts burning for Him again, that was not dependent upon circumstances. The fire within them was going to burn stronger within them, than the fires than raged around them.

It was a fresh baptism of fire.

It was a revival of first love fire.

Cry out for the fresh baptism of fire. It's upon you!

"You Give Them Something to Eat"

In a dream, I saw a city that was overcome by darkness. It was a darkness that could be felt. The name of the darkness was Desolation, and its arms were Hopelessness and Fear. The darkness made people feel like there was no help for them, like the time was past for any type of spiritual awakening. A small band of us stood outside the city. We had been baptized in the glory of God. This glorious light, which was resident within us, was now visible and flowing out from our inner being. The surge of light drove out the darkness. Multitudes were saved as they received the light.

From the beginning of my relationship with Christ, the vision of His manifest glory inspired great hope in me, especially as the Word of God from Isaiah 60:1-3 confirmed the vision. Yet there was one more witness to come. I turned to my next reading, which was from Matthew, chapter 14, and the feeding of loaves and fish to the 5000. Verse 15 reads, "The disciples came to Him and said, 'This place is desolate and the time is already past; so send the multitudes away.'"

As I read, I noticed similarities between the night vision of the multitudes coming

out of darkness and this scene from the Gospels. Both depicted a place and time of desolation. Since apparently the "time was already past," the logical remedy was to "send the multitudes away."

Of course, not even the most imaginative Christian would ever reference Matthew 14:13-21 with Isaiah 60:1-3. Yet the Lord was speaking something that has affected me for the rest of my life. The Lord answered:

"They do not need to go away; you give them something to eat!"
They said to Him, "We have here only five loaves and two fish."
And He said, "Bring them here to Me."

The result was that He took the loaves and fish, blessed them, and as He broke the loaves, He gave them to the disciples, who in turn gave the bread and fish to the multitudes (vv. 16-19). Jesus had taken bread, blessed it, and then broken it. Again, I paused, but this time it was because of a peculiarity concerning my last name: in Italian, *Frangipane* actually means "to break bread."

I felt I was in a God moment and I definitely needed to share what was happening to me to my wife. I told her about the night vision and how I experienced the manifestation of the Lord's glory. With excitement I shared the scripture in Isaiah 60 that confirmed the vision. I then told her about the feeding of the five thousand. I mentioned how I felt that during the time of the end, when the world would seem utterly desolate and hopelessly lost -- even as disciples would argue to send the multitudes away -- the Lord would use us like He used the loaves to feed the multitudes.

Then, in an effort to underscore the significance of this moment, I explained to her that my last name, *Frangipane*, which was now her last name too, actually meant "to break bread." It was at that point my wife told me the meaning of her maiden name, *Piscitelli*. Incredibly, her name meant "little fishes."

Little Is Much With Jesus

Between the vision, the text in Isaiah, and the meaning of our names, I am convinced that a period of great glory and harvest awaits the church. I am not saying this harvest and glory will appear instead of the rapture or after the tribulation. I'm saying that between now and whatever you believe concerning the Second Coming of Christ, there will be a time of glory and harvest.

Thus, when Christians complain the harvest "is already past," or that society has become too "desolate," it would be an error to say we must "send the multitudes away." The Lord has made it plain: *it will not be too late or desolate for Him.*

The Lord has proven many times that as Christians we do not need to stockpile resources before we attempt the "impossible." As long as we remain *blessed and broken* in the hands of the Master, our few loaves and fish are enough. What we have learned is that Jesus does not need a lot to work His miracles; He just requires all we have.

Yes, the hour is late; true, our cities are desolate and in darkness. Yet the vision of the glory of Christ unveiled in us still speaks powerfully to my heart. As little qualified as we may appear to critics, if we truly give our all to Christ, He will bless us, and yes He will break us. Indeed, what He said to His disciples, He still speaks to my heart: *The multitudes do not need to go away. You give them something to eat.*

TO HIS FAITHFUL ONES: THIS IS YOUR SEASON OF FAVOR!

JOE JOE DAWSON, TEXARKANA, TEXAS

I recently had a prophetic dream where I was on a TV studio set. Everything was pure, gleaming white. A well-known, older actor came out and I immediately knew he was the host of the TV show. When he came out onto the set, he was so welcoming, kind and encouraging to everyone. He stopped and greeted everyone on the set and was just loving on each person.

When the program started, he brought out 6 different people to promote what they were doing or their product. Each time he interviewed the different guests, he showed each of them so much honor and respect. I could tell in the dream that the reason this man was showing so much favor to the people on his program was because they were people with proven character and integrity. He went above and beyond to promote each person and whatever they were selling or doing to whoever may be watching.

I was standing off to the side next to a crew member. In the dream, I turned to the crew member and asked, "What is he doing?" The crew member pulled out a huge set of keys and said, "He is giving out keys to the Kingdom. He is promoting those that have been faithful to Him." Then I woke up from the dream.

I believe the TV host in the dream represented the Lord. The thing that stuck out to me the most was the genuine, contagious love, honor and respect that He had for each person. Just like in the dream, I believe that the Lord is about to place unbelievable, lavish favor on those that have been faithful to Him and those that have godly character and integrity. Jesus is about to place favor on so many and whatever they have been doing in secret is about to be rewarded openly. Those that have honored and served the Lord for many years are about to be handed keys to the Kingdom and experience a new level of the favor of God that will change everything!

There is a reason why Scripture encourages us not to be discouraged or grow weary while doing good because in the right season, the Lord will make sure we reap a harvest! Keep going, this is your season. I believe the time is now for many to reap a harvest of favor because of their faithfulness to the Lord. If you have been faithfully serving the Lord and developing yourself with character and integrity the blessing and favor of God is about to hit you! God is placing His favor on those He loves and those He knows can be trusted with the keys of His Kingdom. Get ready for the favor of God to come and elevate everything you put your hands to!
