### QUESTIONS TO ASK WHEN CHOOSING CURRICULUM:

- How does the program support your church's mission statement?
- What type of curriculum is best for my church and/or children? (Lectionary, workshop rotation, story-based, Montessori, etc.)
- How are sacraments taught / covered? Is this in keeping with my denomination's tradition?
- How is Jesus portrayed? God? The Holy Spirit? Is this in keeping with my denomination's tradition?
- What is the theological perspective of the publisher (especially for independent or non-denominational publishers)? Read the fine print on their websites!
- How are children incorporated into the life of the congregation: through worship, service projects, faith-in-action, fellowship?
