## Giambrone Shooting Clinic 2021

April 8<sup>th</sup> through the 11<sup>th</sup>, long-time club member JR Willis graciously hosted and coordinated the Giambrone Skeet Shooting Clinic. Sixteen members of the Shotgun Division took part in the clinic and benefitted from the instruction done by Paul "L.P." Giambrone, III.

L.P. is a 24-time World Champion Skeet Shooter, a NSSA (National Skeet Shooting Association) Certified Master Instructor, has shot thirty perfect 400X400s and seven perfect 500X500s, and is a member of the NSSA Hall of Fame. He lives in Madisonville, Louisiana, with his wife Suzanne and their 4 young children.

If you'd like to improve your skeet game, L.P. will be back at the OKCGC in 2022. He will either work with 2 shooters for a half-day session or 4 shooters for a full day. Be sure to watch for the announcement and sign up quickly because the spots will go fast!

The sixteen members who took the clinic want to thank J.R. for the generous gift of bringing L.P. to the OKCGC. Thanks, J.R.!!!

### Bullseye

The remodeled bullseye is about to be open, with even more opportunities to shoot. Be sure to read the rules for the range. They will be posted on the range.

- ◆ Come out for a bullseye match. A pistol will be available to try and your first match will be free.
- ◆ A bullseye match consists of targets shot at 25 yards and 50 yards.
- ◆ The 50 yard targets will be 10 shots in 10 minutes are slow fire.
- ◆ Then the 25 yard targets are shot as timed and rapid fire. It is 2 strings of 5 shots each shot in 20 seconds for timed fire and 10 seconds for rapid fire..
- ◆ I, Roger Kneeland, would like to invite you to join us for both Bullseye Pistol training on the 1st Sunday of every month at 9:00.
- ◆ The Bullseye Pistol Matches on the 3rd Saturday of each month.

Also make sure to read and understand the Range rules before you use the Pistol Range

## ATTENTION: CONCEAL CARRY HOLDERS

Have you ever thought about trying to hit a target that is further away than 15-20 feet or that is moving and not static?

There was a famous law officer that thought his officers should be able to hit their target under four shooting conditions and at a more realistic distance.

- ◆ The first condition is shooting at a moving target. Think of a situation where the bad guy is moving and not at 10 or 15 feet but at 30 or may be 75 feet away. Could you stop the threat?
- ◆ The second condition is shooting from behind barricades. Shooting from behind barricades is difficult and again, not at some short distance but from 10 to 35 yards and with quick appearing targets.
- ◆ The third condition is shooting at multiple targets under short time limits; and
- ◆ The fourth condition are shooting at targets at longer distances and shooting with your weak hand only.

It's important to be able to **STOP** the threat and **PROTECT** the innocent!

These four shooting conditions / events became known as the Bianchi Cup. The officer was the famous John Bianchi. These events are now known as **NRA Action Pistol**.

Here, at the Oklahoma City Gun Club, you can learn how to **STOP** the bad guy by practicing these four events.

We shoot these events on the 1st Saturday of each month. The cost is \$15 for members and \$20 for non-members.

## 2021 Spring Trap and Skeet Leagues

The blast of the shotgun, the smell of gunpowder, and the happy cheers of shotgunners breaking clay targets during leagues didn't happen in 2020 due to the COVID-19 Pandemic. Spring is now here along with a brand new year, and that means the return of the Shotgun Division's popular Trap and Skeet Leagues!

On Monday evenings, 36 male and female shooters, on 8 teams, participate in the OKCGC Spring Trap League. Many thanks to Kenneth Mayfield for his time coordinating the league for the past several years. Kenneth said there are many newbies as well as trap veterans shooting the league. All are adjusting to the cold and windy spring weather that makes the targets rather sporting.

If you are unfamiliar with the game of Trap, it is a shotgun sport in which the shooter fires at clay targets thrown from a single trap house, while the shooter stands on one of 5 stations graduated from 16 to 27 yards behind the trap house. It is normally shot with a 12 gauge gun. The guns most commonly used for trap are the semi-auto and over/under.

Tuesday and Thursday evenings bring out a total of 98 men, women, and youth for the Spring Skeet League. As for the past 20+ years, Buck Sifford is once again the coordinator with the help of Bill Hayes and Joe Fuzzell each running one of the nights. Thank you, gentlemen, for your time and work running the skeet league! The age-range of the skeeters is from 12 years old to 80+. This year the skeet league has its first ever all-Chick skeet squad.

The game of Skeet is a shotgun sport in which a shooter fires at clay targets while progressing through 8 stations around a semi-circular field. The targets are thrown from a high house on the left, and a low house on the right, so they cross a point in the center of the field at a height of 15 feet. Skeet can be shot with a 12 gauge, 20 gauge, 28 gauge, or .410 shotgun.

If you've never seen trap or skeet in action, you're welcome to come out and observe. Be sure to wear eye and hearing protection while there. You might just decide you'd like to join the fun!

For individual instruction on skeet, look at the Instructor page of the Shotgun section of the club website to select an instructor. All are certified by the NSSA (National Skeet Shooting Association).

For trap, we have several experienced shooters who are always willing to work with new shooters. We look forward to seeing you and promise you'll have a blast shooting skeet and trap!

## Action Pistol Division

April had a full plate of events – *fantastic!* It's nice to see things spooling up again and 3-Gun matches are back (every other month).

We are sending out reminders and links to Practiscore to register for our matches. Pre-registration is not mandatory, but it really helps get matches underway in a timely fashion and reduces crowding in the clubhouse. If you are not receiving them and would like to be added to our email list, send an email to [ipsc.mail@okcgunclub.org](mailto:ipsc.mail@okcgunclub.org) and we will make sure to add you.

The scores are as follows:

### Chicks Breakin' Clays!

Seventeen ladies ranging in age from 14 years old to 70 years old are braving the crazy spring weather to participate in the fourth year of the popular "Chicks Breakin' Clays!" program. Coordinator Paula Tate, along with two roosters Brent Tate and Scott Parks, are all NSSA (National Skeet Shooting Association) Certified Instructors who coach the ladies weekly. There is a morning session for those ladies who don't work during the day and an evening session for those who do. The purpose of this group is to learn how to shoot a shotgun, and the game of skeet, in a comfortable environment with a fun group of female friends. Occasionally, we also shoot 5-Stand with Chick Suzi.

Chicks who are new to shooting or don't have much experience with a shotgun or just need a refresher - must participate in the FIRST Steps Shotgun class before joining the weekly CBC group. FIRST stands for Firearms Instruction Responsibility and Safety Training.

We are currently in the middle of our season but may consider doing another one in the summer if there's interest. Contact Paula Tate at [skeetpair@gmail.com](mailto:skeetpair@gmail.com) for more info.

# Everyone has an AR-15!

The Highpower division now offers two types of matches to develop your abilities from 200 and 300 yards with your AR-15 or AR-10, or most any other semiautomatic rifle, need not be .223 or .308. Both matches are shot using electronic targets which show both your shot location and down range velocity. Be sure to bring a smartphone or a tablet so you can see your shots!

The first match is called a “GSM” match, for Garand, Springfield, Military arms, fired at the 200 yard line with slow fire and rapid fire stages - shot from three positions, Prone, Sitting, and Standing. You’ll need two magazines and 55 rounds of ammo for this match. GSM match registration is conducted at the 200 yard line at 8:00 with firing starting at 9:00.

After the GSM match is completed, registration starts for the Tactical-AR match. Shooting starts at 12:30. Fired at the 300 yard line, this match is shot off of bi-pods or backpacks for support and stability, or you can sling up if you want too. This match requires 51 rounds and is single loaded (we call it slow fire). It’s an informal match so show up with what you’ve got and we’ll get you some good training.

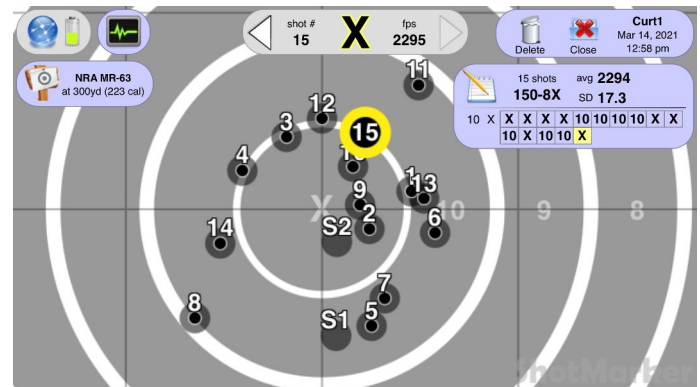

We know ammo is scarce, but It takes a lot of ammo to compensate for lack of marksmanship skills. Make them count when it counts.

Take a look at our match programs for more information on our web page at <https://www.okcgunclub.org/high-power-rifle-division.html> Or call Tommy Sims with your questions at (405) 613-1421.

Here’s our schedule, all Sundays:

- April 11
- May 9
- June 13
- July 11
- August 8
- September 12
- October 10
- November 14
- December 5

Come see us and we’ll get you shooting!
