ANNOUNCEMENTS

INDEPENDENT LIVING COVID-19 RESTRICTIONS REDUCTIONS

All of our indicators for the lifting of restrictions continue to be positive, and we are moving forward with our May plans to lift additional restrictions. Please note the following changes that will be taking place during the month of May:

- We will allow the Suwannee County Tax Collector’s office to resume on-campus services for property tax issues. The FLOW Mobile for driver’s licenses is operated by the state of Florida, and they have not yet announced when they will resume service.
- The professional offices will be allowed to return and resume services at the VS. You should check with them individually for scheduled times and appointments.
- Beginning May 10 we will no longer lock DH, CH, RV, or Lawrence House during the day. However, for the time being, we ask that you continue to restrict off-campus visitors. Please continue to contact your service coordinator if you plan to have off-campus visitors.
- CCC will begin to allow all CCC members to resume use of the facility. Until further notice, we ask all members to make an appointment to limit the overall occupancy of the facility, and use will be limited to the hours of 6:00 a.m. to 5:00 p.m. Monday through Friday.
- We are scheduling an outdoor event for the Members Association in May. More details to follow.
- Beginning in May we will resume our new member receptions.

Thank you all for your cooperation. This continues to be a community effort, and we would not be where we are today without all of you doing your part.

- Please remember that all visitors to the campus must continue to be screened at the IC.
- Continue to exercise caution as you make travel plans both locally and to other areas of the country.
- Continue to be safe and follow guidance. Be vigilant when in public and in other group settings.

CABLE TV UPGRADE

We are in the process of changing the cable system and programming. Work will begin soon on the cable distribution to upgrade various pieces of equipment, as well as to install new equipment to insure better reliability and quality of service. We are changing vendors, which does bring with it some changes in programming, and for many of you it will eliminate the need for a receiver box.

Each on-campus independent living resident should have received some information on the new system and channel lineup, as well as the new rates, which will take effect on July 1. We would also like to

get some information about your TV to assist in the transition to the new system: your TV’s make and model, the style (LED flat screen or tube TV), and the year your TV was purchased. If you did not receive a mailing concerning the new system and rates, and the attached survey sheet, please contact or come by MS.

SHUTTERBUG MEETING

Monday, May 17, 3:00 p.m. - OPR

Don't forget we have been asked to take photos of ACV workers doing what they do best. When you have photos of workers, either send them to me or bring them to the next meeting. Thanks!

Our next meeting is on May 17 at 3:00 p.m. in the OPR. This is the perfect time to get pointers to enhance your photography or to fix problems. Bring your photos to share with the members. We love to see new and beautiful scenes.

Any questions can be directed to Gary Kueppers at 658-6442 or gkuep1945@windstream.net.

FIRST ANNUAL GARDEN BLESSING

Tuesday, May 18, 10:00 a.m.

The Community Garden on Buck Rogers Rd.

The Village garden is thriving thanks in large part to Chris Christiansen and his group of garden elves. They have refurbished the watering system and have built additional raised beds. They have endeavored to fulfill one of the Club's major goals of making the garden experience available to anyone who enjoys planting and watching things grow. If you haven't taken a look-see in the garden, try it! You might like it!

We invite you to join us on May 18 at 10:00 a.m. for our (first) annual Garden Blessing officiated by Pastor Sam Worley. We want to be always aware of the miracle of seasonal rejuvenation, which encourages us to remember that life began in a garden.

EVENTS HERE AND THERE

JO KENNON PUBLIC LIBRARY

386-658-2670

Monday–Friday 9:00 a.m.–5:00 p.m.

Closed Saturday and Sunday

Face coverings are required inside the library. The JKPL will be closed Memorial Day (May 31).

Cards, Cards, Cards

The JKPL staff love sending birthday and anniversary cards to our patrons. However, we are running out of cards to send. If you have unused anniversary or birthday cards that you would like to donate, we would appreciate them.

There's something for everyone at the Jo Kennon Public Library! New DVDs

The Rodeo Thief - His glory days of the rodeo are long past. Now this injured bull rider is stealing roping horses for an unforgiving loan shark. He's got to make a choice between doing something awful or doing something worse. *One Last Prayer* - Struggling to keep his family together, David wavers between doing things God's way and the temptation to handle things himself when he can't afford treatment for his daughter's rare cancer. *NOVA Secrets of our DNA* - NOVA explores the power of genetic data to reveal family connections, ancestry, and health risks — and even solve criminal cold cases. *Money Plane* - A professional thief with \$40 million in debt and his family's life on the line must commit one final heist: rob a futuristic airborne casino filled with the world's most dangerous criminals.

New Displays

Did you know that May is National Asian American and Pacific Islander Heritage Month? Come check out the display of handmade leis, and learn about how the rich heritage of this people group has influenced our history. Also in the display case are several items from the Hawaiian Islands.

Artist's Easel

Peaceful Pond by local aspiring artist Abigail Harrison is a beautiful mixed media painting of a koi fish. Abigail is

16 years old and resides with her family in McAlpin. She primarily works in acrylic, oil, watercolor and digital art.

BUS TRIPS

If you wish to ride the ACV bus on these trips, contact the IC to sign up — in person, or by phone at 658-3333. There is no charge for Village members to go on the bus for the regular weekly shopping trips. If you have questions, call MS at 658-5400.

Until further notice, bus trips will be limited to nine passengers and ACV members only. Riders must wear a mask over the nose and mouth while on the bus and are encouraged to continue to wear a mask after exiting the bus.

Please be considerate of those who have allergies and limit your use of perfumes, aftershaves, and colognes when riding the bus.

WEEKLY LIVE OAK SHOPPING TRIPS

Because Publix has relocated near Walmart, until further notice, riders on any weekly Live Oak shopping trip may visit either Walmart or Publix; the bus will drop off passengers at both locations when needed. Riders need to choose one store or the other; they should not plan to visit both stores on one visit.

If you ride to town to shop one week, expect to be put on the waiting list if you sign up again the very next week to give those who did not go the week before priority.

Please remember to bring your own bags to Walmart and Publix to assist in keeping everyone's purchases separate.

- **May 12, Wednesday**, Walmart and/or Publix, leave from CH at 8:45 a.m. and DH at 9:00 a.m. Leave from stores around 11:30 a.m.; return to the Village around noon.
- **May 12, Wednesday**, Walmart and/or Publix, leave CH at 1:15 p.m. and DH at 1:30 p.m. Leave from stores around 4:00 p.m.; return to the Village around 4:30 p.m.
- **May 19, Wednesday**, Walmart and/or Publix, leave from CH at 8:45 a.m. and DH at 9:00 a.m. Leave from stores around 11:30 a.m.; return to the Village around noon.
- **May 19, Wednesday**, Walmart and/or Publix, leave CH at 1:15 p.m. and DH at 1:30 p.m. Leave from stores around 4:00 p.m.; return to the Village around 4:30 p.m.

SERMON: "Somebody's Watching"

TEXT: Titus 2:1–10

SPEAKER: Rev. Sam Worley

Join us for Sunday Worship at 9:40 a.m. Masks and safe distancing are still necessary at VC gatherings, but all are welcome. The balcony is available for seating, and there is overflow seating in the chapel. Our services also continue to be shown live on Facebook and YouTube and then on TV2 at 2:00 p.m. Sunday afternoons.

This Sunday is Mother's Day, and in honor of that special day, our youth and children will be leading worship through music, favorite scriptures they have memorized, and a dramatic presentation called "Shine Bright for Jesus, GLOW!"

WH&FMS (Women's Home and Foreign Mission Society) is an organization to encourage, equip, and empower women for personal and group development and effective service in ministries and missions at home and abroad. We have two groups that meet monthly. The Vesta Clothey group will meet Monday, May 10, at 9:30 a.m. in Room 5 near the church office. Jan Hendrickson will be the speaker. The Christina Baker group will meet Tuesday, May 11, at 7:00 p.m. in the SMR/DR near the dining room. Charlene Reas will present the program. We hope you will join whichever group best meets your schedule. Please call Barbara Phipps at (386) 688-2361 if you have any questions.

The following VC groups are meeting this week:

Friday, May 7

9:30 a.m. – Bible Study - Donald Wrigley (BC)

Sunday, May 9

9:40 a.m. – Worship Service (VC)

11:15 a.m. – Adult C.E. Classes (BC & SMR/DR)

Monday, May 10

The Village Cashier's office will be closed Friday, May 7. If help is needed right away, call the Finance Department at 658-5450.

MEMBER SERVICES

James Sutter-386-658-5400

Next week, the weekly shopping trip schedule returns to its pre-pandemic schedule of two times on Wednesday only (morning and afternoon). Unfortunately, we continue to need to limit the number of passengers to a maximum of nine, we need to continue to offer this service to ACV members only, and we need all riders to wear a mask over the nose and mouth the entire time they are on the bus. Until an issue arises, we will continue to allow riders to disembark at either Publix or Walmart, no matter when they go, but each individual should plan to shop at only one store per trip. We will also continue to put those who attempt to ride two weeks in a row on the waiting list until empty seats are verified Tuesday evening; this is to keep frequent fliers from occupying seats that are needed by those who do not ride often. Thank you for your understanding and cooperation. To sign up for a shopping trip, call 658-3333 or visit the IC. For questions, call MS at 658-5400.

Did you know you can report scams directly to the Federal Trade Commission? The FTC shares the reports it receives with more than 3,000 law enforcers across the nation. There are two ways to report scams to the FTC: You may call 1-877-382-4357, or you may file a report online at <https://reportfraud.ftc.gov>. They ask that you report anything you think may be a fraud, scam, or bad business practice. For ideas of what you might report to the FTC, visit <https://consumer.ftc.gov> for more information and advice, or take a look at the FTC's latest cases at ftc.gov. Their website also has a very helpful Frequently Asked Questions page located at <https://reportfraud.ftc.gov/#/faq>.

Member Services Tip of the Week

June 1 is the official start of hurricane season. A number of ACV members have experienced hurricanes first-hand. A number of ACV members have never experienced a hurricane first-hand. Whichever category you are in, we all have the same responsibility to make our

personal plan and to be prepared should a hurricane threaten. Please review the ACV Emergency Preparedness Guide in your ACV phone book.

TV2

The new TV2 equipment has arrived! It has been decided that a large portion of the new equipment for the cable system needs to be installed before the new TV2 equipment is installed to avoid needing to hook up the new TV2 equipment to the old cable system and then to the new system immediately after. Work is scheduled to begin on the new cable system at the end of this week, so there is the possibility work may begin on TV2 next week, but it will most likely be the week after. So, please continue to be patient as there will be at least two more Sundays of airing the Sunday morning service at 2:00 Sunday afternoon, depending on how easily the new systems can be installed.

VILLAGE PHARMACY

Lee Anne Tadlock-386-658-5860

We are so glad to announce our re-opening and can't wait to finally see you face to face. We are having a raffle for in-store purchases (not including prescriptions) with many chances to win. We will be doing this through May 7. We will be serving beverages and cookies, and we hope you will come visit us and win a wonderful prize. Attached to last week's FNN was a flyer and a coupon that you can cut out and redeem for \$15 off one OTC item. (The coupon says 15%, but that is a misprint.) We are glad we are at a junction that we can finally open our doors, and you can come in person and pick up your prescriptions again. We ask that you wear a mask and remember safe distancing.

Today, we are going down Memory Lane. Some will remember one-room school houses while others, like me, will remember going to school in a big city like Philadelphia.

ONE ROOM SCHOOL

One, two, three, four
 Walls, some windows and a door.
 Some battered desks and dunce's stool
 Add up to the one-room school.
 An iron stove that made us doze
 While one side baked, the other froze.
 A teacher's desk, a hickory switch
 That sometimes made our britches itch.
 The teacher we all loved so well,
 Who taught us how to add and spell
 From first grade on through graduation,
 She nurtured our young education.
 Though few were in any grade,
 We learned to be quite unafraid
 Of what a higher grade might bring
 For each year we had heard everything.
 And if we could not spell a word,
 We should have learned while still in third,
 We could regain what we were missing
 By knowing later, when to listen.
 We loved the little one-room school,
 A citadel for sage and fool.
 We learned of life and we learned endeavor,
 But most of all, we learned to live together.

Calling all blue Volunteer Reports! Just fold in half, no tape or staples necessary, and put in the mail to Box 4304. Thank you for your continued cooperation in this important endeavor.

Do you enjoy watching movies? Why not volunteer to preview movies to be shown at different times right here in ACV. No experience necessary. Viewings can be from your own personal collection as long as the movie content is appropriate. Please call James Sutter at 658-5266.

The Plarn (plastic yarn) Ministry is alive and well and right now in need of those pesky plastic shopping bags that rapidly accumulate. Just drop them off at MS where they will be folded into quarters lengthwise and cut into 3–4" strips for crocheting plastic mats for those in need. It takes 1,000 plastic bags to make one mat. Drop-off and pick-up service is available for large quantities — call 658-5251. Thank you for your cooperation.

CERAMICS SHOP

Laura Putnam, Reporter

Have you noticed that the PCS is open each week, Monday afternoons and Wednesday mornings? Several are working on yard ornaments (flower pots, etc.), and one or two are working on some home décor. Penny and I have been working on some sample pieces, as we have added new paints to our supply line. There are a number of finished products in the windows to show you "samples". As you know, the bus can pick you up, bring you to the shop, and you can phone them for a return pick up when you are ready to leave. We look forward to seeing you stop by and "check out" what is happening in the shop this spring.

VILLAGE VOICES

Nancy Seale, Reporter

Good morning, dear readers, I have been cleaning and purging at my house and have found all kinds of goodies *and* junk. The goodies have brought rejoicing. The junk ... well, brought trips to the dump!

I recently ran across this poem in my working, having had it for many, many years. It was very meaningful to me when I initially found it and still is today. I am sharing it with you, thinking it just might encourage you to find *celebratory* times that could be shared in the upcoming *Village Voices* titled "Celebrations".

After the Rain

You can't find the rainbow
'Til after the rain,
And you can't share the joy
'Til you've weathered the pain.
For life is a blending
Of laughter and tears
That brings love and meaning
To all of our years.

There are times of *celebrating* that involve good things. Some examples are birthdays, anniversaries, reunions with family and friends, and holiday celebrations. Then others are times of celebrating that mark surviving an event or times in our lives that we have endured.

As the above poem states, life is a mixture of both the good and the bad. God never said that life will be fair. Nor does He say, "If hardships come." However, He says, "*When* hardships come, I will be with you."

During this past year as I "sheltered in place", I had many opportunities to reflect, recalling other times in my life that offered challenges and difficulties. Of course, these Covid times have been unique.

Because God is true to His word, the landscape of my life is scattered with "Ebenezers". Used in this way, *Ebenazer* refers to "a stone of help". In Biblical days, a stone was erected by the Israelites as a tangible reminder of God's power and protection during encounters with enemies. Because of mental reminders and the history of God's faithfulness in my life, it is easier for me to continue to trust Him in these uncertain days.

I am sure others of you have had similar circumstances, resulting in celebrations that beg to be shared with your friends, family and community. The recently received submissions have been inspiring to read, leaving me with the feeling that I was a part of the author's family, enjoying a delicious recipe and special times together.

Our community is very unique because of the diversity of its residents. From being NASA engineers to missionaries on foreign shores, from teachers to nurses and soldiers in world wars, the stories are there just waiting for telling. By sharing for publication in *Village Voices*, the stories continue to impact those who read, and a wonderful opportunity for your stories and experiences to not be lost to time.

The submission envelope is on the counter in MS. For those who want to email your submission, my email address is basketcasenan51@gmail.com.

Birthdays this month of people I know in CH: May 17, Diane Starke; 18, Ray Brown; 19, Charles Johnson; and 26, Jan Barrows. I do not know everybody in CH, so if I miss mentioning your special day I am sorry. Happy birthday to friends in other parts of the Village.

I met a new person in CH. Her name is Lynn Harris from Port Orange. She has a sweet dog named Annie. She loves to sit in her mama's lap and have her head rubbed.

God, I lift up CH people who are ill. I pray, Lord, that you would heal them.

Borrowed from Facebook: "I want to get on that road St. Paul was on: De-mask us." We haven't been wearing masks except outside or in groups, but distancing has brought us closer together for meals. We can now have four people instead of only two at each table. Now we are all in the dining room instead of some being in the lobby. We were able to go outside to the activity and fish pond area on Tuesday. Gladys Ezell, Gail Lanier and Jan Gurniak chose to go accompanied by Cindy Crews. Tuesday p.m. our singalong with Pastor Bruce was cancelled. On Wednesday we had bingo in the a.m. to give place to have a Cinco de Mayo party in the p.m. Thursday is Bible study as it stands now.

Happy birthday to Mary Carter who will celebrate 98 years on Wednesday, May 12. We hope it will be a blessed day and year ahead. There will be other birthdays this month, and they will be remembered on time.

There were residents who had visitors this week, but the listings were not available in time for this article.

You all have a great week, and God bless you.

Birthdays for May: 9, Steven Heintz; 10, David Vignali; 12, Joel Rutter; 29, Barbara Bland; and 30, Helen Whitfill. Anniversaries for May: 14, Bruce and Janice Harris.

This month is full of holidays; Kentucky Derby Race Day is one of them. When I worked as a food service director in a 508-bed hospital, I planned theme days for the holidays in the month. This included Kentucky Derby Race Day, and the hospital served Kentucky Derby pie, which is much like pecan pie, but with the addition of chocolate chips. Upon arrival at DH, I met Mary Jane Holler, and she shared her love and passion for the Kentucky Derby. Her daughter from Fort Walton Beach even joined her on Friday to watch the Kentucky Derby. This year the plan was to don their hats, and the duo called Mary Jane's daughter in Texas and watched together. The race was on May 1.

Cinco de Mayo is/was May 5, a time for lovers of Mexican food. I have decided to make my favorite Tex-Mex chicken chimichangas, Spanish rice, refried beans, and black bean and corn salad. I have been decorating a tree for each holiday since Christmas, and this month's tree is a Cinco de Mayo tree adorned with white lights, red and green balloons, Cinco de Mayo cut outs, sombreros made using red plastic cups and a circle cut out, and a cactus and maracas cut out.

May 9 is Mother's Day and is being celebrated with a bulletin board on the first floor with each lady's name written on a colored circle which represents an M&M. The reason the bulletin board features each lady is because all ladies have mothered someone — a niece, nephew, foster child, child at church, or a fur baby. Thanks to our mothers for all you do. We have a great example in Jesus' mother, Mary. Happy Mother's Day to all.

Saturday, May 1, Celeste Cook was blessed with a surprise birthday party given by her family. The party was held at the picnic area/shelter at the Harmony Center. Her children and other family had already called to wish Celeste a happy birthday on April 28, her actual 86th birthday. So this late gathering was a true surprise. Aaron, her son, and his daughter, Ayslin, who turns eight years old on May 1, had already arranged to visit, and Celeste thought they were coming to take her to lunch in Live Oak. Celeste's oldest son, Judson, came from Charlotte, N.C. Belinda McKenzie, her only daughter, came from Starke, Florida. Her son, Jayson, from Clermont, Florida, and Celeste's youngest son, Jayson, and granddaughter, Ayslin, as well as granddaughter, Wendy Parish, and her husband, Keith, and their twin sons, Keith and Clay, from Tallahassee, rounded out the group. Ask Celeste to let you see her giant birthday card and her squirrel and the story behind the squirrel. Blessings to you, Celeste, as you celebrate this birthday. I have always been inspired by Celeste and her daily walks in the building, and when it is not too hot or cold, she is making her rounds outside. Enjoy your year.

EMS/EMT week starts May 16. Be sure to thank Donna, Leon, Robert, and Barbara for all they do for each of us.

Nurses Week begins this week. We each know a nurse or have special nurses who have helped us during our life. My favorite nurse memories were the nurses who worked at the pediatrician's office when I was a new mother and the ones that helped during childbirth. At the Village, we are blessed with a number of nurses — ones at the clinic, ones at home health, and ones at GSC and Dacier. I challenge you to find out the residents in DH who have been nurses.

With May here, it's time to add a new item to collect for the operation Christmas child shoeboxes. Last month, the collection was sparse. The collection item was paper, pencils, pens and manual pencil sharpeners. I got one donation, but it was a very generous donation. Thank you. This month I would like to collect combs, brushes, hair barrettes, and hand-held mirrors. Boxes are still in DH and CH. Thanks in advance for your donation.

Happy Mother's Day to all mothers past & present! Over 100 years ago the "holiday of Mother's Day" was conceived and today is one of the biggest money makers for the card companies, florist shops and candy makers. It is estimated this year alone the approximate amount of money spent on moms in the U.S. will be a whopping \$215 billion! A mom changes an average of 7,300 diapers by the time their child reaches its second birthday. The biggest baby on record was 73.12 centimeters long and weighed 22 lb. 8 oz. Can you say ouuuuuuccccccchhhhhhhhhh? The oldest mom on record was 72 years old. She gave birth to twins and already had five children.

I have no record of birthdays or anniversaries listed for this week or next. If you have some news from in and around our neighborhood, please email me at jackwdixonis@gmail.com or phone me at (239) 404-0329 and leave a message. I sure would appreciate it.

Part of the problem with the world today is no one snaps green beans on the front porch with Grandma anymore. My parents spanked me as a child. As a result I suffer from a psychological condition known as "a respect for others". From the middle of a bumpy, dusty dirt road, 102nd Place, don't forget to call your mama, and never forget who is in charge. Isaiah 40:28 -31. God bless you.

EDGEWOOD TERRACE

Hello again, ET! Happy birthday to Albert Yale on May 6 and to Faye Decie on May 8. Marilyn Ludington will celebrate on May 11. May your special day be just the beginning of a year that God blesses in every way. Have you noticed? The roadsides are blooming in your honor!

PARK OF THE PINES

Bob Reynolds, Reporter

A birthday this week, on Saturday the 8th, is for Mark Brennan. Although he recently moved from POP to DH, we wish him a happy birthday. Location doesn't matter when it comes to these important days in our lives.

My favorite river, only because it is local, has risen seven feet since April 20, and it is now at 33.19 feet. It has raised about 10 stone throws away from my first favorite river, the Connecticut River. The way I throw stones today it might be several hundred throws away. I spent quite a few hours sailing in the "open class" races on some Sundays in my youth; a bit more motoring, but very few canoeing in my 40s. Yes, I swam in the river too, but before anyone asks, it was not from falling overboard! Oh well.

I ran across a paper the other day that was interesting. It was about facts you may not know. After reading the list, I'm not so sure that some of them are actually facts, which we mean to be true statements, right? The first is about the University of Alaska; it spans four time zones! Nine out of every 10 living things live in the ocean. The tooth is the only part of the human body that cannot heal itself. Your tongue is the only muscle in your body that is attached at only one end. Now some of those "facts" might be obvious, but then again they might not be. I'll let you pick and choose, but I don't want to know about it.

Our neighbor down the street, Robin Robinson, is doing some very interesting planting procedures in her yard. It looks like a lot of hard work, but since she is doing it herself, she can do all the hard work she wants. I'll watch. Whatever — any gardening takes time, hard work and patience. That's the hard part as an observer. I'm sure it will be worth waiting for, so Robin, keep on keeping on, and we'll be watching the miracle of your gardening efforts.

RIVER WOODS

Betsey Ruehl, Reporter

The veggies are growing pretty well in the garden area. So far, eggplant, lettuce, peppers and radishes are great. The tomato plants in pots at home keep getting blown over. We may just end up with sauce.

I have started reading *A Purpose Driven Life* by Rick Warren, a treasure I found at the Twice Nice shop. More copies are available. Even the chapter titles are great. I'll share some later.

Bird update: Gary saw the mommy bird delivering takeout to the hanging basket. Yay!

This week's calendar quote: "Silence is refreshment for the soul." We have it in abundance on the beautiful grounds here.

Get well wishes to all who need them.

THANK YOU

A thousand thank yous to all for the birthday cards, phone calls, photos, personal visits, and homemade treats. They made an absolutely wonderful day for me.

Celeste Cook

Thank you to all for the birthday cards you sent me. It was very thoughtful, and I enjoyed them much. Also for

those of you praying for my son, Maxie, he is still in the hospital but making progress in his recovery.

Thanks again, you are a precious bunch of family, and I am grateful to be a part of the family.

MOTHER'S DAY

Did you know? More phone calls are made on Mother's Day than any other day of the year. These holiday chats with Mom often cause phone traffic to spike by as much as 37 percent.

Ann Reeves Jarvis and Julia Ward Howe

The origins of Mother's Day as celebrated in the U.S. date back to the 19th century. In the years before the Civil War, Ann Reeves Jarvis of W.V. helped start "Mothers' Day Work Clubs" to teach local women how to properly care for their children. These clubs later became a unifying force in a region of the country still divided over the Civil War. In 1868 Jarvis organized "Mothers' Friendship Day", at which mothers gathered with former Union and Confederate soldiers to promote reconciliation.

Another precursor to Mother's Day came from the abolitionist and suffragette Julia Ward Howe. In 1870 Howe wrote the "Mother's Day Proclamation", a call to action that asked mothers to unite in promoting world peace. In 1873 Howe campaigned for a "Mother's Peace Day" to be celebrated every June 2.

Anna Jarvis Turns Mother's Day Into a National Holiday

The official Mother's Day holiday arose in the 1900s as a result of the efforts of Anna Jarvis, daughter of Ann Reeves Jarvis. Following her mother's 1905 death, Anna Jarvis conceived of Mother's Day as a way of honoring the sacrifices mothers made for their children.

After gaining financial backing from John Wanamaker, a Philadelphia department store owner, in May 1908, she organized the first official Mother's Day celebration at a Methodist church in Grafton, W.V. That same day also saw thousands of people attend a Mother's Day event at one of Wanamaker's retail stores in Philadelphia.

Following the success of her first Mother's Day, Jarvis — who remained unmarried and childless her whole life — resolved to see her holiday added to the national calendar. Arguing that American holidays were biased toward male achievements, she started a massive letter-writing campaign to newspapers and prominent politicians urging the adoption of a special day honoring motherhood.

By 1912 many states, towns and churches had adopted Mother's Day as an annual holiday, and Jarvis had established the Mother's Day International Association to help promote her cause. Her persistence paid off in 1914 when President Woodrow Wilson signed a measure officially establishing the second Sunday in May as Mother's Day.

ROADSIDE WILDFLOWERS

We have all been enjoying the beauty of the wildflowers along the highways. Do you sometimes just ride around to take in the splendor of the blooms? Well, you have President Johnson and more specifically, his wife, Lady Bird Johnson, to thank for initiating the experience.

The Highway Beautification Act (HBA), Title I of the Highway Beautification Act of 1965, as amended, was signed into law by President Lyndon B. Johnson on Oct. 22, 1965. It was nicknamed "Lady Bird's Bill" because it was the pet project of First Lady Lady Bird Johnson, who believed that beauty, and generally clean streets, would make the U.S. a better place to live. In a nutshell, her program is, "masses of flowers where masses pass." Water, lights, and color-mass of flowers — those things spell beautification to her, Lady Bird wrote in her diary. Lady Bird also saw her beautification projects as helping soothe the nation at a time when the Vietnam war, civil rights, and other highly charged political topics were encouraging division. Lady Bird believed that a cleaner, more beautiful country could calm people and bring them together.

But even before that law was signed, the Florida Department of Transportation initiated the Wildflower Program for the state's rights-of-way in 1963. There are many, many laws encouraging highway beautification — state and national — and thousands of people who work to see it carried out. But seeing the blossoms each year always makes me think of Lady Bird Johnson.
