

From the desk of District Governor Jeff Orth

May/June 2017

I was talking to Barbara the other day about how fast this Rotary year has been going by. It has been a bit like riding a roller-coaster! The ride starts with the build-up that begins over two years before the 2016-17 years begins... making plans... determining areas of focus... and most

importantly selecting the leadership team for the Rotary year.

From my point of view, few things of value are truly done alone. I am so grateful to the Presidents and District leadership team of 5170. We are a leading District in membership development, with a current net gain of 139 members. Also, the District continues its decades-old legacy as a leader in giving to The Rotary Foundation. Last year was a good year for annual giving, and so far this year, we have given \$678,749. Once all our pledges are received, I expect that we will meet last year's total.

Many of you remember a time in the United States where the polio epidemic kept public pools and movie theaters closed, and parents were afraid to let their children go out and play. Most of you know someone who had polio, or perhaps you are a polio survivor. The good news about Polio is that year to date, as of May 5th, we are still holding at 5 cases worldwide. I pray that this number will hold steady for the remainder of this year! We have come so far and it is

important that we see this fight through to the end. Our Polio Flash Campaign is going on during the month of May, and we currently have \$57,620 raised to combat this awful disease, which cripples and kills children. Remember, we are just one plane ride away from an epidemic in any previously cleared country, including this one.

The Rotary Foundation was started 100 years ago with a donation of \$26.50. In this anniversary year, we are asking everyone to give at least \$26.50 to help us finish the job and rid the world of this horrible disease, once and for all. Please keep in mind that \$26.50 did a lot more 100 years ago than it does now, so please, listen to your heart and give generously. Remember, with the Gates Foundation and other matching grants, the money that you give is tripled... \$100 turns into \$300. Now that's leverage when it comes to giving for a worthwhile cause!

The "Making Waves with Rotary District Conference" at the Santa Cruz Boardwalk was well attended and a whole lot of fun. I am so very grateful to the District Conference committee for their extraordinary vision, enthusiasm and follow through. Special thanks go out for the support of the Clubs of Area 7, with special attention to the Santa Cruz Sunrise and the Santa Cruz Noon clubs. Also, the support received from the Cupertino Club was greatly appreciated. Our goal for the conference was to celebrate all that we have accomplished together this year, while having a great time at the most family friendly conference ever. To

Continued on next page...

Page 2 District 5170

Continued from previous page

the DC Committee I say, "Mission accomplished!"

There are two more important events that take place before the end of this Rotary year in June: The International Convention in Atlanta and the Roast-N-Toast in Morgan Hill. We have over 200 people registered for Atlanta, but time is running out if you want to attend the 100 year anniversary celebration of The Rotary Foundation. You won't want to miss this great convention if you can help it!

At the Roast-N-Toast on June 22nd, you will send 'Yours Truly', current District Governor, out of office and welcome in the 2017-18 DG, Orrin Mahoney. Orrin has worked tirelessly and productively in preparation to lead our District next year. I am confident we are going to have a great year with Orrin as our District Governor. Please plan on attending to show him your encouragement and support, as we welcome him into office.

Back to the roller-coaster...it has been an exciting ride, but the year isn't over yet, and there is a lot we can do in the time we have left. I have never been the kind of person that coasts into a finish line. I am encouraging you to race with me to the finish line for this year, finishing the year off well, with both giving and membership growth. Remember, we can give more and do more when there are more of us to do the great work of Rotary. This year has been a great ride. Let's hang on all the way to the end!

And remember...

Attract the Young

Have Lots of Fun

Get More Done

...with FUN at the center!

Yours to count on,

Rotary District 5170 Annual

Roast 'n' Toast

Celebrate soon-to-be PDG Jeff Orth and welcome soon-to-be DG Orrin Mahoney

The Rotary Foundation Corner

Cecelia Babkirk, District Rotary Foundation Committee Chair email— rotariancecelia@gmail.com

The Flash Campaign to End Polio Now will take place NOW and will run through June 15. Short and sweet. The club Foundation Chairs and club Presidents have all the information.

<u>\$26.50...</u>

Is the magic number. Why? Because the first contribution to The Rotary Foundation when it was founded 100 years ago was \$26.50.

We ask that <u>every Rotarian</u> make a centennial contribution of \$26.50 to the End Polio Now campaign, to rid the planet of this awful disease, once and for all. The contribution is matched 2:1 by the Bill and Melinda Gates campaign. <u>For those of you who keep track of such things, \$26.50 in 2017 dollars is \$551.47. With the Gates match, that would bring \$1,654.40 to the End Polio Now effort! One of our Presidents has challenged his members to make the \$26.50 contribution in today's dollars – how about you?</u>

Thanks to all Rotarians for your support!

From the Grants Chair....

I wanted to take the opportunity to thank everyone on my team for a great job in handling out grants this year, including:

Andrew Taw, Areas 1 – 3

Jon Winston, Areas 4 – 6

Gerri Hussey, Areas 7 – 9

Kathy Yates, Stewardship Chair

Together, the team handled 30 District Grants, totaling \$108,354 in DDF usage, but much more in total project value.

On the Global Grants side, the clubs throughout the district are working on projects that will total well over \$1 million, once approved and paid.

In the next issue of this newsletter, you will receive a complete listing of all the grants completed in the district, their project scope and dollar amounts.

Coming in 2017-2018: Max the Match!

The Presidents-Elect have heard about it and it's a Win-Win for clubs doing both District Grants and Global Grants. But rather than talk about the details here, stay tuned for...

Important information about the required grants training for the 2017-2018 Rotary Year:

The **training for District Grants** will take place at the end of June, just before the grant window opens. EVERY club planning to do a District Grant is required to send their key project person to this training to be qualified.

The **training for Global Grants** will move to an online platform that we hope to have available by July 1st.

Thanks to all for the opportunity to serve you this year!

Lorena Tuohey District Grants Subcommittee Chair Ituohey@comcast.net

Youth Service

Chris Miller, Communications Lead email— camillerlg@aol.com

May and June are busy months for youth service programs in District 5170! As we close out the Rotary year, we are excited to have truly embraced this year's RI theme of Rotary Serving Humanity and the district theme of attract the young, have fun, and get more done by sharing our talents with the youth of our District.

Our Youth Services goals this year include communicating our events and key information to better connect our Rotarians with the youth (via this monthly newsletter, a quarterly youth service newsletter, and a bimonthly Interact newsletter), better integrating Rotary principles and concepts into existing youth programs (through Interact, RYLA, ELC, Speech Contest, Youth Exchange, at-risk programs), and collaborating on an event that brings together the different youth service programs (FLC, district assembly, and district conference). Congratulations to all of the youth service team members!

Here are updates of what is going on across the district:

Youth Services teamed up with Rotaract to host a Forum at "Make Waves with Rotary". The Facebook post during our session said it all, "compelling forum being hosted on Youth Services". Our topic, <u>How Rotary's Youth Programs have helped shape my life.</u> We had our Youth and Young adults share their stories.

- Three Interactors from Scotts Valley, Genevieve Bellavance, Philip Goodrich and Thomas Oodiga, discussed the various events in Interact and how they were inspired. One had just recently joined as he participated in this year's speech contest, learned about Interact in the process, and is now hooked!
- Holly Borg, past Interact District Governor spoke on her role on District Council and her growth and

how much she learned, and the tools she gathered,

• We were honored to have all the current inbound and the selected outbound students attend. Mira Greenlee, who begins her journey abroad in July, spoke on her excitement and preparation for leaving, including how being involved in Youth Exchange as her family has hosted, has shaped her life and experiences. Inbound students from France & Belgium gave wonderful recaps of their year so far. The student from France was able to meet the exchange student from the US who his grandfather in France hosted many years ago. What a wonderful story.

Mira Greenlee speaking at the Youth Focus forum.

- Bailey Duarte, now in Rotaract, talked about the various youth programs she participated in, Interact, RYLA and now Rotaract. How being involved in Rotary has made her who she is and taught her leadership qualities, which she is paying forward in Rotaract.
- Holly wrapped up the discussion with RYLA. She highlighted the strong community and lasting friendships, the welcoming and inclusive spirit of RYLA and the leadership program.

Page 8 District 5170

Continued from previous page

RYLA

Camp RYLA 2017 is almost here! It will be held June 25-30, 2017 at Mission Springs

in Scotts Valley. Additional information can be found on the RYLA website: http://ryla5170.com/rotarians Please contact Ben Macatangay at benedictomacatangay@gmail.com for additional information.

INTERACT

Throughout May, Interact clubs and areas will continue their fundraising events for the International Project "Me the Human" benefitting displaced Syrians in refugee camps. Charity dinners, dances, and talent shows are popular opportunities to spread awareness about the project while engaging fellow students about the benefits of Interact club membership. Rotarians and advisors are always welcome to attend Interact area events-check out the calendar of events here: http:// www.rotarydistrict5170.org/SitePage/interact-event -calendar For more information on these and other district Interact events, please visit the Interact website: http://www.interact5170.org/

Upcoming district events are the Incentive Cruise on May 21st and Summer Rotary Sponsored Club Sendoff on June 3rd. The Incentive Cruise rewards 300 outstanding Interactors around the district with an evening cruise on the bay. This semi-formal event features a DJ and dancing, a photo booth, and recognition for leadership, community service hours, and international project fundraising. Summer Sendoff is a picnic and fun day to be held this year at Central Park in Fremont. It is a chance to look back on a year of service and thank Seniors for their leadership and wish them well on the next leg of their journey.

The first ever Rotary-Rotaract-Interact Day of Service was held on Sunday of the District Conference. Over

150 volunteers including parents of the Silicon Valley Interact Club came together to package over 30,000 meals for Rise Against Hunger. Special thanks go to Mike Holton and the Area 7 Rotary,

Rotaract, and Interact clubs, and Larry Tan, Advisor of the Interact Club of Silicon Valley, who along with other Interactors from District 5170 made this project a huge success.

SPEECH CONTEST

We had an outstanding final competition for the Speech contest on Friday evening, May 5, 2017, kicking off this year's District Conference. It was held at the Monterey Bay National Marine Sanctuary Exploration Center in Santa Cruz. We were honored to have our Speech contest founder Past Rotary International President Rick King, speak at the event and participate in the awards ceremony. In between the speakers our guests watched videos on Rotary and our Interact club. As always, the speakers were phenomenal as they spoke on the topic of "Rotary Serving Humanity".

• Our first place student was Amita Mahajan, who gave her first speech at the Cupertino Rotary Club.

Continued from previous page

• Second place went to Claire Murphy representing Morgan Hill Rotary.

Our two finalists were Joseph Hughes (Santa Clara) and Kirthana lyer (Hayward).

Our District Speech Co-Chairs, Shon Bhagat & Janel Alimboyoguen did a fantastic job organizing the event.

Jon Winston (Santa Cruz Sunrise) and clubs in Area 7 were wonderful hosts. They handled set-up and serving food at the savory and dessert bars, and managing audio-visual requirements.

Special thanks to Jerra Rowland (Cupertino) for putting together the four videos on Rotary and Interact.

The speeches were recorded and videos will be posted soon!

Amita Mahajan, first place winner

ROTARACT

Rotaract Clubs in the District have a number of upcoming events. Click here to learn more: http://www.rotaract5170.com/

YOUTH EXCHANGE

The district Youth Exchange program not only changes the lives of the students, host families, and natural families but most importantly, these students are ambassadors for

Rotary and the Youth Exchange program. Plus, many of the exchange students will eventually become Rotarians. This is sustainable but more importantly, will increase our future Rotary membership worldwide. Check out the district youth exchange website here: http://rotarydistrict5170.org/SitePage/youth-exchange

YOUTH PROTECTION

Club leaders are reminded that club youth services certification application needs to be completed at the beginning of each calendar year. Visit this link to see the current status of your club for 2017: http://yex.rotary5170.org/ave_youth/CCAList_asp

It is highly encouraged that all Rotarians take the online youth protection awareness training course. It can be accessed at this link: http://yex.rotary5170.org/ave-youth/YPATraining.asp

All Rotarians with extensive involvement with youth need to complete a more detailed process, including reference checks and LiveScan fingerprint submission.

Further information can be found on the youth protection website: http://www.rotarydistrict5170.org/ SitePage/youth-protection-1.

Please contact Scot Smithee at smithee@garlic.com for additional information.

Membership Committee

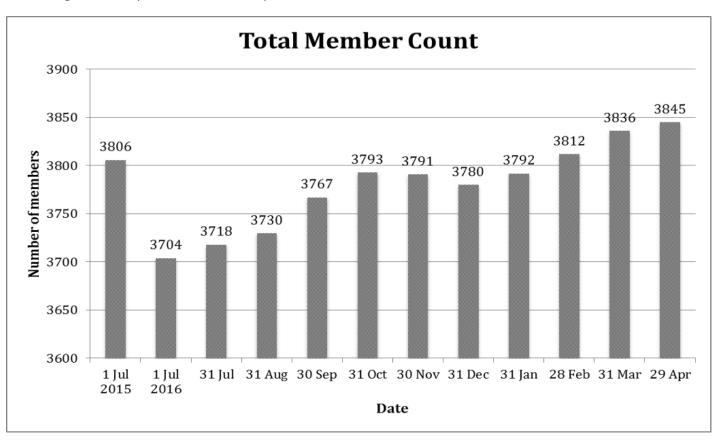

Phil Dean, District Membership Chair email— pndean@comcast.net

As of the end of April, the District had 3,845 members, a gain of 141 members since 1 July 2016. The gain in April was less than in March, a net gain of 9 new members. We are still on a rising path, helped significantly by the large increase in March, and are looking for better results

in May. The following chart shows the number of members in the District at the end of each month, illustrating the steady rise in membership. or not they are receiving value for their expenditure of time, effort and money. If they are, they will renew. If not, they will terminate their membership in Rotary. Do you know how your club members feel about being a Rotarian? Are they engaged with your club members and participating in club projects?

All clubs were advised to conduct Membership Satisfaction Surveys in April to obtain information about what their members value the most in their club, and those areas where the club is deficient. It's not too late to take action. There are still things that can be done.

May and June are critical months in membership development for Rotary clubs. Why is this? Some clubs begin to mail dues invoices in May. At this point the members have to decide whether or not to renew their membership. The key issue is whether

Identify "at risk" members

Are they missing meetings

Continued on next page...

www.rotarydistrict5170.org — www.rotary.org

Page 12 District 5170

Continued from previous page

Do they participate in club projects

Are they paying their dues on time (are they late or not paying at all)

Are they contributing to the Foundation

How to identify their issues

Ask them (Don't email - Talk with them)

Find out what is important to them

What is the club not providing - Find out what they need to become more involved

Determine what you can do to help the member connect to the club

Possible concerns to look for

Network expectations not met

Not interested in current club programs

Financial constraints or health problems

Feel unappreciated or no longer needed

Meetings not convenient

What to do now (May)?

If you did the survey, share the results with your club members to receive more feedback

Engage the at-risk members

Ask them to identify what is missing from their membership, and what changes need to be made in order for them to stay with the club.

Actively listen to them and determine what can be done to meet their needs

What to do in June?

- Begin to implement ideas and suggestions based on the feedback that members expressed during the month of May. Create feedback loop
- Be considerate in how you deliver club invoice to at risk members. Instead of emailing the invoice to them, consider walking them through the invoice and be available to answer any questions or concerns they may have.

- Ensuring that your at-risk members are content and satisfied doesn't stop in June. Be sure to check on these members periodically and keep communication lines open.
- How many members did your club save from leaving? Were you able to stop members from leaving your club by connecting with them one-on-one? Make sure to evaluate the success of this process.
- Count your successes, let your club and district know.

Re-Engage your friends and they will stay. It's up to you.

YOU TAKE ACTION, OR THEY WILL!

REMINDERS

Club Officer Reporting

Be sure to report your club officers for the 17-18 Rotary year in the Club Administration section of My Rotary or by emailing the updates to Data Services at data@rotary.org.

Presidential Citation

Clubs that hope to achieve the Presidential Citation must have all goals entered by **30 June 2017** in order to be considered for the award. For questions about the Citation, please contact RIAwards@rotary.org.

Gears. What a great "logo" for Rotary. A small gear, when power is applied, can turn another gear larger than itself and, if it is designed properly, that gear can turn a number of other gears! So, a Rotary Club of *any size* can make good things happen in their community... and even the world. The fascinating

thing about gears is that a small amount of energy (making a Rotary gear turn) can end up turning other (non-Rotarians) people and organizations to serve others. In other words, Rotary can be the source of beneficial projects and programs without having to do "all of the work ourselves" simply by managing a program and inspiring others to get involved to address a need. (Could be a good way to

introduce potential new Rotary members to our Rotary Clubs!) Think about it-- Vocational Service could be the Avenue by which a Club first learns what each skill or talent a Rotarian has and would like to "use," and then direct them to a current Rotary project or program the

Club has where they could contribute doing tasks that they enjoy. Might this be a way to empower a "gear" to be more productive?

One possibility for improving our (Vocational) knowledge of each other in our Club could be by requesting that a brief questionnaire be completed by each member Rotarian. Perhaps something like this:

I want to do this kind of work...

I like to... (excel in everything that I do.) (Example? Quantify?)

I am good at... (developing relationships.) (Why is that important? What results from this?)

I enjoy success... (Because it builds teamwork, cooperation, pride and a positive attitude.)

What strengths do you have? What talents? What skills? What motivation?

How are you with others? How focused are you? How responsible are you?

Continued on next page...

Continued from previous page

So, if a Rotarian truly enjoys motivating and teaching youth, perhaps mentoring is an area he would excel in helping with Youth or Community Services projects.

Here's a brief story that gives us a little more insight into importance of the work we do and how we may overlook the effects of how we interact with others... I hope you enjoy it.

Once there was a king who decided to set aside a special day to honor his greatest subject. When the big day arrived, a large gathering took place in the palace courtyard and four finalists were brought forward.

The first person was a wealthy philanthropist. This man was deserving of the king's honor because of his great humanitarian efforts. He had given much of his wealth to the poor, building orphanages, schools and hospitals throughout the land. The second was a celebrated physician. This outstanding doctor was deserving of honor for rendering his faithful and dedicated service to the sick for many years and discovering medicines that saved many lives. The third was a distinguished judge. He was noted for his wisdom, his fairness and his many a brilliant decision.

The last person presented before the king was an elderly woman. Her manner was quite humble, as was her dress. She hardly looked the part of someone who would be honored as the greatest subject in the kingdom. What chance could she possibly have, when compared to the other three, who had accomplished so very much?

The king was intrigued, to say the least and was somewhat puzzled by her presence. He asked who she was. Then the answer came: "Well, my king, do you see the philanthropist, the doctor, and the judge over here? She was their

teacher!"

This woman had no wealth, no fortune, and no title, but countless lives were helped, healed and changed through her giving.

Thank you, Rotarians, for all that you do for others!

Be well. Do good work. Stay positive in mind and spirit.

Jim

... and a little extra...

A patient needed a brain transplant and the doctor told the family, "Brains are very expensive, and you will have to pay the costs yourselves."

"Well, how much does a brain cost?" asked the relatives.

"For a male brain, \$500,000. For a female brain, \$200,000," replied the doctor.

Some of the younger male relatives tried to look shocked, but all the men nodded because they thought they understood.

But the patient's daughter was unsatisfied and asked, "Why the difference in price between male brains and female brains?"

"Standard pricing practice," said the doctor.

"Women's brains have to be marked down because they've actually been used."

Since 1976, on the Saturday after Mother's Day, and continuing through Sunday, the Rotary Club of Los Altos presents its annual fundraising event "Fine Art in the Park." Open each day from 10 a.m. to 5:30 p.m., and located in Lincoln Park just across Foothill Expressway from Main Street in downtown Los Altos, it is considered one of the most prestigious art shows in California. The event attracts between 6,000 and 10,000 attendees. This outdoor gallery features the fine art and quality craftwork of 150 juried artists from across the United States. The festivities include live musical entertainment plus a variety of food and beverage booths. New this year are two stages featuring local entertainers. The more than \$100,000 in proceeds from the art show benefit local and international charitable projects. There is free parking at Los Altos High School, with shuttles to the park.

The 9th Annual Los Gatos
Plein Air is returning to Los
Gatos with 34 nationally
acclaimed artists. Don't
miss the opportunity to
meet the artists, view and
purchase the hundreds of

locally painted oils, pastels and watercolors created during the week.

Los Gatos Plein Air is a fundraiser presented by the Los Gatos Morning Rotary and supports local art, music and science education for youth.

June 15^{th,} Thursday - LOS GATOS DOWNTOWN PAINT OUT

Time: 2:00pm – 5:00pm

Location: North Santa Cruz Ave., Los Gatos

Admission: Free

For this afternoon only, the 34 nationally acclaimed plein air artists will be found in the downtown area capturing scenes from the picturesque town on their canvases. The public is invited to come and watch this one-time event. Lucky viewers may even find themselves in the completed art!

June 16^{th,} Friday - LOS GATOS PLEIN AIR VIP ARTISTS' CHOICE RECEPTION & SILENT AUCTION

Time: 7:00 – 10:00 pm

Location: Dio Deka Restaurant at Hotel Los Gatos,

206 E. Main, Los Gatos 95030

Tickets: \$135/person, www. lgpleinair.org

Meet the artists, listen to live music while enjoying fine wines, small plates specially crafted by the Dio Deka's chef. Artists select one of their paintings from the week, each painting is awarded to the highest bidder at the silent auction. The People's Choice Award allows you to vote for your favorite painting, and see which artist takes home this special prize.

2016 Best of Show Winner Greg LaRock All Bundled Up

June 17th Saturday - LOS GATOS PLEIN AIR ART FESTIVAL & WINE TASTING

Time: 11:00 am – 5:00 pm

Location: Los Gatos Town Plaza, Santa Cruz Ave. &

Main Street

Admission: Free

Join the 34 nationally acclaimed juried plein air artists and the Los Gatos Morning Rotary for the 9th annual art exhibit and sale, the culminating event of Los Gatos Plein Air 2017.

Enjoy wine tasting from Los Gatos wineries while listening to live music, meeting friends, visiting with this year's artists and viewing the hundreds of unique works of art painted during the week. For the little ones, Drawn2Art provides mini-art sessions for the very young. Open to the public. Visit www.lgpleinair.org for more information.
