Language Requirements

Students must have a high level of English proficiency. We assess a student's proficiency through the following methods:

<p>TOEFL</p>	<p>Minimum score of 100 (internet based), 250 (computer based) or 600 (paper-based)</p>
<p>IELTS – Academic</p>	<p>Minimum score of 7</p>
<p>TOEIC</p>	<p>Minimum score of 850 (both Listening/Reading & Speaking/Writing tests required)</p>
<p>Post Secondary Classes Taught in English</p>	<p>Historical evidence that students have successfully pursued post-secondary studies in English</p>

Work Experience

It is strongly recommended students have a minimum of 2 years post degree full-time business-related work experience. Work experience is important for students to use as a point of reference for their personal development and growth as well as draw from so they can contribute to class and group discussions.

In addition to the above, we trust that Exchange Coordinators will select appropriate students to attend.

Academic Information

Course Information

A 3-credit course consists of 3 in-class hours over 12 weeks (36 in-class hours per course). A full course load for Schulich students is 5 courses (15 Schulich credits).

Graduate exchange students may only enrol in MBA elective courses taught at the Schulich School of Business.

Elective courses have small class sizes where professors use a variety of teaching methods including lectures, case studies, individual and group projects, term papers, business games, presentations, exams and classroom discussions. Attendance is mandatory. Class participation is part of the final grade.

Elective courses may differ from term to term and are not guaranteed. Additional information can be found under [Courses & Academics](#).

Exams

Final exams take place the week following the last day of classes. Students should not make plans to travel home before the end of the exam period.

Grades & Transcripts

Students can view their grades online. Schulich uses a letter grade system: A+, A, A-, B+, B, B-, C+, C, C-, F.

An official transcript is sent to the home institution. Additional transcripts can be ordered online through the Registrar's Office.

Code of Conduct

All students are to follow the code of conduct set by the University including the completion of academic integrity modules prior to the start of the term.

International Relations Support

Pre-Arrival Webinar

Before the start of each term, we provide information about arriving in Canada, including documents required to enter Canada, housing, health insurance, transportation and other helpful information.

Orientation

The mandatory Orientation provides information and resources designed to help prepare students for the journey ahead as well as connect students to the Schulich community. Students will meet the international team as well as Schulich and other exchange students.

Immigration Services

Students studying less than 6 months are not required to apply for a study permit, however, depending on country of citizenship, a TRV or eTA will be required to enter Canada (excluding US citizens). Please refer to the entry documents to visit Canada. Our team includes an immigration specialist for any questions/issues for entry into Canada.

English Language Peer Support (ELPS)

The ELPS program provides students with one-to-one English language assistance on assignments, cases, papers and presentation skills. Students who want support with English proficiency will work together with peer supporters, who will provide feedback on grammar, structure, citations and verbal presentation skills.

Health Services

University Health Insurance Plan (UHIP)

UHIP is mandatory for all exchange students while at York University. UHIP provides basic coverage (such as a visit to a doctor or hospital). It does not cover medications/prescriptions. Registration for UHIP is administered by York University before students start the term.

Graduate Student Association Health Plan (GSAHP)

Students will be given the opportunity to opt into a supplementary program to cover costs that are not covered under UHIP such as medications, dental and paramedical services.

Student Accessibility Services (SAS)

Academic support and accommodation are available for students with disabilities (AD/HD, autism spectrum disorders, mental health, physical, sensory, medical and learning disabilities). Registration and documentation are required to access supports.

Student Counselling & Development (SCD)

A professional and supportive environment provides students with equitable access to a range of services that assist in facilitating their academic success.

Career Services

The Career Development Centre (CDC) offers students assistance to help guide them towards their career aspirations. Students have access to corporate information sessions and panel discussions, workshops, networking events, individual counselling, resume review and mock interviews.

Student Life

Open Arms Committee (OAC)

The OAC connects exchange students with a current MBA student to help support the transition of students to Schulich and Toronto.

Graduate Business Council (GBC)

The GBC represents the interests of all graduate students to faculty and administration at Schulich. The GBC organizes student activities relating to business community interactions, recreational programs and social events.

Schulich's clubs provide a valuable space for students to explore business interests and develop skills for leadership. From Canadian mining to investment banking to sustainable enterprise, the variety of clubs allow students to pursue a broad spectrum of interests. Exchange students are encouraged to participate in these clubs during the term.

Housing

York University's Housing Services offers a variety of housing options on campus for different lifestyles and budgets. For information regarding both on-campus and off-campus housing, refer to Schulich's Student Housing Opportunities website. Students are responsible for securing their own accommodations. Please note that on-campus housing is not guaranteed.
