Accommodations

"MCBREAK" represents the Endurance Series of Yachts by Hampton at it's best by exceeding the highest stability criteria for yachts. This Hampton Hybrid Hull represents a new standard for safety, comfort, and efficiency in a long range cruising yacht. For example at 8 knots cruise this 650 long range of 2000 NM. At wide open throttle it exceeds 21 knots. Built with a thick Kevlar Hull Bottom and equipped with twin CAT C-18 ACERT engines with CAT's ESC Platinum Plus Warranty until Jan 2014 "McBreak"'s one owner has meticulously maintained his Hampton 650 Endurance in dealer showroom pristine condition. This yacht is in turnkey immediate delivery status with engine service competed, bottom painted, and yacht fully detailed.

Vessel Walkthrough

"MCBREAK" is such a unique yacht that it was featured by Hampton Yachts in their original Endurance Series Brochure in 2009. Endurance's sculpted hydrodynamic hull and Portuguese-styled bridge attract the most discerning boat buyer. The Bridge's panoramic windshield offers natural light to guests and owners during the day and accents the rich wood interior throughout the helm station and galley area. As you step into the Salon you feel the luxury from the plush carpeting to the multiple grains of African Cherry panelling, hand crafted cabinets and Redwood Burl accented ceiling. The combination of leather upholstered couches
