- Dimensions: 35"x80"x8".
- Powerful yet quiet hi-flow 8 LPM
- 4 alternating times to customize therapy.
- Static mode provides firm support for egress or ingress from mattress or side edge seating.
- Audible and visual alarms in case of low pressure.
- Auto firm mode for quick installation.
- Weight Capacity: 350 lbs.
- 18 month warranty.

Low Air Loss Alternating Pressure Mattress System - With a Static Button

Designed to treat pressure ulcers stages I-IV. The Protekt™ Aire 3000 mattress has 20 individual bladders that allow for deep submersion and excellent pressure redistribution. The Protekt™ Aire 3000 pump alternates in 10 minutes intervals and the adjustable air flow dial provides custom pressure settings for each patients individual requirements.

PROTEKT™ AIRE 3000 PUMP

- Low air loss and alternating pressure therapies in one system.
- Air flow dial offers custom patient comfort and pressure levels.
- Static function for safe and easy patient transfer.
- Preset 10 minute alternating cycle.
- Low pressure alarm indicates air flow may be compromised.

Mattress Cover

- 18 laser holes keeps the patient cool and dry.
- Removable, water resistant, non-shear, antimicrobial nylon cover.
- Pillow top feature prevents head and neck from unnecessary movement during alternating mode.
- Optional raised side rails.
- Weight Capacity: 350 lbs.
