Drugs and Biologics HCPCS Code List
Hoosier Healthwise and Healthy Indiana Plan
Effective 4/1/2022

Coverage Status:

- Some codes are associated with medications that can be self-administered by the patient or a caregiver (e.g., oral or SC route). These will be marked as 'Pharmacy Benefit Only' in the table below.
- Select physician-administered medications are not covered under the medical benefit. This means that providers may not "buy and bill" the medication to MDwise. These medications must be sourced from a MDwise network retail or specialty pharmacy. The MDwise specialty pharmacy network includes AllianceRx Walgreens Prime, IU Health Pharmacies, or Eskenazi Pharmacies. The provider should generate a prescription for the desired medication, and the dispensing pharmacy will submit a claim through the point-of-sale system. These medications will be marked as 'Pharmacy Benefit Only' in the table below.
- A number of codes are available for coverage under either the pharmacy benefit or the medical benefit, up to the discretion of the ordering provider. These medications will be marked as 'Pharmacy or Medical' in the table below.
- Coverage of certain medications (e.g., antihemophilic factor, cystic fibrosis drugs, gene therapy agents) has been carved out from MDwise. Coverage requests and claims should be submitted to the Medicaid fee-for-service delivery system according to IHCP Bulletins BT201810 and BT201812. These will be marked as 'Carved out of Managed Care Coverage' in the table below.
- Some medications are categorized within Indiana Medicaid excluded therapeutic classes (e.g., infertility, sexual dysfunction). These will be marked as 'IN Medicaid Excluded Category' in the table below.

Prior Authorization:

- Non-specific codes (e.g., J3490, J3590, J9999) require Prior Authorization only if the claim amount exceeds $500. These will be marked with an asterisk (*) in the table below.
- Medical benefit prior authorization requests should be faxed to MDwise using the IHCP Universal Prior Authorization Form as follows:
  - MDwise HIP at (866) 613-1642
  - MDwise Hoosier Healthwise at (888) 465-5581
- Pharmacy benefit prior authorization requests should be faxed to the MDwise Pharmacy Benefit Manager, MedImpact, at (858) 790-7100.
