MESSAGE FROM THE PRINCIPAL

This Sunday our Year 4 children celebrate their First Eucharist. This is a special time for our families, their children and the St Paul's Parish community. Please keep the Year 4 children in your thoughts and prayers as they prepare to receive the Eucharist for the first time and continue their journey in their faith development. Celebrating the Sacraments is also a good time for families to take time to reflect and renew their commitment of what it means to be part of a Catholic community.

A big thank you to Father Ray, Mr Keane our Religious Education Leader and the Year 3/4 teachers- Mr. Beninati, Miss Marks and Mr Brohman for their preparation of the children and their many contributions in making this such a special occasion.

*Bless the children
coming forward to receive Holy Communion
for the first time*

*May it be an initial step into a life-long love of the Eucharist.
Give them a hunger for this sacred food*

*so that they turn to you for
comfort, guidance, and wisdom
as they grow into full discipleship.*

Thank you for their innocence and goodness.

*May their hands, extended in anticipation
of your Body and Blood
inspire all of us to cherish this sacred sacrament.*

AMEN

THE LEADER IN ME - YOUR JOURNEY STARTS HERE

Last Friday we were lucky enough to have the Parade College School Captains speak to the Yr 5 students about "LEADERSHIP". Will, Max and Pindoo spoke about their journey towards leadership and the qualities they believe are necessary for good leaders. These fine young men provided our 2020 leadership group with inspirational advice.

Please take the time to read some of our Year 5 student responses

Including others and being trustworthy is really important.'

'The boys were confident and gave great advice'

'The Parade Captains said you have to love what you do and be proud.'

'Before everyone spoke to me I honestly just wanted the badge, but after they spoke to me I now don't care. I want to help people and be confident in myself. '

'The Parade Boys inspired me.'

'Being inclusive is one of the most important qualities '

My grateful thanks to Mr Jim Seymour (Parade College) who arranged this visit for us, and of course to Max, Will and Pindoo for giving their time so generously .

We are now approaching the final weeks of our Year 5 Leadership course and for the remainder of the year we will expect our 2020 leaders to demonstrate leadership qualities.

ST PAUL'S PLAYGROUP

Our Playgroup continues to grow in numbers. It is free and open every Thursday morning from 9 am until 10.30 am in the O'Connell Building. We cater for a range of ages with lots of "hands-on" activities. It is also an opportunity for mums...or dads... to have a coffee and a chat.

Have a great weekend!

NUDE FOOD

Every piece of packaging or excess food that we can save from landfill makes a difference. As part of the School Sustainability Challenge, St Paul's is holding **Nude food days every Tuesday in term 3** to focus on reducing the amount of material that we send to landfill.

When planning lunches for this day, and throughout the year, please help us minimise food and packaging waste by packing a waste-less lunch!

Try to pack ... A Waste-Less Lunchbox	Avoid ... A Disposable Lunchbox
<ul style="list-style-type: none"> Snacks in reusable containers Drinks in a reusable container Reusable utensils when needed A reusable lunchbox or backpack Small pieces of fruit, yoghurt or snack items in a reusable container 	<ul style="list-style-type: none"> Lunches packed in plastic bags or wrap, foil, wax paper Disposable drink boxes, pouches, cans, cartons, and bottles Disposable forks and spoons Pre-packaged single-serve snack items

Here are some suggestions to get you started:

Cut up fruit and vegetables and pack them in reusable containers so that children can eat some and save the rest for later. For example, it's hard to take some bites from a big apple at recess and save the rest for lunchtime. It's easier to eat a wedge or two and then reseal the container. A rubber band around sliced apple will prevent browning.

If your children have chips, savoury biscuits, or other snacks try buying a larger bulk pack (rather than the more expensive so called 'convenience' packs with lots of packaging) and have your children put the same quantity into a reusable labelled container that they bring home each day.

Wipe out Waste

Pack waste free food!

Did you know that up to 50% of items in school/preschool bins come from food and drink packaging is brought from home?

Pack

- Snacks in reusable containers
- Drinks in a reusable bottle
- Reusable utensils when needed
- A reusable lunchbox or backpack

Avoid

- Lunches packed in plastic bags, cling film or foil
- Disposable drink boxes, cans, cartons and bottles
- Disposable forks and spoons
- Pre-packaged lunches or single serve items

CECV Students with Disabilities (SWD) Program

The Catholic Education Commission of Victoria Ltd (CECV) Students with Disabilities (SWD) Program aimed to improve the learning outcomes of educationally disadvantaged students, especially in reading and writing ability and numeracy. Each year, schools could submit SWD applications in either Round 1 (October) or Round 2 (February). Eligibility for the program was then decided by the CECV SWD Committee.

There were seven disability categories; physical disability, chronic health impairment, severe language disorder (including severe developmental verbal dyspraxia), intellectual disability (including global developmental delay), hearing impairment, vision impairment and social-emotional disorders (including autism spectrum disorder). Each disability category had criteria and documentation requirements that had to be met.

Disability funding for Victorian Catholic schools from Federal and State Government sources was based on eligible SWD students flagged on census.

Nationally Consistent Collection of Data on School Students with Disability (NCCD)

The *Nationally Consistent Collection of Data on School Students with Disability (NCCD)* is a process that all schools must do every year. It counts the number of students who receive extra adjustments or “help” at school because of a disability, as defined by the [Disability Discrimination Act 1992](#) (DDA).

To count a student in the NCCD, schools must think through some key questions:

1. Is the student getting help at school so that they can take part in education on the same basis as other students?
2. Is the help given because of a disability? The word ‘disability’ comes from the [Disability Discrimination Act 1992](#) (DDA) and it can include many students?
3. Has the school talked to you or your child about the help that they provide?
4. Has the school kept records about the help they provide, the student needs and the reasons that the student needs this help? The school will need to keep copies of tests, student work, assessments, records of meetings, medical reports or other paperwork and information about how the student’s learning is moving along over time?

Once the school decides that the student should be counted in the NCCD, they then choose a disability group and one of four levels of help that has been given to the student.

There are four disability categories; physical, cognitive, sensory and social-emotional. There are four levels of adjustments; quality differentiated teaching practice (QDTP), supplementary, substantial and extensive adjustments.

Changes to Funding

Both Federal and State governments have indicated that the NCCD will now be used to inform funding. From 2019 onwards, schools will receive funding based on students counted in the NCCD at supplementary, substantial and extensive adjustments levels. **Therefore, the CECV SWD Program will transition to the NCCD for the 2019 program year.**

What does this mean for students currently on the CECV SWD Program?

NCCD Eligibility

Specialist documentation (e.g. paediatrician, speech pathology, psychology, GP) that was used for the CECV SWD Program can be used as 'evidence' for NCCD. The NCCD **does not currently** have specific documentation requirements (e.g. documentation from specific specialists or date requirements). Where available, information and advice from specialists combined with school-based evidence will continue to provide rich information to inform educational programming (i.e. adjustments).

Evidence of the help given can be seen in documents such as teacher work plans, monitoring sheets, specialist support timetables, Program Support Group (PSG) minutes and Personalised Learning Plans (PLPs). It is highly likely that students on the CECV SWD Program have already been, and will continue to be counted in the school's NCCD.

Review Assessments

NCCD **does not currently** have specific documentation requirements. Where students may have needed updated review assessments for the CECV SWD Program, they are now not necessary for NCCD. Where available, information and advice from specialists combined with school-based evidence will continue to provide rich information to inform educational programming (i.e. adjustments).

NCCD Submissions

Schools must submit their NCCD in August every year and cannot change their NCCD after the due date. The Australian Government will apply post enumeration processes (census audit) to a random sample of the school's NCCD submission.

Parental Consent

Changes were made to the law ([Australian Education Act 2013](#) and [Australian Education Regulation 2013](#)). Schools do not need you to agree to let them count a child in the NCCD. You cannot ask the school not to count your child.

Where can I access more information?
