Michael's Sun in Virgo and Janet's Sun in Taurus:

Both of you are practical and down to earth. Michael is more precise and more of a perfectionist than Janet. Michael is also more easily worried and more inconsistent.

Janet is steadier emotionally than Michael is, and Michael appreciates Janet's consistent nurturing, healing, and soothing qualities. You make very good friends!

Michael's Moon in Pisces and Janet's Moon in Aries:

Your instinctive emotional responses and emotional needs are so different that quite often you rub each other the wrong way or cause offense to one another unintentionally.

Janet has an eager, active, take-charge attitude that is somewhat abrasive to Michael, who is gentle, receptive, very sensitive, and rather passive.

Janet is direct and confrontational, and can be quite irritated with Michael's vagueness, over-sensitivity, and tendency to seek escape or avoid conflict. Janet is somewhat volatile and needs to express anger and other emotions rather than bottling them up. Once released, Janet forgets these outbursts rather quickly, but Michael is often left feeling hurt or upset by the disruption. Michael craves peace, tranquility, and a sort of idyllic environment.

Also, Michael has a strong need for closeness and sympathy, while Janet prefers to be (or at least acts) self-reliant and independent. Michael is extremely flexible and adaptable and often unfocused or unclear about personal direction, and Janet may dominate or take advantage of Michael's willingness to give and bend.

Janet's Sun Conjunct Michael's Mars:

You inspire each other to be very active in both work and play, and to accomplish a great deal. You enjoy challenging each other and perhaps enjoy competing with each other in games. The only negative tendency is to possibly develop a rivalry with each other; this is especially possible if Michael comes on too forcefully, directly and aggressively, hurting Janet's feelings or pride.

Janet's Sun Square Michael's Mercury:

The two of you do not always see eye-to-eye on issues, and it is very easy for Michael to become critical of Janet. Compounding the problem is Janet's tendency to be very sensitive to criticism from Michael and consequently react defensively to this criticism. This need not be a serious problem however; a little tolerance for each other's right to disagree and respect for individual differences is all it takes to make personal differences interesting rather than annoying.

Michael's Moon Opposition Janet's Uranus:

Janet is instrumental in freeing Michael from many old habits and attitudes. Both of you find this relationship enlivening and you often get into a free-spirited, even zany, mood together. Any contracts or commitments you make to each other, however, may be short-lived as events and circumstances are likely to change so often that your plans need to be constantly revised.

Michael's Moon Opposition Janet's Pluto:

This relationship will have a big impact on both of you. If you spend a good deal of time with each other, you will find that you share much of your personal past and many sides of yourself that remain hidden from others. However, it is unlikely that you will feel completely comfortable around each other, and there is an intense, probing quality to your relationship that makes it difficult to have a light, easy-going time together.

Janet's Moon Trine Michael's Venus:

There is much warmth and kindness in this relationship. Both of you find it easy to express kindness openly towards each other, and the emotional rapport is excellent. This friendship is likely to be a lasting, harmonious one.

Janet's Moon Trine Michael's Saturn:

There is a mature, stable, responsible tone to your relationship. There is a great deal of trust and respect for each other. As you spend more time together, you will find that your tastes, priorities, and sense of what is really important in life becomes very compatible.

Janet's Moon Trine Michael's Uranus:

There is an upbeat, enthusiastic, spontaneous quality to your relationship. You spark each other's imagination, creativity, and wit. You feel loose and uninhibited with each other, and you enjoy exploring life and sharing new experiences.

Michael's Moon Sextile Janet's Mercury:

You enjoy long talks and you feel very much at home with each other. You are able to openly share your feelings about almost any subject. You will find that as you spend more time together, your tastes, interests, hobbies, and activities tend to blend together harmoniously. Your friendship is a strong and lasting one.

Janet's Mercury Square Michael's Venus:

You enjoy sharing ideas about the arts, literature, and people but often you fail to understand each other and sometimes reach a complete impasse. Your feelings towards each other are sometimes misunderstood, too. Both of you will have to tolerate one another's different points of view for this relationship to work successfully.

Michael's Mercury Square Janet's Mars:

The tendency to argumentativeness, verbal abuse, and mutual misunderstanding is very strong so please heed the following advice: try to avoid abusive language towards each other, and do not try to coerce the other person to accept your views. You enjoy challenging each other's ideas, showing the weaknesses, inconsistencies, or superficialities in each other's reasoning. While the intention is good, the net result can be hurt feelings and anger. Typically there is some truth to each other's point of view, but a lack of real appreciation and respect for each other's ideas triggers argumentativeness.

Janet's Mercury Square Michael's Uranus:

You often say things to shock or shake up each other, and you can get very high-strung when you are together. You tend to set a fast pace. You may also find yourselves periodically jumping on a new bandwagon, experimenting with a new idea, or exploring new alternatives. However, the impatience with each other is likely to cause sudden arguments and anger to flare.

Michael's Venus Square Janet's Neptune:

You bring out the dreamy, artistic, poetic, romantic side of one another and your friendship can have a pronounced spiritual or platonic tone. Misunderstandings, evasiveness, or outright deception can easily occur between you, however, leading to disappointment and disillusionment over the failure of your friend to be all you hoped and imagined. Beware of seeing only what you want to see in one another, and be very cautious in any joint financial arrangements or investments.

Michael's Venus Trine Janet's Venus:

There is a beautiful flow of love between the two of you, and you are able to both give and receive affection, appreciation, and tenderness in this relationship. You enjoy the same pleasures and find it easy and natural to do those things that really please and make your friend happy. Your tastes in aesthetics is also very compatible.

Janet's Venus Trine Michael's Uranus:

This is a lively, enthusiastic, exciting relationship. You feel very uninhibited with each other and are able to express yourselves freely with each other. If you both enjoy dancing, music, or similar sports, then you have found an excellent partner for these activities!

Michael's Mars Conjunct Janet's Mars:

You energize, stimulate, provoke, inflame, and challenge one another! You can also irritate, anger, fight, push, and drive each other! Together you can accomplish an enormous amount of work, and it is important to you to share vigorous physical activities as an outlet for some of the fire you stir up in one another.

Michael's Mars Opposition Janet's Neptune:

You can act very silly and childish together. When the two of you get together, you love to let your imaginations run wild. You have difficulty accomplishing anything of a serious or mundane nature together, and you prefer to explore artistic, religious, and metaphysical areas, rather than focus on more mundane affairs.
