7.2.6 Deviations and waivers may be requested in writing based on market conditions to OWNER's Risk Manager. Approval shall be given in writing of any acceptable deviation or waiver to the CONSULTANT prior to the CONSULTANT effecting any change in conditions as contained in this section. Waivers shall not be unduly withheld nor denied without consultation with the CONSULTANT.

7.2.7 Obtain information on the professional liability coverage of subconsultants and/or subcontractors in the same form as specified above for review by OWNER's Risk Manager.

7.3 Compliance with Governmental Requirements

7.3.1 Evidence satisfactory compliance for Unemployment Compensation and Social Security Reporting as required by federal and state laws.

7.4 Indemnity

Each party agrees to the fullest extent permitted by law to indemnify, defend and hold harmless, the other party, and its agents, officers and employees, from and against all loss and expenses including costs and attorney's fees by reason of liability for damages including suits at law or in equity, caused by any wrongful, intentional, or negligent act or omission of its employees or

agents which may arise out of or are connected with the activities covered by this Agreement. Each party shall further indemnify the other from, and defend against, any liability or expenses (including reasonable attorneys' fees) arising out of or relating to an act or omission by it or its employees arising out of or relating to (1) federal, state, or other laws or regulations for the protection of persons who are members of a protected class or category of persons, (2) sexual discrimination or harassment, (3) any personal injury (including death) received or sustained by any employee of either party, its subcontractors, agents, or invitees for any reason not covered by workers compensation, and (4) any personal injury (including death) sustained by a third party or property damage by reason of any act or omission, negligent, or otherwise, to the extent caused by a party or its employees. Milwaukee County's liability shall be limited by Wisconsin State Statutes § 345.05(3) for automobile and § 893.80(3) for general liability.

7.5 Conflict of Interest

- 7.5.1** CONSULTANT shall not specify, recommend, nor commit OWNER to purchase or install material or equipment from an entity with which CONSULTANT has financial or ownership interest without obtaining prior approval.

7.6 Cost and Scheduling

See **Attachment "G"** - Cost & Scheduling Systems Requirements.

The CONSULTANT shall prepare for inclusion with **Attachment "A"** a "Scope of Work and Budget" spreadsheet that is intended to represent the CONSULTANT's work plan, estimates of cost by task, and the consequent development of the "Not-To-Exceed" compensation totals for each service provided. The Spreadsheet shall identify all scheduled project tasks, assigned staff and firm, estimated labor hours for each staff by task, the cost per hour for each, reimbursable expenses, and total cost for each staff by task. Reimbursable expenses shall be totaled to correspond with each allowance indicated in Section 3. Additional columns on the spreadsheet shall provide a breakdown of project cost by CONSULTANT and subconsultant.

If specifically requested by OWNER, the spreadsheet shall also contain the direct salary rate per hour, overhead rate and profit for each staff and columns shall be totaled to identify the direct labor, overhead, and profit breakdown of each Basic Services Compensation Total indicated in Section 4 of this Agreement.

Concurrent with each monthly invoice the CONSULTANT shall submit an "Earned Value" spreadsheet in the same format as described above. This spreadsheet shall identify project cost and value earned through the date of each invoice. A pay application will not be accepted for payment processing without an appropriate and accurate identification of earned value on this spreadsheet. Each "Earned Value" spreadsheet shall correspond and agree with the project schedule updates required in **Attachment "G"**.

8. OWNERS RESPONSIBILITIES

- 8.1** OWNER will provide information regarding the requirements for the Project which will set forth OWNER's objectives, schedule, constraints and criteria.
- 8.2** OWNER will designate a representative authorized to act on the OWNER's behalf with respect to the Project. The OWNER or such authorized representative shall render, in a timely manner, decisions pertaining to documents submitted by the CONSULTANT.
- 8.3** OWNER will furnish surveys required by the Project, and not otherwise provided in the CONSULTANTS proposal, describing physical characteristics, legal limitations and utility locations for the site of the Project and a written legal description of the site. Surveys and legal information will include, as applicable, grades and lines of streets, alleys, pavements and

adjoining property and structures; adjacent drainage; rights-of-way, restrictions, easements, encroachments, zoning, deed restrictions, boundaries and contours of the site; locations, dimensions and necessary data pertaining to existing buildings, other improvements and trees; utility services and lines, both public and private, above and below grade, including inverts and depths. Survey information will be referenced to the project benchmark.

- 8.4 OWNER will furnish the services of geotechnical engineers when such services are requested by the CONSULTANT.
- 8.5 OWNER will furnish structural, mechanical, and other laboratory and environmental tests, required by law or the Contract Documents.
- 8.6 OWNER will give prompt written notice to CONSULTANT if OWNER becomes aware of a fault or defect in the Project or CONSULTANT's nonconformance with the Contract Documents.
- 8.7 OWNER will utilize a consultant grading procedure for CONSULTANT's performance on each Milwaukee County project. The Project Manager will grade CONSULTANT's performance and share preliminary grading with the CONSULTANT. CONSULTANT will have an opportunity to review and comment on the performance report. The final report along with CONSULTANT comments will become part of the Project file and will also be added to a database tabulating all such performance ratings (see **Attachment "K"**).

9. COUNTY RIGHTS OF ACCESS AND AUDIT

- 9.1 The Contractor, Lessee, or other party to the contract, its officers, directors, agents, partners and employees shall allow the County Audit Services Division and department contract administrators (collectively referred to as Designated Personnel) and any other party the Designated Personnel may name, with or without notice, to audit, examine and make copies of any and all records of the Contractor, Lessee, or other party to the contract, related to the terms and performance of the Contract for a period of up to three years following the date of last payment, the end date of this contract, or activity under this contract, whichever is later. Any subcontractors or other parties performing work on this Contract will be bound by the same terms and responsibilities as the Contractor. All subcontracts or other agreements for work performed on this Contract will include written notice that the subcontractors or other parties understand and will comply with the terms and responsibilities. The Contractor, Lessee, or other party to the contract, and any subcontractors understand and will abide by the requirements of Section 34.09 (Audit) and Section 34.095 (Investigations Concerning Fraud, Waste, and Abuse) of the Milwaukee County Code of General Ordinances.

10. OWNERSHIP OF DOCUMENTS

- 10.1 Upon completion of the Project or upon termination of this Agreement, it is understood that all completed or partially completed data, drawings, records, computations, survey information, and all other material that CONSULTANT has collected or prepared in carrying out this Agreement shall be provided to and become the exclusive property of the County. Therefore, any reports, information and data, given to or prepared or assembled by CONSULTANT under this Agreement shall not be made available to any individual or organization by CONSULTANT without the prior written approval of the OWNER (see **Attachment "H"**).

No reports or documents produced in whole or in part under this Agreement shall be the subject of an application for copyright by or on behalf of the CONSULTANT.

- 10.2 CONSULTANT further understands that oral and written communications with OWNER regarding CONSULTANT'S services under this Agreement are confidential. No aspect of CONSULTANT'S services may be discussed with any individual or organization other than OWNER, unless CONSULTANT receives prior written authorization from OWNER for such discussion.

- 10.3** If CONSULTANT'S services are terminated prior to completion of the Project, OWNER will indemnify and hold CONSULTANT and CONSULTANT's subconsultants harmless for costs or claims for damages arising out of use the of incomplete documents, interpretation, revision, alteration, or omission to the documents which are not made by CONSULTANT or subconsultants . Should OWNER reuse documents, created by CONSULTANT, the seals and certifications of CONSULTANT and subconsultants shall be invalid, shall not be used and shall be deleted and OWNER will indemnify and hold CONSULTANT and CONSULTANT'S subconsultants harmless for cost or claims for damages arising out of the reuse of the documents.

16. PROHIBITED PRACTICES

16.1 CONSULTANT during the period of this Agreement shall not hire, retain or utilize for compensation any member, officer, or employee of Milwaukee County or any person who, to the knowledge of CONSULTANT, has a conflict of interest with Milwaukee County.

16.2 CONSULTANT hereby attests that it is familiar with Milwaukee County's Code of Ethics which states, in part, "No person may offer to give to any County officer or employee or his immediate family, and no County officer or employee or his immediate family, may solicit or receive anything of value pursuant to an understanding that such officer's or employee's vote, official actions or judgment would be influenced thereby."

17. EXTENT OF AGREEMENT

This Agreement shall not be superseded by provisions of contracts for design or construction and may be amended only by a written instrument signed by both the OWNER and the CONSULTANT.

17.2 Nothing contained herein shall be deemed to create any contractual relationship between the CONSULTANT and any of the contractors, subcontractors, or material suppliers on the Project; nor shall anything contained herein be deemed to give any third party any claim or right of action against the OWNER or the CONSULTANT which does not otherwise exist without regard to this Agreement.

COMMUNITY BUSINESS DEVELOPMENT PARTNERS MILWAUKEE COUNTY

TARGETED BUSINESS ENTERPRISE (TBE) **UTILIZATION SPECIFICATIONS for PROFESSIONAL SERVICES**

1. The award of the contract is conditioned upon achieving the project's Targeted Business Enterprise (TBE) participation goal of 17%. Firms that qualify as a TBE include DBE firms certified by and listed in the Wisconsin Unified Certification Program (UCP) directory, MBE and WBE firms certified by the State of Wisconsin DOA and listed in the directory, SBE firms certified by Milwaukee County and listed in the Milwaukee County directory, and SBE firms that meet the SBA size standards and are listed in the SAM directory. All firms must be certified prior to the bid submission deadline. A firm certified in another state must be certified by the Wisconsin UCP or State of Wisconsin DOA prior to submission of bid.
2. **TBE Participation**: The participation goal is based upon the total dollar value of your proposal less reimbursable items. Participation must be maintained throughout the contract, including any fee increases. For either a non-certified firm or DBE proposing as Prime, participation may be obtained utilizing a TBE firm, whether DBE, MBE, SBE or WBE. For a TBE firm proposing as Prime the goal must be satisfied using only DBE firms and MBE, SBE and WBE certifications count as additional participation once the goal is achieved through DBE participation. Any work a TBE Prime self-performs would be counted as additional participation in excess of the participation provided by certified sub-consultants.

PROPOSAL CONSIDERATIONS

3. The County may reject your proposal if it does not include the ***Commitment to Contract with TBE (TBE-14)*** form(s), one completed for each of the firms you are including for participation. The Prime must indicate the dollar amount of work to be provided to the sub-consultant, sign the form, and have the TBE firm sign the form in the affirmation section prior to acceptance of your proposal by the County.
4. If awarded the contract, you will enter into a contractual agreement, directly or through sub-consultant, according to the ***Commitment to Contract with TBE (TBE-14)*** form(s) provided with your proposal. Copies of the executed agreements(s) will be submitted to the County.
5. TBE participation credit is calculated as follows:
 - a. All of the identified scope(s) of work must have a commercially useful function in the actual performance of the contract and work must be performed directly by the TBE with their own employees.
 - b. One hundred percent (100%) for the work performed by a TBE sub-consultant. If a TBE subcontracts a portion of work to another firm, the value of the subcontracted work will not be counted towards the TBE participation unless the work is performed by another TBE.
 - c. You must notify the County if any TBE contractor(s) sublet any portion of their work.
6. The County reserves the right to request supporting documentation from both you and any listed TBE. If you fail to respond within the time specified, the County may determine you to be non-responsive and remove you from further consideration for contract award.

COMMUNITY BUSINESS DEVELOPMENT PARTNERS MILWAUKEE COUNTY

FOLLOWING CONTRACT AWARD

7. The County reserves the right to conduct compliance reviews and request, both from you and your subs, supporting documentation to verify TBE participation, in addition to the information entered monthly into the County's online reporting system. The County will notify you if you are not in compliance with contract terms. If you fail to take corrective action as directed, the County may take one or more of the following actions:
 - a. Terminate or cancel your contract, in whole or in part;
 - b. Remove you from the list of qualified consultants, and refuse to accept future proposals from you for a period not to exceed three (3) years;
 - c. Withhold contract payments to cover shortfall; and/or
 - d. Bring suit to recover damages up to the amount of the shortfall, including interest at the rate of 12% annually, plus the County's costs, expenses and actual attorney's fees incurred in the collection action.
8. You must submit copies of the executed subcontract agreement(s) for each of the sub-consultants listed on the contract. REQUESTS FOR PAYMENT WILL BE DELAYED IF NOT SUBMITTED.
9. If the TBE(s) cannot perform, or any other issues arise, you must immediately contact CBDP Compliance at (414) 278-4851. You must submit written notification of your desire for substitution to the TBE affected, and copy the County. This notice must state the reason for the request. The TBE has five (5) business days to provide written objection/acceptance to you. Approval must be obtained from County prior to making any substitutions. TBE consultants are also required to notify and obtain approval from the County prior to subletting work.
10. The Prime will record payments received from the County and payments made to sub-consultants directly into the County's online reporting system on a monthly basis. These entries will cover payments during the preceding month and will include zero dollar (\$0) entries where no payment has occurred. You must also indicate on the invoice work being performed by TBEs. Either a) place the word "TBE" behind the work item or b) break out the work done by TBEs at the end of the report. Failure to comply may result in withholding of payments, or enforcement of other sanctions including those listed in Section 7, above.
11. The County has a revolving loan program for DBE firms. If you have contracted with a DBE that is using these County funds, you must assist the County for repayment of these funds. This may include, but is not limited to, providing written information regarding the sub's contract balance, prior payment (two or three party) agreements, and the issuance of two-party checks payable in the name of Milwaukee County and the DBE indebted to the County under this program.
12. The County reserves the right to waive any of these specifications when it is in our best interest.

DEPARTMENT OF ADMINISTRATIVE SERVICES, FACILITIES MANAGEMENT DIVISION

GUIDELINES FOR REIMBURSABLE EXPENSES

GENERAL

Milwaukee County reimburses consultants under contract for expenses in connection with authorized out-of-town travel; long distance communications; fees paid to approving authorities; reproductions which are products of service; requested renderings, presentation models and mockups; and the expenses of requested additional insurance coverage. There may be other qualifying reimbursable expense items if the project or circumstances are unique and terms concerning them are contained in an approved and signed contract. These guidelines are intended to clarify the County's general policies concerning payments for reimbursable items.

DEFINITION

Reimbursable expenses are out-of-pocket expenses incurred by the consultant and consultant's employees in direct support of the project. Over and above compensation for Basic and Additional Services, they are unique and non-recurring costs. By their nature, the cost is not predictable in advance of occurrence.

Approved reimbursable expenses are billed at the same cost paid by the consultant and are not subject to retainage provisions found in Milwaukee County service agreements.

DOCUMENTATION

Most reimbursables can be documented by presenting a copy of the original sales slip or invoice clearly highlighted, dated, and labeled with the appropriate job number/name and person incurring the expense. When the original charge has been recorded on an employee expense log, an in-house printing or copy log, or on a phone bill printout, for examples, a copy of the appropriate log or journal can be submitted as long as the costs are clearly highlighted, dated and labeled. All documentation must be attached to a cover sheet which itemizes and sub-totals the charges, by type. The documentation and cover sheet is attached to the consultant's monthly invoice.

REIMBURSABLES BUDGET ALLOWANCE

All agreements shall establish a pre-approved budget allowance for the total out-of-pocket reimbursable expenses of consultant's. Changes to the approved allowance total require a written amendment to the consultant's contract. As part of final contract negotiations, the consultant shall prepare an itemized budget estimate for reimbursables for review and approval by the County. Special care should be taken to differentiate those out-of-pocket expenses that will be initially borne by the consultant and those that will be paid directly by the County (under a separate County Services line item in the project budget).

AUTHORIZED OUT-OF-TOWN TRAVEL

Reimbursable travel expenses can accrue for both travel to and from Milwaukee for work in connection with a project if that travel involves a distance greater than a 100 mile radius from Milwaukee **or if the consultant's working office is more than 100 miles from Milwaukee.** Milwaukee County will reimburse consultant's for reasonable expenses incurred for such transportation, subsistence and lodging. Mutual agreement about what constitutes an authorized travel expense begins at the time of contract negotiations when the budget for these items is established and continues as the project proceeds. Milwaukee County policy is to pay for essential, not luxury, services.

Whenever possible, air travel dates should be planned in advance to take advantage of the lowest coach fares available on connecting airlines; Milwaukee County does not pay for first-class or business-class travel.

Daily rental car rates are rarely competitive with airport van or taxi fares to and from the airport, hotel and project meeting sites. Consultants should confer with Milwaukee County's project manager regarding the most reasonable and cost-effective means for transportation while in Milwaukee.

If traveling by personal car, the total mileage may be charged at the prevailing cost per mile rate allowed by the Internal Revenue Service. Highway tolls and parking fees for out of town consultants are also reimbursable, if properly documented and if the consultant's office is more than 100 miles from Milwaukee.

Meals reimbursement qualifies if the consultant's employees are required to eat in restaurants in connection with an out-of-town (100 mile radius) visit/trip directly in service of the project. The consultant's choice of restaurants should be modest in every circumstance. Milwaukee County does not pay for meals taken in first-class restaurants, for cocktails, or for entertaining guests or in-town project team members. Milwaukee County discourages the scheduling of a business meeting over a meal period, thus avoiding the question of which meals might be authorized for reimbursement. Check with Milwaukee County's project manager if you are uncertain about which kind of meal expenditure might be disallowed.

Lodging costs at medium-priced accommodations will be approved. Deluxe accommodations and charges involving personal services of any kind will be disallowed.

LONG DISTANCE COMMUNICATIONS

Milwaukee County will reimburse the consultant for properly documented long distance telephone tolls made for project business.

FEEES PAID TO APPROVING AUTHORITIES

Milwaukee County will reimburse the cost of fees paid for securing the approval of authorities having jurisdiction over the project. Consultants should plan for this expense in advance, because cutting County checks to coincide with dates of submittal cannot usually be done. The County will accept, however, an out-of-sequence invoice covering an unusually high plan exam fee in order to minimize the inconvenience to the consultant.

REPRODUCTIONS AND REPROGRAPHICS

The cost of drawings, specifications, reports, exhibits and other documents which are products of service are reimbursed with proper documentation. Charges for postage, handling and shipping of reproductions are considered overhead expenses and are not reimbursed. Bid sets, which are often the most expensive segment of the out-of-pocket expense paid by the consultant, are sometimes contracted for by the County on larger jobs that could benefit from competitive bidding for that service. Consult with the County project manager if the furnishing of bid sets is not specifically excluded from consultant's reimbursable allowance budget.

ADDITIONAL INSURANCE

When additional insurance coverage or limits, over and above that normally carried by a consultant is specifically requested by the County, the County will reimburse that additional premium cost. Specific documentation will be requested by the County project manager if this expense qualifies as reimbursable.

TARGETED BUSINESS ENTERPRISE (TBE) REQUIREMENTS

Community Business Development Partners (CBDP) is responsible for monitoring and enforcing the Milwaukee County Target Enterprise (MCTE) Ordinance for inclusion of small business. Target firms include DBE firms certified under the Wisconsin Unified Certification Program following Federal regulations, WBE and MBE certifications from the State of Wisconsin DOA, SBE firms certified by Milwaukee County, and SBE firms meeting SBA size standards and listed in the SAM directory.

Targeted Business Enterprise (TBE) participation goal for this RFP is 17%. To be considered for this project, you must submit a *Subcontractor/Sub-consultant/Supplier Information Sheet* (TBE-02) with your Proposal listing all sub-consultants as well as signed *Commitment to Contract with TBE* (TBE-14) forms, one for each of the TBE firms included to meet participation. TBE-14 form(s) must identify (1) the TBE firm by name and address, (2) the scope of service(s) to be provided, (3) the dollar amount and (4) the percentage. The form is first completed and signed by the Prime, then forwarded to the TBE sub-consultant for signature in the affirmation section. Signatures must occur in the proper date order sequence, or the form may be considered non-responsive. CBDP is entitled to reject your Proposal for improperly completed forms. If you are not able to meet the goal, you must submit the TBE-01 Good Faith Effort for your proposal to be considered responsive.

CBDP may be contacted at 414-278-4851 or cbdpcompliance@milwaukeecountywi.gov for assistance in identifying TBE firms and understanding the County's TBE Program.

Adherence with prompt payment requirements is monitored through information entered into the Diversity Management and Compliance System, utilizing B2GNow software. Prime consultants are required to report payments received from the County and amounts paid to sub-consultants. Subs will receive an automated email requesting them to confirm the amounts and whether the terms of the prompt payment policy were complied with. There is no cost to the Prime or any sub-consultant, the only requirement is to become a registered user and complete the one hour webinar training. The County will enter the Primes contract, and the Prime will enter all sub-consultants, including both TBE and non-TBE firms.

Milwaukee County will furnish an activity coding format to facilitate reports and graphics used in project management activities. The Prime Consultant shall submit the completed schedule for review and approval (cd disc format or electronic mail) by FACILITIES MANAGEMENT DIVISION's project manager. Milwaukee County approval of the Baseline Schedule is required before any pay request from the Prime Consultant can be processed.

The consultant is responsible for information required to develop the schedule. Content includes work operations, sequencing, activity breakdown and time estimates. Milwaukee County may require additional schedules or reports to verify timely completion of scheduled activities and project milestones.

On a monthly basis, the consultant shall review the schedule and report on actual performance, i.e., the actual start and finish dates and durations, work performed since the last update, description of problem areas, delaying factors and their impacts, and corrective actions taken. The Prime Consultant shall also update the current schedule, identifying changes in network logic, work sequences and durations needed to meet contract requirements, and contract time adjustments, when authorized by Milwaukee County. Each schedule update will be submitted to the County project manager for approval on 3.5" discs or through electronic mail, concurrent with submittal of consultant's monthly invoice for professional services. Pay applications will not be processed if updated schedule with all information required is not submitted. Copies of approved schedule updates shall be distributed to other members of project teams with instructions to recipients to promptly report discrepancies and problems anticipated by projections shown in the schedule.
