Three On-line Roles

- Cardholder Biweekly reviews their statement, reclassifies expenses (assigns Dept. Id's, Account Codes), provides a business description and completes the review function. Prints and scans reconciliation with detailed receipts along with any prior approval and/ or special expense forms and forwards to approver via email. Cardholders have an allotted number of days to finalize their statement before the billing cycle closes, but can review and edit p-card statements daily if desired.
- Reconciler (optional role) Performs the same function as a cardholder in completing statements. This is a role you can assign to staff in order to oversee a certain cardholder or a group of cardholders' p-card expenses. This is an optional role that departments may choose to use if needed.
- Approver –This role is generally performed by the Department Head/Supervisor. Reviews, edits, and approves p-card statements for cardholders assigned to them. This is done after the cardholder has reconciled and before data is uploaded for financial reporting. The approver approves online and forwards the scanned reconciliation with receipts for audit to: pcardreconciliations@mnsu.edu

Importance of Approver's Role

The Approver is responsible for:

 Reviewing, editing, and approving online allocations by required due date.

In most areas, the Approver is the department head, and is responsible for:

- Reviewing department p-card purchases to ensure compliance with University purchasing policy and procedure.
- Notifying cardholder, department head, and p-card administrator of unresolved non-compliancy issues.
- Ensuring the maintenance of p-card documentation (including receipts).
- Approval of all account maintenance including requesting new accounts and closure of existing accounts.
- Approving limit changes and blocks/unblocks of MCC's (Merchant Category Codes).
- Reconciliation Cycle (Cardholder to Approver)
 - Approver Period/Deadline
 - An email will be sent to the Approver once the cardholder has finished
 reviewing the statement indicating to the approver that the statement is now

EMAILS OR FRAUDULENT CALLS

Be careful about phishing (or fake) emails or fraudulent calls. Wells Fargo will never ask you for your CEO portal Password, Token Passcodes, and PIN numbers through an unsolicited email, a web site from a link in an unsolicited email, or unsolicited telephone calls. Never click on a link or respond to these emails. A Wells Fargo representative sometimes sends emails when digital certificates are about to expire, but we always ask that you contact us. Report any phishing or fraudulent attempts to ReportPhish@wellsfargo.com, or contact your Wells Fargo representative immediately if you have inadvertently provided information.
