### When packing:

1. *Keep space in mind. We have two trailers, many supplies, and nearly 40 people attending.*
2. *Please pack concisely and use solid luggage. Trash bags are not a good option. Put your name on everything.*
3. *Pack supplies you will need when travelling separately in a carry on from your main luggage. Once the trailer is packed, it is difficult and time consuming to unpack in order to retrieve meal money, phones, or other mispacked items.*
4. *This is not a complete list, use it for reference and augment with supplies as you see fit.*

## THRIFT STORE

City Thrift Shawnee Mission

Team will help with organizing, sorting, stocking, with a side of other adventures.

## CANVASSING

Community Church of God

Team will go door to door with invitations to Community Church of God and the Backyard Bible Club.

Never enter a home. Always have a male in a team.  
Stay in groups. Expediency is the key; this is not door to door evangelism.  
Stay hydrated. Apply generous sunscreen.  
If something looks sketchy, don't go there.  
Start the day with a charged phone. Bring a backup battery.  
Share locations and use Group Me for communication.

## CONSTRUCTION

Community Church of God

Team will build a shed, repair the baptistry, and facilitate other small repairs.

There are a variety of thrill rides, family rides, water rides, and swimming pools.  
Early group will leave at 3:00.
