FLOOR CARE PRODUCTS

Floor Finishes (Waxes)

#1070	LUSTRE BRITE – Combines superior gloss and durability with low labor costs. Initial high gloss, low speed brilliance and high speed burnishing to a “wet look” makes this floor finish most versatile. Coverage: Approx. 2,000 sq. ft. per gallon. Use level pH of 9.0. Color: Milky White. HMIS: H=2 F=0 R=0.
★ NEW #1020	REFLECTSHINE – An exceptional floor finish with superior gloss and durability. Dries to a beautiful hard gloss with low speed buffing and a brilliant deep “wet look” shine with high speed burnishing. Coverage: Approx. 2,000 sq. ft. per gallon. Use level pH of 9.0 Color: Milky White. HMIS: H=2 F=0 R=0.
#1010	ULTRA 23 – Our top value, high solids floor finish that incorporates a 21st century technology polymer. Dries to a brilliant hard gloss with low speed buffing and a deep “wet look” with high speed burnishing. Coverage: Approx. 2,000 sq. ft. per gallon. Use level pH of 9.0 Color: Milky White. HMIS: H=2 F=0 R=0.
#1000	SHOW-OFF II – New advanced formula for a super high gloss. Extremely durable, high solids finish. Low speed or high-speed burnishing for a “wet look” finish. Coverage: Approx. 2,000 sq. ft. per gallon. Use level pH of 9.0. Color: Milky White. HMIS: H=2 F=0 R=0.
#2001	MIRROR IMAGE “PREMIUM” – A high solids, top-of-the-line floor finish with a unique blend of acrylics for unequalled durability & shine. Requires less burnishing, less recoat and less labor to maintain an excellent appearance and gloss. Burnishes to a high shine quickly & easily with ALL types of high speed burnishers. Coverage: Approx. 2,000 sq. ft. per gallon. Use level pH of 9.0. HMIS: H=2 F=0 R=0.
★ NEW #1030	DAZZLE 35 – A superior high solids floor finish made with a special acrylic polymer that is very durable and exceptionally responsive to burnishing. Excellent leveling qualities (fast drying to a deep gloss). Needs no initial burnishing and stays brighter & cleaner between burnishings. For low speed up to 2,000 rpm floor machines. Coverage: Approx. 2,000 sq. ft. per gallon. Use level pH of 9.0. HMIS: H=2 F=0 R=0.
#1040	NEW BRILLIANCE – Our highest solids floor finish made with a unique polymer that is tough and exceptionally responsive to burnishing. Excellent leveling (fast drying to a deep gloss). Needs no initial burnishing, stays brighter and cleaner between burnishings. For low speed up to 2,000 rpm floor machines. Coverage: Approx. 2,000 sq. ft. per gallon. Use level pH of 9.0. HMIS: H=2 F=0 R=0.
#1071	DRY BRIGHT (Low Maintenance) – Long-lasting economy floor finish. High initial gloss, increased durability and excellent detergent resistance. Requires no buffing. If maintenance is needed – buff at low speed (500 rpm or less). Coverage: Approx. 2,000 sq. ft. per gallon. Use level pH of 9.0. HMIS: H=2 F=0 R=0.
#1001	NEW IMAGE (Low Maintenance) – Long-lasting medium grade floor finish. Higher initial gloss, increased durability and excellent detergent resistance. Requires no buffing. If maintenance is needed buff at low speed (500 rpm or less). Coverage: Approx. 2,000 sq. ft. per gallon. Use level pH of 9.0. HMIS: H=2 F=0 R=0.
#1041	ULTRA HEAVY-WEIGHT (Low Maintenance) – Long-lasting high solids floor finish. Highest initial gloss, increased durability and excellent detergent resistance. Requires no buffing. If maintenance is needed – buff at low speed (500 rpm or less). Coverage: Approx. 2,000 sq. ft. per gallon. Use level pH of 9.0. HMIS: H=2 F=0 R=0.

Floor and Concrete Sealers

#1111	ULTRA SEAL – An acrylic, water-based sealer for use on any type surface, especially brick, concrete, quarry tile, and terrazzo. Meets all VOC standards. Leaves an impenetrable glossy seal that protects the floor surface and makes floor maintenance easy. FOR INDOOR USE ONLY. Average coverage of approximately 1,500 sq. ft. per gallon. Use level pH of 9.0. Color: Milky White. HMIS: H=2 F=0 R=0.
-------	---

FLOOR CARE PRODUCTS cont.

Floor and Concrete Sealers cont.

#1110 **SEAL LOK** – An acrylic, water-based undercoater that seals resilient floors. Use as an undercoat for all floor finishes. Prevents staining, dust penetration & bleeding of tiles. FOR INDOOR USE ONLY. Approximate Coverage of 1,500 sq. ft. per gallon. Use level pH of 9.0. Color: Milky White. HMIS: H=2 F=0 R=0.

#1155 **ENVIRO-PURE Concrete & Terrazzo Sealer** – All the benefits of a solvent seal with a water base. A dual acrylic blend that offers outstanding resistance to acids and other harsh chemicals. Can be used indoors or outdoors on concrete, terrazzo or any other non-resilient floor surface. Will not yellow. Coverage of approx. 1,500 sq. ft. per gal. Use level pH of 9.0. Color: Milky White. HMIS: H=2 F=0 R=0.

Floor Cleaners/Restorer/Spray Buffs

#2130 **RINSE FREE FLOOR CLEANER & BRIGHTENER** – One step mop on, let dry to a clean shiny floor. Can be used in automatic scrubber machines. Popular as a dry buff solution. For use on marble, tile, new “no wax floors”, etc. Typical dilution 2 to 3 ounces per gallon of water. Pleasant Lemon fragrance. USDA Cat A-4 and C-1. Use level pH of 7.0. Color: Yellow. HMIS: H=1 F=0 R=0.

#1101 **MASTERCARE RTU High Speed Restorer** – A specially formulated *ready-to-use* high solids floor finish restorer designed to help maintain gloss in heavily trafficked areas. Renews the “wet look” of any high speed floor finish. Ideal for use with any low-speed and super high-speed floor machines. Use level pH of 8.0. Color: Milky White. HMIS: H=2 F=0 R=0.

#1081 **SPRAY N’ BUFF RTU Floor Finish Repair** – A *ready-to-use* liquid floor cleaner and polisher designed to remove black heel marks, tar and dirt while restoring the original floor finish luster. Spray on and buff the floor to “snap back” the shine Use level pH of 8.0. Color: Milky White. HMIS: H=2 F=0 R=0.

Floor Finish Strippers

#1215 **AMAZING STRIP 13 (Ammoniated)** – High dilution, heavy-duty stripper fortified with ammonia. Quickly penetrates, emulsifies and holds dirt and floor finish in suspension until rinsed. Dilute from 4 to 10 ounces per gallon of water depending upon floor conditions. Use level pH range of 10.7 to 11.8. Color: Yellow. HMIS: H=3 F=0 R=1.

#5616 **GUARDIAN “BARE BONES” WAX STRIPPER (Non-Ammoniated)** – Newly formulated concentrated floor stripper. Quickly and easily penetrates the new modern floor finishes and removes old accumulated deposits. Dilute from 32 ounces per gallon of water depending upon floor conditions. Ideal for mop-on, mop-off applications. Use level pH of 13.2. Color: Blue. HMIS: H=3 F=0 R=1.

#1225 **BRUTE WAX STRIPPER (Non-Ammoniated)** – Our most popular, highly concentrated floor stripper. Rapidly penetrates and strips the new, modern floor finishes. Makes even tough jobs easier. Dilute anywhere from 12 to 32 ounces per gallon of water depending upon floor conditions. Ideal for mop-on, mop-off applications. Use level pH range from 11.0 to 12.5. Color: Blue. HMIS: H=3 F=0 R=1.

#1229 **MAX-IT EXTRA HEAVY DUTY STRIPPER (Non-Ammoniated)** – Top of the line stripper. Quickly emulsifies & liquifies old floor finishes for easy pick-up either with a wet vacuum or residue. May also be mopped up. Dilute from 4 oz. per gallon of water depending upon floor conditions. Use level pH of 13.0 Color: Amber-Orange. HMIS: H=3 F=0 R=1. UN #2491. ▲ **CORROSIVE PRODUCT.**

CARPET & UPHOLSTERY CARE

Shampoo, Extraction & Bonnet Methods.

#1960	RESTORE 50:1 DRI-FOAM ROTARY SHAMPOO – A <i>high-foaming</i> carpet shampoo formulated with a fast drying water-based solvent/surfactant system. The dry foam lifts soils out of carpet for easy vacuum pick-up. Fortified with an optical brightener and soil retardants. Safe on new generation carpets. Use level pH of 8.0. Color: Clear. HMIS: H=2 F=0 R=0.
#2020	RESTORE EXTRACTION STEAM CONCENTRATE – An excellent, <i>dilutable solution</i> for carpet extraction only. Contains brighteners and an anti-foam agent. 2 oz. per gallon dilution ratio. Use level pH range of 8.0 makes it safe for use on new carpet fibers. Color: Clear-Amber. HMIS: H= 2 F=0 R=0.
#2343	AMAZING STEAM-IT EXTRACTION CONCENTRATE – Our <i>most popular</i> extraction concentrate shampoo. Contains optical brighteners plus active detergents and builders to give the best possible results. Dilution range of 1/2 oz. to 2 oz. depending upon soil conditions. Use level pH of 8.0 makes this product safe for new generation carpet fiber warranties. Color: Clear-Amber. HMIS: H=2 F=0 R=0.
#2095	3-WAY CARPET CLEANER, SANITIZER & DEODORIZER (EPA) – A quat-based sanitizing extraction shampoo. Fortified with optical brighteners, odor counteractants and anti-foam agents. Can also be used in bonnet methods. Dilutable in 2 oz. per gallon of water. EPA # 6836-108-6269. Use level pH of 7.0. Color: Light Amber. HMIS: H=2 F= 0 R=0.
#2030	RESTORE EXTRACTION POWDER – An <i>all-in-one</i> brightener, degreaser and emulsifier. A powerful <i>finely blended</i> formula that will not leave a residue in cleaning equipment or in carpets. Can also be used as a pre-spray or as an emulsifier in extractor carpet cleaning machines. Safe on all types of carpets. Dilute 2 oz. per gal of water. Lemon scented. Use level pH of 8.0. Color: White. HMIS: H=2 F=0 R=0.
#2107	RESTORE EXTRACTION POWDER With Enzymes – Excellent for cleaning hard to remove protein-based soils on carpets. An all-in-one brightener, degreaser and emulsifier with a powerful grease-eating enzyme. Can also be used as a pre-spray or as an emulsifier in extractor carpet cleaning machines. <i>Finely blended</i> , will not leave a residue. Safe for use on all types of carpet. Dilute 1 oz. - 4oz. per gallon. Orange scented. Use level pH range of 8.0. Color: White.. HMIS: H=2 F=0 R=0.
#2115	RESTORE BONNET CITRI-SPIN – A <i>water-based</i> , bonnet carpet cleaner providing excellent cleaning and fast drying on all types of carpet fabric. Fortified with d-Limonene. Dilute 16 oz. per gallon of water. Use level pH of 10.0. Color Orange. HMIS: H=2 F=1 R=0.

Spot Removers

#2025	AMAZING SPOTLESS INSTANT STAIN REMOVER (Water-Based) – An excellent <i>ready-to-use</i> spot and stain remover. This product can be used on stubborn grease, dirt and grime. Safe to use on all color fast fabrics not harmed by water. Leaves no residue to attract soil. Use level pH range of 10.0. Color: Clear. HMIS: H=2 F=0 R=0.
#2124	AMAZING ALL FABRIC SPOTTER (Solvent Base) – Our most popular <i>ready-to-use</i> spotter that will remove most stains that are not dye damaged. Use on any fabric not damaged by water. Removes water stains from carpet or upholstery. Use level pH of 8.0. Color: Milky White. HMIS: H=2 F=1 R=0.
#2066	AMAZING RUST STAIN REMOVER – A <i>ready-to-use</i> buffered acid rust stain remover suitable on most all washable fabrics or carpets. Rinse with cool water after application. Use level pH of 5.0. Color: Clear. HMIS: H=3 F=0 R=1. UN #2817. ▲ CORROSIVE PRODUCT.

CARPET & UPHOLSTERY CARE cont.

Odor Eliminators

#2133	AMAZING CITRISOLVE (Gum & Tar Remover) – A <i>highly concentrated</i> , natural, biodegradable solvent derived from citrus fruit peels that easily removes oil, tar and chewing gum from cloth or hard surfaces. This product also emulsifies with water to clean grease traps and drains. Color: Yellow. Pleasant Citrus fragrance. HMIS: H=1 F=2 R=0. NOTE: See label for specific use dilution rates.
#2132	BIO-ENZYME CARPET STAIN REMOVER & ODOR ELIMINATOR – <i>Finally...a ready-to-use</i> stain remover that also eliminates tough odors! The <i>bio-enzymatic</i> action quickly removes stains and foul odors caused by blood, fecal matter, urine, food, grease, etc. This product is Ideal for use on carpeting, upholstered furniture, car seats, bedding and most places affected by stains and odors. Clean fresh fragrance. Use level pH of 7.5. Color: Milky White. HMIS: H=1 F=0 R=0.
#8000	AMAZING CEASE MALODOR ELIMINATOR – A <i>highly concentrated</i> , dilutable product that actually eliminates rather than masks odors. Cease will destroy odors from garbage, fecal matter, urine, or any other organic source. 2 ounces into any cleaning solution will deodorize during the cleaning process. Color: Clear. HMIS: H=1 F=2 R=0.
#7563	PET STAIN & ODOR ELIMINATOR – A <i>ready-to-use</i> carpet and upholstery stain remover that also eliminates tough odors. Bio-enzymatic action quickly removes stains and foul odors cause by urine, fecal and blood matter, food, grease, etc. Use on carpeting, upholstery, furniture, car seats, bedding, etc. Color: Milky White. Use level pH range of 7.0. HMIS: H=2 F=0 R=0.
#2177	BREEZE ODOR ELIMINATOR (FEBREZE TYPE) – An advanced technology, <i>ready-to-use</i> , pleasantly scented, multi-purpose product that uses the latest technology to control foul odors. Entirely different from old fashioned mask-type products that eventually allow the odor to reappear. Controls odors such as: tobacco, cooking, food, fire, must, mildew, animal, litter box, toilet, shower, dirty clothes, diaper pail, garbage, refrigerator, fecal matter, vomit... <i>and much more!</i> Color: Clear. HMIS: H=1 F=0 R=0.

Pre and Post Carpet Treatments

#2010	RESTORE DEFOAMER – Formulated to quickly remove foam in the recovery tanks of hot or cold water extractors, automatic scrubbers and shampooing equipment. Color: Milky White HMIS: H=1 F=0 R=0.
#2050	RESTORE TRAFFIC LANE CLEANER – Spray or brush on heavy traffic areas before shampoo or steam cleaning. 4 oz. per gallon dilution ratio. Also excellent to use as an additive in your machine's chemical tank. Use level pH range of 10.5. Color: Yellow. HMIS: H=2 F=0 R=0.
#2060	RESTORE BROWN AWAY – Heavy-duty, <i>highly concentrated</i> formula removes carpet browning and various stains such as tea, coffee, fruit and urine. Dilute from 4 to 6 oz. per gallon of water. Use level pH of 2.0. Color: Clear. HMIS: H=2 F=0 R=0.
#2099	RESTORE OXYGEN RELEASE CARPET BRIGHTENER (Powder) – A <i>safer-to-use</i> dry bleach. Removes stains on towels, napkins, and tablecloths, or any other fabric such as carpets. Contains no phosphorus and is completely biodegradable. Use level pH of 7.0. Color: White. HMIS: H=2 F=0 R=0.

#3150	LIGHT N' BRIGHT LAUNDRY POWDER – A premium quality concentrated, controlled sudsing laundry detergent <i>powder</i> . Safe for use in hard or soft water on all types of washable fabrics and in all types of washing machines. Lemon fragrance. Use level pH of 8.5. Color: Blue. HMIS: H=0 F=0 R=0.
★ NEW #7540	ULTRA LAUNDRY DETERGENT POWDER – A highly advanced, concentrated laundry detergent powder with <i>deep-cleaning action</i> , bleach and enzymes. Safely removes the toughest, dirt, grease, grime and most "organic" stains from all washable fabrics. Use in hard or soft water on all <i>colorfast</i> materials & in all types of washing machines. Lemon fragrance. Use level pH of 8.5. Color: White. HMIS: H=0 F=0 R=0.

DRAIN OPENER & MAINTAINER

#1550	LIQUIDATE CAUSTIC DRAIN OPENER – A <i>ready-to-use</i> product developed for use in kitchens and other areas where grease is the primary problem. This product blends with grease to make a soap-like liquid that will easily wash down the drain. pH 14.0. Color: Pink. HMIS: H=3 F=0 R=1. UN #1814. ▲ CORROSIVE PRODUCT.
#1570	BIOGEST DRAIN MAINTAINER – A <i>multi-strain enzyme formulation</i> that prevents trap and drain build up and clogging by enzymatic action. Safe on equipment, plumbing and pipes. Non-toxic, non-acid and non-alkaline. Liquifies and digests complex fats, oil, grease, cellulose, proteins and starches. A <i>ready-to-use</i> product with a <i>clean fresh</i> fragrance. pH 7.5. USDA Cat. L-2. Color: Milky White. HMIS: H=1 F=0 R=0.

AUTO CARE PRODUCTS

#1714	AMAZING 128:1 WASH & WAX – Highly concentrated, economical wash and wax that removes black streaks, road grime, oily film and road tar. Harmless to paints, will not streak, and leaves painted surfaces shiny clean. Dilutes 1 oz. per gallon of water. Use level pH range of 7.0. Color: Clear Pink. HMIS: H=1 F=0 R=0.
#1710	WONDER CAR WASH CONCENTRATE – Highest quality liquid car wash. Will not spot or streak. Removes black streaks, road grime, oily film and road tar. Brings out the natural beauty of the paint. Dilutes 2 oz. per gallon of water. Use level pH of 7.0. Color: Pink. HMIS: H=1 F=0 R=0.
#1812	AMAZING VINYL SHINE & PROTECTANT – An outstanding <i>ready-to-use</i> vinyl treatment for use on all types of tires, vinyl automobile roofs, dashboards, and seats in addition to all other vinyl surfaces. Use level pH of 7.5. Color: White. HMIS: H=1 F=0 R=0.

AEROSOL PRODUCTS

#5020	SUNSHINE GLASS CLEANER – Film free, streak free cleaning of all washable surfaces. For windows, mirrors, appliances and more. Brightens as it cleans. USDA Cat. C-1. HMIS: H=1 F=1 R=0.
#5030	BRITONE FURNITURE POLISH – Lemon oil polish. Beautifies as it protects the fine furniture. Leaves a rich, dry, waterproof shine. HMIS: H=2 F=1 R=0.
#5045	EEZ OVEN CLEANER – Industrial strength oven and grill cleaner. Foaming action clings and quickly penetrates encrusted and baked on grease. Lemon fragrance. USDA Cat. A-8. HMIS: H=3 F=1 R=2.
#5050	WONDER STAINLESS STEEL CLEANER (Water based) – Maintains the original finish of stainless steel and other metals. Has a unique silicone coating that resists further soiling. Quickly cleans and polishes stainless steel, chrome, Formica, copper, aluminum, brass and other hard surfaces. Pleasant, fresh fragrance. HMIS: H=2 F=1 R=0. USDA Cat. A-7.
#5070	DUST BUSTER – Dust mop treatment. Makes mop or cloth a dust magnet. Keeps unhealthy dust out of the air and extends the life of floor finishes. Makes dusting faster and easier. HMIS: H=2 F=1 R=0.
#5080	CHEWING GUM REMOVER – Chewing gum and candle wax remover. Ideal for use on carpets, furniture, upholstery, fabric and any non-porous surface. HMIS: H=1 F=1 R=0.
#5090	VANDALISM MARK & STAIN REMOVER – Heavy-duty mark remover. Quickly removes spray paints, road tar, scuff marks, marker inks, pencil, ballpoint pen ink, crayon, lipstick and other oil and solvent-based marks and stains. Excellent for vandalism and graffiti. Use on any hard non-porous surface. HMIS: H=3 F=3 R=0.
#5120	DOWN & OUT FLYING / CRAWLING INSECT SPRAY – Professional strength flying and crawling insect killer. Kills common pests such as houseflies, mosquitoes, cockroaches, ants, crickets and other listed insects. For use in <u>non-food</u> areas of commercial, industrial and institutional buildings and in households. EPA Reg. #706-83. HMIS: H=3 F=1 R=0
#5150	REFRESH APPLE ORCHARD AIR FRESHENER (Low VOC) – Dry-spray air freshener, room deodorizer and fabric freshener. Eliminates foul odors instead of masking them. Special dry-spray formula freshens the air without staining or leaving a residue. Great Apple Orchard fragrance. HMIS: H=1 F=1 R=0.

SWEEPING COMPOUNDS

#1300	RED HEAVY-DUTY KLENSWEEP – <i>New Dust Attracting Formula.</i> Red Heavy-Duty Kleensweep has been manufactured by Mission Laboratories since 1936 and is the <i>number one</i> selling sweeping compound in the West. Easy and economical to use, this is the ideal formulation for sweeping industrial and institutional concrete floors as well as warehouses, garages and driveways. Keeps the dust down. <i>Not for use on floors that can be harmed by the abrasive action of sand.</i> Coverage is approximately 25,000 sq. ft. per 100 pounds. Color: Red. HMIS: H=2 F=0 R=0.
#1310	RED NO-BASE KLENSWEEP – The best formulation for use on floors that can be damaged by sand or grit. Red No-Base Kleensweep contains <i>no sand</i> . Ideal for all resilient floors like vinyl, glazed or unglazed tiles and sealed concrete. Coverage for this product is approximately 20,000 sq. ft. per 100 pounds. Color: Red. HMIS: H=2 F=0 R=0.
#1320	GREEN WAX-BASE KLENSWEEP – This sweep is made especially for those who require a sweep for use on wood or composition floors which have been waxed. Green Wax-Base Kleensweep has been formulated in a way which is beneficial to these types of floors. Excellent for use as a general purpose floor sweeping compound. Coverage for this product is approximately 20,000 sq. ft. per 100 pounds. Color: Green. HMIS: H=2 F=0 R=0

SPECIALTY PRODUCTS

#1370	TRISODIUM PHOSPHATE (100% PURE T.S.P.) – This powder will quickly remove grease and soil from any non-porous washable surface. This is a very economical, heavy duty cleaner. Use anywhere from 1/2 to 4 ounces per gallon of water depending upon soil conditions. Excellent for use as a paint prep and as a water softener for the laundry. Use level pH of 10.0. Color: White. HMIS: H=2 F=0 R=0.
#1660	WONDER DUST MOP DRESSING – A Low V.O.C., Carb Compliant, <i>solvent-based</i> dust mop dressing for use on floor mops and untreated dust cloths used on vertical surfaces. Great for spraying on entrance mats to trap the dirt before it tracks into the building. Color: Clear Amber. HMIS: H=3 F=1 R=0.
#1690	MURIATIC ACID (Full Strength) – This is the pure 31.45% muriatic acid. Excellent as an acid etch for concrete floors or for serious cleaning. Color: Pale Yellow. HMIS: H=3 F=0 R=3. UN #1789. ▲ CORROSIVE PRODUCT
#2277	AMAZING PORTABLE TOILET ADDITIVE Without Formaldehyde (100-1) – A <i>Formaldehyde free</i> odor killer for RV's, aircraft and portable toilets. Destroys odors with a neutralizing chemical reaction to produce an odor free environment. Use level pH of 7.0. Color: Dark Blue. HMIS: H=3 F=0 R=0.
#8521	AMAZING RUST BUSTER – <i>Eliminate rust forever!</i> An amazing non-flammable acrylic emulsion which converts rust to a black acrylic paint base. <i>Rust will never reform.</i> After drying, use as a primer then paint or use Rust Buster as the final painted surface. Color: Milky White. HMIS: H=2 F=0 R=0.

GRAFFITI REMOVER

#1218	TAG-SOLVE™ GRAFFITI REMOVER – The easy and safe answer to hours of sanding, scraping and dangerous fumes. Lacquer and water-based paints are gently and rapidly dissolved by the natural chemical reaction of this <i>citrus-based</i> product. <i>Lemon Fragrance</i> . Color: Clear. HMIS: H=2 F=2 R=0.
-------	--

HISPANIC MARKET CLEANERS

#2381	PRACTICO™ LEMON FRESH DISHWASH DETERGENT (FRESCURA DE LIMÓN LAVA-PLATOS LIQUIDO) – A <i>heavy-duty</i> liquid dish detergent that is mild on hands. #1355BS	BLACK SAND – Pure fine-grained black shiny sand. Excellent for use in ashtrays and in all places where sand is normally used. Color: Black. HMIS: H=1 F=0 R=0.

CUSTOMER INFORMATION

Mission Laboratories (Mission, Seller):

Payment is due in full not later than 30 days from date of invoice. Consistently late payers risk losing Credit Privileges. Past due amounts over 30 days are subject to 1.5% financing charge. No order will be processed or released by the credit department if any invoices are past due. A 2% discount is given to all C.O.D. transactions. All returned checks are subject to \$25.00 service charge.

Attorney fees, collection costs, and court costs will be payable by the customer in the event of any claim being turned over for collections. All obligations, if any are stated in our credit application and will also apply with regard to any past due amounts.

Return Policy:

(A) Promptly upon receipt of all products delivered, customer shall be responsible to inspect such products for any damage, defect or shortage. All claims for shortages or non-delivery and any claim for damage shall be waived unless customer notifies Mission of the same within five (5) working days after receipt of product to which the claim relates, and the affected products are returned to Mission within ten (10) working days after receipt of product to which the claim relates, **provided Mission shall have authorized such return.**

(B) Except for products returned as in (A) above, no return of products will be accepted unless Mission shall have specifically authorized such return, in which event, **customer will be responsible for a 15% restocking charge, and charges for transportation.**

Note: There will be no exchange or return on special formula and/or private label products and/or Mission label non-stock items, except where product is shown to be defective when used as directed.

Order and Delivery Policy:

All orders must meet a minimum of \$100.00. There is no delivery charge for orders in excess of \$500.00 (excluding bleach, aerosols, absorbents and urn sands) to a single location within "delivery zones" served by Mission Laboratories' trucks. Orders under \$500 are will call. Please contact one of Mission's customer service representatives for expanded delivery zones, freight policies and UPS charges outside our regular "delivery zones". **These policies supercede any and all prior delivery policies published elsewhere.**

Title and Risk of Loss:

Title and risk of loss for all merchandise shall pass to buyer on delivery by Mission to a common carrier, regardless of the freight terms stated or method of payment for transportation charges. Customers are responsible for compliance with D.O.T. regulations when "will calling" product.

Will Call hours 8:00 a.m. to 2:30 p.m. \$100.00 minimum order. Minimum of one (1) day lead time for **stock items.**

UPS Shipments:

No corrosive products will be shipped via **UPS.** **UPS orders incur a fee of \$5.00 per case, pail or drum for special handling and shipping.**

UN Numbers: A world-wide hazardous material number is used to classify potentially dangerous chemicals shipped throughout the world. These products will be shipped in UN/D.O.T. packaging only.

Chemical Spill Emergency Number: For Leak, Fire or Medical Emergencies Involving Humans and Animals Call 1-800-535-5053.

Federal, State and Local Regulatory Compliance: All Mission products are produced and sold in full compliance with all federal, state and local regulations, including, but not limited to regulations of the EPA, USDA and parallel state and local regulatory bodies.

Pallet Charges: Please exchange all pallets at time of delivery to avoid a pallet charge. **All pallets must be 40 x 48, 4-way hardwood,** in good condition with no broken boards. **Pallets that are not returned from a drop shipment will be charged to the customer who originated the drop shipment. NO EXCEPTIONS.**

CUSTOMER INFORMATION cont.

Private Label Mission and Non-Stock Orders:

Orders are processed in 4 to 6 working days and ready to ship by common carrier, deliver on Mission truck, or will called within this time frame. **Custom Compounding / Special "X" Formulations minimum order quantity is 150 gallons batch size.**

PRIVATE LABEL SILKSCREEN MINIMUMS FOR A MISSION STOCK ITEM:

Any powder product may be private labeled with a 2,500 lb. minimum order. Paper label only. Fifty (\$50.00) dollar one time art charge per item. Customer may furnish their own label after Mission Laboratories approval of instructions and precautionary statements.

Product Use Policy:

Unless product is used strictly in accordance with label instructions and MSDS, Mission Laboratories shall not be responsible for any claim arising (directly or indirectly) from the use of its products or for any consequential damages arising therefrom.

Delays:

Mission Laboratories shall not be responsible for any delay in performance due to wars, embargoes, riots, fire, floods, accidents, strikes, labor difficulties, shortage of transportation, fuel, labor or material, acts of God, acts of government authorities, or any other cause beyond the reasonable control of Mission Laboratories.

Mission Laboratories Guarantee:

The product supplied will perform when used as directed according to the directions stated on the original container. In the event of the product not performing as stated thereon, Mission Laboratories will replace such product, as per our Return Policy stated above. No other liability will rest on Mission Laboratories for any reason whatsoever.

Price Changes:

Mission Laboratories attempts to give customers 30 day advance notice of price changes, but reserves the right to change prices without notice.
