What Say Capt' Bonanza Day "48"

a success even in the Rain!

The Bonanza Day Committee reports that the official entry list grew to **over 500** for our **48th Annual Rodeo** even with rain and rough seas.

The Committee thanks all who participated and helped to make this year's event one to remember! Per Craft Farms, we are still "officially" the "Largest Golf Tournament in Golf Shores"

Special appreciation is extended to all of the firms who generously contributed to the Rodeo weekend and to all volunteers who helped throughout the weekend.

Appreciation is Extended to our Co-Chairmen
RJ Gonzales with
Southern Earth Sciences
and

Lee Thornton with
C. Thorton, Inc. who
worked hard to make
Bonanza Day 48
a success!

We are making arrangements to move the date of
Bonanza Day 49
to May 12-13, 2017

Please note this change on
your calendars!

Appreciation to the Bonanza Day Committee & Volunteers
Rodeo Coordinator Charlotte Kopf wishes to thank the Chairs and the Bonanza Day Committee, Volunteers, AGC staff, and all who have generously donated their time and resources for Bonanza Day 48! This event would not be successful without the tremendous support from our committee and volunteers. Special appreciation to our Chair R.J. Gonzales and Co Chair Lee Thornton for their leadership throughout the event!

30th Annual Bonanza Day "Kennedy-Huggins Memorial Golf Classic" was a RAIN OUT—but fun was still had by all - judging by the Bloody Mary's that were consumed!

For the first time in 30 years this golf tournament was completely rained out! But over 200 golfers still attended and enjoyed the fellowship! Appreciation to all who were such good sports despite the weather. All golf prizes were given away as Door Prizes! Appreciation to the staff at Craft Farms for their amazing help with this event!

They went above and beyond by cutting out a section of the hand-rails of the Club house to accommodate a chipping contest. A Golf voucher was given each player to play on a better weather day at Craft Farms. Thanks to all of our Tent and Food Sponsors for Braving the Rain and ankle deep water! Praying for better weather next year!
