# Spank the Yeti®

## The Party Game of Questionable Decisions

Would you dumpster hump the robot, eat the dingleberries of the coked-out unicorn, and joust Tarzan? Or, maybe you would hump the unicorn, joust the robot, and snack on Tarzan's dingleberries? Hmm ...

Each round, one player pairs up three Action Cards with three Object Cards, and the other players try to correctly predict his or her answers. You don't really know your friends until you know whose dingleberries they'd eat.
