Grants

Graham Foundation, 2009
\$15,000 toward the Establishment and Design of an International Academic & Professional,
Peer-reviewed Architectural Journal entitled "PEER design review"

Thomas W. Ventulett III Distinguished Chair in Architectural Design, 2004 - 2005
Teaching and Research Grant
Georgia Institute of Technology
\$78,000 fund to conduct research on the design implications of digital fabrication in relationship to conventional construction practices in the United States.

Cultural Foundation of Germany
Conference and Publication Grant
This grant funded an international conference at the GSD, looking at the state of the contemporary Latin American City, as well as a special issue of AULA.

Rockefeller Center for Latin American Studies, 2003
Research and Travel Grant
Disassembly required II - Eco-tourism in the Ecuadorian Rain Forest.
This fund helped develop new methods of design and technology adapted to the specific needs of the Ecuadorian Rain Forest, as alternatives to the current thoughtless transfer of urban construction techniques to ecologically sensitive areas.

Rockefeller Center for Latin American Studies, 2002
 Research and Travel Grant
 Disassembly Required: Constructing the Unwanted Building

This grant funded a research studio focused on the invention of new construction systems that respond to the unique conditions of the Galapagos Islands

Dean's Junior Faculty Research Grant, 1997
 Villa Planchart. Gio Ponti's house in Caracas, Venezuela
 Funding for archival research in Parma and Milan looking over more than 450 drawings, as well as over 200 photographs. The grant used Ponti's building as a case study for the import of culture by the middle class of Venezuela in the 1950's

Rockefeller Center for Latin American Studies Grant, 1996
 Research Grant
 Villa Planchart. Gio Ponti's house in Caracas, Venezuela
 Funding for archival research at Villa Planchart in Caracas, cataloguing over more than 600 letters and collecting oral history from the original owner of the house.

Tozier Foundation, 1996
 Research Grant
 Carlos Raul Villanueva's Universidad Central
 This grant funded the landscape projects of one of the most prolific and well-known Latin-American figures of the modern movement. It focuses on a landscape intervention in Caracas, at Venezuela's Central University.

Rockefeller Center for Latin American Studies, 1997
 Research Grant. Carlos Raul Villanueva. Funding for archival research in Venezuela, looking at the Archives at Universidad Central the Venezuela, the National Library in Venezuela, as well as the Fundacion Villanueva. The research studied the more populist role of modernism in Latin America whereby the international style came to be a source of national pride.

South Pointe Zoning Analysis, 1992-1993
 Center for Urban and Community Design Grants and Contracts
 This grant funded the study of the impact of zoning practices in neighborhood development in Miami Beach.
