**NOTE:** This publication is updated twice a year for rates effective January 1 and July 1. For the most current list of participating insurance carriers, refer to <https://insurance.maryland.gov/Consumer/Documents/publicnew/medsupindpolicies.pdf>.

### Scope of Guide

This publication provides: (1) names, addresses, telephone numbers and websites of insurance carriers that sell Medicare Supplement insurance in Maryland, (2) Plans A, B, C, D, F, high deductible F, G, high deductible G, K, L, M, and N monthly premiums for ages 65, 70, 75, 80 and 85 individuals, and (3) Plans A, C, and D monthly premiums for individuals under age 65 with a disability who are enrolled in Medicare Part B. Some insurance carriers sell other plans for individuals under age 65 with a disability who are enrolled in Medicare Part B. The plan options listed in this publication are for Standardized policies (and certificates) first offered on or after June 1, 2010 except for Plan G with High Deductible. The plan options listed for Plan G with High Deductible are for policies with an effective date for coverage on or after January 1, 2020. (Please note: Effective January 1, 2020, only applicants who are first eligible for Medicare before year 2020 may purchase Plans C, F, and high deductible F.) The premiums are subject to change, and the information in this Guide is for informational purposes only. For current premiums and more information about policies, contact your insurance producer (Insurance Producer or broker) or insurance carrier.

This publication only provides the rate information filed with the MIA. For general information about Medicare and Medicare Supplement Policies, you can view the MIA's webinar, *Medicare Supplement Insurance in Maryland* at: <https://tinyurl.com/ydcqnthw>. You may also visit the website of the federal Centers for Medicare and Medicaid Services (CMS), which administers the Medicare program and can answer your questions regarding the Medicare Program. The CMS website at [www.cms.gov](http://www.cms.gov) contains valuable information regarding Medicare, including a handbook on Medicare entitled *Medicare & You* that provides detailed information on Medicare program benefits, rights and obligations, and also a guide titled, *Choosing a Medigap Policy: A Guide to Health Insurance for People with Medicare*. You also may contact CMS directly with your questions regarding the Medicare program by calling toll free 1-800-MEDICARE or visiting the Medicare website at [www.medicare.gov](http://www.medicare.gov).

### General Information

Medicare Supplement is private insurance and can only be purchased through an insurance carrier. It is not sponsored by either federal or state government.

An insurance carrier writes a policy based on issue age, attained age, or community rating.

**Issue Age** means that premiums are based on your age at the time you purchase the policy. While premiums may periodically increase due to benefit changes, inflation, or increases in medical costs, they will not increase due to your advancing age.

**Attained Age** means that premiums are based on your age on the last policy anniversary date. Premiums are scheduled to increase at predetermined intervals (for example, every year or every five years). These increases are in addition to premium increases because of benefit changes, inflation, or increasing medical costs.

**Community Rated** means that premiums do not depend on your age, either at the time the policy is issued or upon renewal. Premiums depend on other factors and may increase because of benefit changes or overall premium adjustments.

**Individual Medicare Supplement Plan Choices – Plans A, B, C, D, F, High Deductible F, G, High Deductible G, K, L, M and N**  
**Benefit Chart of Medicare Supplement Plans Sold on or After January 1, 2020.**

This chart shows the benefits included in each of the standard Medicare Supplement plans. Some plans may not be available to all Original (Part A/Part B) Medicare beneficiaries. Only applicants first eligible for Medicare before January 1, 2020 may purchase Plans C, F, and high deductible F.  
 Note: A ✓ means 100% of the benefit is paid.

<sup>1</sup> Plans F and G also have a high deductible option which require first paying a plan deductible before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible Plan G does not cover the Medicare Part B deductible.

<sup>2</sup> Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

<sup>3</sup> Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.
