KARMAFEST SCHEDULE WITH EXPLANATIONS IN CHRONOLOGICAL ORDER (SUBJECT TO CHANGE)

10:15 – 11:00 Gayatri Prayer with Molly Szpara
THE MAIN STAGE - AMPHITHEATRE

This Sanskrit mantra is one of the most ancient chants, used to pray for the awakening and enlightening of all humanity. It is a powerful prayer full of light that can aid anyone around the world in need of healing or love.

Molly Szpara is a recent graduate of Towson University, a yogini, singer, dancer, and poet. She loves to chant in order to ground and center, and to feel a deeper connection to her heart and Source.

10:15 – 10:45 How To Ground, Center and Put Protection Around Yourself with Anne-Marie Revello and Erin Durance
LECTURE AREA ONE (INDOORS SHAWAN ROOM)

Come learn how to ground, center and put protection around yourself! In this time of fluctuating energy and change these are important practices to keep ourselves fully present in our bodies; in this time and place; to improve stability and focus; and to protect ourselves from negative energy.

Erin Durance is a holistic health coach trained by the Institute for Integrative Nutrition, and a Reiki practitioner. She guides her clients through gentle lifestyle changes and specializes in vegetarian health and nutrition.

Anne-Marie Revello is a Certified Reiki Master/Teacher and the owner of Phoenix Reiki, offering individual sessions and training in all levels of Usui Shiki Ryoho, Karuna Reiki™, Lightarian Reiki™ and Sekhem Seichim Reiki as well as other metaphysical training including the Violet Flame and Crystal Healing. Anne-Marie is also certified in all three levels of Integrated Energy Therapy (R) and is a member of the International Association of Reiki Professionals. Karuna Reiki is a trademark of the International Center for Reiki Training.

10:15 – 11:15 Natural Healing with Essential Oils with Colleen McCartney
LECTURE AREA THREE (OUTDOORS NEAR RIDGE PAVILION)

Colleen McCartney will help you learn to take care of yourself naturally with Essential Oils. You will learn what essential oils are, how they work, and the how to use them.

Colleen McCartney travels teaching classes; empowering others to take charge of themselves with informed self-care. Genuinely caring about how she can help you improve your life, Colleen is able to show you how using the purest oils can make many improvements to your life. Because these are Certified Pure Therapeutic Grade essential oils you can use them as daily dietary supplements as part of your daily regime as well as clear migraines, relieve cramps and menopausal symptoms; release anxiety, aches and pain; get rid of insomnia; treat infections, bug bites, and other health related problems in a holistic and natural way and at a lower cost. **VOTED BEST LECTURE AT WINTER KARMAFEST LECTURE SERIES AND SHOW!**

**6:00 – 6:45 Blue Eden
INDIGO STAGE - (WESTINGHOUSE PAVILION)**

"JD Duvall's 'Blood Red Moon' might just be the best indie rock CD I've ever mixed in my many years as a recording engineer in NYC. It's got everything: great songwriting, great playing, great arrangements, and to top it all off, JD's powerful, soaring vocals. His voice has that rarest of qualities; it will pull you irresistibly into his inspired musical world, and you'll love it there. Buy this record." -Ted Spencer, recording engineer/producer (David Bowie, Stevie Wonder, Paul Simon, Daryl Hall)

JD Duvall has now formed his new band called Blue Eden. They are currently recording their new album at Threshold Recording Studios in NYC, a mix of Eastern modalities, Afro-pop guitar motifs and uplifting alt-rock. At Karmafest, JD will be performing solo electric/acoustic versions of these new songs, featuring percussionist/drummer, Richard Dinges. The new Blue Eden album is set to be released in Fall 2013.

each of us to experience love, joy, and abundance – and to live passionate, purposeful, inspired lives. It is not that we are afraid of being small – we are afraid of being "BIG!"

As a motivational speaker and healer (Spiritual Advisor), Linda Richards possesses a gift and devotion for guiding people to awaken to their heart's passion. She has led many to release their self-defeating beliefs in order to trust and follow their innate wisdom, and move into joy. Linda began her journey of awakening to the Light within (the God/Goddess within) 25 years ago after a life-changing event led her to much-needed transformational healing by undertaking the arduous, but rewarding path of ongoing restoration to wholeness through Energy and Spirit work. In addition, Linda is a Reiki Practitioner, an Energy & Light Worker, a recipient of DNA activations of the endocrine glands, as well as Head Admissions Advisor for an online Life Coaching School, and a Travel Agent. Linda is also the mother of 4 beautiful children (& one "furry child!") – and she awakens each day filled with gratitude & joy!

LECTURE AREA ONE (INDOORS SHAWAN ROOM)

In David's mind, Magic and Magic Tricks, are two completely different things. This workshop will explore both. We will take a close look at reality by gaining an understanding of illusion. You are

guaranteed to go home with many more questions than you came in with, as well as several tricks you can amuse and amaze your friends with! Topics covered will include Alchemy, Surrealism, Dreams, Imagination, and Creativity, as well as Sleight of Hand, Misdirection, Storytelling, Persona, and Human Interaction.

David London discovered that he was a magician at the age of seven. In his over 20 year quest to understand just what that means, he had created five original theatrical magic productions, including *Cerebral Sorcery*, *Art of Dreams*, and *The Imagination Show*, as well as authored eight manuscripts related to magic and illusion, including *Daydreams*, *Borderland State*, and *Imagining the Imagination*. David regularly performs his unique style of magic at theaters, museums, galleries, festivals, and private events, and has presented his shows, workshops and lectures in over 1/3 of the United States.

1:00 – 3:00 **Past Life Regression with Karen Willis (additional ticket required \$25)

LECTURE AREA TWO (INDOORS SENECA ROOM)

Have you ever felt or wondered that you have lived other lives? Do total strangers somehow seem familiar? Do you have any fears, patterns or issues that can't be explained in your current life experience? Sometimes called spiritual journeys, or soul exploration, the regression experience uses techniques of guided imagery, progressive relaxation and hypnosis to focus on life patterns and more clearly understand the soul's journey. We'll spend some time exploring our concepts of past and answer questions you may have about the regression process. You'll be gently guided through a time of relaxation and exploration of memories past, followed by an opportunity to write and talk about your experiences. Come join us for this amazing personal journey into your past life! Note from Patti – I've had this done with Karen – VERY empowering. The real deal.

Karen Willis, CH, MA is Certified by The National Guild of Hypnotists, Inc. and the National Association of Transpersonal Hypnotherapists. She also has a Past Life Regression Certification with Henry Bolduc, IBRT and has been trained in Life Between Lives Hypnotherapy for Spiritual Regression by Dr Marjorie Reynolds, (a trainee of Dr Michael Newton).

1:15 – 2:15 Making Sense of a Non-Sensical World with Laura Jackson

LECTURE AREA FIVE (OUTDOORS UNDER TIMBER TENT)

*We are witnessing seemingly disconnected events around the world – large numbers of earthquakes along the Ring of Fire, a meteorite exploding over Russia, a Pope resigning with lightning striking the Vatican dome later that day – including prophecies from many ancient cultures that are still unfolding. How can we make sense of this? By realizing that we are magnificent beings and there is divine order in **everything**, even when it doesn't look like it or feel like it. Come and find out how to rise above the craziness!*

Laura Jackson is a speaker, author, coach, consultant and musician. Emerging as a nationally-recognized speaker on earth changes, Laura demonstrates how science and prophecy are interwoven through insights from ancient cultures, metaphysics, Edgar Cayce's readings and modern-day quantum science. Visit Laura at www.soul-action.com.

1:45 - 2:45 Bhakti Tree

THE MAIN STAGE – AMPHITHEATRE

One of the east coast's hottest new kirtan bands, Bhakti Tree came together in the summer of 2011 through Baltimore's kirtan community. With deep respect for the practice of kirtan, and an abundant sense of humor and karmafest kirtan-19playfulness, the members of Bhakti Tree offer their music with humble hearts in the service of love. With a diverse musical background, Bhakti Tree spins together traditional mantras and sacred songs from around the world, adding their own original melodies and compositions, creating a sound that is truly unique while still rooted in heartfelt devotion. Blending together ethereal harmonies and lyrical melodies with high energy tribal rhythm, threads of folk and gospel music, and funky reggae elements, their contribution to the world of kirtan fusion is fun, joyful, enthusiastic, and inspiring.

In 2012, Bhakti Tree was featured as a headlining band at Evolvefest, and enjoyed offering music at Karmafest, DC Kirtan Fest, the Philadelphia Yoga Rave, and the Inaugural Yoga Ball in early 2013. Bhakti Tree is excited to continue bringing beautiful and inspiring music to the world, and in addition to some exciting plans to travel to offer their music, they will release a live recording later this year.

Bhakti Tree is comprised of Adam Kandel (voice/guitar/djembe), Angela Blueskies (voice/flute), Christy Freer (voice/harmonium/djembe), and Ryan Sansing (voice/guitar/djembe).
