Biography / Memorable Life Experiences: Pivotal point in my life, October 15, 1971--thanks to the Catholic Charismatic movement--a personal encounter with Christ (and everything changed!). B.A. in English and Art (dual major). 40ish years in Tech Pubs, from typesetting & paste-up to Technical Editing and Writing. Sang with 2 different choirs overseas (Austria Christmas sing; Mass in St. Peter's Basilica, Roma; honored to sing for St. Pope John Paul II as part of the huge crowd in St. Petersburg Square). I am looking forward to becoming reacquainted with members of the class of '65.
