Introduction

This booklet provides a list of Blue Shield 65 Plus and Blue Shield 65 Plus Choice Plan network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and the Blue Shield 65 Plus or Blue Shield 65 Plus Choice Plan formulary. If you have additional questions, please call our Member Services at **(800) 776-4466**, 7 a.m. to 8 p.m., seven days a week, from October 1, 2012 through February 14, 2013. After February 14, your call will be answered by our automated phone system on weekends and holidays. TTY/TDD Users should call **(800) 794-1099**. Or, visit **blueshieldca.com/med_pharmacy**.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Blue Shield 65 Plus or Blue Shield 65 Plus Choice Plan only if they are filled at a network pharmacy or through our mail service pharmacy. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

Preferred pharmacies are network pharmacies with which our Plan has negotiated even lower cost-sharing for its plan members for covered prescription drugs than at other network pharmacies. However, you will still have access to lower drug prices at these other network pharmacies than at out-of-network pharmacies. You may go to either of these types of network pharmacies to receive your covered prescription drugs.

Preferred pharmacies offer a 90-day supply of covered prescription drugs at the cost of two 30-day supplies. You may still receive an extended supply of drugs at other network pharmacies; however, you may not receive the discounted price.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under Blue Shield 65 Plus or Blue Shield 65 Plus Choice Plan through the facility's long-term care pharmacy or another network long-term care pharmacy.

Blue Shield of California has a process in place to assist you in obtaining prescription drugs when you are in a long-term care (LTC) facility. If you are in an LTC facility and are prescribed a non-formulary drug, we will authorize a one-time, 31-day supply of the medication prescribed for transition purposes.

If you are on a complicated medication regimen, or a regimen where safety concerns do not permit you to be transitioned sooner, up to a 6-month transitional period will be allowed. This transition period will also be allowed for patients with multiple medications and with multiple physicians providing care.

For more information, please call Member Services at **(800) 776-4466** [TTY Users should call **(800) 794-1099**].
