■ MSHSAA Championships Admission Policy

An MSHSAA ticket is a revocable license and may not be resold. Tickets not purchased through an authorized agency are not valid and a holder may be denied admission or ejected. The Missouri State High School Activities Association is not responsible for, and will not replace, lost or stolen tickets. The date and/or time of this event may be changed due to weather and other considerations. The holder of a ticket or a gate pass consents to a search of items as a condition for admission. A personal item may be confiscated if it is determined by event management to pose a safety concern.

Once admitted, ticket holders may re-enter the facility by wearing the appropriate wristband. If weather should force postponement of any contest(s), the admission wristband will be treated as the rain check once the postponed contest resumes.

Smoking, use or possession of alcoholic beverages or any illegal substance, throwing of any items, and other such actions are prohibited. Umbrellas, cans, glass, strollers, oversized items, or food and containers or other items which could endanger safety are prohibited as determined a safety concern by event management.

Management reserves the right to eject any person whose conduct is deemed disorderly or inappropriate in a school activity setting.
