RIFLE AMMO BOXES

DELUXE 50 ROUND RIFLE AMMO CASES

Redesigned in 2019; deluxe H-50 series offers the ultimate in ammo storage. Bullets stored in down position are carefully secured by four special bullet-tip protecting fingers. These fingers prevent most bullet tips from hitting the bottom of the box which could cause tip damage and change the flight characteristics of a bullet. Excellent choice for belted magnum rounds which may be carried rim up or rim down.

Extra space provided between rounds facilitates easy removal. Calibers are listed as "bullet up position" however, some rimmed cases will fit better bullet tip down. See bullet chart for best caliber fit.

- Convenient, fold-down carrying handle
- Fully stackable
- Bullet tip protection
- Tabbed for a padlock

DELUXE 100 ROUND RIFLE AMMO CASES

The R-100 series holds 100 rifle rounds in perfect security. Adjustable inner trays offer two height positions for different cartridge lengths, providing an excellent fit for nearly 200 different cartridge sizes. Bullets are carried either bullet-tip up or in the protected down position. "Fingers" molded into the bottom of each cartridge compartment help guard against bullet tip damage.

- Polypropylene construction with a scuff resistant, textured finish - will not crack, chip, contract, expand or warp
- Snap-Lock latch to prevent spilling - it only opens when you want it open
- Recessed handle lies flat for easy storage and stacking
- Pressure sensitive load label provided for recording load and sight data
- Tabbed for a padlock - **New!**

All rounds are listed as bullet tip up, unless otherwise noted.

100 ROUND, CASE-GARD™ RIFLE AMMO BOX

Between cleaning kits, shooting gear and a good supply of ammo, space can be rather limited in a shooting box. We understand this because as a family of shooters, we share your dilemma. This is why MTM created the Case-Gard™ 100 round ammo box, a compact way to hold large amounts of ammo. Great for varmint hunters and competitive shooters, both the RS & RM-100 feature a scuff-resistant textured surface, snap-lock latch, stacking feet, mechanical hinge and load labels...with an unheard of, 25 year guarantee.

SHOOTING RANGE BOX

For the challenge of gun cleanup at the range, camp or even at home. The RBMC is a two-piece design that features a removable top storage box suitable for stowing all of your small cleaning items such as oils, solvents, brushes, patches and the like.

Unlatch the top box to reveal the deep-storage maintenance center. Here you can stash your larger items (ammo, powder, etc.). Best of all, the box includes two adjustable gun forks with soft, over-molded rubber padding, which mount to either end of the case. This allows you to set your gun securely in an upright position to perform all manner of maintenance and repairs.

MTM PREDATOR SHOOTING REST™

The MTM Predator Shooting Rest is a rugged, fully adjustable, easy to transport, modestly priced shooting rest. The PSR is actually a two piece unit, equally suited for both rifle and handgun enthusiasts. By loosening the PSR's butt stock support it not only levels the rest on uneven surfaces but also adjusts to fit various length guns. Remove the support completely and the PSR becomes a highly effective handgun or front rifle rest. A precision dialed screw pedestal adjusts forearm level for exact positioning. Non-marring rubber shooting pads give solid, gripping support to (whatever the shape) gunstocks and barrels. Plus, four rubber feet provide a wide, slip-free stance on any shooting bench for an amazingly solid hold.

K-ZONE SHOOTING REST

MTM'S TOP OF THE LINE RIFLE AND HANDGUN SHOOTING REST.

Precision built for checking reloads or factory ammo with your favorite rifle. Designed to replace heavy metal rifle rests as a lightweight, compact, all around easier to use alternative.

The K-Zone has a solid four-foot stance, with feet made of non-marring rubber, placed for optimum stabilization, plus a large vertical adjustment screw that allows for quick height adjustments and a solid, no-movement hold. It is padded front and rear with non-marring rubber shooting pads. Adjustable in length to fit a full size hunting rifle all the way down to a small youth rifle. Also accommodates AR15 style and lever-action rifles. With the rear piece removed it becomes a pistol handgun rest or front rifle rest. The padded storage box is removable and can hold shooting glasses, ear plugs, tools, etc.

SHOOTING REST

The rest weighs 4 pounds and features hollowed compartments to which you can add weight if desired. Built to withstand heavy calibers, the American-made K-Zone is perfect for sighting in any rifle or handgun. Measures 16" wide and 19" long in storage position, expands to 26" long for shooting.
