# WELCOME TO ARTSCIENCE MUSEUM

ArtScience Museum™ at Marina Bay Sands® is the museum that celebrates the intersection between art, science, technology and culture. Since its opening in February 2011, it has staged major exhibitions by some of the world's leading artists, including Leonardo da Vinci, Salvador Dalí, Andy Warhol and Vincent Van Gogh, as well as major exhibitions which explore aspects of scientific history.

ArtScience Museum is Southeast Asia's leading cultural institution exploring the interrelationship between art and science. Through its programmes of exhibitions, events, performances and education activities, it shows how the world around us is transformed by art, science, technology and culture. The museum's combination of striking architecture, award-winning design, strong curation and intellectual discussions makes it unique internationally. Featuring 21 gallery spaces totalling 50,000 square feet (4,650 m<sup>2</sup>), the iconic lotus-inspired building has played host to major international touring exhibitions from renowned collections in the world.

# ARTSCIENCE LATE

## GET INSPIRED

7PM – 10PM

For one Thursday evening each month, ArtScience Museum keeps its doors open straight through until 10pm offering free performances, late exhibition viewings and special 1-for-1 entry to exhibitions (7pm-10pm)\*.

Shake off your mid-week doldrums and experience all the evening has to offer. See a different side of the museum after regular hours where exploration and experimentation are de rigueur of the night; where artistic collaboration and discovery take over the museum's spaces; where disciplinary boundaries are challenged as performance and new media art collide and meld together.

Keep a lookout for upcoming programmes on our website.

ArtScience Late performance programme is free.  
Register in the lobby.

\*Terms and Conditions apply.

## SUNDAY SHOWCASE

At *Sunday Showcase*, creators and makers with a passion for art, science, design and technology gather to showcase their projects at ArtScience Museum. Enjoy unique access to cutting-edge projects undertaken by different tertiary institutions in Singapore. Tinker with the inventions, and engage the creators and makers in dialogue as they share about their creative processes.

## CONVERSATIONS

*Conversations* is a series of talks where esteemed speakers and industry leading artists take centre stage and share their passion and knowledge on various thought-provoking topics.

Admission to both programmes is free.  
Register in the Lobby.

Keep a lookout for upcoming programmes on our website.

# FabCafe
